Camp R.E.A.L. included canoeing on Lovelace Park's pond.

## PROGRAM CATEGORIES

Families have different needs, so we offer a wide variety of programs in the following categories:

### Specialty Camps

Skills in one area are emphasized, such as sports, the arts, or lakefront activities.

### Ecology Camps

The Ecology Center's popular camps for ages 3-14 explore the wonders of nature; older campers go on an exciting overnight adventure!

### Variety Day Camps

A wide range of traditional camp experiences are offered, such as nature, sports, field trips & crafts.

### Camps for those with special needs

Twenty of Camp R.E.A.L.'s 25 spaces are reserved for campers with special needs. Park Camp is for those attending Park School's summer program.

## LATE SUMMER MINI-CAMPS
