PLANNING AND ZONING	Plan Commission
September 2017 Meeting/Activities	September 13, 2017
	<p><b>Planned Development - 1450-1508 Sherman Avenue (continued from August 9, 2017)</b> - Andrew Yule, Albion Residential, LLC, has applied for approval of a Planned Development to construct a 16-story, 287 dwelling unit mixed use building with 185 parking spaces and 9,616 square feet of ground floor commercial space. The applicant seeks site development allowances for: number of dwelling units (287 units proposed where a maximum of 93 units are allowed by code), building height (192 feet proposed where 105 feet is allowed by code), floor area ratio (6.9 proposed where 5.4 is allowed by code), number of parking spaces (185 spaces proposed where 389 spaces are required by code), and a ziggurat setback that is less than 40 feet at a height of 42 feet. In addition, the applicant may seek and the Plan Commission may consider additional Site Development Allowances as may be necessary or desirable for the proposed development. <b>Action:</b> Vote to recommend approval 4-2, with conditions as outlined in the staff report memo dated September 8, 2017, in addition to the condition that the development provide a minimum of 15 on-site units affordable at 50% to 60% AMI with a mix of studios, 1-bedroom and 2-bedroom apartments and is otherwise consistent with the Inclusionary Housing Ordinance.</p>

Requires Zoning Variations: 6-8-2-4 special use permit for a religious institution required due to increase in building/impact. 6-8-2-9-A Maximum height permitted is 35' to peak or 2.5 stories, whichever is less. Proposed height 35' to peak of roof (excluding rear parapet and elevator overrun). However, knee-wall exceeds 3' and therefore constitutes a full 3rd story. 6-18-3 Exterior knee-walls shall not exceed three (3) feet in height. 6-8-2-8-B-3 15' interior side yard setbacks required for non-residential structure. Propose 5.4' north interior side yard setback and 9.5' south interior side yard setback for additions, front porch, rear balcony. 6-4-1-9-A-3 Block's average front yard setback (to house facades, not porches) is 34' and existing setback is 27.3'. Proposed front yard setback 27.3' (extending higher than existing). 6-4-1-9-B Eaves may extend 10% into a setback or a minimum of 6". Front porch eave setback = 27.6'. Proposed front porch eave setback is 24.8'.  <b>Action:</b> At the request of the applicant, this item was continued to the Preservation Commission meeting of October 17, 2017. Vote: 7 – 0.</p> <p><b>1011 Forest Av. (LSHD)</b> – Construct a one-story addition and new wood deck with pergola at rear of existing 2 ½-story stucco single family residence. Relocate front door 3'-6" farther south along façade (at location of existing window). Door location to be filled in with window and stucco to match existing.  <b>Action:</b> Approved 7 – 0 Alteration, construction and demolition respectively.</p> <p><b>1310 Main St. (L)</b> – On the front elevation, restore double hung windows in attic dormer. Install two skylights on house hip roof (one facing east and the other facing west).  <b>Action:</b> Approved 7 – 0 with the condition that staff will review the specifications for the installation of the skylights and the restoration of the front dormer windows.</p> <p><b>2001 Sheridan Rd. - Lot 1 (Located within 250 Ft. of Sheridan Rd. right-of-way) Per Resolution 58-R-15 for Advisory Feedback Only.</b> The project is a renovation of the existing 330,000 GSF building with small (approximately 14,000 GSF) additions to the 6th floor and two ground level entry vestibules. The 6th floor addition creates more usable space on the 6th floor while the two entry vestibules provide updated accessible entry points to the existing building.  <b>Action:</b> The Commission thanked Chris Meigel for the presentation.</p> <p><b>630 Clinton Pl. (L)</b> – Revisions to previously approved north, south, east and west elevations, including: 1. No chimney at the south end of the Family Room addition. Stucco and "timber" trim are proposed continuous along south elevation of addition. 2. No brick and wood garden wall around rear terrace. 3. Substituted arched limestone surround at front door with Tudor arched limestone surround to match president's house (Wieboldt house). 4. Substituted brackets at front door portico. Proposed brackets to match tower and Family Room brackets. 5. No new French doors at southeast corner of main house. Currently there are non-original casement windows. The proposal is to remove windows and in-fill with brick to match. See base of tower on south elevation, and 6. Driveway to be resurfaced and remain in current location. Rear BBQ terrace is no longer proposed.  <b>Action:</b> Approved 7 – 0.</p> <p><b>929 Sherman Av. (L)</b> - Construct a 28'x22' detached garage at rear of lot.  <b>Action:</b> Approved 7 – 0.</p> <p><b>1030 Maple Av. (L)</b> – Construct a 22'x20' detached garage at rear of lot.  <b>Action:</b> Approved 7 – 0.</p>

**Community Development Department September 2017 Update**

**1043 Hinman Av. (LSHD)** – Construct a 22’x22’ detached garage at rear of lot. Requires minor Zoning variance. Proposed lot coverage 32.4%; maximum allowed 30%. **Action:** Approved 7 – 0. Zoning variance recommended for approval 7 – 0.

**704 Judson Av. (L/LSHD)** – Re-roofing existing roof, replacing one dormer on the front of the house, the addition of a dormer on the south side elevation, rebuilding of the front porch stairs, and the addition of screens to the existing front roof porch. **Action:** Approved 7 – 0.

**601 Davis St. (L)** - Vermilion Enterprises, LLC. Review proposal for Planned Development and Special Uses at 601-611 Davis Street and 1604-1610 Chicago Avenue for construction of a 33-story building with ground floor retail, a financial institution with a drive-through facility, and 318 dwelling units above, within a 27,841 square-foot zoning lot that includes the 2-story Evanston landmark building (University Building) at 601 Davis Street. The landmark building is to remain. Site Development Allowances are requested for 1) Number of dwelling units (318 where 92 allowed); 2) Floor Area Ratio (approximately 12.25 where 8.0 allowed as a site development allowance); 3) Building height (313-feet where 220-feet allowed as a site development allowance); 4) Number of parking spaces (176, including 36 compact, where 452 required); 5) A curb cut/driveway on Davis Street, where it is not allowed; 6) A ziggurat setback of 28’ at 63’ building height along Davis Street where 40’ at 56’ building height is required; 7) A ziggurat setback of 21.6’ at 63’ building height along North property line where 40’ at 56’ required; and 8) 2 short loading berths where 4 short are required. In addition, the applicant may seek and the Plan Commission may consider additional Site Development Allowances as may be necessary or desirable for the proposed development. The Preservation Commission makes advisory recommendations to the Plan Commission regarding the planned development application per City Code/Zoning Ordinance Section 6-15-11-4. **Action:** The Commission continued this item to a special meeting on October 10, 2017 at 7 pm. Vote: 6 ayes, 1 abstention (Commissioner Simon).
