General Assembly Approves Public Safety Pension Fund Consolidation

This week marked the second and final week of the General Assembly's fall veto session. There was a flurry (weather pun not intended) of activity culminating in the approval of legislation consolidating suburban and downstate public safety pension funds (Senate Bill 1300 – House Floor Amendments 5, 6, & 7). Please see today's [NWMC Legislative Update](#) for information on the consolidation bill and all the activity under the dome. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

NWMC Multi-Modal Plan Pop-Up Workshops Proving Popular – Two Events Remain

The NWMC Multimodal Plan Pop-Up Workshops have been a great way to spread the word and obtain input about the various parts of the plan. Over 40 individuals attended Wednesday evening's NWMC Member Open House at Oakton Community College in *Des Plaines* and reviewed the project's findings to date as well as provided feedback on the plan's priority bike corridors.

Please note that there are two remaining pop-up workshops scheduled for the plan. On Friday, December 6, from 5:00 p.m. to 8:00 p.m., a workshop will be held at the *Deerfield* Winter Celebration, 850 Waukegan Road. The final pop-up workshop will be held on Saturday, December 7 from 8:00 a.m. to 1:00 p.m. at the Indoor Farmer's Market held at the *Morton Grove* Civic Center, 6101 Capulina Avenue. Please spread the word to interested stakeholders in your community including park districts, school districts, bicycle organizations, etc. and encourage them to attend.

In addition to the priority bike corridors, the workshops will help inform several key project deliverables in the coming months, including prioritized sidewalk gaps, multimodal tool kits, and the final NWMC Multimodal Plan, which is scheduled to be completed in late January. Please visit www.nwmcmultimodalplan.org for additional information. *Staff contacts: Kendra Johnson, Mark Fowler*

UIC Seeks Capstone Projects for Public Administration and Urban Planning

The University of Illinois at Chicago (UIC) Departments of Public Administration and Urban Planning and Policy are seeking proposals from local government units in the Chicago area for Capstone Projects for both graduate and undergraduate students. These "learning in action" projects give students the opportunity to work on practical problems with the support of faculty in a real-world situation.

The capstones are a great opportunity for municipalities to pursue projects for which they otherwise don't have the time, staff or resources. The deadline for project proposals for the spring 2020 semester is Monday, December 2. To apply, please visit UIC's [Public Administration](#) or [Urban Planning](#) department websites. For questions about the Urban Planning capstone program, please contact Curt Winkle, cwinkle@uic.edu, and for the Public Administration capstone program, please contact James Thompson, jthomp@uic.edu. *Staff contact: Kendra Johnson*
