2022 PROPOSED BUDGET

Budget Transmittal Letter

Mayor Biss and Members of the City Council,

I am honored to present the Proposed Fiscal year 2022 Budget for the City of Evanston, Illinois. The budget is a policy document, which sets the financial course for the City and defines the priorities of services provided to the community. It is the culmination of months of efforts by City Staff, community members, and elected officials to balance available resources and provide high-quality services to Evanston community members, business, and visitors.

The City's 2022 fiscal year covers the period from January 1, 2022 through December 31, 2022. **The total Proposed Budget for fiscal year 2022 is \$355,728,116.** This is the total expense for all funds including the Evanston Public Library. This represents an increase of \$59,582,008 from the 2021 Adopted Budget. This increase is largely attributable to the addition of \$30 million in expenses for the American Rescue Plan (ARPA) Fund. A summary of expenses for all funds can be found on the Summary Charts page of the budget book.

Priorities for the 2022 Proposed Budget

As the world continues to face the challenges of the COVID-19 pandemic, Evanston too is focused on continuing a strong response. Our Health and Human Services Department continues their hard work to provide public health guidance to the community, especially our long-term and congregate living facilities, and to support families who face greater needs as a result of the pandemic. We have also seen recovery from the pandemic begin, with increased traffic again to our local business community and workplaces returning to in-person operations. More Northwestern University students have returned to campus, and football games are again being held at Ryan Field this fall.

The City has begun to see recovery from the revenue losses experienced during 2020. Additionally, confirmation was received over the summer that the City would receive \$43 million through the American Rescue Plan (ARPA) to be spent by December 31, 2024. The City held three town hall meetings and participated in a series of community roundtable discussions regarding ARPA over the course of the summer. Additionally, City Council has held one Special City Council meeting to exclusively discuss ARPA, in addition to regular City Council meetings where ARPA was discussed as part of the larger agenda. Based upon the feedback received during these meetings, staff kept the following priorities in mind during the creation of this 2022 Proposed Budget:

1. Continuation of strong COVID-19 response;
2. Provide support to vulnerable and underserved communities that were most negatively impacted by the COVID-19 pandemic;
3. Invest in economic development efforts that will support recovery across the community; and
4. Return City operations and staffing to pre-COVID-19 levels, and address chronic understaffing in areas of operational need.

Section I: 2021 Estimates

2021 General Fund Revenue

The 2021 Adopted Budget for the General Fund included \$111,020,191 in expenses and \$111,022,609 in revenue. This included the use of \$500,000 in fund balance to support operations.

Fortunately, the City has seen higher than expected revenue as economic activity continues to recover from the COVID-19 pandemic. State income tax, building permits, real estate transfer tax, sales tax, and state use tax all show revenue higher than budget through mid-year 2021. Certain revenues have still not recovered from the COVID-19 pandemic, and have continued to trend lower than budget. These include municipal hotel tax, parking ticket fines, and athletic contest tax.

2021 General Fund Expenses

The City's 2021 budget included holding vacant 29 positions, for a cost savings of approximately \$2.5 million. Due to operational requirements, 10 of these positions have been filled or are currently in the process of being filled. These have been balanced by vacancies in other positions or savings in other budgeted lines.

One area of expenses where staff expects to exceed budget is in Fire Department overtime, due to vacancies especially at the beginning of the year. As of July 2021, overtime expenses for the Fire Department were at 97% of the annual budget. Staff expects expenses to exceed budget by about \$500,000 in this area. Overtime in the Police Department is still trending low, with expenses at 42% of budget as of July 2021. Staff does not expect these overages in overtime expenses to exceed savings in regular pay and other services across the General Fund budget.

2021 General Fund Balance

Overall, staff expects to end the year with General Fund expenses at budget and revenues exceeding budget, generating a surplus. Staff currently projects a year-end General Fund surplus of \$2 million. This would increase the General Fund balance from \$17.4 million to approximately \$19.4 million, which is 17.5% of 2021 budgeted expenses. This exceeds the City Council's fund balance policy of 16.6% of expenses in General Fund reserves.

Section 2: 2022 Proposed Budget

2022 Budgeted Revenue

With continued recovery from COVID-19, staff projects some major revenues to increase in 2020 as compared to 2021. Other revenue sources continue to show a slow recovery. A summary of changes to major revenue sources is shown in the table below.

Account Description	2021 Adopted	2022 Proposed	Change	Notes
State Income Tax	\$6,600,000	\$8,750,000	\$2,150,000	High trend; increase in population from latest census
GEMT Service Revenue	\$100,000	\$750,000	\$650,000	New revenue source in 2020; based on actual trend
Sales tax - Basic	\$9,750,000	\$10,250,000	\$500,000	Based on actual trend, change in state law regarding online purchases
State Use Tax	\$2,200,000	\$2,500,000	\$300,000	Based on actual trend
Amusement Tax	\$200,000	\$475,000	\$275,000	Growth in streaming tax revenue
Sales Tax - Home Rule	\$7,250,000	\$7,500,000	\$250,000	Based on actual trend
Recreation Program Fees	\$5,616,375	\$5,825,525	\$209,150	Increased seasonal programming
Natural Gas Use Tax	\$900,000	\$800,000	\$(100,000)	Based on actual trend
Municipal Hotel Tax	\$1,200,000	\$900,000	\$(300,000)	Slow recovery from COVID-19
Telecommunications Tax	\$1,600,000	\$1,300,000	\$(300,000)	Based on actual trend, continued reduction in landlines
Transfer from Good Neighbor Fund	\$380,000	-	\$(380,000)	Ending of Good Neighbor Fund support for general operations
Parking Ticket Fines	\$3,200,000	\$2,800,000	\$(400,000)	Slow recovery from COVID-19
Ambulance Service	\$2,200,000	\$1,800,000	\$(400,000)	Based on actual trends, replaced by GEMT revenue above
State, County, and Other Grants	\$545,000	-	\$(545,000)	Ending of one-time COVID-19 support grants

2022 Property Tax Levy

For 2022, the City will experience savings in the required property tax levies for police and fire pension funds and for debt service. Required contributions to the pension funds through the property tax levy have declined due to high investment returns in 2020 and 2021. The debt service levy has declined due to savings from bond refunding in 2021 as well as issuing less debt in 2021 than is being retired this year.

To balance the General Fund operations, staff is proposing to increase the General Fund tax levy by \$810,802 which is the total amount of decrease in the pension and debt service levies. These changes would keep the overall City tax levy flat. This increase has been built into the 2022 Proposed Budget. The total proposed tax levy for tax year 2021 (Budget year 2022) is shown below:

	2020 Adopted Net Levy	2021 Proposed Net Levy	Change (\$)
General Fund	\$7,845,300	\$8,656,102	\$810,802
Human Services Fund	\$3,110,000	\$3,110,000	\$0
General Assistance Fund	\$1,300,000	\$1,300,000	\$0
Library Fund	\$7,252,000	\$7,252,000	\$0
Debt Service (City & Library)	\$14,418,506	\$13,942,881	-\$475,625
Solid Waste Fund	\$1,332,500	\$1,332,500	\$0
Fire Pension Fund	\$9,346,778	\$9,248,524	-\$98,254
Police Pension Fund	\$11,106,461	\$10,869,538	-\$236,923
Total Net Levy	\$55,711,545	\$55,711,545	\$0

2022 General Fund Expenses

The 2022 Baseline budget for the General Fund is \$115,235,903. This represents an increase of \$4,215,737 over the 2021 adopted budget. This can be summarized by the following changes to personnel costs.

General Wage Increases - General wage increases for all represented employees were established in contracts effective from January 1, 2019 through December 31, 2022. These contracts included increases on January 1, 2022 of 3% for AFCME employees and FOP Sergeants and 2.25% for FOP Officers. Non-union employees are also budgeted to receive a 2.25% general wage increase on January 1, 2022. IAFF employees will receive an increase of 5% on December 31, 2022. Together, these General Wage increases for all employees total an expense increase of \$1,069,000.

Positions Held Vacant - In the 2021 adopted budget, 15 full-time positions were eliminated from the City, and an additional 29 positions were held vacant for the year. These positions held vacant were deemed crucial to operations and were not recommended for elimination. Of these held vacant, 23 positions have been included in the 2022 budget, and are recommended to be filled at the start of the new budget year. The rest of the held positions were adjusted or reclassified and are also included in the budget document. Details on these positions can be found in the Position Information section of the budget. The expense increase related to adding these positions back to the budget is \$2,550,000.

Engineering Salaries - Since 2018, salaries for certain engineering positions in the City were budgeted in the Capital Improvements Fund and supported by bonds. This was due to the nature of their work on projects that were also being funded by bonds. During the 2021 bond sale, staff and City Council agreed that these salaries should be moved back to the General Fund for the 2022 budget year. This change increases General Fund expenses by approximately \$700,000.

Health Insurance - Health insurance premium costs will increase in 2022 by 4.3% for PPO plans and 1.5% for HMO plans. This is an expected cost increase of \$330,000 to the General Fund.

IMRF - All full-time City employees who are non-represented or part of the AFSCME union are enrolled in the Illinois Municipal Retirement Fund (IMRF). Due to high investment returns in 2020 and 2021, the required employer contribution for IMRF decreased from 8.08% of earnings to 4.84% of earnings. This decreases General Fund expenses by approximately \$540,000.

2022 Proposed Budget Balancing

With these changes to revenues and expenses implemented, the City faces a General Fund deficit of \$2.5 million. To solve this initial deficit, staff recommends using a combination of fund balance and American Rescue Plan Act (ARPA) funding.

	2021 Adopted Budget	2022 Proposed Budget	Change 2021-2022
General Fund - Revenue	\$111,022,609	\$112,736,287	\$1,713,678
General Fund - Expenses	\$111,020,193	\$115,235,930	\$4,215,737
General Fund - Net Deficit		\$(2,499,643)	
Use of Fund Balance		\$1,000,000	
ARPA Revenue Loss Funding		\$1,500,000	

Staff expects the General Fund to end 2021 with a fund balance of \$19.4 million, or 175% of expenses. This exceeds the City Council policy of 16.6% of expenses in fund balance by approximately \$1 million. Staff recommends that this excess \$1 million in fund balance be applied to cover baseline expenses in the 2022 budget.

Staff then recommends using ARPA funding from the revenue loss category to cover the remaining \$1.5 million of deficit. If revenues come in higher than expected in 2021, the City will use any additional fund balance above the 16.6% threshold and reduce the amount of ARPA funding used. Further discussion of ARPA funding overall in the 2022 budget is included later in this transmittal memorandum.

Section 3: American Rescue Plan (ARPA) Funding

At a special City Council meeting on October 4, 2021, staff presented a distribution plan for money from the American Rescue Plan (ARPA) funding. Evanston's total funding amount through ARPA is \$43 million, with half received in 2021 and half in 2022. Spending of ARPA funds must generally be completed by December 31, 2024.

A major category of spending for ARPA is to address revenue loss for local governments as a result of the COVID-19 pandemic. This funding can be used for a wide range of general operating purposes. The total proposal for approximately \$13 million in Revenue Loss spending as presented on October 4 is as follows:

2021 Equipment Replacement Spending (91-R-21)	\$850,000
2022 Equipment Replacement Spending	\$1,600,000
2022 Baseline General Fund Operations	\$1,500,000
Hazard Pay for City Employees	\$500,000
2021 Parking Fund Projects (77-R-21)	\$950,000
2022 Parking Fund projects and operations	\$2,300,000
Additional Operational Requests (detail below)	\$5,000,000
<u>Hold for other expenses in category</u>	<u>\$300,000</u>
Total Revenue Loss	\$13,000,000

In the 2022 Proposed Budget, the ARPA Fund is budgeted at a total expense amount of \$30,400,000. This includes the 2022 transfers to the Equipment Replacement Fund, Parking Fund, and General Fund baseline (total \$5.4 million) and \$25,000,000 in other programmatic spending. All spending proposals using ARPA funding will be presented separately to the City Council for approval before spending takes place.

Two additional requests put forth by City departments fall into ARPA funding categories besides revenue loss. These have not yet been built into the 2022 Proposed Budget, and are put forward here for approval as part of the 2022 Budget:

Department	Request	Expense
Community Development	ARPA Compliance Analyst (1 FTE)	\$100,000
Health & Human Services	COVID-19 Contact Tracers and Responders	\$575,000

Section 4: Additional Operational Requests

The expense increases built into the 2022 Proposed Budget represent only contractual increases and positions held vacant in 2021. Departments were asked to provide additional requests for funding required to improve operations or programs. These are listed in the tables below. Separate memos on each request have been completed by

department directors, and will be included as an attachment to this budget. The items on this list are not included in the 2022 Proposed Budget numbers used in the rest of the budget document. These are put forward by Staff for City Council consideration and discussion.

This first set of requests includes anticipated funding sources that are specific to the requests. These do not involve using ARPA funds. Department staff have drafted memorandum on these requests which are included in this packet for City Council to review.

Budget Requests with Expected Funding (non-ARPA)			
Department	Request	Revenue	Expense
Fire	Replacement Fire Engine (one-time expense)		\$750,000
Clerk's Office	Deputy Clerk (1 FTE) - to add Vital Records to Office		\$80,000
Clerk's Office	Vital Records Revenue	\$80,000	
Health & Human Services	Pest Control Operator (1 FTE)		\$85,000
Health & Human Services	End Rodent Control Contract with Rose Pest Control		-\$85,000
Health & Human Services	Part-time Rodent Control Operator		\$21,400
Health & Human Services	Grant Revenue to support rodent control	\$21,400	
Health & Human Services	Continuation of My City, Your City, Our City Youth Programming		\$200,000
CDBG-CV	CDBG-CV Funding	\$200,000	

The second set of requests are one-time expenses, which would be proposed for ARPA revenue loss funding.

One-time Expenses - ARPA Revenue Loss Funding	
Request	Expense
Premium Pay for eligible City Employees	\$500,000
Permit Software Improvements	\$600,000
Comprehensive and Strategic Plan Consulting Fees	\$500,000
Total	\$1,600,000

The third set of requests are those requiring policy decisions to be made by City Council. These are the implementation of free beaches for Evanston residents, and continuing the practice of funding Crossing Guards for the schools through the City's budget. These items would need to be funded through ARPA Revenue Loss Funding, additional use of fund balance, or a property tax increase.

Policy Decisions		
Item	Revenue	Expense
Free Beaches for Evanston residents	-\$750,000	
Crossing Guard Current Operations		\$620,000
Existing Reimbursements from D202 and Chiaravelle	\$57,000	
Total		\$1,313,000

Finally, the Departments have presented requests for additional staffing necessary to continue or improve current City operations. These are shown in the list below. Directors have provided memorandum explaining the need and justifications for these positions, which are attached to this packet for Council to review. The options for funding these positions in 2022 are ARPA revenue loss, increased use of fund balance, or an increase in property tax levy.

Department Requests - ARPA Revenue Loss Funding			
Department	Request	Expense	Department Total
Administrative Services	Facilities Maintenance Worker II (1 FTE)	\$95,000	
Administrative Services	Human Resources Specialist (1 FTE)	\$100,000	
Administrative Services	Digital Services Specialist (1 FTE)	\$100,000	
Administrative Services	Facilities Maintenance Worker III - Crown (1 FTE)	\$100,000	
Administrative Services	Facilities Maintenance Worker III - Crown (1 FTE)	\$100,000	\$495,000
Community Development	Permit Service Representative (2 FTE)	\$148,000	
Community Development	Permit Desk Supervisor (1 FTE)	\$130,000	
Community Development	Customer Service Representative - Property Standards (1 FTE)	\$86,000	
Community Development	Planning & Zoning Manager (1 FTE)	\$147,000	
Community Development	Comprehensive Plan Coordinator (1 FTE)	\$123,000	\$634,000
Parks & Recreation	Recreation Manager - Chandler, Noyes, Gibbs (1 FTE)	\$115,000	
Parks & Recreation	Lakefront Recreation Manager (1 FTE)	\$115,000	
Parks & Recreation	Custodian I - multiple buildings (1 FTE)	\$70,000	
Parks & Recreation	Assistant Recreation Manager - Crown (1 FTE)	\$95,000	
Parks & Recreation	Crown PT Custodians and Zamboni Driver (2.25 FTE)	\$83,000	\$478,000
Public Works Agency	Forestry Crew Leader (1 FTE)	\$120,000	
Public Works Agency	Equipment Operator II - Streets (1 FTE)	\$105,000	
Public Works Agency	Arborist (1 FTE) - related to Tree Preservation Ordinance	\$110,000	
Public Works Agency	Forestry Tree Services - Contractual Services	\$127,000	\$462,000
Total Requests - Revenue Loss Funding 2022		\$2,069,000	

One consideration for the positions requested above is that all positions would not be expected to be filled for the full year, which will yield some savings. It is the practice of the City to still budget all positions at 100% of full year cost if authorization to hire begins on January 1 of the budget year. However, City Council may consider that the full cost for these positions is unlikely to be incurred in 2022. Staff would determine the actual amount needed from ARPA after the close of the fiscal year when final costs can be confirmed.

Additionally, any staff costs or ongoing reduction of revenue from beaches would need to be funded in future years. Additional ARPA funding may be set aside for years 2023 and 2024 for any of these costs, provided that revenue loss due to COVID-19 can continue to be substantiated for those years. Future year funding for these positions must come from (1) new revenue sources, (2) growth in current revenue sources, or (3) increases to the property tax levy.

Section 5: Capital Improvement Plan

The 2022 Proposed Budget includes a Capital Improvements Plan of \$65 million in total expenses. Details on all projects in the plan can be found in the Capital Improvements Section of the budget book.

Staff proposes to issue the following General Obligation bonds for capital improvement projects in 2022:

2022 Bonds - City: \$10,605,000

2022 Bonds - Library: \$485,000

2022 Bonds - Water: \$5,295,000

The City bond amount may be reduced by contributing more to capital projects through the ARPA revenue loss funding category, or through reducing the number of projects to be completed in 2022. Water fund projects may be directly funded through ARPA. Based on feedback from City Council and the community, staff has not currently

proposed to spend any ARPA money on capital projects in 2022, and will continue to use bond funding for these purposes.

Section 6: Enterprise Funds

Parking Fund - The Parking Fund continues to struggle from the lack of parking activity in downtown Evanston and other business districts in 2020 and into 2021. City Council already committed \$950,000 through the ARPA Revenue Loss funding category towards Parking Fund projects in 2021. Included in the 2022 Proposed Budget is an additional allocation of \$2,300,000 to the Parking Fund from ARPA Revenue Loss funding. This will cover additional capital projects in 2022 and help the fund recover from continued revenue loss. Alternative sources of funding for the Parking Fund are increasing parking rates and issuing bonds for capital improvements. The Parking Fund also supports the General Fund with a \$3 million annual transfer, so the City could reduce this transfer and increase property taxes or ARPA funding to the General Fund.

