DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING SEPTEMBER 21, 2018

SPC Hosts Successful Exhibit at the IML Conference

There was plenty of traffic at the Suburban Purchasing Cooperative (SPC) booth at this week's Illinois Municipal League (IML) conference. Six key SPC vendors were there promoting our programs and creating excitement in Booth #302, including: Call One; Currie Motors; Foster Coach; Fire Service, Inc.; Laport; and, Standard Equipment. We'd also like to thank Suzette Quintell and Kate Brodlo from the DuPage Mayors and Managers Conference and Melissa Doud from the South Suburban Mayors and Managers Association, who helped staff the booth and promote the SPC. The show was a great success and we were happy to see many familiar faces of our NWMC members. In addition, we were able to introduce the SPC to hundreds of new potential customers, who are now aware of the cooperative purchasing contracts they can utilize to help their governments save time and money. *Staff contact: Ellen Dayan*

One Week Left to Submit 2019 Legislative Proposals

The annual call for legislative proposals was sent to the membership in August with a return date of September 14. Since this week's NWMC Legislative Committee meeting was cancelled due to Yom Kippur, we have extended the time to forward initiatives for consideration in the 2019 NWMC Legislative Program.

The call for initiatives packet includes an interactive form that allows members to identify local issues, highlight those that require a legislative approach and describe any actions taken to address them to date. Federal issues should also be submitted at this time. The form also includes a sample response to assist in completing the request. Please return the completed form to Chris Staron via email, cstaron@nwmc-cog.org, or fax, 847-296-9207 by Friday, September 28. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

Bike-Ped Committee Talks NWMC Multi-Modal Plan, New STP Programs, Procedures

The NWMC Bicycle and Pedestrian Committee met Tuesday to discuss the status of the NWMC Multimodal Plan, changes to the region's Surface Transportation Program (STP) and grant opportunities available through the Chicago Metropolitan Agency for Planning (CMAP) and the Illinois Department of Transportation (IDOT).

NWMC staff updated the committee on the NWMC Multimodal plan, which is being funded through the CMAP Local Technical Assistance (LTA) program. The Request for Proposals (RFP) is currently being processed by CMAP and should be released soon. Once the RFP is released, staff will begin the consultant selection process and start the plan update.

NWMC staff also discussed the new STP Regional Shared Fund and Active Program Management policies. Staff reviewed the scoring methodology for projects applying to the Shared Fund and discussed correspondence between NWMC and CMAP throughout the process. The committee also discussed how the inclusion of bicycle and pedestrian elements could improve a project's score under the proposed methodology.

Finally, the committee discussed two recently announced grants. IDOT's Safe Routes to School Program will help fund select infrastructure projects within two miles of a middle or primary school, as well as non-infrastructure projects that focus on education, traffic enforcement and the encouragement of bicycling and walking. Additional information and applications are available by visiting <http://www.idot.illinois.gov/transportation-system/local-transportation-partners/county-engineers-and-local-public-agencies/safe-routes-to-school/index>. The CMAP Local Technical Assistance Program and RTA Community Planning Program will provide technical assistance for transportation and land use planning projects throughout the region. Additional information and an application booklet can be found by visiting <http://www.cmap.illinois.gov/programs/lta>. *Staff contacts: Josh Klingenstein, Cole Jackson*
