City of Evanston Garnett Place Parking Lot Project

August 15, 2017

Project Description

The City will be contracting alley improvements to the alley south of the 800 block of Foster Street (see attached location map). This project involves paving of the wide unpaved alley, designating approximately 30 leased parking spaces, and converting this area into a permit parking lot. Work includes minor sewer improvements, concrete curb and sidewalk installation, asphalt paving, and parking lot pavement markings and signing.

Work is scheduled to begin the **week of August 28** and is expected to last six to seven weeks. The exact date construction activities are scheduled to begin will be noted on the temporary construction zone no parking signs posted a minimum of 48 hours in advance of the work. Parking will be prohibited during daytime work hours (7:00 AM to 5:00 PM) during this time. Street sweeping parking restrictions will be waived for a one block radius around the construction zone when temporary daytime no parking is in effect. Every effort will be made to minimize any inconveniences during construction.

Project Description

The general contractor for this project is Schroeder and Schroeder, Inc., 7306 Central Park, Skokie, IL 60076.

City Monitoring

This project is monitored by the City's Capital Planning & Engineering Bureau. Contact Resident Engineer Pankaj Chokshi at (224) 723-8237 if you have any questions or concerns during construction. Questions about the project in general should be directed to Dan Manis, P.E., Senior Project Manager at (847) 448-8129 or dmanis@cityofevanston.org.