Water and Sewer Funds - For 2022, staff will be recommending a 5% sewer rate decrease and a 9.53% water rate increase. The combined rate for water and sewer paid by Evanston residents would increase from \$6.13 ccf to \$6.25 ccf (\$8.19 to \$8.36/1000 gallons). This represents a 1.96% increase. The combined water and sewer rate for Evanston residents has remained the same since 2015. This will be the first rate increase for Evanston residents in seven years. The average resident will pay \$10.32 more per year.

Staff will also be proposing an affordable water/sewer rate of \$3.93 ccf for community members that qualify for Low-Income Home Energy Assistance Program (LIHEAP). This would reduce their combined bill by \$189 per year compared to the current rate.

Staff proposes the sale of \$6.41 million in water bonds for water improvement projects. This is in addition to \$23 million in IEPA loans that the Water Fund is seeking for replacement of the water system intake, 30" transmission main, and two other smaller projects. The IEPA loans carry a low interest rate of 1.11%. The 2022 Proposed Budget for the Water Fund does not include funds for large scale lead service replacement beyond the City's current programs. Staff anticipates receiving funding from the state or federal government for this work, and will propose a budget amendment when appropriate if this is received.

Staff is not proposing the sale of any bonds for the Sewer Fund in 2022. The fund will receive a \$2 million IEPA loan for CIPP lining rehab of the 60" sewer on Greenleaf.

Solid Waste Fund - Rates for waste collection services in Evanston were increased by 11% beginning January 1, 2021. Staff is not proposing a rate increase in 2022, but anticipates another rate increase will be required in 2023. The Solid Waste Fund continues to receive approximately \$1.5 million in property tax revenue, which was implemented over three years from 2018-2020 instead of rate increases at that time.

Conclusion

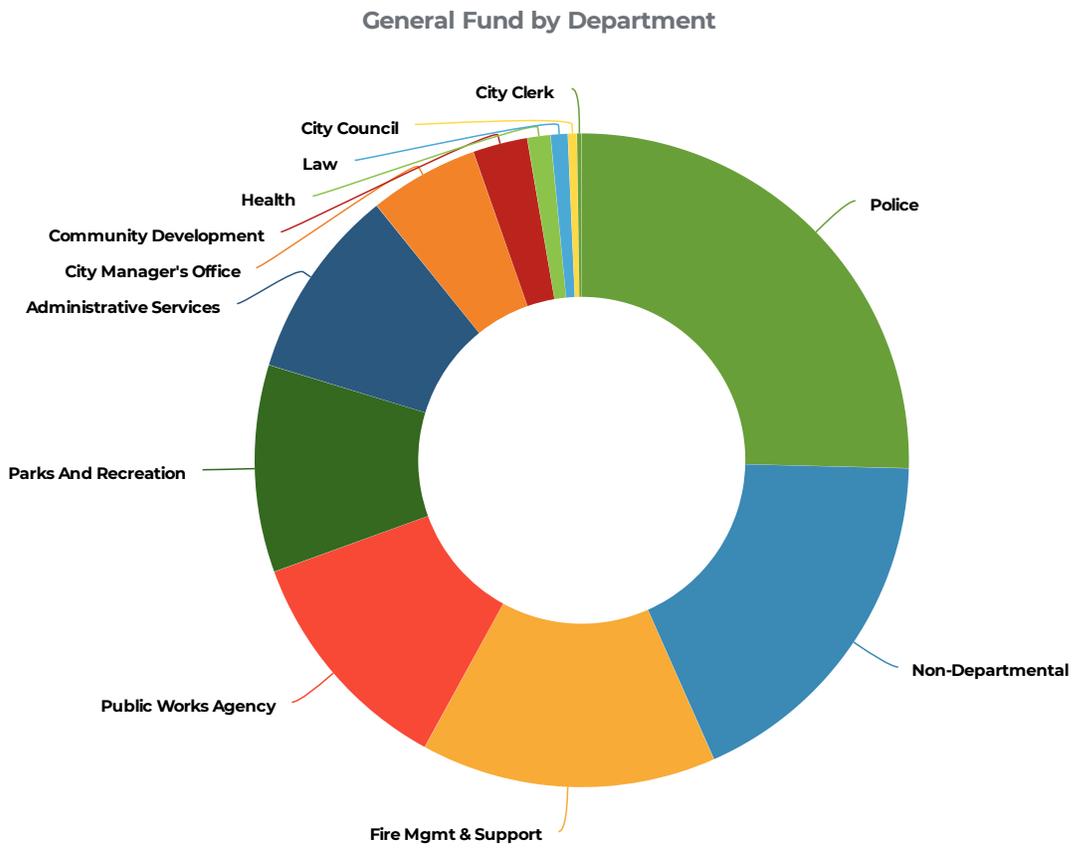

The COVID-19 pandemic has continued to create challenges for the City, and I am continually impressed by the ability of our staff and our community to rise to these challenges and exceed expectations. In unprecedented times, our community continues to come together to solve difficult problems and seek ways to better serve all of our residents. Many thanks and appreciation to the City of Evanston staff, elected officials, and residents who have continued to serve the community and keep us safe and healthy in this time.

Thank you to Chief Financial Officer Hitesh Desai and Budget Manager Kate Lewis-Lakin for their leadership in this year's budget process. Additional thanks to Deputy City Manager Kimberly Richardson, Assistant to the City Manager Tashiek Kerr, and ICMA Fellow Shenicka Hohenkirk for their work and support on the budget. Thanks also to the Department Directors and staff for their time and efforts in this budget process.

Sincerely,

Kelley A. Gandurski
Interim City Manager

General Fund - Expenses by Department

All Funds Summary

GENERAL INFORMATION

About the City

The City of Evanston

The City of Evanston covers a stretch of four miles along Lake Michigan's picturesque western shoreline. The City's eight square miles include residential neighborhoods encircling thoughtfully-planned business districts and recreational facilities. Ongoing development of both residential and commercial properties has brought the City of Evanston a cosmopolitan flavor while retaining a close-knit suburban atmosphere.

Evanston boasts a diverse populace in terms of religious, racial, educational, and economic composition. Interspersed throughout the community are over 290 acres of parks, including tennis courts, five public swimming beaches, athletic fields, and bicycling and jogging trails.

The City of Evanston operates under the Council-Manager form of government. The non-partisan legislative body is comprised of ten elected officials consisting of a Mayor and nine Ward Council Members. Through the Council-Manager form of government, elected officials create policy and direct the City Manager to implement the plan. This places the responsibility for day-to-day provision of services on a professional manager and staff.

The Budget Document

The Budget Document serves as a policy guide which sets the financial course of the City of Evanston and defines the service priorities provided to the community. The City uses fund accounting for its operations in accordance with best practices and legal requirements. A fund is a separate accounting entity with a self-balancing set of accounts. The 2022 Proposed Budget includes 38 funds. Most departments have operations in multiple funds. More information can be found on the "Fund Structure and Descriptions" page.

The City's largest fund is the General Fund, which supports general services including Police, Fire, Parks & Recreation, Health & Human Services, Community Development, Public Works, and Administrative Services. Other Funds include Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Enterprise Funds, Internal Service Funds, and Pension Trust Funds.

Population Overview

TOTAL POPULATION

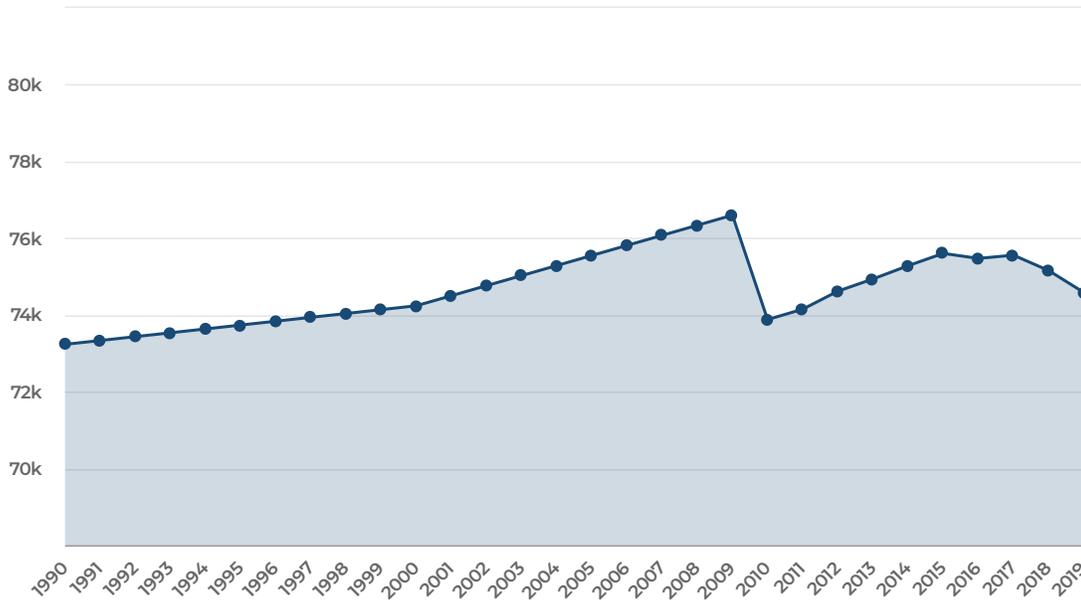

74,587

vs. 2018

GROWTH RANK

1459 out of **2727**

Municipalities in Illinois

* Data Source: American Community Survey, 2010 Census, 2000 US Census and 1990 US Census

Aging affects the needs and lifestyle choices of residents. Municipalities must adjust and plan services accordingly.

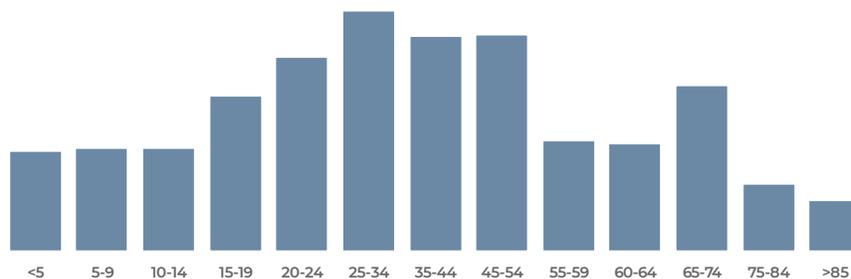

DAYTIME POPULATION

85,367

Daytime population represents the effect of persons coming into or leaving a community for work, entertainment, shopping, etc. during the typical workday. An increased daytime population puts greater demand on host community services which directly impacts operational costs.

* Data Source: American Community Survey, 2010 Census, 2000 US Census and 1990 US Census

POPULATION BY AGE GROUP

Fund Descriptions

GENERAL FUNDS

General Fund - To account for all activity traditionally associated with government operations, which are not required to be accounted for in another fund.

Human Services Fund – To account for social services, youth and young adult outreach, and funding distributed through the Social Services Committee.

DEBT SERVICE FUNDS

Debt Service Fund - To account for non-abated, general obligation payments on the principal and interest related to bonds and/or other City debt.

CAPITAL PROJECTS FUNDS

Capital Improvement Fund - To account for capital projects not funded through special revenue, tax increment financing, or enterprise funds. Capital projects include, but are not limited to: long term improvements to public buildings, the paving of city streets, and the improvement and development of recreation facilities. Financing is provided primarily by grants and general obligation bond proceeds.

Crown Construction Fund - To account for all activity related to the construction of a new Robert Crown Community Center beginning in 2017. Financing is provided by general obligation bond proceeds and community contributions.

Crown Center Maintenance Fund – To account for activity related to major maintenance and equipment replacement in the newly constructed Robert Crown Community Center. Funding is from the operating revenues through a transfer from the General Fund.

Special Assessment Fund - To account for capital improvements (primarily alley paving) financed by both special assessments on property owners and City contributions.

ENTERPRISE FUNDS

Parking Fund - To account for all City-owned parking facilities/garages, lots, and metered spaces. All activities are accounted for including administration, operations, financing, and revenue collection.

Water Fund - To account for all activity related to providing water to Evanston residents, as well as the Village of Skokie and the Northwest Water Commission. All activities necessary to provide such services are accounted for in this fund, including, but not limited to: administration, operation, maintenance, debt service, and billing/collection.

Sewer Fund - To account for all activity related to providing sewer service to City residents and businesses. Activities necessary to provide such service include, but are not limited to: administration, operations, financing, capital improvements/maintenance, and billing/collection.

Solid Waste Fund – To account for all activity related to refuse, recycling, and yard waste collection and disposal. Activities necessary to provide such service include, but are not limited to: administration, operations and revenue collection.

INTERNAL SERVICE FUNDS

Fleet Services Fund – To account for the cost of operating the municipal service center maintenance facility for transportation vehicles/equipment used by City departments. Such costs are billed to the user departments.

Equipment Replacement Fund – To account for the costs associated with the purchase of vehicles and equipment.

Insurance Fund - To account for all costs related to health insurance, general liability and workers' compensation claims. This internal service fund uses “funding premium” payments from City operating funds to pay claim and premium costs incurred.

PENSION TRUST FUNDS

Fire Pension Fund - To account for the accumulation of resources to pay pension costs. Resources are contributed by sworn fire members at a fixed rate as mandated by state statute and by the City through an annual property tax levy as determined by an independent actuary.

Police Pension Fund - To account for the accumulation of resources to pay pension costs. Resources are contributed by sworn police members at a fixed rate as mandated by state statute and by the City through an annual property tax levy as determined by an independent actuary.

COMPONENT UNIT FUNDS

Library Fund - To account for the Evanston Public Library. The Evanston Public Library promotes the development of independent, self-confident, and literate citizens through the provision of open access to cultural, intellectual, and informational resources for all ages.

Library Capital Fund - To account for the capital improvements to the Evanston Public Library. Funding is provided primarily through property tax levy.

Library Debt Fund - To account for principal and interest payments on debt proceeds issued and allocated to the Evanston Public Library.

SPECIAL REVENUE FUNDS

American Rescue Plan (ARPA) Fund - To account for revenue and expenses related to funds from the American Rescue Plan Act of 2021, which provided funding for local government services in the wake of the COVID-19 pandemic.

General Assistance Fund - To account for the General Assistance program. Assistance is provided to persons who are not eligible for any other state or federal financial assistance programs and who do not have income or resources to provide for their basic needs.

Reparations Fund - To account for revenues and expenses related to the Evanston Reparations program.

Good Neighbor Fund - To account for the resources provided by Northwestern University to assist City functions and increase programming.

Motor Fuel Tax Fund - To account for the operation of street maintenance programs and capital projects as authorized per the Illinois Department of Transportation. Financing is provided from a State of Illinois municipal allotment of gasoline tax revenue.

Emergency Telephone System (E911) Fund - To account for revenues and expenditures for 911 emergency telephone service. Financing is provided by landline and wireless phone surcharges.

Howard-Ridge Tax Increment Financing (TIF) Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

West Evanston Tax Increment Financing (TIF) Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Dempster-Dodge Tax Increment Financing (TIF) Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Chicago-Main Tax Increment Financing (TIF) Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Special Service Area (SSA) No. 6 Fund - To account for promotion, advertisement, and street maintenance costs of the area located in the City's commercial district surrounding Dempster, Chicago, and Main. Financing is provided by the City through an annual special service area property tax levy.

Special Service Area (SSA) No. 7 Fund - To account for promotion, advertisement, and street maintenance costs of the area located in the City's East Central Street business district. Financing is provided by the City through an annual special service area property tax levy.

Special Service Area (SSA) No. 8 Fund - To account for promotion, advertisement, and street maintenance costs of the area located in the City's West Central Street business district. Financing is provided by the City through an annual special service area property tax levy.

Special Service Area (SSA) No. 9 Fund - To account for promotion, advertisement, and street maintenance costs of the area located in the City's central business district. Financing is provided by the City through an annual special service area property tax levy.

Community Development Block Grant (CDBG) Fund - To account for the revenues and expenditures of the Federal Community Development Block Grant program. Financing is provided by the federal government on a reimbursement basis in accordance with federal formula. Expenditures are made in accordance with federal law requirements.

Community Development Block Grant (CDBG) Loan Fund - To account for residential rehabilitation loans to residents.

Neighborhood Improvement Fund - To account for a portion of sales tax revenues derived from retail sales at the Home Depot store in Evanston. Sales tax revenues allocated to this fund are to be expended on public projects that will benefit the immediate neighborhood nearby the store.

HOME Fund - To account for the Home program. Financing is provided by the federal government and used to create affordable housing to low-income households. Expenditures are made in accordance with the requirements of federal law.

Affordable Housing Fund - To account for costs associated with affordable housing programs for low- and moderate-income City of Evanston residents.

Basis of Budgeting

The City was incorporated in 1863. The City operates under a Council-Manager form of government, is a home rule municipality as defined by Illinois state law and provides the following services as authorized by its charter: general management and support, public safety, public works, health and human resource development, library, recreational and cultural opportunities, and housing and economic development.

The City uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain City functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate “fund types.”

Governmental funds are used to account for all or most of the City's general activities, including the collection and disbursement of earmarked monies (special revenue funds), the acquisition or construction of general fixed assets (capital projects funds), and the servicing of general long-term debt (debt service funds). The general fund is used to account for all activities of the City not accounted for in some other fund.

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. The City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following fiscal year. The operating budget includes proposed expenditures and the means of financing them.
2. Public budget hearings are conducted. Taxpayer comments are received and noted.
3. The City Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council.
4. Budgets are legally adopted on a basis consistent with generally accepted accounting principles (GAAP). It should be noted that property taxes are budgeted on a cash basis. For purposes of preparing the combined statement of revenues, expenditure and changes in fund balances - budget and actual, GAAP revenues and expenditures have been adjusted to the budgetary basis.

The level of control (level at which expenditures may not exceed budget) is at the fund level. All unencumbered annual appropriations are lapsed at the fiscal year-end.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded, reserve a portion of a budgeted account so that amount is not spent elsewhere. For non-enterprise funds, encumbrances are usually not counted as expenditures until the actual disbursement has been made.

The financial information of general governmental type funds (for example, the general fund itself and MFT funds) is prepared on a modified accrual basis. Briefly, this means that revenues are usually recorded when they become available and are measurable while expenditures are recorded when the liability has been incurred.

The enterprise funds (Water, Sewer, Solid Waste, and Parking), on the other hand, are often reported on a full accrual basis. Not only are expenses recognized when a commitment is made (through a purchase order) but revenues are also recognized when they are obligated to the City (for example, water user fees are recognized as revenue when bills are produced).

The Comprehensive Annual Financial Report (CAFR) shows the status of the City's finances on the basis of “generally accepted accounting principles” (GAAP) and a budget basis for comparison purposes.

Financial Control Procedures

The City reports financial results based on generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (GASB). The accounts of the City are divided into separate self-balancing funds comprised of its assets, liabilities, fund equity, revenues and expenditures, as appropriate.

The City's expenditures are monitored on a regular basis by the Finance Division of the City Manager's Office. Disbursements are made only if the expenditure is within the authorized appropriation. For all major expenditures, purchase orders are prepared, approved and the related appropriation is encumbered before a check is issued.

