Twiggs Park Playground Improvement

August 26, 2025

Project Description

Over the next four months the City of Evanston will be contracting playground renovations at Twiggs Park. This will include reconstruction of both the ages 2–5 playground and the ages 5-12 playground, as well as various paving, amenity, and ADA improvements.

Project Schedule

This project is anticipated to begin in **mid September 2025** and be completed in **January 2026**. During construction, the playgrounds as well as some of the asphalt path will be closed to the public. Construction activities may create some inconveniences for adjacent residents but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary “NO PARKING” signs posted 48 hours in advance.

Contractor

The project’s general contractor is AGAE Contractors, Inc., 189 Gordon St., Elk Grove Village, IL.

Project Monitoring

The project is monitored by the City’s Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Kenon Boehm, Landscape Designer, at **3-1-1** or **847-448-4311**.
