

City of Evanston/ David Woodhouse Architects
 Clark Street Beach
 Restroom/ Entry Drive Reconstruction Project

public meeting feedback form 09.23.08

Based on the downloaded PDF outlining the design team's presentation, please help us to confirm the following design assumptions and criteria.

The Parks/ Forestry & Recreation Department will take this feedback into consideration as part of the project's design process. Please return this form to a staff/ design team member after the meeting this evening or send it to Stefanie Levine, Project Manager, City of Evanston, Parks/ Forestry & Recreation Department by mail (2100 Ridge Avenue, Evanston, Illinois 60201), email (slevine@cityofevanston.org) or fax (847.448.8070). Please return this form by October 3rd so that the design team can benefit from your comments before the next public meeting on October 15 at 7:00pm.

Are you a	<input type="checkbox"/> resident of the immediate community	<input type="checkbox"/> resident of the larger community		
<input type="checkbox"/> representative of a community organization (which one?)				
How often do you visit this park?	<input type="checkbox"/> never	<input type="checkbox"/> seldom	<input type="checkbox"/> often	<input type="checkbox"/> daily
How do you use the park?				
How often do you visit this beach?	<input type="checkbox"/> never	<input type="checkbox"/> seldom	<input type="checkbox"/> often	<input type="checkbox"/> daily
How do you use the beach?				
optional contact information				
name		email		phone
The overall footprint both the building and access drive should be as small as possible.		<input type="checkbox"/> agree	<input type="checkbox"/> disagree	
Comments:				
Preserving the integrity of the existing landscape is our primary objective.		<input type="checkbox"/> agree	<input type="checkbox"/> disagree	
Comments:				
The new Restroom Building should provide new separate restrooms for the beach and park, a ticketing window, a concession window for prepackaged items and a office/storage space for beach staff.		<input type="checkbox"/> agree	<input type="checkbox"/> disagree	
Comments:				
The new restroom should blend into the existing landscape and be as invisible as possible.		<input type="checkbox"/> agree	<input type="checkbox"/> disagree
