DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING MAY 15, 2020

#StayHomeSaveLives #AllInIllinois

NWMC Elects FY2020-2021 Officers, Approves FY2020-2021 Work Plan

Thank you to the thirty-four NWMC members represented at Wednesday night's board meeting, which was our second held via teleconference. Fifty-five participants attended the meeting either by computer or phone and again suffered no technical difficulties.

The membership unanimously approved the following NWMC officers for FY2020-2021:

President:	<i>Kathleen O'Hara</i> <i>President, Village of Lake Bluff</i>
Vice-President:	<i>Joan Frazier</i> <i>President, Village of Northfield</i>
Secretary:	<i>Dan Shapiro</i> <i>Trustee, Village of Deerfield</i>
Treasurer:	<i>Ray Keller</i> <i>Manager, Village of Lake Zurich</i>

Congratulations to our newly elected officers and we look forward to working with them in the coming year!

Members received an update on the NWMC Here to Help efforts (related article below) and discussed Governor Pritzker's Restore Illinois Plan, which he unveiled on May 5. After a lengthy and spirited discussion, a majority of the board voted to send a letter to the Governor requesting modifications to the plan "in order to help us shore up our local economies and provide for the needs of our residents and business communities." *NWMC President and Morton Grove Mayor Dan DiMaria* shared information from the first meetings of the Regional Economic Recovery Task Force's Regional Coordination Working Group.

In other board action, members received the Q4 update to the FY19-20 NWMC Work Plan and unanimously approved the new plan for FY20-21. Members also previewed next week's session of the General Assembly and discussed the issues to be considered by lawmakers as the deadline to approve the state budget looms at the end of the month. Finally, members thanked President DiMaria for his service to the organization during his term. *Staff contacts: Mark Fowler, Larry Bury*

NWMC Reschedules Annual Gala

Due to the current COVID-19 situation, the NWMC Annual Gala, originally scheduled for Wednesday June 17, has been rescheduled to Wednesday August 26. Staff will provide updates should event warrant. *Staff contacts: Marina Durso, Karol Heneghan*

NWMC Here to Help Update

Staff continues to update the document created in response to the COVID-19 pandemic. This week's edition will feature updates from *Bartlett, Deerfield, Elk Grove Village, Grayslake, Lake Forest, Niles and Streamwood*. The document has also been reformatted into an Excel spreadsheet for ease of use by the membership. Staff worked

with the region's councils of government on a joint letter to members of the General Assembly, requesting protection of local government revenues, specifically the Local Government Distributive Fund, as lawmakers craft the state's budget.

Staff will continue to work with our local government partners as well as monitor federal, state and local COVID-19 news, conference calls/press conferences and share pertinent information as it becomes available. As always, please use NWMC staff as a resource and do not hesitate to contact us at any time. Stay well and we stand ready to help in any way we can! *Staff contacts: Mark Fowler, Larry Bury*

Complete the COVID-19 Regional Recovery Survey Today – Responses due Monday, May 18

On Thursday, Chicago Metropolitan Agency for Planning (CMAP) Executive Director Erin Aleman sent the COVID-19 Regional Recovery Survey. According to her email, the survey seeks to better understand municipal “needs, concerns, and anticipated COVID-19 impacts and expenditures. This survey is a joint partnership with the City of Chicago’s Economic Recovery Taskforce, Cook County, DuPage County, and the Metropolitan Mayors Caucus. The survey results will help us understand current and anticipated needs so we can better address COVID-19 impacts.”

As previously reported, *NWMC President Dan DiMaria* is the organization’s representative to the Economic Recovery Taskforce and we strongly encourage the entire NWMC membership to complete the survey. Please access the survey by visiting <https://www.surveymonkey.com/r/COVID19RegionalRecoverySurvey> and note that the due date is Monday, May 18. *Staff contacts: Kendra Johnson, Matt Pasquini*

In response to questions received during the COVID-19 pandemic, the Illinois Department of Revenue has developed a report that will provide estimated monthly distribution amounts that your jurisdiction can expect to receive. These estimates are based on sales tax returns that have been filed, but not paid, because of the extension granted by the Governor ([FY 2020-23](#)). To request this information, contact the Local Tax Allocation Division at REV.LocalTax@illinois.gov, or by sending a message through your MyLocalTax Account. *Staff contact: Mark Fowler*

IDOT Disbursing Rebuild Illinois Bond Funds to Local Agencies

Last week, the Illinois Department of Transportation (IDOT) began to disburse \$250 million in bond funds authorized in the Rebuild Illinois capital program to local public agencies (LPA's) for use in capital projects. This is the first of six biannual disbursements to local agencies over the next three years, with future disbursement dates varying depending on the timing of bond sales and needs of local public agencies.

Individual municipalities and other agencies can view their approximate disbursements by visiting [IDOT's website](#). These funds should be deposited into the LPA's Motor Fuel Tax (MFT) accounts, but they are to be treated separately from local MFT revenues and should be accounted for as such. The funds can only be applied toward bondable capital improvements, unless the LPA's disbursement is less than \$45,000. For more information, please see [IDOT's circular letter](#) or contact Stephane B. Seck-Birhame, Bablibile.Seck@illinois.gov. *Staff contacts: Kendra Johnson, Matt Pasquini*
