Compliance File

Dear Mr. Strong:

The Illinois Environmental Protection Agency ("Illinois EPA") **ACCEPTS** the September 10, 2007 Compliance Commitment Agreement ("CCA") proposed by Veolia ES Solid Waste Midwest, LLC in response to the August 2, 2007 Violation Notice.

Please note that a follow-up inspection will be conducted by the Agency in order to verify that the corrective actions described in the CCA have been carried out.

Failure to fully comply with each of the commitments and the schedules for achieving each commitment as contained in the CCA may, at the sole discretion of the Illinois EPA, result in referral of this matter to the Office of the Attorney General, the State's Attorney of Cook County, or the United States Environmental Protection Agency.

The CCA does not constitute a waiver or modification of the terms and conditions of any license or permit issued by the Illinois EPA or any other unit or department of local, state or federal government or of any local, state or federal statute or regulatory requirement. All required permits or licenses necessary to accomplish the commitments stated above and comply with all local, state or federal laws, regulations, licenses or permits must be acquired in a timely manner. The need for acquisition of any licenses or permits does not waive any of the times for achieving each commitment as contained in the CCA.