Financial Policies

In ongoing efforts to formally address long-term budgeting provisions, the City of Evanston has endorsed a Budget Policy. The City Council initially adopted this Budget Policy in December 2000. This policy has been revised as follows:

I. Budget Process

Compilation of the Proposed Budget - Each year the City Manager shall prepare and submit a proposed budget to the City Council, allowing ample time for discussion and decision-making. The proposed budget shall contain estimates of revenues available to the City along with recommended expenditures for the departments, boards and commissions. The City Manager is required to submit a balanced budget to Council in which revenues equal expenditures.

Quarterly Financial Update

Following the end of each financial quarter, the City Manager shall present a report summarizing budgeted vs. actual revenues and expenditures.

Review of the Comprehensive Annual Financial Report

The Administration and Public Works Committee shall review the Comprehensive Annual Financial Report. This review shall take place at the earliest meeting date following publication.

Copies of the Proposed and Final Budget

Sufficient copies of the proposed and final budget shall be placed on file in printed form for public inspection at the City Clerk, at the Public Library, and at all library branches. An electronic version of the proposed and final budget shall be posted on the City of Evanston Website. The City of Evanston may offer for sale a printed and electronic copy of the proposed and final budget for a fee not to exceed the cost of preparation, printing, and distribution of the budget.

Public Hearing, Notice and Inspection of Budget - The City Council will hold a public hearing on the annual budget prior to final action by the City Council. Notice of this hearing shall be published in a local newspaper at least ten days prior to the public hearing. Copies of the proposed budget will be available for public inspection in printed form in the office of the City Clerk for at least ten days prior to the hearing.

The City Council budget meeting agendas will be available to the public prior to the initial special meeting of the City Council on the proposed budget.

Each special meeting of the City Council on the proposed budget shall designate a period of time for citizen testimony concerning budget matters discussed during that special meeting. The length of such time shall be determined by the chairman prior to the budget meeting process.

Submission of the Proposed Budget

The City Manager will submit a balanced budget to the City Council by October 31.

Revision of Annual Budget - Following City Council adoption of the budget, the City Council shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall increase the budget in the event monies are not available to do so.

II. Fund Policies

General Fund

The General Fund budget will be balanced each year, subject to the current Fund Reserve level. In the event the General Fund Reserve balance is below the minimum level of 16.6%, the fund may be structured with a surplus budget in order to bring reserves up to the minimum. In the event the fund reserve is above the 20% recommended maximum, the budget may be structured in a deficit to account for the transfers out to other funds as noted in the reserve policy.

Parking System Fund

This is an enterprise fund and as such is expected to be self-sufficient. Any revenues generated, especially from sales, should be retained to maintain the fund. Periodically, fees should be increased to sufficiently fund operating costs, depreciation, and a reserve. The General Fund will continue to be properly compensated for administrative expenses, which support parking system activities.

Water Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to meet debt requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs.

Fire and Police Pension Funds

The Firefighters and Police Pension Funds shall receive funding in accordance with the Joint Actuarial Report provided by the City and both Funds each year. Actuarial methods and assumptions shall be reviewed annually and shall meet or exceed Illinois statutory regulations.

Emergency Telephone System Fund

This fund must be maintained at a level adequate to provide for maintenance of current operations, the capability to respond to unforeseen events, funding of long-term capital improvements, and needed upgrades. The fund shall be entirely supported by revenues received from the imposed telephone surcharge.

Motor Fuel Tax Fund

Revenues for this fund are provided by the state motor fuel tax and as such should be used only for street improvement, repair, and maintenance as allowed by State of Illinois law. Funds may be accumulated for the purpose of accomplishing major projects, however, the beginning reserve balance for this fund should not fall below 25% of the annual revenue received in the prior year.

Insurance Fund

The Insurance Fund must be maintained to meet the City's current and future insurance liability and self-funded employee benefits program requirements. Liability Insurance Requirements include current budget year obligations and building a reserve (as noted in the fund reserve section of this communication) over seven years to prepare for anticipated claims and losses. The City Manager shall be required to present an annual report itemizing all of the City's current and long-term claims and liabilities. Each year City staff will review worker compensation, liability, and property insurance policies to determine if coverage meets current financial and operational needs. The City Manager each year will recommend to the City Council insurance policy coverage and limits and include the necessary funds in the operating budget. Self-funded Employee Benefit Program costs are accounted for in this fund and at the Intergovernmental Personal Benefits Cooperative (IPBC). As required by the IPBC the City will maintain a minimum of one month's reserve for PPO benefit programs at the IPBC. Further, the City will set rates and manage program benefit costs to keep cost increases below the Medical rate of inflation.

Fleet Services Fund

The City of Evanston shall maintain vehicles and equipment, which are safe and adequate for the demands of the operating departments. Interfund transfers from operating departments shall be established to maintain the necessary staff, equipment and supplies/parts to service all appropriate vehicles.

Equipment Replacement Fund

The Equipment Replacement Fund receives interfund transfer from operating department's established to replace vehicles within 2 years of the expiration of their useful life as determined by the fleet maintenance division. General obligation debt shall only be used for vehicles with an expected life equal to or greater than 15 years and with a purchase price greater than or equal to \$250,000.

Debt Service Fund

General Obligation Debt of the City means debt (viz., bonds) for which an unlimited real property tax levy is made or pledged for payment. General Obligation Debt shall be allocated into two categories. Self-Supporting General Obligation Debt shall mean General Obligation Debt which, at the time of issuance, is expected and intended by the Treasurer to be payable out of a source of funds other than the City's general real property tax levy, thus permitting the abatement and avoidance of the property tax levy to pay such bonds; examples of Self-Supporting General Obligation Debt include (without limitation) bonds payable from the Water Fund or the Sewer Fund, bonds payable from special assessments, bonds payable from tax increment financing areas, and bonds payable from Motor Fuel Taxes.

Tax-Supported General Obligation Debt shall mean all other General Obligation Debt, which is expected and intended to be paid from a general real property tax levy. General Obligation Debt shall not include any obligation of the City not denominated a bond, including, without limitation, short term notes or warrants or other obligations which the City may issue from time to time for various purposes and to come due within three (3) years of issuance. General Obligation Debt does not include bonds which have been refunded or decreased and which, as a consequence of same, are provided for from a dedicated source of funds or investments. Self-Supporting General Obligation Debt shall not be limited by this Budget Policy.

Tax-Supported General Obligation Debt shall not exceed \$155,000,000 in aggregate principal amount, which limit is expressly subject to increase from time to time by action of the City Council as the needs of the City may grow. General Obligation Debt issued as so-called zero coupon bonds or capital appreciation bonds shall be counted as debt in the original principal amount issued.

The Treasurer shall at all times keep a book or record of all General Obligation Debt and its proper allocation. The Treasurer's statements as to the allocation of General Obligation Debt into these two categories shall be conclusive. Notwithstanding this statement of policy, all bonds or other obligations by whatever name designated of the City duly authorized to be issued by the City Council shall be valid and legally binding as against the City, and there shall be no defense of the City as against any bondholder or other obligation holder on the basis of this policy.

Sewer Fund

This is an enterprise fund and as such is expected to be self-sufficient. As a result, rates should be scheduled to increase to meet costs of sewer operations, debt service, and capital projects. Transfers to other funds for administrative expenses should be maintained to reflect true program costs.

Solid Waste Fund

This is an enterprise fund and as such is expected to be self-sufficient. As a result, rates should be scheduled to increase to meet costs of solid waste operations, debt service, and capital projects. Transfers to other funds for administrative expenses should be maintained to reflect true program costs.

Expenditure Analysis

City Council shall review all significant operational, economic, program, and expenditure proposals in regard to the short term and long-term budgetary and economic impact. The appropriate City Department and staff shall provide the budget analysis for the review and consideration by the City Council.

III. Fund Reserve Policy

The Fund Reserve Policy is as follows:

General Fund

A minimum of 16.6% or two month of operating expenses shall be maintained as a reserve. Any monies over a 16.6% reserve in this fund shall be re-appropriated to other funds that have not met its reserve requirements. Once all funds have met their fund requirements additional funds shall go to the Capital Improvement Program. A minimum of a 5% reserve is required, per bond agreements.

Parking System Fund

A minimum of 16.6% expenses shall be maintained as a reserve; in addition a sufficient reserve shall be maintained to meet bond requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs. A minimum of 5% is required, per bond requirements.

Water Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to meet debt requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs.

Sewer Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to satisfy both bond and Illinois Environmental Protection Agency (IEPA) loan debt requirements. A portion of this fund reserve shall be used to fund depreciation and capital improvement needs.

Solid Waste Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to satisfy debt requirements. A portion of this fund reserve shall be used to fund depreciation and capital improvement needs.

Motor Fuel Tax Fund

A minimum of 25% expenses shall be maintained as a reserve in order to ensure the efficient startup of roadway projects each year.

Capital Improvement Fund

A minimum of 25% of expenses funded from non-debt sources shall be maintained as a reserve. No debt-service costs are located in this fund and therefore no reserve is required for debt service. This 25% reserve shall be used for the startup costs of the current year capital projects in the approved annual budget. Any funds that remain unspent from incomplete capital projects shall be in addition to this 25% level. Any funds that are unspent from projects that were completed under budget shall be included in this 25% level. All projects funded from bond proceeds or other debt issues, shall be tracked along with that debt issue to comply with arbitrage and issuance compliance regulations.

Tax Increment Finance Funds

Fund reserves shall be based on outstanding debt-service requirements or multi-year development incentives established by the City. Reserves shall be designated for the funding of these long-term expenses prior to being released for future capital or development expenses.

Insurance Fund

Health Insurance Reserves should be no less than three months of annual expenses. At least one month of the three month reserve is required to be kept at the Intergovernmental Personal Benefits Cooperative (IPBC). This reserve will be utilized to cover the claims payable cycle cost which is approximately 45 days, and to provide for reserves in the event of major changes in rates/claims experience. Liability Insurance Reserves are not established to fully fund all potential future claims. As such, cash reserves should be set at a minimum of 25% of outstanding claims payable as defined in the prior year audit or twice the current annual self-insured retention coverage level (currently at \$1,250,000).

Fleet Maintenance Fund

Fleet Maintenance Fund Reserves should remain in a positive position with sufficient funds to operate during the year.

Equipment Replacement Fund

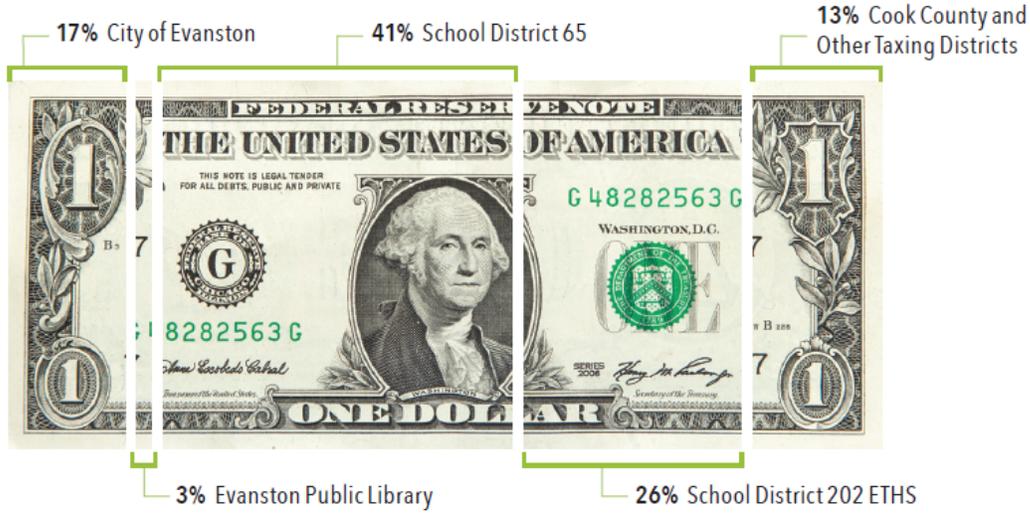

Equipment Replacement Fund Reserves should not exceed the amount of accumulated depreciation of the City's fleet as noted in the prior year Annual Audit.

REVENUE SOURCES

Citywide Property Taxes

Property taxes paid by Evanston residents go to multiple taxing bodies. For every dollar of property tax paid by a resident of Evanston, 17 cents goes to the City, an additional 3 cents goes to the Evanston Public Library. The City of Evanston's property tax levy as shown in this document represents only this portion of total property taxes paid by residents.

Evanston Property Taxes

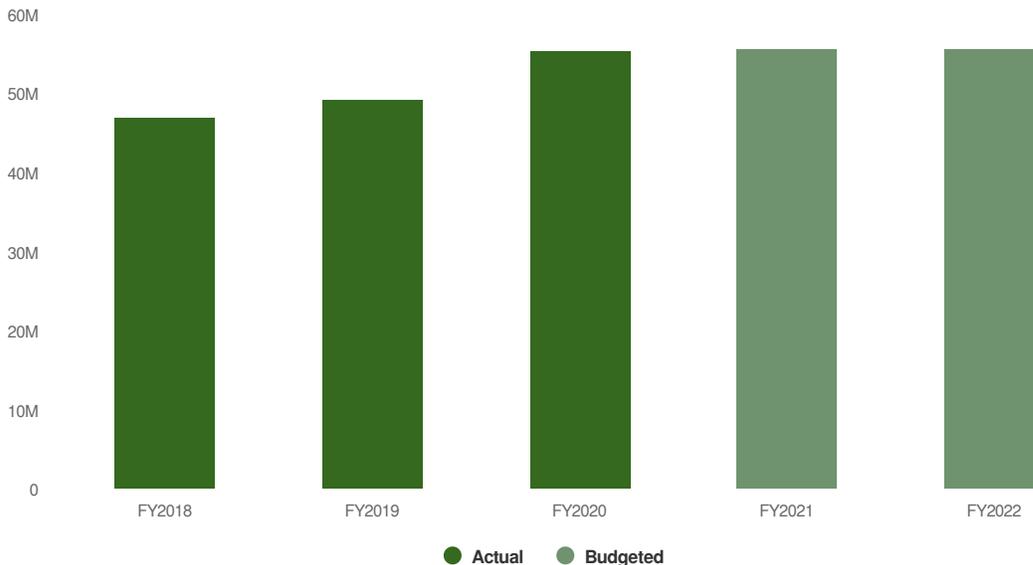

Property Taxes Summary

The 2022 Proposed Budget does not include an increase to the City's net property tax levy.

\$55,711,545 \$0
(0% vs. prior year)

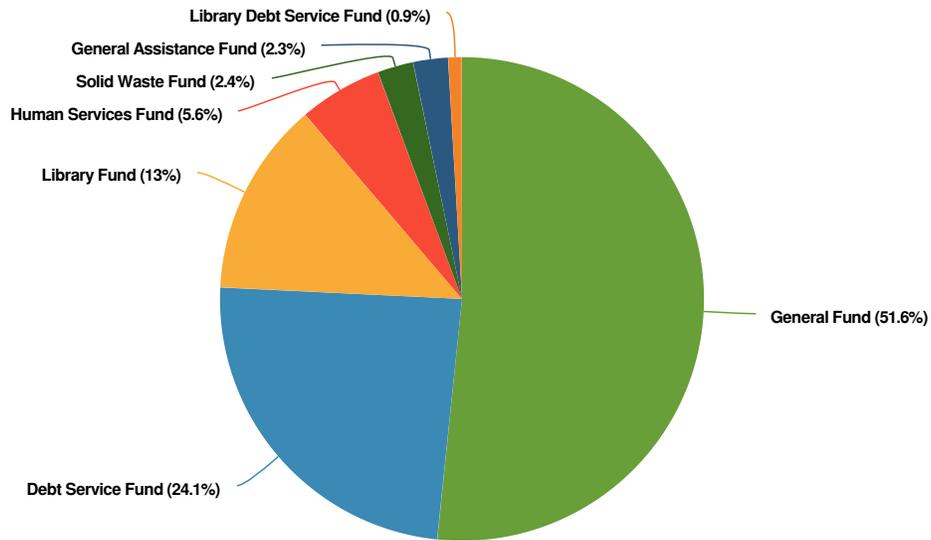

Property Taxes Proposed and Historical Budget vs. Actual

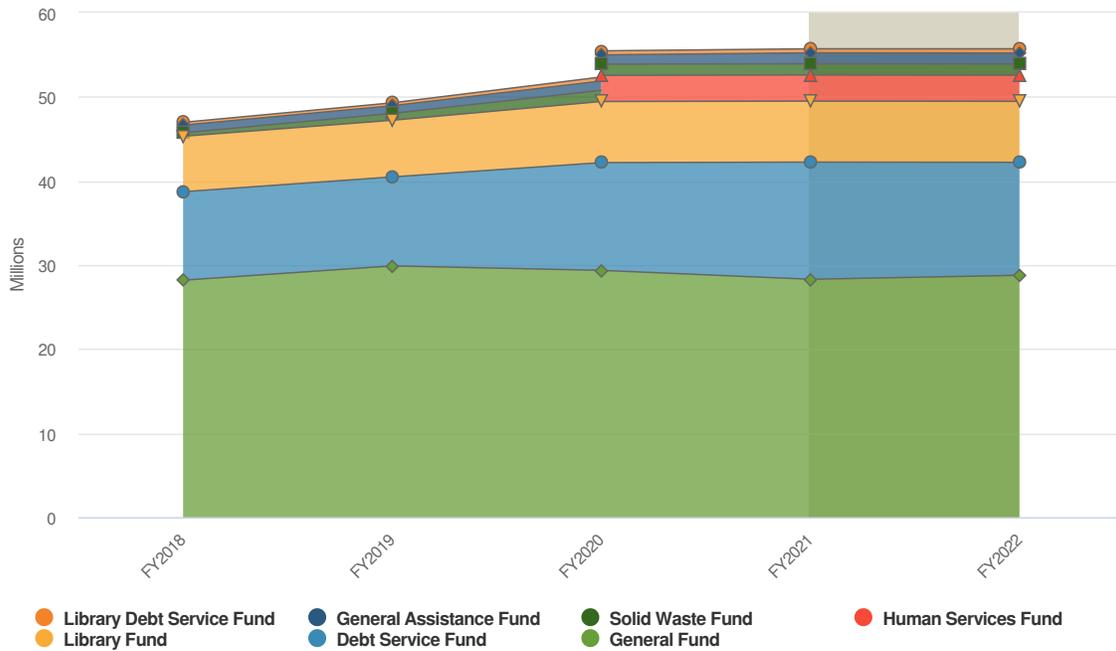

Property Tax by Fund

Property tax revenue is distributed to 7 different funds in the City's budget. The General Fund portion as shown in the chart below includes the Pension Property Tax, which is transferred out to the Police and Fire pension funds.

