

IF YOU DON'T  
COVER UP, YOU'RE  
FISHING FOR TROUBLE

**Face coverings are now required when working in or patronizing essential businesses.**

Materials found at home, such as scarves, bandanas, or handkerchiefs, are acceptable face coverings.

Evanston is partnering with the student-run nonprofit Lending for Evanston and Northwestern Development (LEND) to collect and distribute donations and small loans to assist local business owners during this difficult time. Visit [cityofevanston.org/backtobusiness](http://cityofevanston.org/backtobusiness) to learn how you can participate.

**Let's work together to slow the spread of COVID-19 and safely get back to business.**
