Farmers' Market

- The Downtown Farmers' Market is a happy place- the strawberries are finally here! The weather has finally turned around and the farmers' are back in their fields. We are just about done with asparagus and moving towards our berries. Most of the farmers are saying that most crops are about 3-4 weeks behind. We are just missing one more farmer/vendor and then we will have a full house- 57 vendors for the 2014 season.
- This Saturday we will have "a live hive of bees" from the Heller Nature Center. Customers will be able to view the bees at work.
- The New Spud Club has been a big hit! The first day we signed up 100 kids to the Club. They received their club cards- Tator Tots for ages 2-5 year old and Small Fry- ages 6-10 year old. They received a small reusable bag, and they decorated their badge holders for their membership cards. Last week an additional 72 kids signed up and the kids got to taste and smell herbs at our Herbology program. The Spud Club is thankful to our sponsors: Bradley Investment Center on Central Street and Autobarn on Chicago Ave.

The athletes who received a gold medal have qualified to compete in the Special Olympics District Bowling Meet in Addison in October.

Subject: Natural Gas Procurement

Date: June 12, 2014

On July 22, 2013 the City Council authorized the City Manager to negotiate and execute Amendment 5 to the agreement with Twin Eagle Resource Management for the purchase of natural gas for 16 city owned buildings when the strike price is below \$5.00 per MMBTU.

Northwestern elected to lock into the contract amendment with a price of \$4.55 per MMBTU on June 2, 2014 and the City followed along in accordance with Agency Agreement with NU for the management of the natural gas purchase.

The table below shows the pricing for purchasing natural gas under the agreement with Twin Eagle.

Amendment #	Term	Price per MMBTU	Terms of Supply
1	November 2011 to August 2012	\$ 5.300	70% fixed / 30% index
2	September 2012 to August 2013	\$ 5.475	70% fixed / 30% index
3	September 2013 to August 2014	\$ 4.490	70% fixed / 30% index
4	September 2014 to August 2015	\$ 4.760	70% fixed / 30% index
5	September 2015 to August 2016	\$ 4.550	70% fixed / 30% index

The City spends an average of \$297,400 annually to purchase the natural gas necessary for 16 of the larger city owned buildings. Please note that there is an additional charge from Nicor for the delivery of the natural gas to these buildings.
