

The Evanston Police Department will host a Town Hall meeting on Tuesday, June 20 at 7 p.m. at the Lorraine H. Morton Civic Center, in the 4th floor Parasol Room. The meeting will focus on: Cultural Awareness and Community Policing.

The meeting will be the first in a series of town hall style meetings hosted by the Police Department. Each meeting will focus on a specific variety of topics and issues shared by citizens during our previous town hall meeting facilitated by Dr. Gilo Kwesi Logan. Additionally, each meeting will cover police policies, procedures, and protocols as related to the topics of discussion.

The objective of these meetings is to engage in positive and productive conversation with the community while working to develop feasible solutions to community concerns.

Subsequent town hall meetings to be held on dates to be announced will focus on the following topics:

- Drugs Gangs, and Unresolved Homicide Cases
- Social Media, Crime Prevention, and Community Policing
- Rights, Responsibilities, and Reasonability in Evanston

The Evanston Police Department would like to invite citizens to join us and engage in thoughtful discussion. The format of the meetings will consist of a facilitated panel discussion, followed by a Q & A session. To help us properly prepare, we are asking citizens to submit questions prior to the meeting using [this link](#). Please submit questions relating directly to the current town hall topic.
