City of Evanston

Beck Park Expansion – Phase 1

July 30, 2025

Project Description

Over the next twelve months the City of Evanston will be contracting improvements at Beck Park (located east of the North Shore Channel between Church Street and Emerson Street). Work will include new playgrounds, pathways, bike path, parking lot, pavilion, lighting, water and sewer infrastructure, site furnishings and landscaping.

Project Schedule

This project is anticipated to begin in **August 2025** and be completed in **July 2026**. During construction, portions of the park will be closed to the public. Construction activities may create some inconveniences for adjacent residents but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary “NO PARKING” signs posted 48 hours in advance.

Contractor

The project’s general contractor is John Keno & Company, Inc., 8623 West Bryn Mawr Avenue, Suite 501, Chicago, Illinois 60631.

Project Monitoring

The project is monitored by the City’s Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Stefanie Levine, Senior Project Manager at **3-1-1** or **847-448-4311**.

For additional information, please visit the project’s website at www.cityofevanston.org/beckpark.
