DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING NOVEMBER 17, 2017

HAPPY THANKSGIVING!!

Editor's Note:

The next NWMC Director's Weekly Briefing will be published on Friday, December 1. Have a Happy Thanksgiving!

Save the Date – 2018 NWMC Legislative Brunch

The 2018 NWMC Legislative Brunch will be held on Saturday, January 27, 10:00 a.m. to Noon at the Hilton Chicago/Northbrook, 2855 N. Milwaukee Avenue in *Northbrook/Prospect Heights*. The brunch provides a unique opportunity to discuss the challenges facing local governments and identify solutions to those problems with our legislators. Time will also be reserved to hear feedback from legislators on the Conference's proposals, their initiatives for the year and other issues expected to emerge that will impact local governments.

Please mark your calendars and plan to join us for what is always a lively event. NWMC members are asked to extend a personal invitation to your legislators encouraging them to attend. Formal invitations will be sent shortly. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

Transportation Enhancement, Grade Crossing Improvement Grants Available

The Illinois Department of Transportation (IDOT) is currently accepting applications for the Illinois Transportation Enhancement Program (ITEP). Local governments may apply for up to \$2,000,000 maximum per project, with approximately \$40,000,000 total available statewide. Preliminary engineering, utility relocations, construction engineering, and construction costs have an 80% federal match, while right-of-way acquisition has a 50% match.

Street lighting can qualify for either a 50% or 80% match, depending on whether the location is within a designated historic district. Other eligible projects include: pedestrian/bicycle facilities; streetscapes; conversion of abandoned railroad corridors to trails; historic preservation and rehabilitation of historic transportation facilities; vegetation management in transportation rights-of-way; and, storm water management, control and water pollution prevention or abatement related to highway construction or due to highway runoff. Ineligible project types include general road work (i.e. resurfacing), recreational trails and stand-alone landscape, bicycle lockers/racks, pedestrian crossings or street/pedestrian lighting projects. Applications are due by Friday, December 1 and the proposed program will be announced in Spring 2018. More information on the program can be found by visiting <http://www.idot.illinois.gov/transportation-system/local-transportation-partners/county-engineers-and-local-public-agencies/funding-opportunities/ITEP>.

IDOT is also accepting applications for the FY 2018 and 2019 Local Rail/Highway Grade Crossing Safety Program. Eligible improvements include: roadway or pedestrian warning devices; railroad circuitry; crossing closure, rail crossing surface renewal or roadway approaches (if warning devices are improved); and, other treatments such as signal interconnects and grade separations. The maximum federal share is 90%, with the local sponsor providing 10% match. Applications are due by Friday, December 15. [Circular Letter 2017-26](#) contains additional details, application forms, and contact information. *Staff contacts: Mike Walczak, Brian Pigeon*
