

# MAY FESTIVAL

## For our Birds

**Welcome Birds to our Community**  
**Sunday, May 7 2 - 4pm**  
**Evanston Ecology Center**  
**2024 McCormick Blvd, Evanston**

### **Interactive demonstrations and information to:**

- Create bird-friendly habitat in our parks and gardens
  - Help certify Evanston as a Community Habitat for birds
  - Enjoy a bird walk [English and Spanish language]
  - Reduce bird-window strikes
  - Encourage sustainable gardening with native plants
  - Create a Demonstration Garden at your school or place of worship
- ... Activities for kids and young adults and more**

**Free saplings for the first 50 attendees.** *First come, first served.* **Plus hundreds of additional saplings will be planted at schools and places of worship.** Trees donated by National Wildlife Federation *Trees for Wildlife*® program. The saplings need rabbit protection.

**After the Festival:** 4:15-5pm Wildflower walk in Perkins Woods.  
Meet at the kiosk at Bennett and Grant Streets.
