

PUBLIC INFORMATION MEETING

CORRIDOR IMPROVEMENTS
MCCORMICK BOULEVARD TO ISABELLA STREET

City of
Evanston™

The City of Evanston will hold a Public Information Meeting (Open House) regarding the Green Bay Road Corridor Improvements Phase I Study. The Public Information Meeting (Open House) is scheduled for the date and time indicated:

WEDNESDAY
DECEMBER 11, 2019
7:00 pm to 9:00 pm

EVANSTON ECOLOGY CENTER
2024 McCormick Boulevard
Evanston, IL 60201

The goal of the project is to improve safety for all modes of transportation, including pedestrians, and rehabilitate the roadway infrastructure, including underground utilities, street lights and traffic signals.

The purpose of this meeting is to present the existing conditions, the transportation needs, and solicit input from the public. The meeting will include informational exhibit display boards and there will be a project presentation at 7:30 PM. The representatives from the City and the consultant will be available during the open house to discuss the project. Representatives will answer individual questions and record comments offered by those in attendance. The presentation will include a general overview of the study evaluating the safety and improvements along Green Bay Road corridor. Existing conditions aerial maps, traffic maps and crash data will be displayed for viewing during the entire time.

*The meeting location is accessible to persons with a disability. Persons with a disability planning to attend this meeting or those that need special accommodations should notify:
Mr. Sat Nagar by
December 7, 2019.*
