## Fall After-School Golf League

This league is designed to give intermediate and advanced players more opportunities to play on course. All players should have at least one year of on-course playing experience. Participants will be split into groups of 2 or 4, depending on the total number of players, and compete each week against another group on course. The teams will play a "best ball format" in order to try to complete up to 9 holes per match. In the event of rain, the program will be extended by one week. Registration deadline: Sept. 22.
