Individuals and community groups can sign up to volunteer at any one of ten designated clean-up sites across the city at VolunteerEvanston.org or can choose their own clean-up site. Free refuse bags will be available beginning at 9 a.m., Monday, April 21 for individuals who wish to focus their efforts on their own property or neighborhood. Refuse bags can be picked up at the information desk of the

Morton Civic Center, 2100 Ridge Ave.; the Levy Senior Center, 300 Dodge Ave.; Fleetwood-Jourdain Community Center, 1655 Foster St.; all five Evanston Fire Stations; Ace Hardware, 1008 Davis St.; and Harold's Hardware, 2912 Central St.

Tree Planting – 11:30 a.m.

Residents are invited to cast their votes at engageevanston.org to decide which tree species will be planted on the grounds of the Fleetwood-Jourdain Community Center in honor of Earth Day and Arbor Day. Residents can choose from four tree species, American Hornbeam, Cornelian Cherry Dogwood, Ginkgo or Eastern Hop Hornbeam. The winner will be "treevealed" and planted to kick off the City's Earth Day and Arbor Day Celebration.

Earth Day and Arbor Day Celebration – 11:30 a.m. to 2:30 p.m.

Following the unveiling of the Fleetwood-Jourdain Community Center's newest tree, the City will host an Earth Day and Arbor Day Celebration, including art; recycling, compost and rain barrel displays; games and more. Food and refreshments will be available.

DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING APRIL 18, 2014

Full Effort Launched to Defeat Manning Bill - CONTACT YOUR SENATORS TODAY!

On Wednesday, the NWMC Legislative Committee discussed an all out effort to defeat what is likely the most harmful bill our communities have faced in recent years. House Bill 5485 (Rep. Mayfield/Sen. Raoul) proposes to make firefighter and paramedic manning a mandatory subject of collective bargaining and would leave taxpayers on the hook for tens of millions of dollars of unnecessary fire department staffing costs. HB 5485, which is being heavily pushed by the firefighter's union, eliminates the ability of elected officials to work with local fire chiefs to determine appropriate staffing levels, and instead would hand that authority to arbitrators with no connection to our communities or responsibility to taxpayers.

At the meeting, the Legislative Committee released a game plan for bringing attention to HB 5485. The plan includes identifying the cost of this bill on local taxpayers, highlighting how the bill will reduce (not enhance) public safety, discussing the ramifications with state senators, raising the issue at village board/city council meetings and holding legislators accountable for their votes against taxpayer's interests.

Simultaneously, the *Village of Glenview* has launched a public relations initiative to supplement this effort and bring statewide media attention to this issue. Information regarding Glenview's work was emailed this morning to the membership, the Illinois Municipal League and regional councils of government. It is imperative that Mayors and Managers reach out to their legislators NOW and urge them to OPPOSE HB5485. This bill, while not yet assigned to a senate committee, could be heard as early as the week of April 28. We strongly urge you to participate in all efforts to defeat HB5485. *Staff contacts: Larry Bury, Mark Fowler, Chris Staron*
