DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING APRIL 10, 2020

#StayHomeSaveLives #AllInIllinois

Here to Help Update

On Monday and Thursday, staff sent the fifth and sixth updates in a series of NWMC member responses to the Business/Resident Assistance and Best Practices document created by staff in response to the COVID-19 pandemic. Fourteen members either provided new or updated information, including *Barrington, Bartlett, Des Plaines, Grayslake, Hanover Park, Lake Bluff, Lake Zurich, Morton Grove, Mount Prospect, Park Ridge, Rolling Meadows, Schaumburg, Streamwood, Wheeling* and *Wilmette*. To date, twenty-eight NWMC members have contributed to the list.

Keep the responses coming in and staff will send periodic updates as significant member responses and updates are received. In addition, staff has sent seven COVID-19 related surveys requested by the membership to assist in dealing with the impact of the pandemic. Staff continues to monitor federal, state and local COVID-19 news, conference calls and press conferences, and will share pertinent information as it becomes available.

This week, staff and our partner Councils of Government and the Metropolitan Mayors Caucus (MMC) continued to work together, sharing information and other assistance to benefit our collective members. We discussed engaging Chicago Metropolitan Agency for Planning staff to assist in analyzing local government revenue trends and data for the group. We also collaborated on a survey template to help determine COVID-19 related expenses and projected revenue declines. Staff formatted the survey and emailed it to the membership today. The information will be helpful in potential cost recovery and as congress debates future stimulus packages to assist in dealing with the pandemic.

Please continue to use NWMC staff as a resource and do not hesitate to contact us at any time. Stay safe and we stand ready to help in any way we can! *Staff contacts: Mark Fowler, Larry Bury*

NWMC Employee Assistance Program Turns 30 – Enrollment Now Open

In 1990, the NWMC launched its Employee Assistance Program (EAP), which is still going strong. The program is open to municipalities, townships, park districts and libraries and offers confidential, cost free referrals and assessment service twenty-four hours a day for employees and their families. Areas of assistance include dealing with issues such as substance abuse, mental health, family and marital problems, financial and legal matters. Currently, there are thirteen municipalities and organizations that participate in this program, which is provided by Morneau Shepell.

Enrollment information and participation forms were emailed to all members on April 1. The fee for program participation remains the same at \$23.50 per employee per year and the contract year begins May 1. If you are not currently a member of the EAP program and would like to join or obtain additional information, please contact Karol Heneghan, 847-296-9200, ext. 124 or kheneghan@nwmc-cog.org. *Staff contact: Karol Heneghan*

NWMC Spring Surplus Vehicle & Equipment Auction Still Set for April 21

The spring NWMC Surplus Vehicle and Equipment Auction will still be held on Tuesday, April 21, 2:00 p.m. at America's Auto Auction, 14001 S. Karlov Avenue in Crestwood. America's AA has notified staff that it will run the vehicles and equipment through their auction lane and only accept online bids. It's not too late to inventory vehicles and equipment for disposal in the NWMC auction, the proceeds of which help support operations of the organization. If you can't make the April event, the summer auction will be held on July 21 and the fall date is set for October 20. In addition, America's Auto Auction hosts online sales on par with other government surplus Internet auctions. For questions or additional information, please contact staff or General Manager Larry Hero, 708-259-0464 or Larry.Hero@AmericasAutoAuction.com. *Staff contact: Ellen Dayan*
