Park-Related Updates

Date	Location	Ward	Project Details
July 14	Bent Park	6th	Spring rocker removed due to broken foot peg
July 14	Bent Park	6th	PRCS, IT and FFM staff met to discuss camera coverage and options for installation.
July 15	Lovelace	6th	Tube slide found cracked; new replacement parts installed.
July 15	Penny Park	2nd	PWA and PRCS staff met on site to inspect rotting timbers and possible mitigation options to expand the lifespan of the playground. PRCS staff will conduct a more detailed inspection of the playground soon and determine next steps.
July 17	All playgrounds	Citywide	Playground inspections have concluded

Recreation Updates

- The [Summer Guide](#) is available. Most of these programs will run from early June to Labor Day.
- [Summer Camp](#) is completing its 6th week and will continue until August 14.

- July 13 to July 19 the Department had 871 campers enrolled in 61 different camps.
- July 13 to July 19 the Department issued 42 picnic or fire circle permits

Community Services Updates

- CARE Team bike units began regular patrols throughout downtown Evanston, engaging community members and educating cyclists on bicycle safety, emphasizing the importance of using designated bike lanes rather than riding on sidewalks.
- Increased visibility in the downtown business district through proactive outreach and education while continuing to build relationships with residents, businesses, and visitors.

DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING JULY 17, 2026

REMINDER - August 5 SPC Supplier Showcase is Cancelled

As previously reported, we are disappointed to report that due to scheduling conflicts, the 2026 Suburban Purchasing Cooperative (SPC) Supplier Showcase scheduled for Wednesday, August 5 has been cancelled. We will be back next year! For questions, please contact NWMC Purchasing Director Ellen Dayan, 847-296-9203 or edayan@nwmc-cog.org. *Staff contact: Ellen Dayan*

More NWMC Surplus Vehicle & Equipment Auctions on the Horizon

Thank you to *Morton Grove*, *Harvey*, *South Chicago Heights* and *Woodridge* for participating in the July 14 NWMC Surplus Vehicle & Equipment Auction at America's Auto Auction (America's AA) in Crestwood.

The next live auctions will be held on October 13 and December 15. In addition, America's AA hosts online sales on par with other government surplus Internet auctions. For more information, please contact staff or America's AA Sales Executive Manager Kasey Salameh, Kasey.salameh@Americasaa.com, 708-389-4488 (office) or 708-953-3069 (mobile). *Staff contact: Ellen Dayan*

Applications Now Open for MMC's Free EV Readiness Technical Assistance Program

The Metropolitan Mayors Caucus (MMC) is accepting applications to participate in their Electric Vehicle (EV) Readiness Program. The EV Readiness Program helps communities prepare for transportation electrification by offering free technical assistance and training on all aspects of EVs and EV charging. Participating communities receive support to update zoning codes, streamline permitting, train first responders, assess fleet electrification opportunities, engage residents and businesses, and more. The program makes implementation easier for communities by providing templates, model code language, examples from the 45 local governments that have completed the program, peer learning in a cohort setting, and guest speakers who share the latest innovations and case studies from the field. Participants gain knowledge and resources to prepare their community for the growing adoption of EVs, expansion of EV charging infrastructure, and future funding opportunities as they arise.

To apply for the program, please submit an [MMC EV Readiness application](#) by Friday, Aug. 14. In addition, the MMC is offering a virtual info session on Wednesday, July 22, at 1:00 p.m. to learn how the program works, hear from a few of the 45 municipalities that have completed the program and answer questions. Register for the session at: [MMC EV Readiness Info Session](#). Please contact MMC Senior Sustainability Specialist Cheryl Scott at 312-386-8654 or cscott@mayorscaucus.org with any questions. *Staff contact: Larry Bury*

Plan Now, Save Later: SPC & Sourcewell Can Help Prepare for Seasonal Shifts

As unpredictable weather increasingly becomes the norm, public works directors turn their attention to preparing infrastructure for seasonal changes. Tight timelines, limited staff and aging facilities often push maintenance into reactive mode, where emergency fixes cost more, take longer, and strain operations. The SPC offers support for infrastructure and operations with trusted solutions through the SPC/Sourcewell Program Alliance.