Other Taxes Summary

The City receives many kinds of taxes besides property taxes. The largest in this category are sales and income taxes. Income tax is collected by the state, and a portion is distributed back to municipalities based on population. There are two types of sales tax in Evanston - basic and home rule. The basic sales tax is collected by the state and remitted back to the City based on actual sales.

Additional home rule taxes in this category include amusement (streaming) tax, wheel tax, transportation network tax, utility taxes, liquor tax, motor fuel tax, telecommunications tax, and real estate transfer tax.

\$51,480,000 **\$2,705,000**
(5.55% vs. prior year)

Other Taxes Proposed and Historical Budget vs. Actual

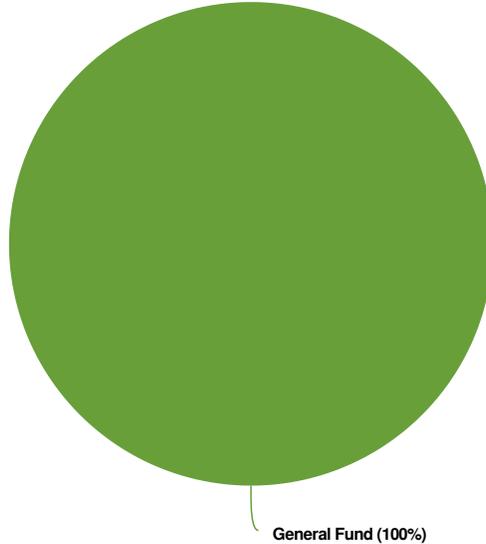

Revenue in the Other Taxes category is expected to increase in 2022, primarily driven by sales, income and use taxes.

Revenue by Fund

All revenue in the Other Taxes category goes to the General Fund.

Charges for Services Summary

\$55,981,544 **-\$1,408,614**
(-2.45% vs. prior year)

Charges for Services Proposed and Historical Budget vs. Actual

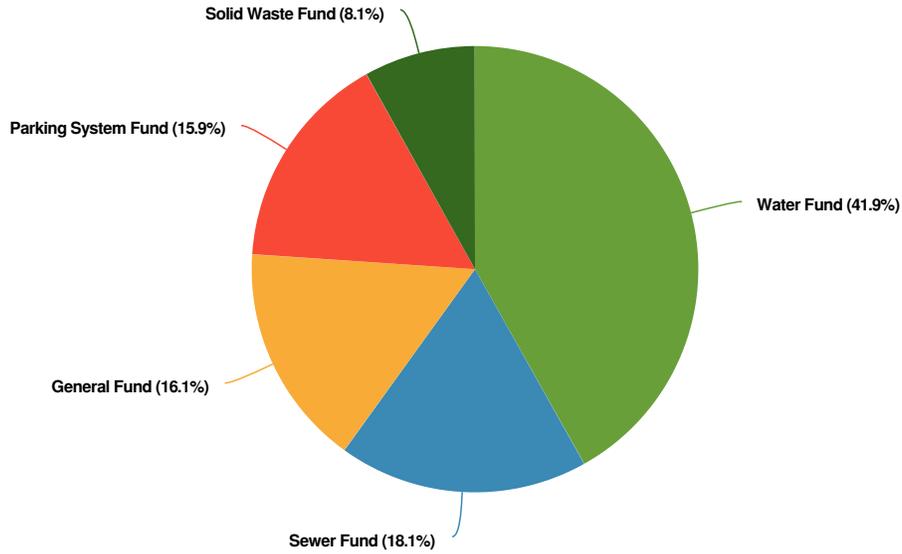

Citywide Charges for Services are budgeted to decrease from 2021 to 2022. This is mostly due to a decrease in budget for parking meter revenue, based on actual revenues received in 2020 and 2021.

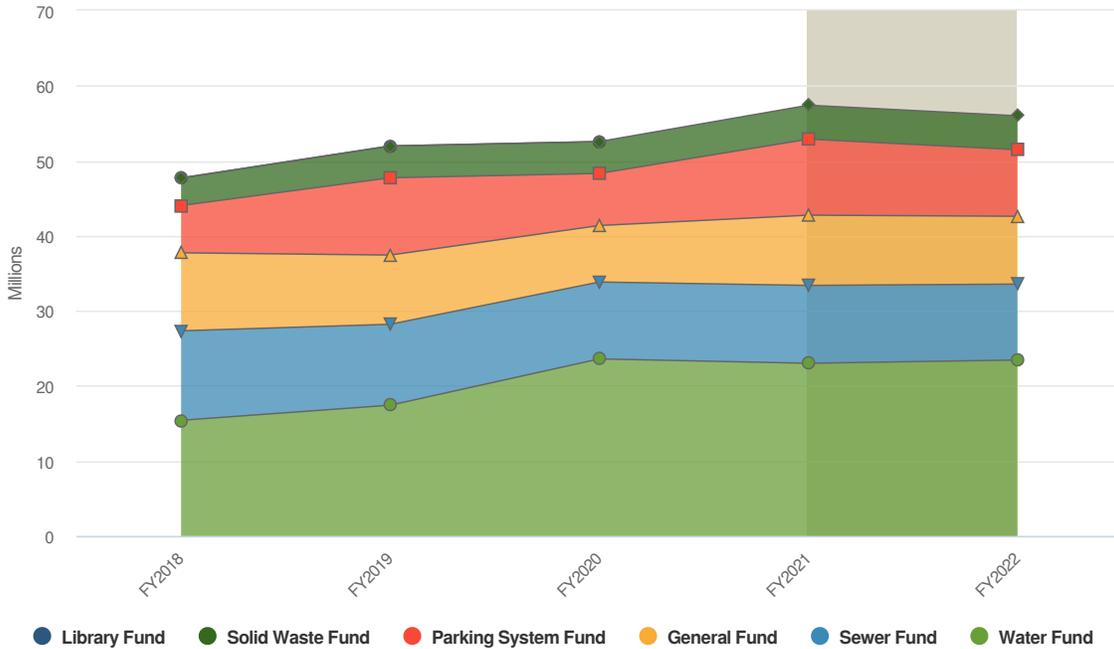

Revenue by Fund

Charges for services occur most in the City's enterprise funds - Parking, Water, Sewer, and Solid Waste. These are the user fees that residents and visitors pay for these services. The largest sources of charges for services in the General Fund include ambulance service fees, recreation program fees, and reimbursement fees for police services.

Licenses, Permits and Fees Summary

Revenue is collected by the City for the issuances of various licenses, permits, and fees across multiple departments.

\$8,085,550 **\$0**
(0% vs. prior year)

Licenses, Permits and Fees Proposed and Historical Budget vs. Actual

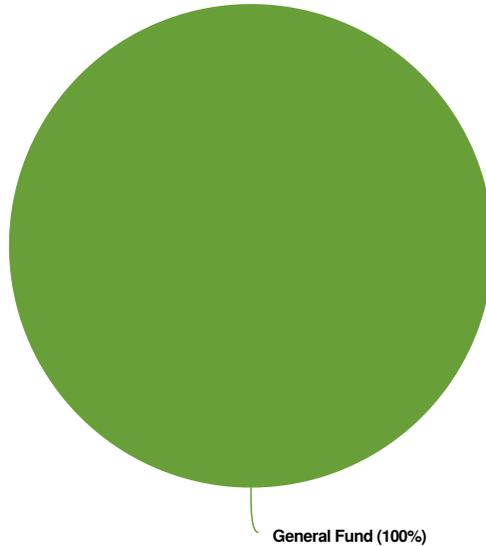

Revenue from licenses, permits, and fees is expected to remain flat from 2021 to 2022.

Revenue by Fund

License, permit and fee revenues go entirely to the General Fund.

2022 Revenue by Fund

Revenue by Department

Many different departments collect revenue for licenses, permits, or fees. The largest source of revenue is building and related permits through the Community Development Department. Other sources of fees are cable franchise fees (CMO), liquor license fees (Law), and various health department licensing fees (Health).

Projected 2022 Revenue by Department

Fines and Forefeitures Summary

\$3,723,500 **-\$400,000**
(-9.7% vs. prior year)

Fines and Forefeitures Proposed and Historical Budget vs. Actual

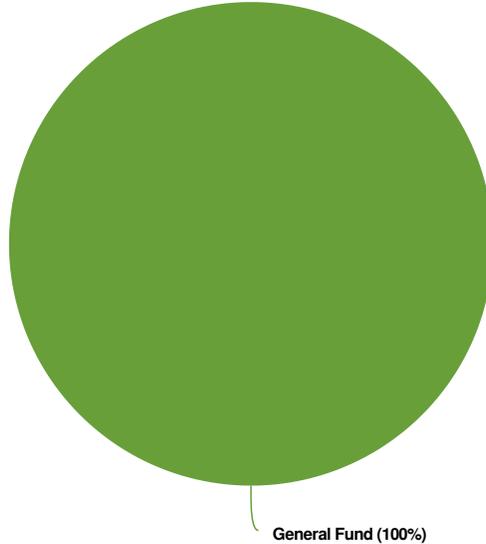

Revenue from Fines and Forefeitures is expected to decrease from 2021 to 2022. This is due to a decrease in budgeted revenue for parking tickets, based on actual receipts from 2020 and 2021. Parking ticket revenue decreased significantly due to economic impacts of the COVID-19 pandemic.

Revenue by Fund

Fine and forfeiture revenue is fully received by the General Fund.

2022 Revenue by Fund

Intergovernmental Revenue Summary

Intergovernmental Revenue primarily refers to revenue in grants and aid from the state and federal government. This type of revenue is increasing substantially in 2022 due to the American Rescue Plan. The City received the first half of the total \$43 million allocation in 2021, and will receive the second half in 2022.

\$28,628,908 **\$22,723,999**
(384.83% vs. prior year)

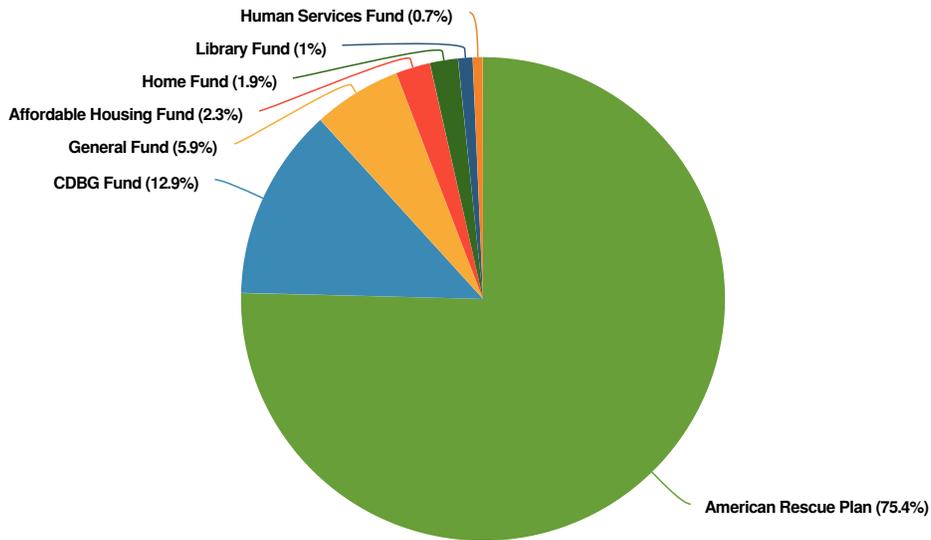

Intergovernmental Revenue Proposed and Historical Budget vs. Actual

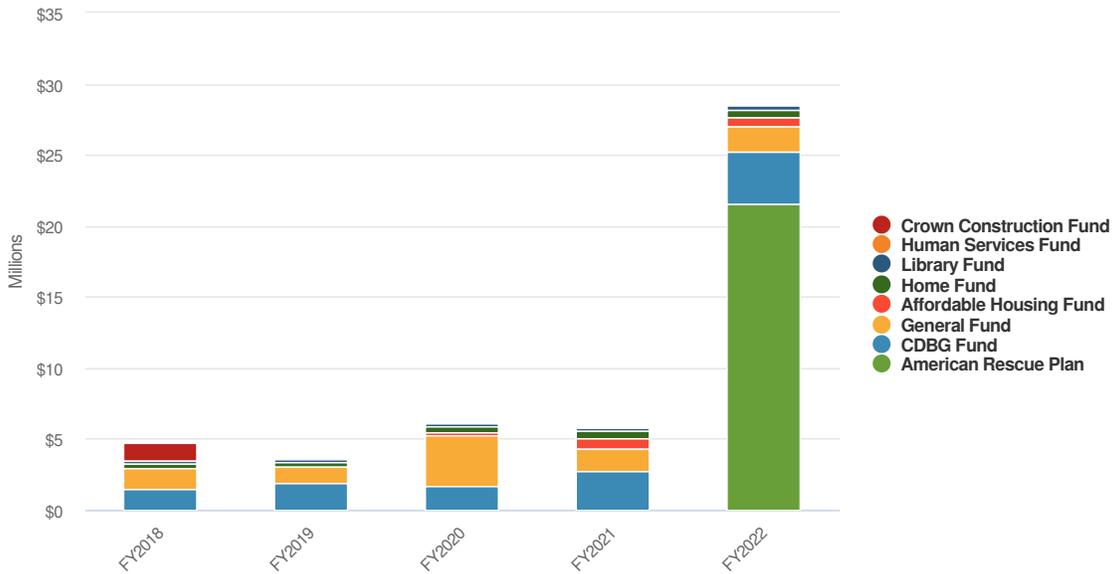

Revenue by Fund

The largest source of intergovernmental revenue in 2022 will be funds from the American Rescue Plan Act. Other funds which receive intergovernmental are the CDBG fund and General Fund.

GENERAL FUND

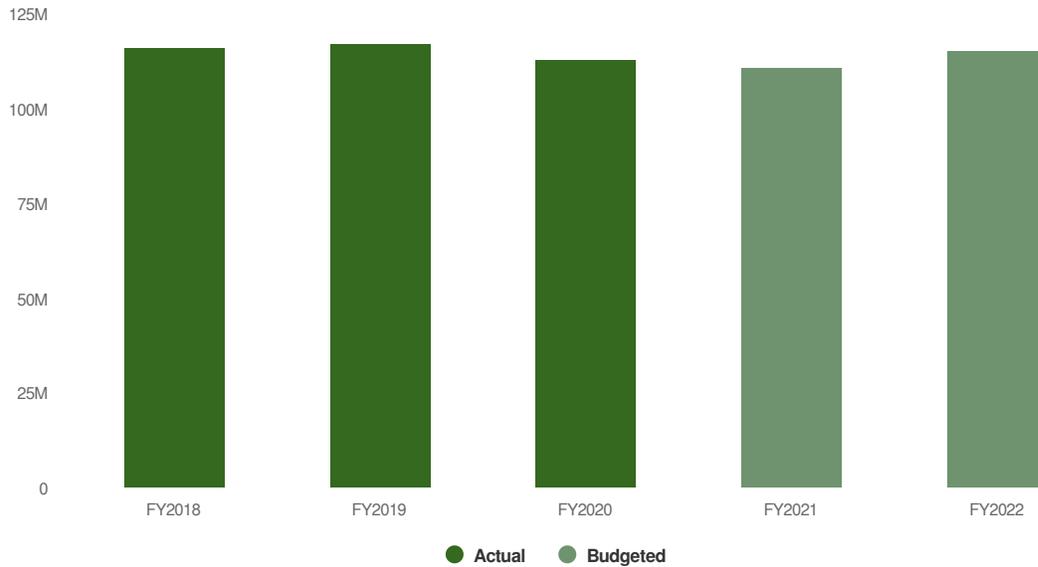

General Fund Overview

The General Fund is the City's largest operating fund, which accounts for about 30% of the City's total budget. The fund includes operations for all departments.

Revenues Summary

\$115,236,287 **\$4,213,678**
(3.8% vs. prior year)

General Fund Overview Proposed and Historical Budget vs. Actual

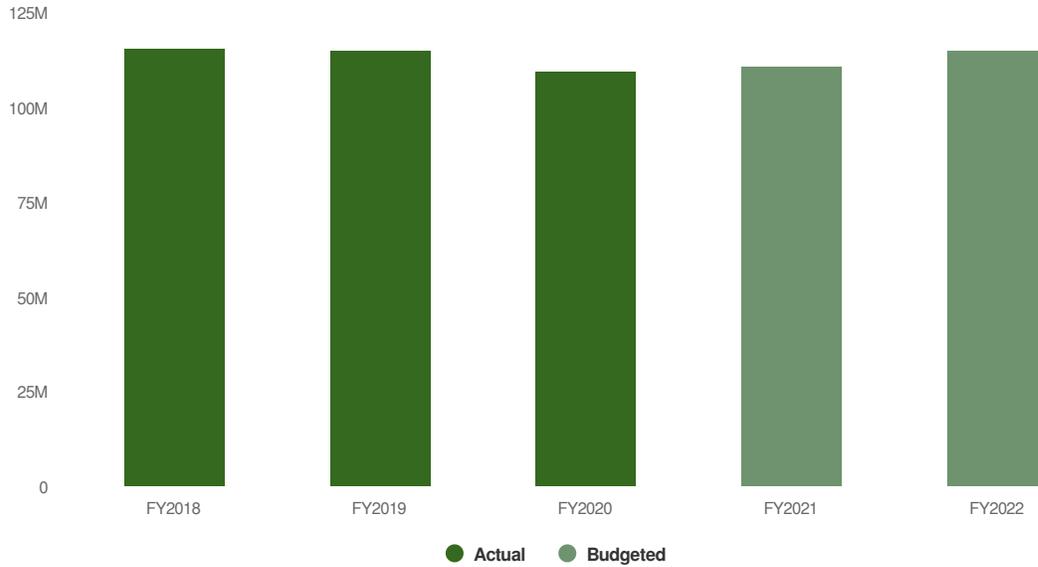

The 2022 Proposed Budget for the General Fund includes \$1 million in a transfer from General Fund Balance and \$1.5 million in a transfer from the American Rescue Plan (ARPA) funds under the revenue loss provision.

