

RULES AND REGULATIONS FOR NON-MOTORIZED MOBILE FOOD CARTS

- Licensing priority will be given to Evanston businesses.
- The license does not allow vendors at other City events or locations without obtaining the required license or permit for those events.
- The license is for the entire beach season. No “one day or weekly” permits will be issued.
- No food push carts will be allowed on the beaches after the beach season is over.
- The operation hours for the food cart vendors during the beach are from 10:00 am to 6:00 pm, 7 days a week at all allowable locations.
- The City of Evanston decal/permit must be displayed on the cart at all times during operation.
- Food vendors must provide their own waste receptacles accessible to their operation and customers.
- No dumping of waste produced from the carts into city garbage containers.
- All food regulations and policies regarding food safety apply.