Instead of enduring procurement delays or pushing projects to next year, agencies can rely on Sourcewell for fast access to competitively solicited contracts for infrastructure maintenance services. Connect with local, qualified suppliers ready to support weather-sensitive projects for everything from pavement repairs to storm system checks. Now is the perfect time to review SPC and Sourcewell's contracts to plan for:

Emergency Preparedness & Disaster Response

Prepare, respond, and recover with confidence. As severe weather season approaches, emergency response planning is a top priority. Sourcewell's cooperative contracts help you access emergency response equipment, generators, and other critical resources when time matters most. [Explore all emergency preparedness solutions](#)

Infrastructure and Public Works

Streamline infrastructure projects with cooperative purchasing. Whether you're improving roads, upgrading utilities, or maintaining public works systems, Sourcewell's competitively solicited contracts provide access to the equipment, services, and solutions needed to support your community. See how Sourcewell can help -- [Sourcewell Public Works](#)

Lane Marking

Now is the time to schedule your lane marking project with SPC's [Thermoplastic &/or Urethane Lane Marking Material and Labor Road Marking Program](#) (Contract #229) with Superior Road Striping (dba High Star Traffic), Bartlett, IL. For questions or additional information, please contact staff or Kim Kudelka at 630-485-1559 or kekudelka@highstartraffic.com.

The SPC's and Sourcewell's cooperative contracts eliminate delays, reduce administrative burdens, and support public purchasing requirements so your team can efficiently maintain the roads, utilities, and facilities your community relies on, no matter the season. For questions or additional information, please visit [Explore Sourcewell Contracts](#), contact staff, or Sourcewell's Director of Government Accounts – Local Government Kathryn Rippee, 218-308-6668 (office), 850-509-4847 (cell), or Kathryn.Rippee@sourcewell-mn.gov. *Staff contact: Ellen Dayan*

BRIC Grant Program Applications Deadline is Next Week

From the Federal Emergency Management Agency (FEMA):

[Building Resilient Infrastructure and Communities \(BRIC\)](#) is a Hazard Mitigation Assistance (HMA) grant program that makes federal funds available to states, U.S. territories, federally recognized Tribal Nations, and local governments for hazard mitigation activities. It does so by recognizing the need to upgrade and modernize the nation's infrastructure against the growing risks to communities and the need for natural hazard risk mitigation activities that promote resilience with respect to natural hazards.

FEMA has published the Fiscal Years 2024/2025 funding opportunity for the Building Resilient Infrastructure and Communities program. The application period opened on March 25, 2026, and will run for 120 days. The deadline to submit applications is July 23, 2026. Eligible applicants and subapplicants must apply through FEMA Grants Outcomes (FEMA GO). The full notice of funding opportunity is published on [Grants.gov](#). *Staff contacts: Eric Czarnota, Brian Larson*

Public Comments Now Open for Draft 2026 Regional Transportation Plan

From the Chicago Metropolitan Agency for Planning (CMAP):

CMAP invites residents, partners, stakeholders, and transportation system users to review and comment on the draft 2026 Regional Transportation Plan, Air Quality Conformity Determination, and FFY 2027–32 Transportation Improvement Program. The Regional Transportation Plan is a long-range blueprint for the future of transportation in northeastern Illinois. It outlines priorities and strategies to improve how people and goods move throughout the region, including by strengthening connections, improving safety, reducing pollution, supporting economic opportunity, and investing strategically in the transportation system. Public feedback will help shape the final documents before consideration for adoption by the CMAP Board and MPO Policy Committee in October 2026. Review the draft materials and share your comments by Friday, July 31, including the interactive map of proposed constrained roadway and transit projects. *Staff Contacts: Eric Czarnota, Brian Larson*

Newsy Items of the Week

Mass Transit: [Chicago RTA awards \\$10.9 million in Access to Transit program funding for 21 projects](#)