Expenditures Summary

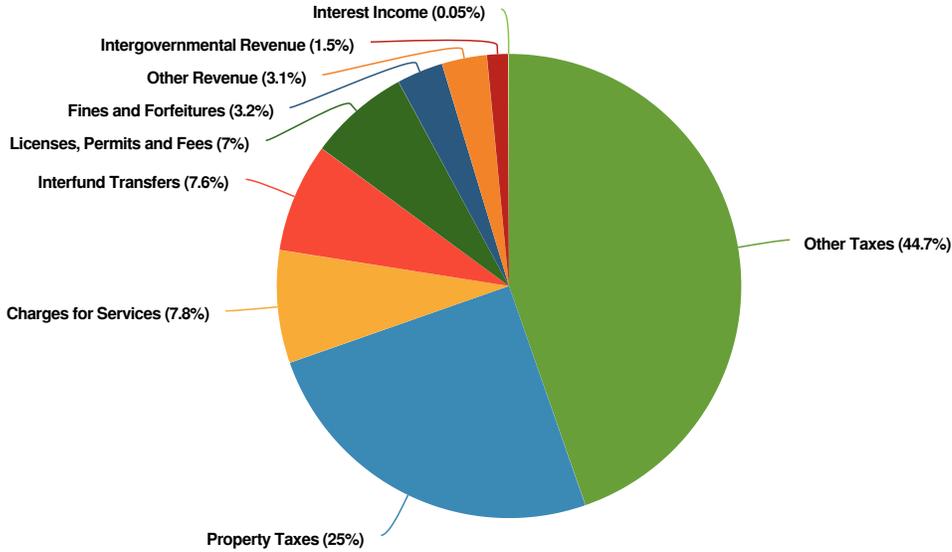

\$115,235,930 **\$4,215,740**
(3.8% vs. prior year)

City Council

Daniel Biss

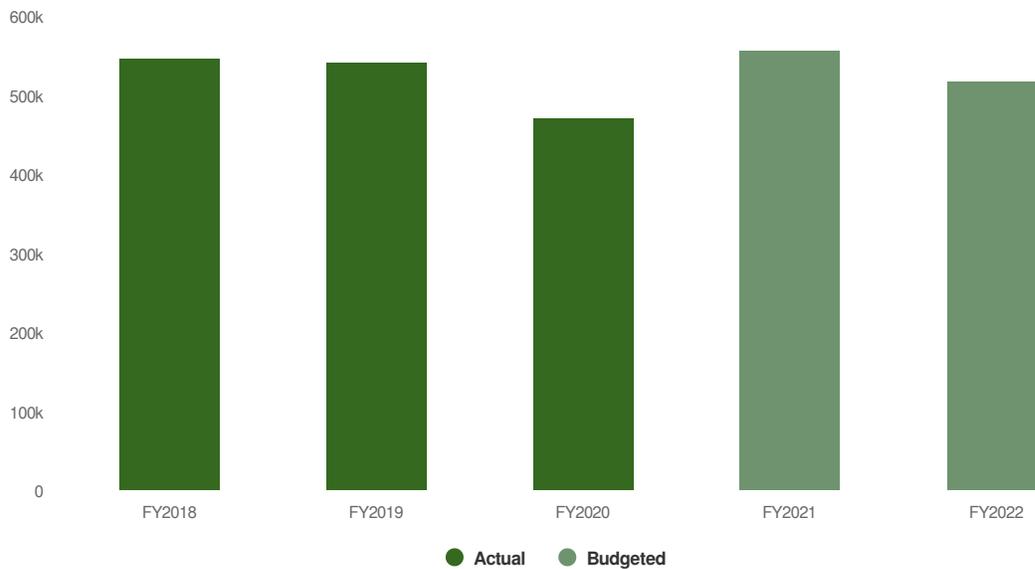

Mayor

The [City Council](http://www.cityofevanston.org/government/city-council/) (<http://www.cityofevanston.org/government/city-council/>) consists of the Mayor, who is elected at large, and nine aldermen, one elected from each of the nine wards for a term of four years. The City Council formulates policies to guide the orderly development and administration of the City; determines the use of tax dollars and other funding sources to meet the City's needs; holds public hearings to provide citizens with opportunities to be heard; participates in conferences, forums, and meetings of legislative groups and associations; keeps its constituency informed of City issues and activities through ward meetings and public forums, and responds to citizen requests for services and information.

City Clerk

Stephanie Mendoza

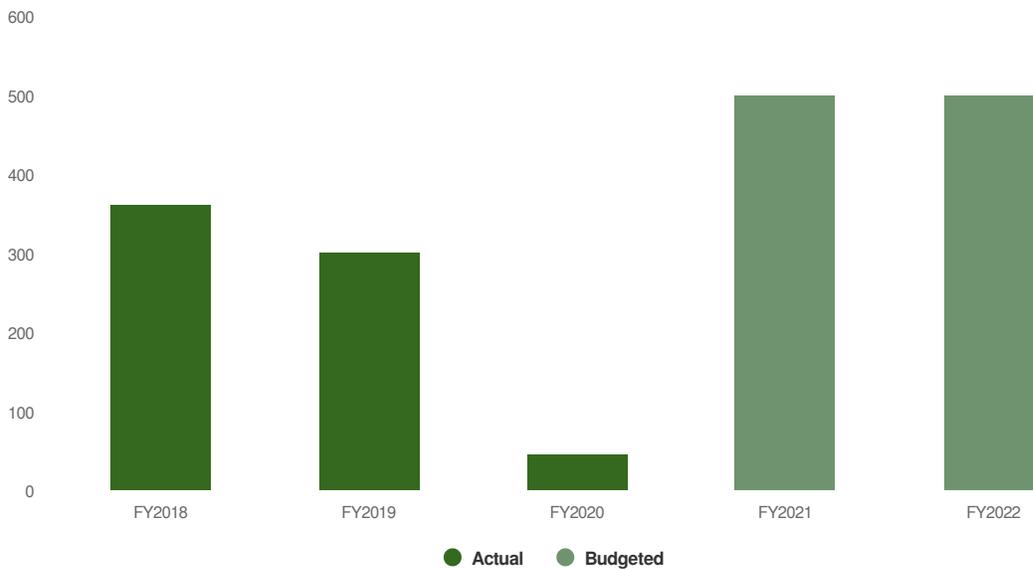

City Clerk

The City Clerk (<https://www.cityofevanston.org/government/city-clerk/>) records the minutes for the City Council and all exceptional committee staff. The Clerk maintains the City Code and official City records, serves as the local election official and deputy registrar, and performs other election-related activities. The City Clerk also assists the Mayor, Aldermen, and staff with special projects and represents the City at various meetings, if requested. The City Clerk shall be the custodian and keeper of all books, records, ordinances, and papers of the City.

Performance Measures

Performance Report on FY 2021 Major Program Objectives

- The City Clerk's Office provided:
 - a) City Wide FOIA system management
 - b) Notary Services
 - c) Certification of various documents and departments
- Manages the Mail Room for all city departments
- Managed municipal elections
- Facilitated voting by registering voters, arranging for an early voting site at the Civic Center, and providing citizens with the means to vote absentee by mail
- Updated the filing system and reorganized office configuration for a more efficient workplace
- New FOIA Officers have been designated in compliance with the new Illinois Freedom of Information Act (FOIA) laws
- Provided FOIA overview for new staff and department managers
- The Clerk's Office provides in-home Notary Services for individuals who cannot come in-person
- Provides Landlord Leases
- Began receiving all City council Referrals from the city council
- Begin the first stages of record digitization dating back to 1867

ONGOING ACTIVITY MEASURES	2020 Actual	2021 Estimated	2022 Projected
Voter Registrations			
Early Voters	20,811	4,999	10,000
Accessible Parking Placards Issued	13	21	
FOIA Requests Processed	1263	919	
Responses to 311 Requests Submitted Online	20	12	
Responses to 311 Requests Received by Phone			
Certifications	6	4	
Notary Services Provided	55	25	

Upcoming Initiatives

2022 Initiatives

- Continued management of FOIA requests and development of strategies, training and guidance to help staff remain within the 5 day response period.
- Collaboration with the Cook County Department of Elections for the 2022 Elections
- Provide early voting services for the 2022 Elections
- Ongoing administration of initiated and completed notary public requests
- Maintenance of all certifications for FOIA and Open Meetings Act (OMA) designees Initiation for all new employees, directors, and managers, including presentations on the proper procedure for responding to FOIA requests
- Coordinate annual Financial Disclosure Form collections of all staff, elected officials and board, commission, and committee members.
- Increasing efforts to allow web access for all documents requested from the Clerk's Office
- Implement a city-wide record retention policy to help city departments discard and digitize records to increase efficiency and reduce storage needs
- Digitize all Clerk's office documents by 2023
- Implement a Municipal Code auditing process and policy in 2022, to be repeated every 3-5 years.
- Begin providing Vital Records Services
- Begin providing Mailroom Services and improve services city wide

City Manager's Office

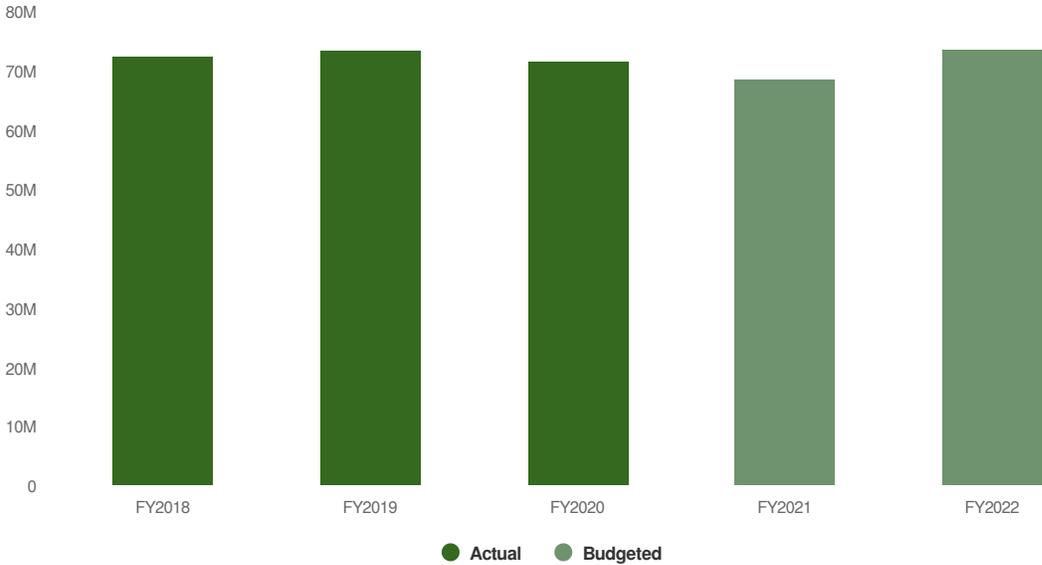

Kelley Gandurski
Interim City Manager

The City Manager and staff direct the administration and execution of the policies and goals formulated by the City Council and propose alternative solutions to community problems for City Council consideration. These responsibilities include advising the Council on present and future financial, personnel, and program needs, implementing immediate and long-range City priorities, establishing procedures to assist in serving its community members, preparing the annual budget, and supervising City department heads. Staff are also involved in the coordination of the larger economic development projects as well as program evaluation and policy analysis.

Performance Measures

Department Goal: Provide overall leadership, support, and direction for the city organization while working to stabilize city finances, increase community engagement and awareness of City initiatives, programs, and goals, coordinate the implementation of CARP, and provide Diversity, Equity, and Inclusion (DEI) through policies and engagement.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Increase awareness of City initiatives, programs, and goals				
# of contacts (email and SMS) subscribed to City notifications	Output	122,900	160,000	160,000
% of email and SMS contacts engaged	Efficiency	72.2%	75%	78%
Activity: Provide new renewable energy options for residents ¹				
% of households that signed up for renewable energy options	Effectiveness	0%	0.8%	2%
# of households with low-income provided with community solar subscription	Equity, Output	0	13	27
Activity: Support the implementation of the Local Reparations Restorative Program				
# of residents in 2nd, 5th, and 8th Wards signed up to receive Reparation updates	Output	5	226	156
# number of community engagement meetings	Output	18	12	15
Activity: Obtain GFOA's Distinguished Budget Award				
# of years received GFOA's Distinguished Budget Award	Output	26	27	28
¹ Data reflects the number of residents that have signed up to participate in community solar.				

Issues Affecting 2022 Budget

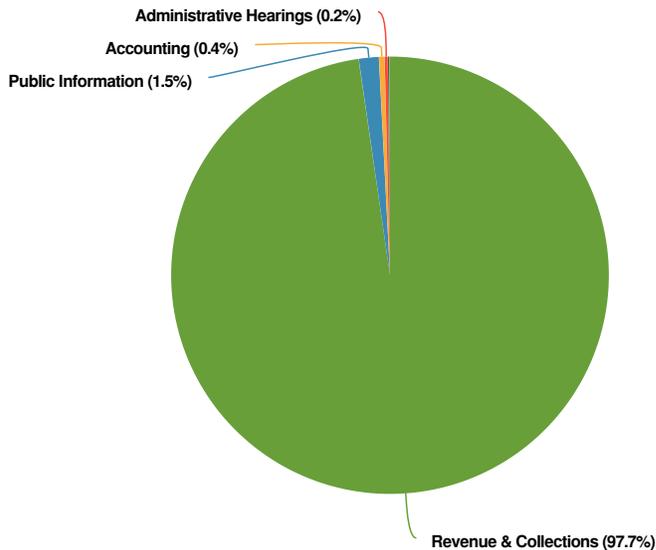

- The recruitment and hiring for a new City Manager will take place in 2021/22.
- The City Manager's Office had multiple positions that were held vacant in the 2021 budget which are proposed to be filled in the 2022 budget. These include positions within the division of administration, accounting, and revenue and collections.
- The City Manager's Office will lead the implementation of programs under the American Rescue Plan Act (ARPA) in 2022.

Upcoming Initiatives

Implement Language Access Program Citywide
Continued to implement the Reparations Program and Policy Development
Implement programs under the American Rescue Plan (ARPA)
Develop Comprehensive Civic Engagement Policy and Plan
Continue to Monitor Covid Response and Financial Impact to City Operations including Grants
Implement Centralized Billing and payment system

Law Department

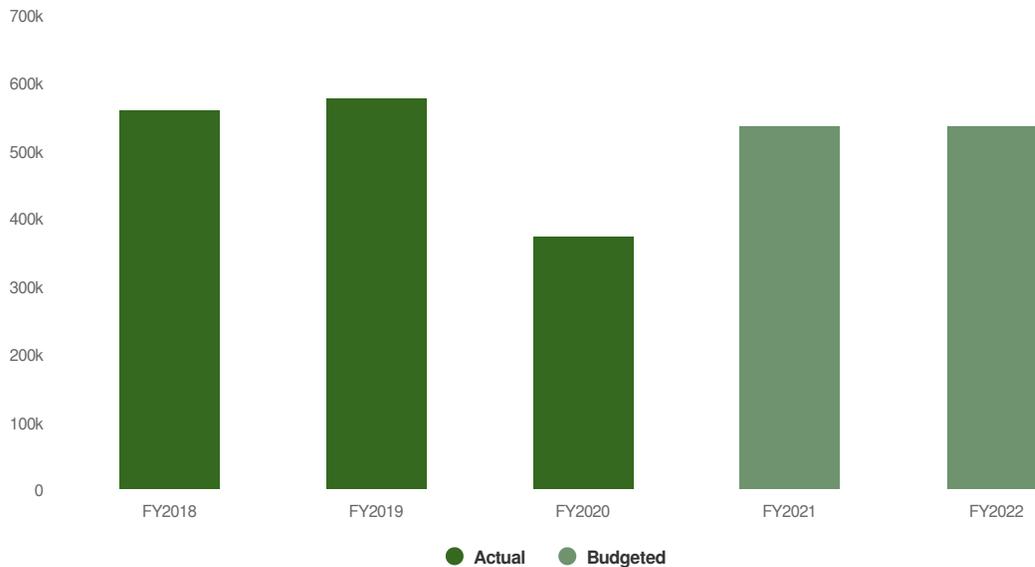

Nicholas Cummings
Corporation Counsel

The Evanston Law Department is committed to managing risk to the Corporation and working with various departments to execute their goals. With a full-time staff of seven, including five attorneys, the Law Department is actively involved in almost every aspect of City operations, whether it is reviewing or drafting contracts; drafting legislation; responding to and providing advice pertaining to FOIA and OMA; providing advice and counsel to City departments and elected officials; prosecuting City traffic tickets and ordinance violations and defending the City in litigation. The Law Department is also responsible for the provision of liquor licenses in the City and works with the Community Development and the Evanston Police Department to enforce the City Code.

Activity: Work with Evanston Police Department to enforce the City Code				
# of traffic/city code violations resolved	Output	3165	2500	2750
Activity: Respond to Requests for Legal Assistance				
# of Requests for Legal Assistance Completed	Output	217	220	300
Activity: Respond to Freedom of Information Act (FOIA) requests				
# of FOIA Requests Responded To	Output	304	250	275

Issues Affecting 2022 Budget

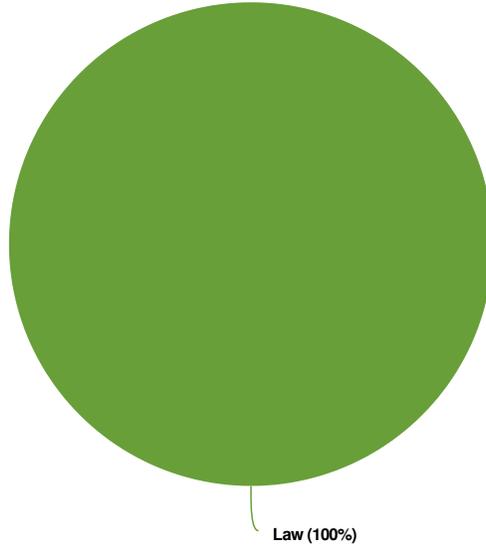

- In prior years, the Law Department budget was split between the General Fund and the Insurance Fund when it came to funding staff positions. In 2022, all staff members will be accounted for in the General Fund, thus a significant increase in the total budget for the law department.
- The Law Department has one position that was held vacant in 2020 and most of 2021 that will be filled by the end of 2021 and fully staffed in 2022.

Upcoming Initiatives

Work with IT and the Collector's Office to bring the application and payment process for liquor licensing to an online platform.
In conjunction with the City Policy Coordinator, monitor proposed and potential state laws that can or will have an impact on the City, its operations and residents.
In conjunction with the City Manager's Office, conduct a comprehensive review of the City Code, looking for conflicts within the Code and with state law.

Administrative Services

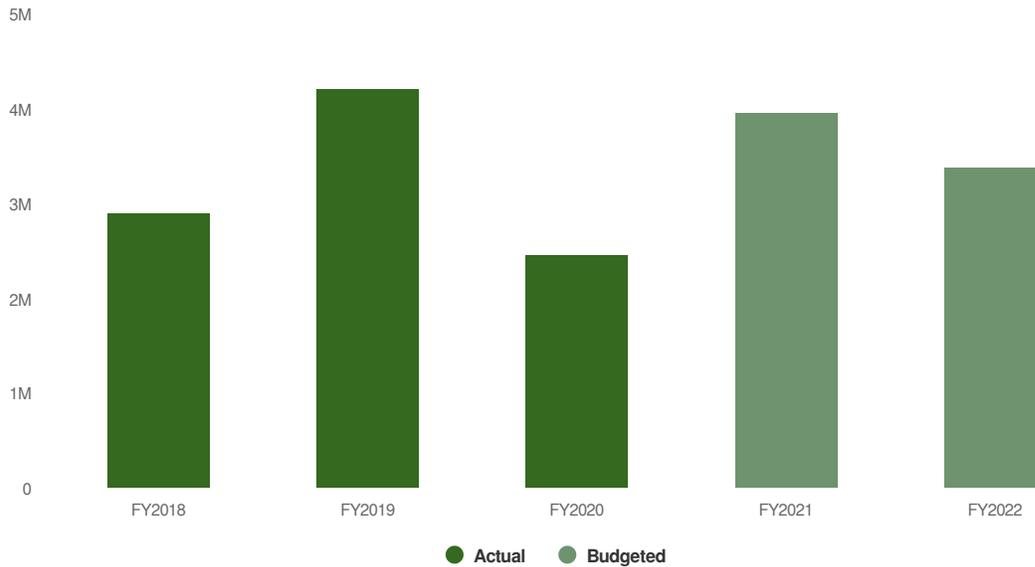

Luke Stowe
Administrative Services Director

The Administrative Services Department serves the residents, businesses, and visitors to the City of Evanston. In addition, the Department supports the internal departments and employees that keep the City operating to its full capacity. The Department comprises four divisions: Human Resources, Information Technology, Facilities & Fleet Management, and Parking.

