City of Evanston

Robert Crown Community Center, Ice Complex and Library

The City of Evanston will host a Neighborhood Meeting on Tuesday, March 21, 2017 in the Robert Crown Community Center Gymnasium located at 1701 Main Street to gather initial input for the planned replacement of the Robert Crown Community Center.

Presentation and Discussion: 6:30 P.M. to 8:30 P.M.

Consultants Woodhouse Tinucci Architects and City of Evanston staff will present the following:

- Project introductions and background information
- Project goals and initial program considerations
- Next steps

Please visit the project website for project information and updates:
