^{*}This is net of any interfund receivables/payables

^{**}This summary does not include the Police or Fire Pension Funds even though detailed reports are included.

Included above are the ending balances as of March 31, 2014 for both unreserved fund and cash balances. Of these two amounts, cash balance is the more meaningful metric since this represents liquid cash and/or invested assets which may be used (or easily sold) to support and fund current operations. While ending fund balance is also an important measurement of the City's financial health, it usually includes illiquid assets or future cash receipts or disbursements such as receivables (including property tax) due to the City and accounts payable/accrued expenses.

As of March 31, 2014, the General Fund is reporting a surplus of \$4,130,606. However, due to the timing of payroll, the City will have 3 pay dates in December 2014 (December 4, 18 and 31), which will reduce this surplus. Staff will continue to report on the actual expenses incurred each month along with this anticipated higher expense in December 2014.

Through March 31, 2014, the Special Service Area (SSA) #4 Fund is showing a negative cash balance of \$76,814.

Through March 31, 2014, the Community Development Block Grant (CDBG) Fund is showing a negative fund balance of \$246,694 and a negative cash balance of \$187,433.

Through March 31, 2014, the Economic Development Fund is showing a fund balance of \$3,319,767 and a cash balance of \$3,162,425. These balances include approximately \$1 million of revenue associated with the Gigabit Challenge.

Through March 31, 2014, the Solid Waste Fund is showing a negative fund balance of \$918,921 and a negative cash balance of \$1,475,741.

Through March 31, 2014, the Fleet Fund is showing a negative cash balance of \$416,498.

Through March 31, 2014, the HOME fund is showing a negative cash balance of \$83,496; however, on April 10, 2014, the City received \$80,697 from HUD which will greatly help this fund.

Through March 31, 2014, the Insurance Fund is showing a negative fund balance of \$6,987,734. This negative balance is primarily for claims/cases being expensed. These claims/cases have not been settled, and therefore there is no guarantee the City will actually experience this negative fund balance as estimated. Please note, the City's annual liability and property insurance payments, totaling \$594,443, were paid in January, which further reduced the fund balance of the Insurance Fund. These payments will gradually be reimbursed through FY 2014 from interfund transfers to the Insurance Fund. Staff will continue to monitor the Insurance Fund and provide regular updates to the City Council in the future.