Performance Measures

Department Goal: The Administrative Services Department strives to enhance the experience residents, businesses, and visitors have in the City of Evanston and provide a high level of service and support to its internal departments. The staff is dedicated to providing high-quality customer service delivered with professionalism and pride and works hard to ensure everyone has an enjoyable experience with the City.

Performance Measures:

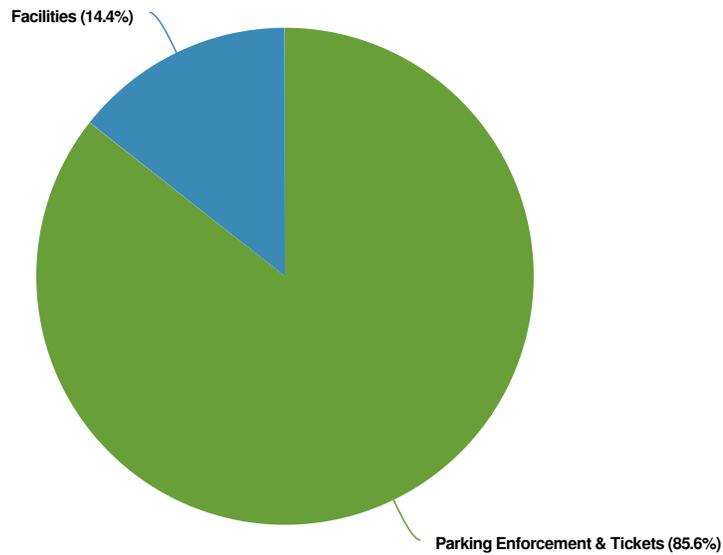

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Fleet Repairs and Maintenance				
# of employee hours	Output	26,000	28,000	28,000
Activity: Expand Electric Vehicle Program				
# of charging stations ¹	Output	23	25*	30
Activity: Expand Parking Program				
# of ParkEvanston App transactions	Output	574,617*	840,000	950,000
# of Pay Station transactions ²	Output	436,332*	903,361	950,000
# of Single Space Meter transactions ³	Output	285,547	84,000**	0
Activity: IT Assistance				
# of service tickets ⁴	Output	6,663	6,500	6,500
Activity: Facilities Repairs and Maintenance				
# of 311 tickets	Output	1,000	900*	1,300
¹ A few donated stations will become obsolete at the end of this year. Tesla is installing a supercharger. ² 2020 drop due to COVID-19; ³ Single space meters are being phased out as equipment is no longer operational and in need of replacement. CIP funds are being requested to replace meters with pay stations. ⁴ Many staff worked remotely in 2021. 2022 should have higher numbers as staff returns and offices need to be shifted. In addition, please note 311 tickets do not capture all repairs or preventative maintenance.				

Issues Affecting 2022 Budget

- Administrative Services staff have been working for several years at a reduced staffing level. Productivity, maintenance concerns, and employee morale have suffered due to the increase in demands without proper staffing levels. Although salary savings were beneficial for budget reasons, the Department needs to “right-size” its workforce to continue its efficient and robust operations.
- The Parking Fund has seen a decline since the beginning of COVID-19. As a result, fewer people commute to work/parking in the garages/patronize businesses for extended periods, and revenue has decreased. The Parking Division saved the City over \$700,000 in expenses but will need to expand programs to balance the budget. Staff will continue to evaluate staffing levels and providing services in the garages (security, trash collection, etc.) versus any continued cost savings.
- Coordination with the City Collector’s office to offer a versatile and attainable payment plan for outstanding citations and those with financial hardship will also be helpful in 2022. In addition, as is seen nationwide, costs for IT software and F/FM parts and equipment continue to increase, and additional funds will be needed to continue secure and effective operations for its employees and residents.

Community Development

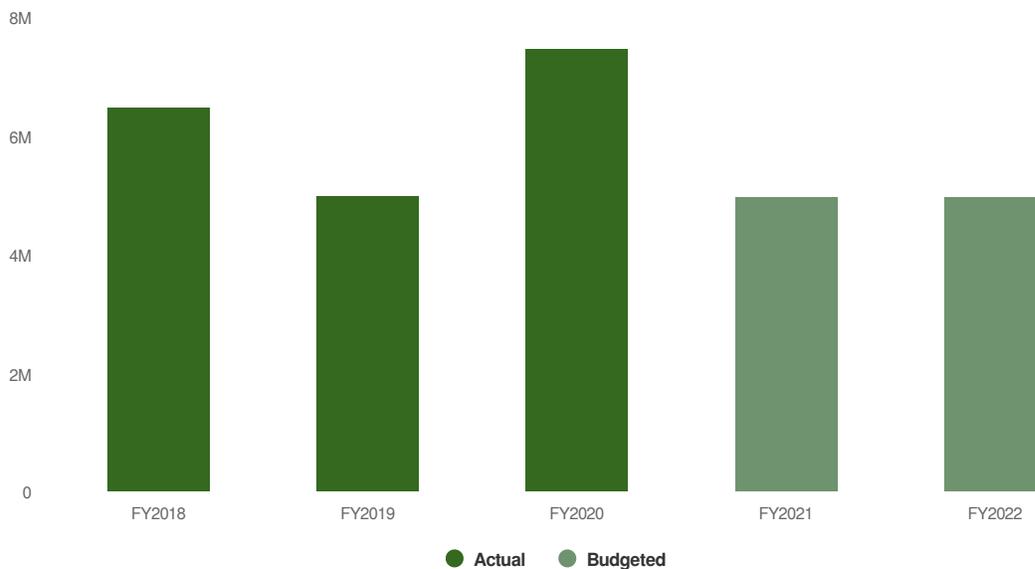

Johanna Nyden
Community Development Director

The Community Development Department is responsible for the overall administration and execution of all building, inspection, planning, and zoning activities. The department manages affordable housing initiatives and other related programs with federal and local grants targeting lower and moderate income residents. The department develops long-term policy and programming objectives with the City's transit providers, including RTA, CTA, Metra, Pace and Divvy.

Revenues Summary

Performance Measures

Department Goal: Execute all building, inspection, planning, and zoning activities and manage affordable housing initiatives and other related programs.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Process Building Permits				
# of building permits issued	Output	4152	3600	3600
% of permits issued within 30 days of application	Effectiveness	NA	NA	85%
Activity: Complete rental inspections				
# of rental initial rental inspections	Output	103	100	550
# of complaint inspections	Output	349	400	425
Activity: Increase awareness and use of landlord and tenant services				
# of webinars offered and views on recordings	Output	0	5	6
# of cases handled by MTO/LCBH	Output	409	382	450
Activity: Expand affordable housing				
# of affordable housing units financed	Output	61	0	20
# of affordable units rented/recertified	Output	NA	NA	85%
# of affordable housing units rehabbed	Output	5	4	10
# of households receiving TBRA/rent assistance	Output	135	197	207
Activity: Ensure equitable access to social services				
# of people receiving case management	Output	NA	550	600
# of people receiving safety net services	Output	NA	2,300	2,500
Activity: Funded programs and projects management				
# of CDBG, HOME, ESG & Human Services funded projects & programs managed	Output	66	61	49

Upcoming Initiatives

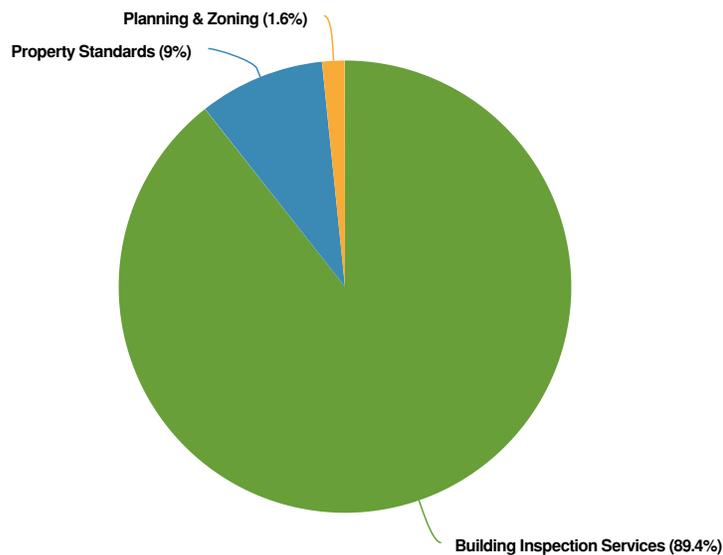

Implement Updated Permit Software
Initiate New Comprehensive Plan Process
Implement programs and projects under the American Rescue Plan (ARPA)
Implement projects and programs to address homeless & unstably housed with HOME-ARP
Investigate, track, monitor and inspect vacant buildings and rental properties
Enhance our communication with landlords and property managers
Implement landlord tenant and inclusionary housing waitlist programs
Coordinate the CTA Purple Line Modernization Program in Evanston
Implement ADA bus stop conversion project and coordinate new bus shelter program
Continue and refine social services funding process to address inequities in access to services
Assess and amend the inclusionary housing ordinance to respond to improve its effectiveness
Expand tools to address the housing needs of low-, moderate-, and middle-income residents

Issues Affecting 2022 Budget

- The Community Development Department will continue to improve Permit Operations with the addition of new staff and new permit software with a customer-focused approach.
- The Comprehensive Plan is over 20 years old. These plans are designed to last 15 to 20 years. The Community Development Department will take the lead on the coordination of a new Comprehensive Plan to guide land use decisions for the next 15 to 20 years.
- The Community Development Department will continue to hold a key leadership role with the administration of the American Rescue Plan Act (ARPA) Fund Administration
- The Community Development Department will continue to investigate, track and inspect vacant buildings, ensuring they have a minimal impact on the safety of the neighborhoods.
- The Community Development department will continue to manage CDBG-CV, ESG-CV, and HOME-ARP, in addition to CDBG, HOME and ESG entitlement, approximately double the City's annual entitlement funding.

Police Department

Aretha Barnes
Interim Police Chief

The Evanston Police Department is committed to the protection of life and property. With a staff of 154 sworn officers and 53 civilian personnel, the emphasis is on delivering a public service in harmony with the values and expectations of the community. This is accomplished through the three divisions of the Police Department.

The Field Operations Division comprises three patrol shifts of uniformed officers who respond to calls for service and proactively patrol the community. The Deputy Chief of this Division also supervises the K9 Unit, the Traffic Bureau, and Community Strategies Bureau (Problem Solving Team and Foot Patrol Unit).

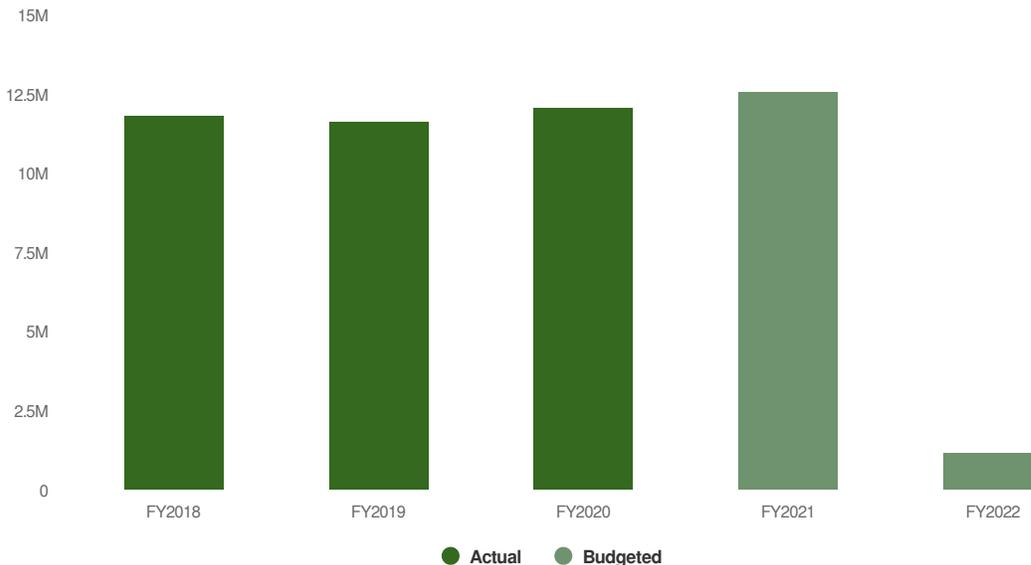

The Support Services Division is responsible for the oversight of the internal workings of the Police Department. The Deputy Chief of this Division oversees the Office of Administration, the Records Bureau, the 911 Call Center, the Service Desk, Animal Control Services and the 311 Call Center.

The Investigative Services Division is responsible for the investigation and follow-up of major crimes and incidents. The Deputy Chief of this Division leads the Juvenile and Adult Detective Bureau as well the Neighborhood Enforcement Team (NET) and the Tactical (TAC) Unit and the Property Bureau.

Revenues Summary

\$1,188,000 **-\$11,411,461**
(-90.57% vs. prior year)

Police Department Proposed and Historical Budget vs. Actual

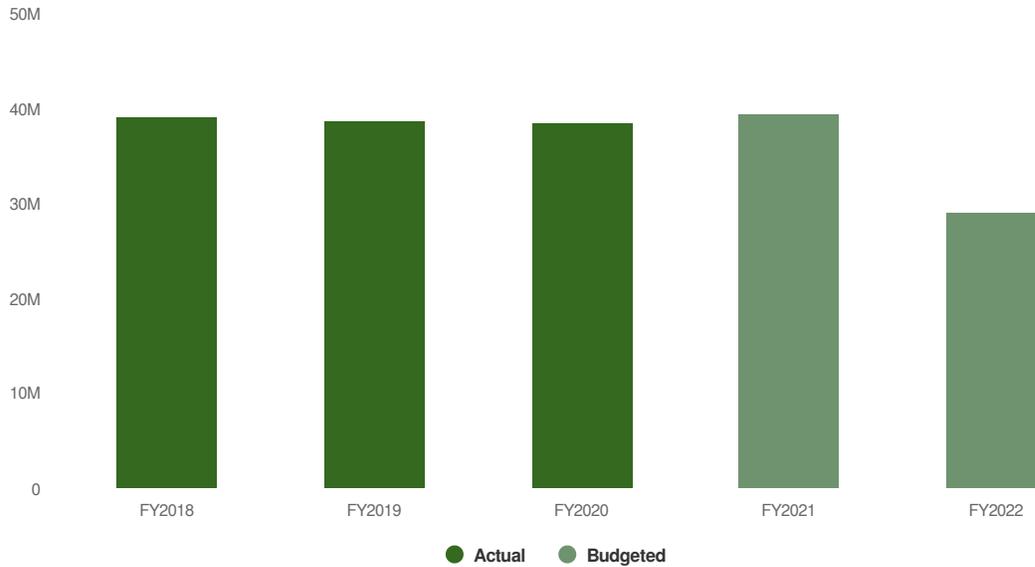

Revenue to the Police Department show a substantial decline from 2021 to 2022 because property tax revenue for transfer to the Police Pension Fund was moved to a new Non-Departmental unit titled "Public Safety Pension Transfers."

Expenditures Summary

\$29,014,355 **-\$10,466,965**
 (-26.51% vs. prior year)

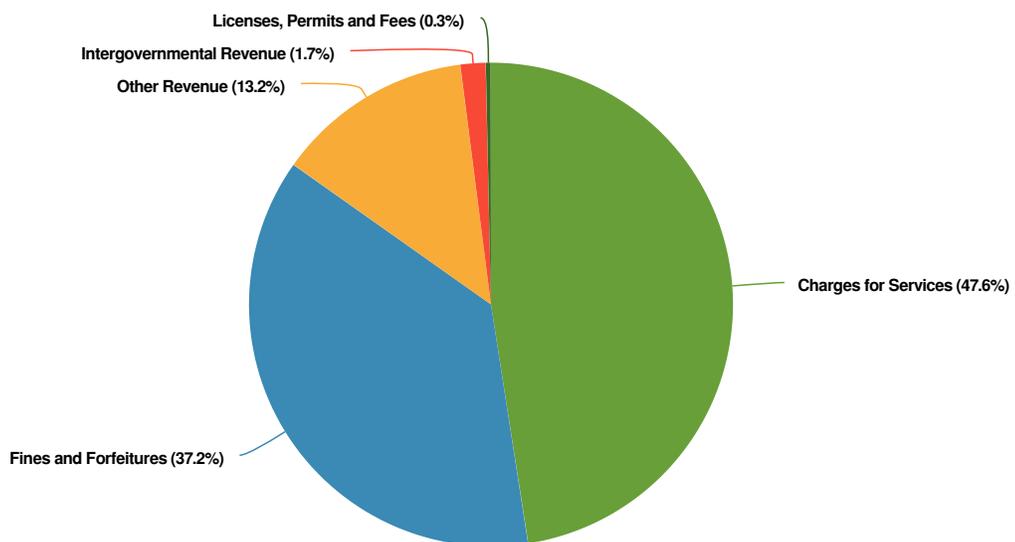

Police Department Proposed and Historical Budget vs. Actual

Police Department expenditures show a substantial decline from 2021 to 2022 because the transfer to the Police Pension Fund was moved to a new Non-Departmental unit titled "Public Safety Pension Transfers."

Performance Measures

Department Goal:

Ensure the safety and security of people and property. In performing this mission, members of the department are mindful that the Constitution guarantees liberty, equality, and justice. These principles embodied in the Constitution are the foundation of policing. The Police Department is committed to a partnership with the Evanston community, serving it professionally, lawfully, and honorably.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Evaluate Evanston Crime Data				
Crimes - NIBRS Group A*	Output	1,684	2,300	2,300
Crimes - NIBRS Group B**	Output	3,500***	1,000	1,000
Activity: Respond to resident inquiries				
Total Calls for Service (911)	Output	88,935	89,000	90,000
Written Reports****	Output	7,513	11,500	11,500
Activity: Enforce municipal ordinance and criminal law of the state				
Arrests (Felony and Misdemeanor)	Output	329	600	600
Citations Issued (Parking & City Ordinance)	Output	926	6,000	6,000

*The FBI's National Incident-Based Reporting System (effective November 1, 2020) defines Group A crimes as aggravated assault, forcible rape, murder, robbery, arson, burglary, larceny-theft, embezzlement, forgery, counterfeiting, drug offenses, fraud, gambling, sex offenses, stolen property, motor vehicle theft, and weapons offenses.

