City of Evanston 2017 Davis Street On-Street Parking Pavement Repairs

April 18, 2017

Project Description

The City will be contracting pavement repairs to the on-street parking stalls on the south side of Davis Street between Ridge Avenue and Elmwood Avenue. There are three sections of pavement within these blocks as depicted in the image below. Work includes removal of the existing deteriorated pavement and replacement with porous concrete paver blocks. This work is scheduled to begin **the week of May 1 and be completed by May 19.**

The work will be completed in phases to limit the impacts to available parking. Every effort will be made to complete the work in a timely manner to minimize inconveniences to the business district and the traveling public.

Contractor

The general contractor for this project is A. Lamp Concrete Contractors, Inc., 1900 Wright Boulevard, Schaumburg, IL 60193.

City Monitoring

This project is monitored by the City's Capital Planning & Engineering Bureau. If you have any questions or concerns during construction, please do not hesitate to contact the Resident Engineer Angeleo Alonzo at (224) 723-7487. Questions about the project in general should be directed to Dan Manis, P.E., Senior Project Manager at (847) 448-8129 or dmanis@cityofevanston.org.
