^{*}This is net of any interfund receivables/payables

^{**}This summary does not include the Police or Fire Pension Funds even though detailed reports are included.

Included above are the ending balances as of January 31, 2014 for both unreserved fund and cash balances. Of these two amounts, cash balance is the more meaningful metric since this represents liquid cash and/or invested assets which may be used (or easily sold) to support and fund current operations. While ending fund balance is also an important measurement of the City's financial health, it usually includes illiquid assets or future cash receipts or disbursements such as receivables (including property tax) due to the City and accounts payable/accrued expenses.

Through January 31, 2014, the Special Service Area (SSA) #4 Fund is showing a negative fund balance of \$166,180 and a negative cash balance of \$175,614.

Through January 31, 2014, the Community Development Block Grant (CDBG) Fund is showing a negative fund balance of \$292,072 and a negative cash balance of \$78,383. This negative cash balance will be addressed in February as the City received CDBG disbursements from HUD totaling \$28,331 on February 10, 2014 and \$51,872 on February 13, 2014. The negative fund balance is due to accruals of expenses totaling approximately \$233,000 back to FY 2013 and will be reimbursed in February.

Through January 31, 2014, the Solid Waste Fund is showing a negative fund balance of \$835,551 and a negative cash balance of \$1,408,980.

Through January 31, 2014, the Fleet Fund is showing a negative cash balance of \$211,851.

Through January 31, 2014, the Insurance Fund is showing a negative fund balance of \$6,990,825. This negative balance is primarily for claims/cases being expensed. These claims/cases have not been settled, and therefore there is no guarantee the City will actually experience this negative fund balance as estimated. Please note, the City's annual liability and property insurance payments, totaling \$594,443, are due in January, which further reduced the fund balance of the Insurance Fund. These payments will gradually be reimbursed through FY 2014 from interfund transfers to the Insurance Fund. Staff will continue to monitor the Insurance Fund and provide regular updates to the City Council in the future.
