Table 1 shows the ending fund and cash balances for each Fund as of September 30, 2026. The figures in Table 1 are based on audited FY 2025 year ending fund balances plus unaudited FY 2026 actual revenues and expenses. The FY 2025 audit was conducted by Sikich, LLP from January through June 2026 and published to the City website on June 26, 2026.

Subject: 3rd Quarter 2026 Cash and Investment Report

Date: November 6, 2026

Please find attached the Cash and Investment Report as of September 30, 2026.

If there are any questions on the attached report, please contact me by phone at (847) 448-8082 or by email: hdesai@cityofevanston.org. For additional financial reports, please visit: https://www.cityofevanston.org/government/transparency/budget-financial-reports

Section 1 – Cash and Investment Position

A comparison between the 3rd quarter 2026 and 2nd quarter 2026 cash/ investments indicate decrease in combined cash & investments of $21,752,957 from $129,533,595 to $108,278,677. The decrease is primarily driven by payments of Capital projects and the delay in the disbursement of the second installment of property tax from Cook County.

During the 3rd quarter 2026, we continued to focus on maintaining liquidity while striving for the maximum returns on Cash and Investments. We will continue to monitor the interest rate environment and overall economy.

Wheeling's #BeforeTheyRide Safety Campaign and Request for Member E-Mobility Materials

The *Village of Wheeling* has created a campaign to educate parents and caregivers about the new statewide e-mobility laws that take effect on January 1, 2027. Click here to access information and materials on the #BeforeTheyRide campaign, which can be customized or shared by other municipalities and agencies as desired. Thank you to *Village Manager Jon Sfondilis* and the Wheeling Team for creating the campaign and offering the materials to the NWMC membership.

Intended as a prevention rather than enforcement campaign, #BeforeTheyRide addresses unsafe or unlawful behavior by underage riders before it begins by reaching families and caregivers. This eight-week campaign allows use of social media and municipal websites to cover the topics of the new law and other safety considerations.

Additionally, the NWMC is compiling an e-mobility best practices document to be shared with the membership. If you would like to have your community's e-mobility materials incorporated into the document, please send to Eric Czarnota (eczarnota@nwmc-cog.org) and/or Brian Larson (blarson@nwmc-cog.org) by Friday, November 13. *Staff contacts: Eric Czarnota, Brian Larson*