**The FBI's National Incident-Based Reporting System (effective November 1, 2020) defines Group B curfew offenses, loitering, disorderly conduct, driving under the influence, liquor offenses, offenses against the family, prostitution, public drunkenness, runaways, vandalism, and vagrancy.

***Estimated

****Written reports include incident, crash and arrest reports.

Issues Affecting 2022 Budget

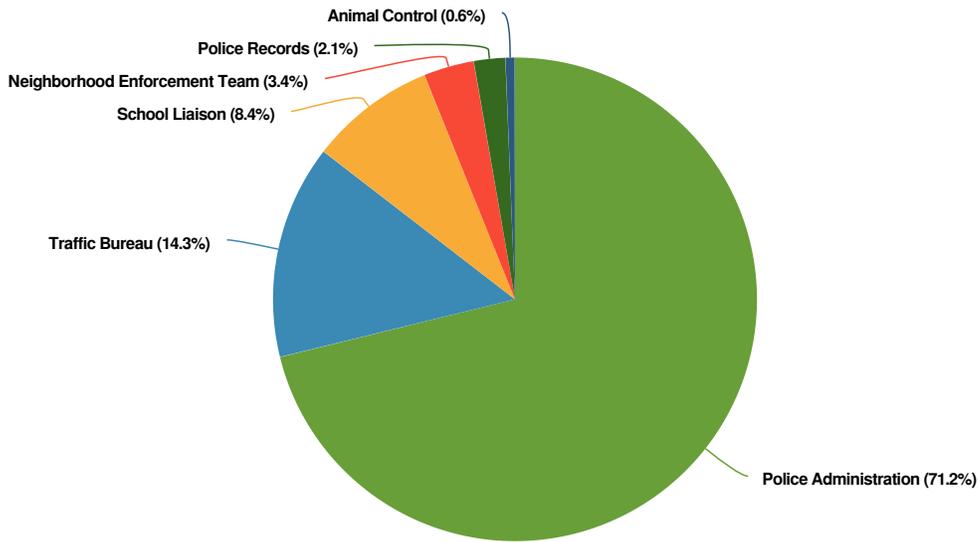

- In June 2021, Chief of Police Demitrous Cook retired from the City of Evanston. An Interim Chief of Police has been appointed until a permanent appointment to the position is made following a national search.
- The Police Department had multiple positions held vacant in the 2021 budget, Police Officer, Service Desk Officers, Assistant Communication Coordinator, and a Records Input Operator.
- In addition to positions held vacant, approximately 20% of budgeted positions are vacant.

Upcoming Initiatives

Appoint new Chief of Police
Replacing all radio transmitters, receivers, and antennas for the Fire Department by the 911 Center (located in the Police Department)
Research/implement comprehensive scheduling software
Research development/implementation of a new 911 Continuity of Operations Center during system failure in case of needed back up

Fire Department

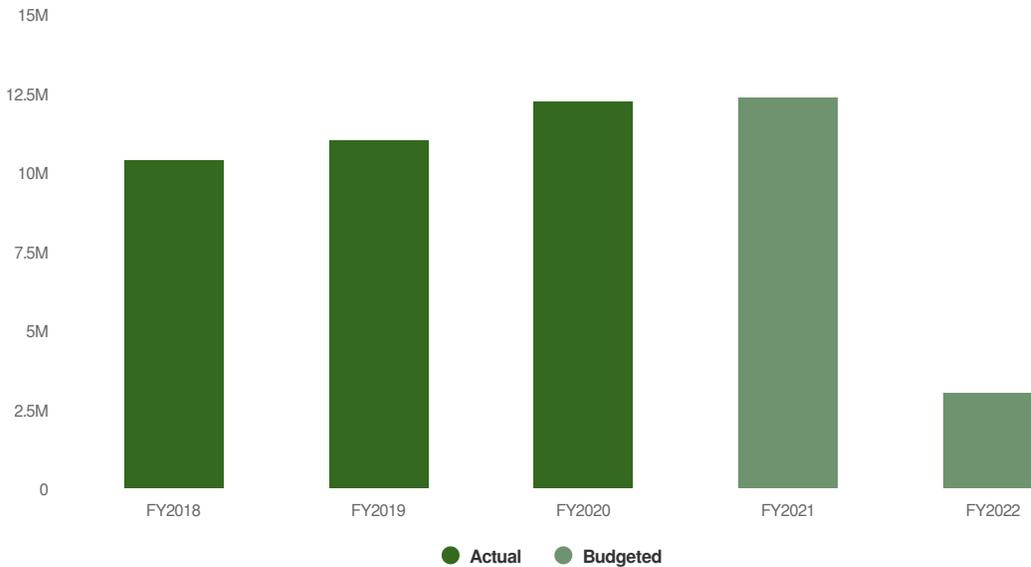

Paul Polep
Fire Chief

The Fire Department provides fire prevention, fire protection, and emergency medical services to community members and visitors to Evanston. Our firefighters/paramedics are on call 24 hours per day, staffing our five fire stations and eleven emergency vehicles. Our Fire Prevention Bureau helps prevent fires through plans review, routine inspections, and general public outreach and education efforts. Fire Suppression responds to emergencies as they happen, which can range from fallen tree branches to small house fires to emergency medical situations. Fire Administration oversees overall department operations, including training efforts, scheduling staff, and budgeting and payroll.

Revenues Summary

\$3,043,600 **-\$9,376,778**
(-75.5% vs. prior year)

Fire Department Proposed and Historical Budget vs. Actual

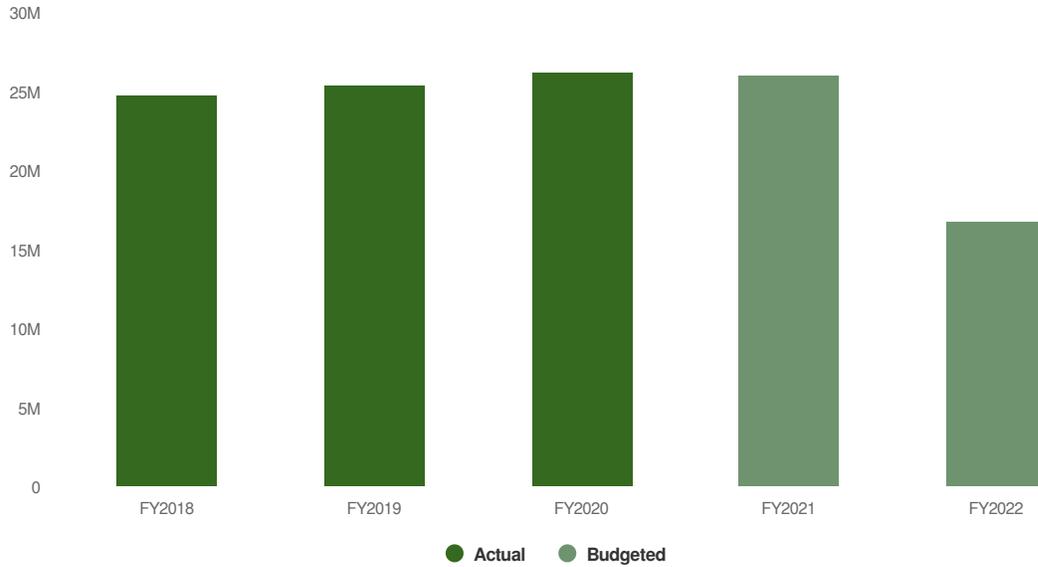

Revenue to the Fire Department show a substantial decline from 2021 to 2022 because property tax revenue for transfer to the Fire Pension Fund was moved to a new Non-Departmental unit titled "Public Safety Pension Transfers."

Expenditures Summary

\$16,821,936 **-\$9,184,638**
(-35.32% vs. prior year)

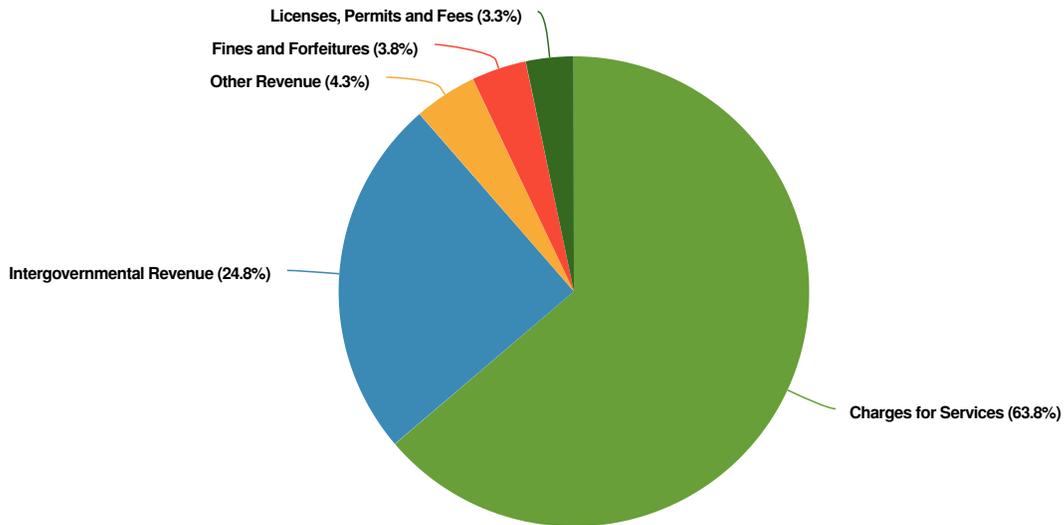

Fire Department Proposed and Historical Budget vs. Actual

Fire Department expenditures show a substantial decline from 2021 to 2022 because the transfer to the Fire Pension Fund was moved to a new Non-Departmental unit titled "Public Safety Pension Transfers."

Performance Measures

Department Goal:

The Fire Department will focus on training and efficiency/effectiveness efforts in 2022. Over the last two years, there have been many retirements which created several new promotions and led the department to hire several new employees. Training our new firefighters/paramedics and our newly promoted officers will be essential to the long-term success of the Fire Department.

In 2022, the Fire Department aims to meet or exceed the following performance measures:

Measure	Type of Measure
Activity: All new hires in 2021 who are still employed at the beginning of 2022 will successfully complete their probationary period and mentorship program by the time of their one-year anniversary.	
# of members who complete their probationary period and mentorship program	Output
Activity: Reduce errors in initial EMS and Fire Incident report submissions to less than 5% of initial reports submitted containing an error.	
% of report errors on initial submission	Efficiency
Activity: Reduce overtime expenses and not exceed what is budgeted in 2022.	
overtime dollars spent	Input
Activity: Resume community engagement programs that were canceled as a result of the pandemic.	
# of events/programs	Output
# of community members engaged	Output
# of education efforts geared toward marginalized members of the community	Equity

Issues Affecting 2022 Budget

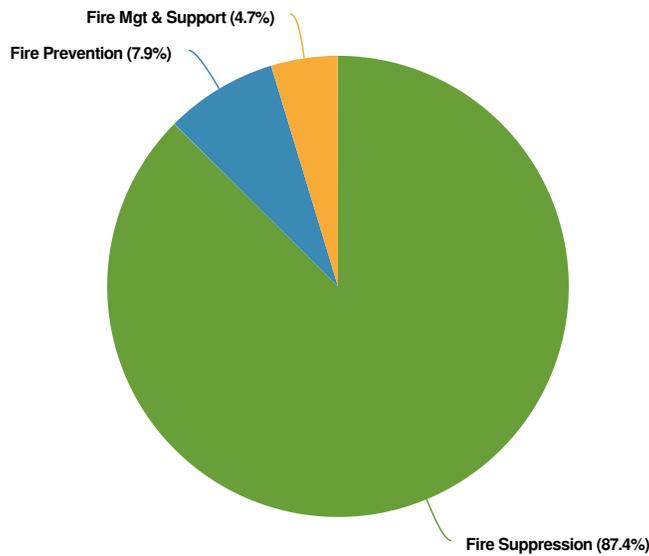

- As a result of our new hires in 2021, there will be several members attending paramedic school in 2022. This will strain our overtime budget to send members to training as well as fill their shifts when they must go to class while they are scheduled to work. The overtime budget should be enough to accommodate this strain, but if other stressors (i.e. the pandemic) arrive or continue, this could become more of an issue.
- The Fire Department will need to replace old pieces of equipment over the next few years, beginning in 2022.
- Rising costs of materials reduce our spending power with a stagnant budget.

Upcoming Initiatives

Restart the Citizen Fire Academy (2022)
Restart the Fire Explorers Program (2022)
Host an Active Shooter Incident Training for Emergency Management leaders in the Northern Illinois area (January 2022)
Host a special operations training for the Fire Department members (i.e. TRT Training) (Summer 2022)
Fire Prevention Week events (October 2022)

Health & Human Services

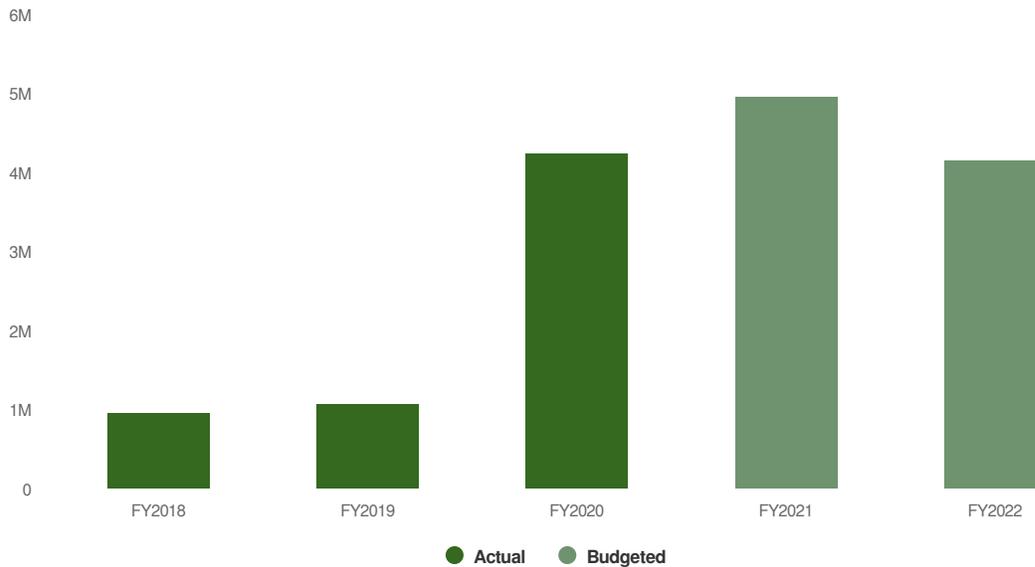

Ikenga Ogbo
Health & Human Services Director

The Health and Human Services Department's mission is to protect, preserve, and promote wellness for people who live, work, and play in Evanston through creative and sustainable partnerships. The Department is instrumental in improving and supporting the health and well-being of Evanston. We serve intentionally in partnership with residents and community stakeholders. The Health and Human Services Department's deliverables are based on the idea that health is influenced by more than just individual choices. One's physical and psychosocial environment, culture, and government all play a role in influencing and determining overall health. It is the Department's goal for the people of Evanston to experience significant gains in health and well-being. This will be achieved as our community works collectively to make the shift from a costly, crisis-oriented response to health and social service problems to one that focuses on prevention, embraces recovery, and eliminates inequities.

Performance Measures

Department Goal:

Continue to provide strategies, regulation activities and responses to prolong lives and prevent diseases in the Evanston community. This is achieved by an array of programs and activities executed by the Department staff.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: COVID-19 Response				
Estimated number of contact tracing calls and consultation in the community	Output	7,561	7,447	8,000
Estimated number of phone calls, visits & consults off from long term care facilities (LTCF) and congregate settings	Output Equity	645	1200	1400
Number of vaccination clinic hosted at vaccination sites, community events and congregate settings	Output, Equity	1	61	40
Estimated number of residents provided housing or quarantine/isolation purposes.	Equity	7	15	10
Estimated number of 311 calls received, and responses regarding COVID-19, guidance and vaccinations	Output	796	1,300	800
Activity: Inspections and programs.				
Total number of Food Establishment licenses issued	Output	418	424	435
Total number of food inspections performed	Output, Effectiveness	211	200	860
Number of foodborne illness investigations performed	Output, Effectiveness	11	7	10
Temporary food inspections performed	Output, Effectiveness	102	288	325
Food establishment plans reviewed	Output, Effectiveness	18	20	20
Rat and Rodent complaints investigated	Output, Effectiveness	679	750	750
Clean Air Act Compliance Checks	Output, Effectiveness	12	17	15
Other inspections (Body art, tanning, hen coops, mosquitoes, bees, birds, noise, collection box, leaf blower, vacation rental, health/misc. etc.)	Output, Effectiveness	216	250	250
Home Lead poisoning assessments and mitigations	Output, Effectiveness	6	6	20

Department Goal: Develop the Evanston Project for Local Assessment of Needs (EPLAN) for the State's recertification of the Health and Human Services Department by Spring, 2022.

Activity: EPLAN	Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Estimated number of consultations, presentations and meetings with stakeholders, experts, EHAC and community agencies to provide feedback regarding plans	Output, Equity, Effectiveness	40	137	50
Number of hours spent on EPLAN	Input	30	1210	500

Department Goal: Maintain and acquire of County, State and Federal grants and funds to fiscally support the Health and Human Services Department programs and activities.

Activity: Maintain and Acquire Grants.	Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Number of grants received	Input	17	18	20

Issues Affecting 2022 Budget

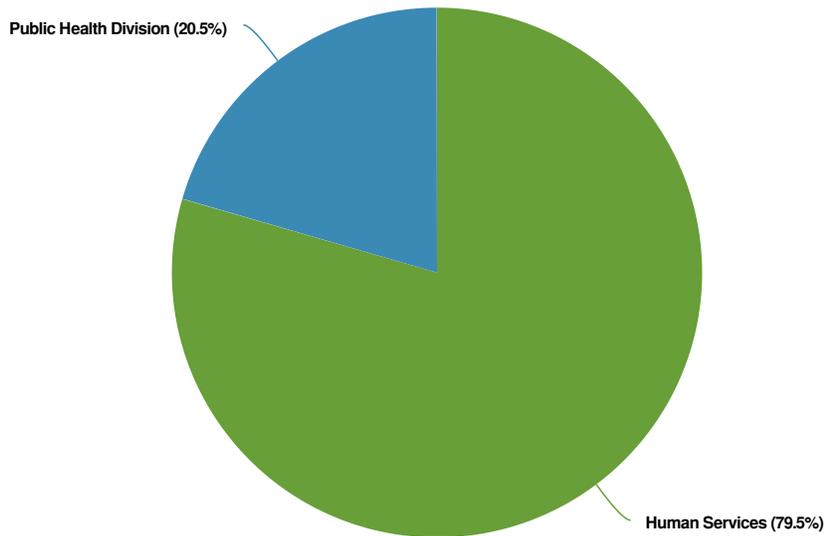

- There is no indication that COVID-19 will disappear in the near future and funding is needed for HHS to continue to be prepared for the next possible wave of the virus instead of being reactive.
- The two State grants that significantly support the Department's response to COVID-19 expire in November and December, 2021. The State has not awarded the Department any grants for 2022. HHS has made a funding request to the City to apportion funding to continue to provide a continuum of services in the City's COVID-19 response

Upcoming Initiatives

Continue to prioritize the response to COVID-19 in the community including schools, facilities housing high-risk populations such as in our long-term care facilities and congregate settings
Continue to transition to regular HHS operations while responding to COVID-19 related activities.
Continue to conduct COVID-19 vaccination activities in the community.
Create a clearinghouse of data to better measure health equity achievements.
Continue with the integration process of the Senior Service and Youth and Young Adult Divisions from into the Health and Human Services Department to facilitate a holistic and equitable social services approach for the community.

