Weekly Report

May 16-22, 2019

Ask A Question OPEN

Streets

- Caller states about a year ago there was gas work done on the parkway but the paint markings on the sidewalk still have not dissolved and it looks like graffiti.
- "I would like to inquire when the alley between Grant and Colfax will be fixed. I saw the schedule online and also the note about being delayed by one week. The week was supposed to be 4/29 - 5/10. Thank you very much."
- "The entire long block has had no parking for 2 days. Nothing has happened. No trucks. No workers. Just a ton of unnecessary problems for residents."

Parking

- Requesting to have more on-street handicapped parking spaces available in the 500 block of Davis St. Caller advises that visitors to the medical building have to park blocks away and walk. Caller says the parking garage nearest that location gets filled up by monthly permit holders.

Ask A Question CLOSED

Parks & Beaches/Recreation

- Caller requesting a sweep of the lakefront path at Greenwood Beach. Caller reports the excess sand along the path makes it dangerous for cyclists.
- Resident reports that their block party app has been approved. Would like to know if there's still a "game" truck that could come to this party.
- Caller reports the tarp has fallen off of the piano at Raymond Park.
- Questions on renting and permits for Twiggs Park. June 22.
- Questions on the start time for the July 15-18 volleyball camp.
- Needs information about the nature camp that they're registered for. No answer at the main Parks&Rec desk.MP - Called and left message directing her to make the request to withdrawal via email.
- No answer at the main Rec line. Caller has questions regarding emergency contact information. ePact is asking for it.
- Resident needs to change the date on a park rental app - Elliot Park - from June 6 to May 30. Same times: 9a-1p.Resident reports that he never heard if this is approved going through at all.
- "I would like the contact information for Patricia Battaglia in the parks, recreation & community services. Email and phone would be best."

Weekly Report

May 16-22, 2019

Garbage

- Resident at 1036 Dewey Ave. reports the residents at 1038 Dewey are currently placing their sanitation carts along her lot line. Caller has not discussed with the residents and is requesting that the City advise the residents where their carts should be placed.

Construction

- Developer would like an update on his permit status.
- Garden Park – when will construction work begin at this park, what do you need from him at this point?

Police Other

- "I am a tenant at this apartment complex, there is a tenant that has a dog that she will not keep on a leash, the dog charges you if you happen to be outside when she comes out, I have an elderly mother in law that visits and the dog has charged at her she almost fell down. I have reported this to the landlord, the first time being July of last year. Yesterday evening my wife was leaving to go shopping when she got to the edge of the porch the dog charged but it went after the maintenance man. Is there anything that I can do to stop this?"
- "I would like to schedule an infant car seat inspection for Tuesday afternoon, May 21. Please email me at julia.kalow@gmail.com or call at 617-571-0757."

Parking

- Resident would like it if parking enforcement drove down streets to announce that it was street cleaning day.
- "Please consider extending the parking limit to 4 hours instead of 2 on Maple Ave south of Davis. This is not a high traffic area for business and as a condo owner; I would like to have guests be able to visit for more than 2 hours, especially at night."
- "Hi--I just received a "second notice" of a parking ticket, the first of which I never received, including on my car on the night it was apparently issued, May 1. But even more worrying was that it was for an unpaid wheel tax, about which I have received no communication--including the renewal form. We would never knowingly miss it, and now that there is no sticker, it's harder to remember. So, this ticket was never received, nor was the original renewal request."
- Requesting a check for parking violators in the 800 block of Dobson St. during the residential parking restricted time. Caller is asking that the area be checked either later in the evening or 2x during the restricted hours because the vehicles tend to come later in the evening.
- Caller was double charged for parking Date 5/8 Time: 9:30 Located: Benson Trans: 862 (Preceding trans: 861) Meter: 1834 Benson. Caller said she was double charged when she attempted to print a receipt - she followed the instructions but the station told her the transaction was canceled so she started another transaction. She would like to be refunded or receive parking credit due to the pay station error.

Weekly Report

May 16-22, 2019

Recycling

- “Looking to confirm if the blue plastic recycling bags (Simplehuman brand) are acceptable to put recyclables into recycle bins in Evanston.”

Utilities

- Resident reports that a water shut-off/box is a hazard due to it sticking up approximately 8" off the ground. This is in the parkway
- "I am getting an error when trying to pay my water bill through eCARE, see below. Is there another way to pay besides online? An error occurred on the server when processing the URL. Please contact the system administrator. If you are the system administrator please click here to find out more about this error."

Streets

- Resident is asking for Ridge Ave to be re-striped from Howard to Grennbay/Emerson intersection. Caller reports the lines are very faint and are especially hard to see at night.

Misc

- "Hi, our building owner notified us that we have to start paying LuxerOne (a 3rd party service) to receive our packages. This service was introduced as a ""free benefit"" to streamline delivery of packages. Now we are being told that unless we sign up for the paid service, no packages can be delivered to us and that we should have them delivered to our office or another family member!!!! How it is possible that we live in a "luxury apartment building" but are not allowed to have packages delivered to us at our residence? This would include bundles of mail that USPS delivers at the end of a mail hold for example which do not for in regular mailboxes. They said they will sign for any packages that need signature but cannot keep them. So sign up for this paid, 3rd party service or you can't get packages delivered to your home. Is there something that gives us a right to be able to receive mail and packages sent to us at an apartment address?"
