City of Evanston Public Works Agency

City of Evanston Fountain Square Renovation Project

The City of Evanston will host a Public Open House on Thursday, April 28, 2016 in the Parasol Room of the Lorraine H. Morton Civic Center to present preliminary design options for planned improvements at Fountain Square.

Open House: 6:00 P.M.
Presentation and Discussion: 7:00 P.M. to 8:00 P.M.

Consultants Christopher B. Burke Engineering, Teska Associates and City of Evanston staff will present the following:

- Visioning process background
- Preliminary design options
- Next steps

The goal is to receive community input regarding preliminary design options for further development / refinement.

Please visit the project website: <http://cityofevanston.org/public-works/my-fountain-square/> for project information and updates.
