City of Evanston

Chandler Tot Lot Improvements

June 15, 2026

Project Description

Over the next several months the City of Evanston will be contracting improvements at Chandler Tot Lot (located at the Chandler-Newberger Community Center). Work will include a new children's playground, pavements, drainage improvements, basketball court modifications, site amenities, and landscaping.

Project Schedule

This project is anticipated to begin in **late June 2026** and be completed in **October 2026**. During construction, the playground and basketball area will be closed to the public. Construction activities may create some inconveniences for residents, but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary "NO PARKING" signs posted 48 hours in advance.

Contractor

The project's general contractor is Innovation Landscape, Inc, 1481 Plainfield Road, Oswego, IL 60543.

Project Monitoring

The project is monitored by the City's Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Kenon Boehm, Landscape Architect II, at **3-1-1** or **847-448-4311**.
