UIC Seeks Municipal Capstone Projects by November 30

From the desk of University of Illinois Chicago Dept. of Public Administration Associate Professor Jim Thompson: Does your municipality collect data that no one has time to analyze? Do you have projects that get postponed due to a lack of resources? Do you need expertise to assess a human resources or financial management challenge facing your municipality? The University of Illinois at Chicago Department of Public Administration is seeking proposals from local government units in the Chicago area for Capstone Projects for teams of graduating Master of Public Administration students. These "learning in action" projects give students the opportunity to work on practical problems with the support of faculty in a real-world situation. The deadline for project proposals for the spring semester is November 30.

The request for proposals and application form can be found at the following URL - <https://cuppa.uic.edu/academics/pa/pa-programs/master-public-administration/mpa-capstone/>. Questions? Contact the instructor, Professor James Thompson at jthomp@uic.edu or 312.355.0304. *Staff contact: Mark Fowler*
