Compliance File

Dear Mr. Ray:

On June 23, 2023, I conducted an inspection of the above referenced site as a representative of the Cook County Department of Environment and Sustainability. The purpose of this inspection was to determine the site's compliance with its Illinois Environmental Protection Agency-issued operating permit, the Illinois Environmental Protection Act, and 35 Illinois Administrative Codes.

No violations were noted at the time of the inspection. For your information, a copy of the inspection report is enclosed. Please contact me at andrew.nowak@cookcountyil.gov or 312-758-4141 if you have any questions regarding this inspection.

Sincerely,
