GREEN GRAY

Design Goals

Create fun and challenging play spaces that meet physical, social, sensory, and cognitive needs of all people.

- 2-5 Playground
 - Offer at least one of each type of play: sensory, social, and intellectual
 - Include musical elements and a comfort enclosure
 - Provide a multi-use swing
 - Include one to two slides
- 5-12 Playground
 - Provide increased height with accessible platforms
 - Create a circuit featuring jumping, zipping and flipping activities
 - Include one tall/fast slide and one or two accessory slides
 - Include spinning/swinging elements with accessibility considerations

Ages 2-5

Option A

Key Elements:

- Varied types of play
- Main slide structure
- Musical chimes/percussion
- Sensory wall
- Multi-use swing
- Balance beam

Ages 2-5 Option B

Key Elements:

- Varied types of play
- Main slide structure
- Seesaw
- Sensory wall
- Multi-use swing set
- Net climber

Ages 5-12

Option A

Key Elements:

- Tall slide
- Multi-use swing
- Zipline
- Rope spinner
- Climbing wall
- Ninja course

Ages 5-12

Option B

Key Elements:

- Giant slide
- Individual spinners
- Pole vault
- Multi-use swing
- Zipline
- Ninja course

Ages 5-12

Option C

Key Elements:

- Rope pyramid with slide
- Individual spinners
- Pole vault
- Multi-use swings
- Zipline
- Ninja course