Parks & Recreation

Lawrence Hemingway
Parks & Recreation Director

Department Profile

The Parks, Recreation and Community Services Department (<http://www.cityofevanston.org/parks-recreation-community-services/>) provides a wide range of services that improve the quality of life of those who live, work or play in Evanston. The Department supports the following:

Parks and Recreation

Over 70 parks sites, seven recreation centers, sports programs, after school and preschool programs, camps, recreation programs, park and athletic field scheduling, special recreation programs for people with special needs, summer food program, six beaches and a boat ramp, and an outdoor farmers' market.

Senior Services

Senior Services include the operation of the Levy Senior Center, as well as providing various programs and services for the growing senior population in the community.

Cultural Arts

The Cultural Arts Division conducts programs such as camps, arts programs, free Starlight Concert Series and Starlight Movie Series, and the Fleetwood-Jourdain Theater.

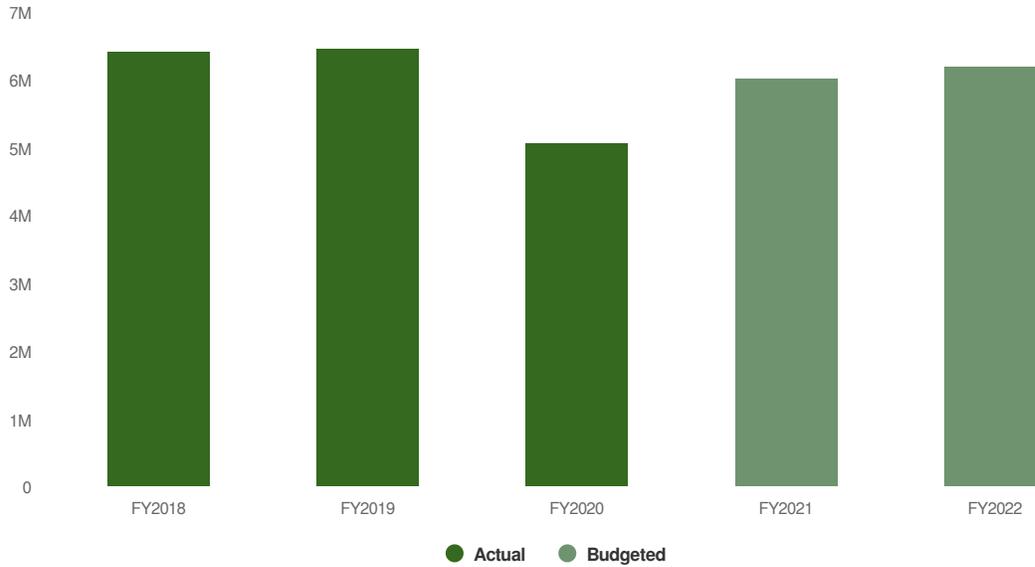

Ecology

Natural history and environmental programs, camps, community gardens, fishing and canoeing instruction, apiary and pollinator gardens.

Revenues Summary

Performance Measures

Department Goal:

The Parks and Recreation Department strives to provide a wide range of recreation services that improve the quality of life of those who live, work or play in Evanston. The department will continue to increase innovative programming opportunities for a diversity of participants in order to reach more community members.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Improve recreation opportunities for vulnerable populations.				
# of participants age 55+ enrolled in recreation programming (virtual and in-person)	Output	3,043	3,300	3,500
# of special recreation program participants	Output	263	500	700
Scholarship dollars granted.	Output, Equity	\$114,596	\$220,000	\$225,000
Activity: Provide healthy food and meal options to residents.				
# of meals served through the Summer Meals Program	Output	25,716	35,424	35,000
# Vendors at the Downtown Evanston Farmer's Market.	Output	54	54	55
# of meals served through the Senior Congregate Meal program	Output, Equity	5,527	8,500	9,000
Activity: Deliver a diversity of recreational opportunities to community members				
# total recreation program participants	Output	14,976	25,000	26,000
# of summer camp participants	Output	1,682	4,681	5,000
Activity: Support outdoor community celebrations and events.				
# of special event permits issued	Output	18	75	100
# of park permits issued	Output	NA	1,450	1,500

Issues Affecting 2022 Budget

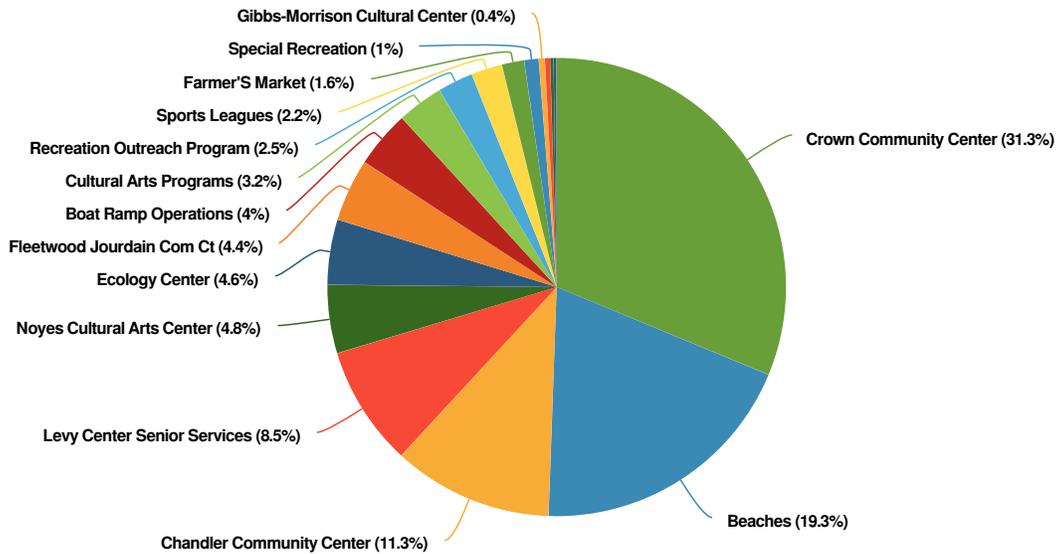

- Additional staffing is required to operate Robert Crown Community Center efficiently and effectively. The staffing includes custodial staff, front desk staff and pre/after school staff.
- The department will see an overall increase in seasonal employee expenses as minimum wage increases.
- The Parks and Recreation department has several part-time vacancies that have been challenging to recruit for and may need to be reconsidered as full-time positions. These positions are throughout the organization in such areas as recreation administration, programming, and facility supervision.
- The Parks and Recreation department has seen an increased demand for outdoor recreation programming. This demand may cause an increase in contractual programming expenses, but should balance and be matched with increased recreation program revenues.

Upcoming Initiatives

Free beaches for Evanston residents.
Continued implementation of free Starlight Concert and Movie Series in all 9 wards
Explore improvements to RecTrac registration software, or implement new recreation software.
Revival of special events.
Continued increase in diversity of recreational programs offered.

Public Works Agency

David Stoneback

Public Works Agency Director

The Public Works Agency consists of three individual Bureaus: Water Production, Capital Planning & Engineering and Public Services. Each of these Bureaus has multiple functions. Employees in the Agency are funded by the General Fund, Solid Waste Fund, Parking Fund, Sewer Fund, Water Fund, and the Special Assessment Fund.

The Public Services Bureau consists of five Divisions. The Greenways Division maintains the landscapes at all City owned facilities, parks and athletic fields. The Forestry Division maintains the City's urban forest including the trimming of trees, inoculating elm trees, removal of diseased/dying trees and planting of new trees. The Recycling and Environmental Maintenance Division collects and disposes of recycling materials and bulk materials (special pickups), performs maintenance in smaller business districts and performs street sweeping throughout the City. The Traffic Division performs maintenance on all City traffic signs, traffic signals, street lights and parking lot lights. The Streets Division is responsible for the patching of the paved streets and alleys, grading of unimproved alleys, leaf collection and leads the snow and ice control.

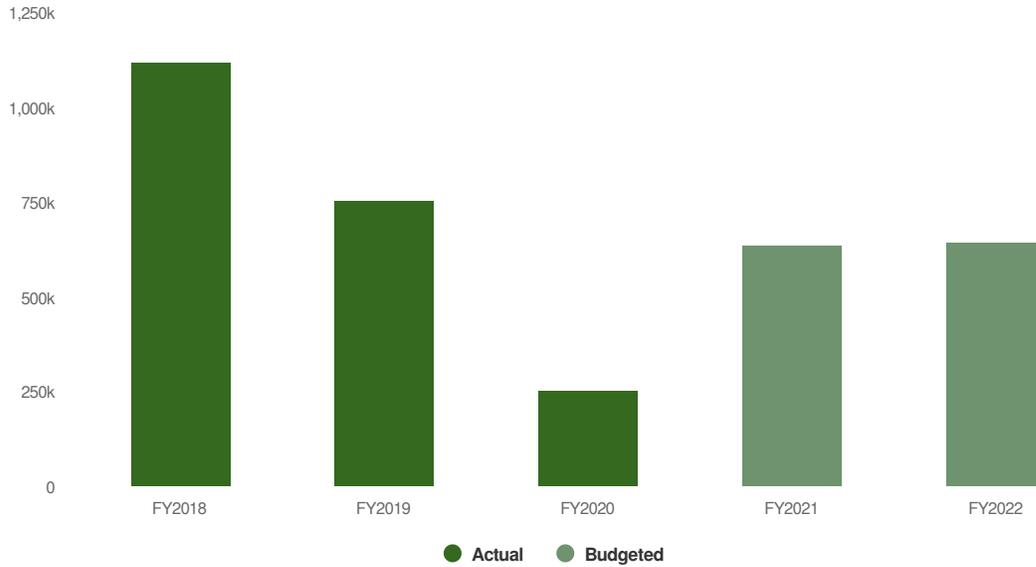

The Capital Planning & Engineering Bureau is responsible for implementing the City-wide capital improvement program. This includes the planning, design and construction of projects to rehabilitate or otherwise improve physical city assets, including (but not limited to) streets, water main, sewer, bridges, sidewalks, facilities, parks, and the water treatment plant.

The Water Production Bureau oversees the operation and maintenance of the water treatment plant, the Evanston distribution system and the Evanston sewer system. Potable water is provided to the retail customers in Evanston, as well as to four wholesale water customers: the Village of Skokie, the Northwest Water Commission (Arlington Heights, Buffalo Grove, Palatine, Wheeling, and Des Plaines), the Morton Grove Niles Water Commission, and the Village of Lincolnwood. The Distribution Division performs maintenance on the water distribution system including water mains, water services, fire hydrants, and valves. The Sewer Division performs maintenance on the City's sewer system including the cleaning and repair of sewer pipes, manholes and drainage structures.

Revenues Summary

\$644,000 **\$5,800**
(0.91% vs. prior year)

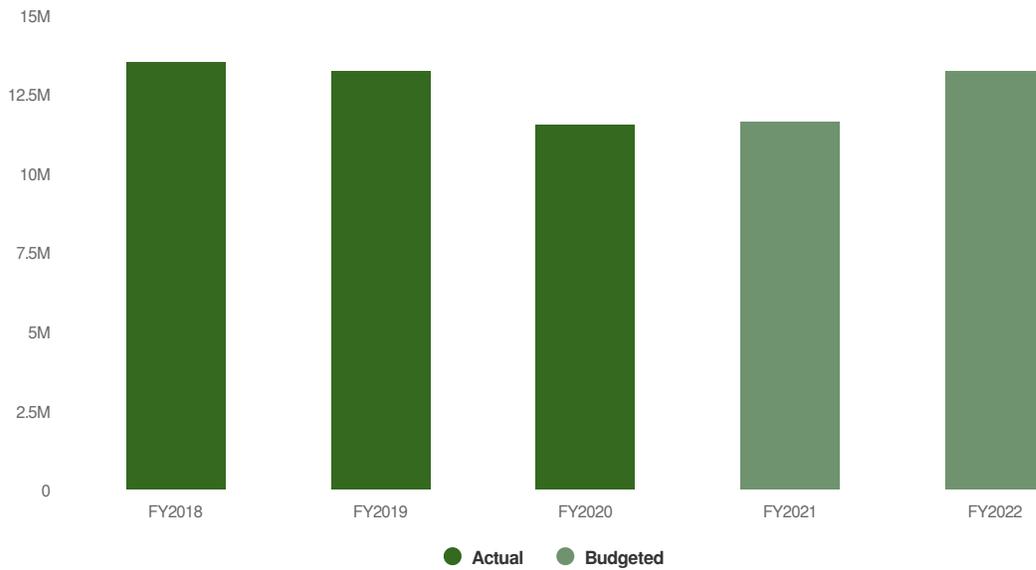

Public Works Agency Proposed and Historical Budget vs. Actual

Expenditures Summary

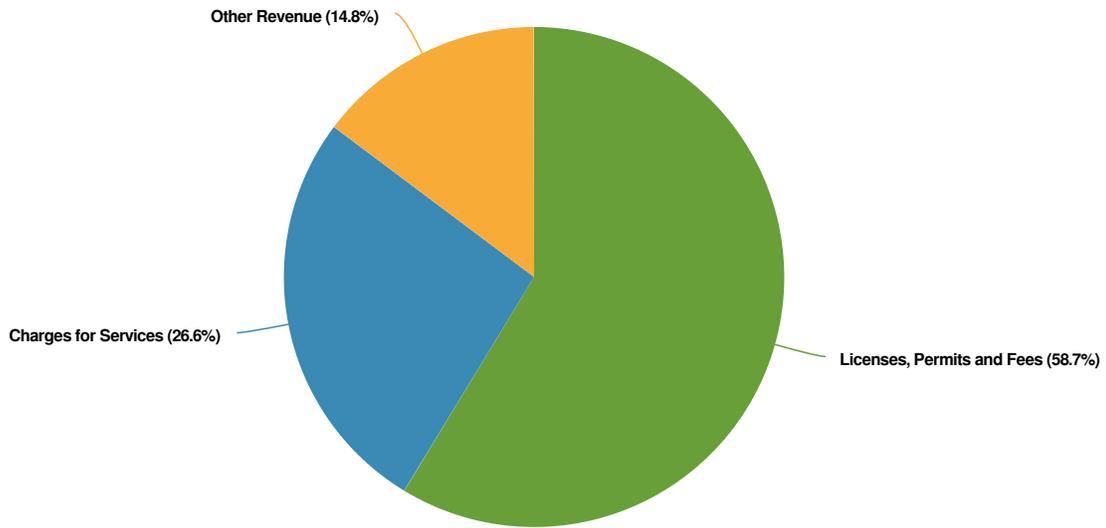

\$13,236,294 **\$1,593,503**
 (13.69% vs. prior year)

Performance Measures

Department Goal: Contribute to a high quality of life in Evanston through the maintenance and improvement of City of Evanston infrastructure, including the water treatment plant, drinking water distribution system, sewer collection system, streets, alleys, sidewalk, traffic signals and signage, streetlights, parkways and green spaces, the urban forest, and City facilities. Provide safe, reliable treated drinking water to the residents of Evanston and the other communities supplied by the Evanston Water Utility.

Measure	Type of Measure	FY 2020 Actual	FY 2021 Estimate	FY 2022 Projected
Activity: Maintain City streets and alleys in drivable condition				
Miles of streets resurfaced – primary routes	Output	0.26	2.5	1.07
Miles of streets resurfaced – residential streets	Output	1.65	2.49	3.06
Total number of unimproved alleys cutout and refreshed with new material	Output	12	12	18
Square yards of streets asphalt patched by contractor	Output	27327	31164	25669
Activity: Manage urban forest				
Parkway trees trimmed by City crews	Output	2940	2990	3400
Total number of parkway elm removed due to DED	Output	21	12	20
Percentage of parkway elms actually removed	Effectiveness	2.60%	2.56%	3.00%
Total number of other trees removed	Output	420	313	360
Total number of new park and parkway trees planted	Output	215	260	280
Elm trees covered under private insurance program	Output	214	225	220
Percentage of trees that are removed by the City and replaced within one year (data source: Division tracking)	Efficiency	23%	32%	60%
Activity: Manage snow operations to incorporate sustainability goals				
Tons of salt used/season	Output	3857	5630	7000
Activity: Manage green spaces/parks at appropriate level of services				
Mowing rotation in days	Input	4.5	4.5	4.5

Issues Affecting 2022 Budget

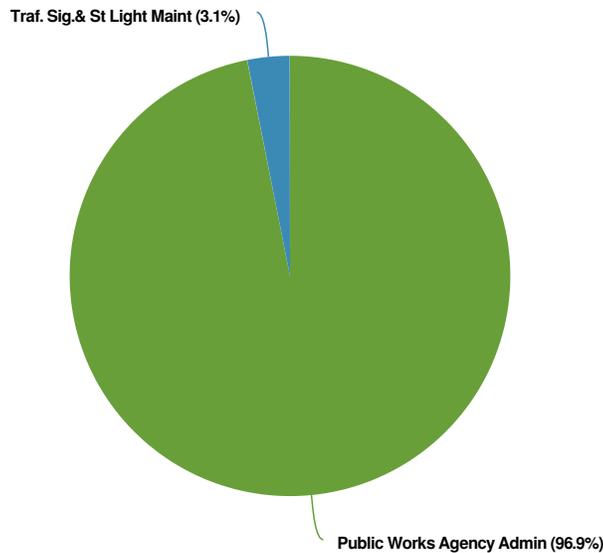

- The City Council is considering a code modification to include tree preservation requirements for trees located on private property. Public Works would not be able to implement and manage this program without additional staff.
- The Forestry Division receives an abundance of 311 requests that is impossible to keep up with unless additional staff is hired.
- The State passed the Lead Service Line Replacement and Notification Act which is an unfunded mandate to replace all lead service lines. The law also states that lead service lines can not be repaired and therefore replaced as well as requiring lead service lines be replaced to the water meter when new water mains are installed.

Upcoming Initiatives

Complete construction on the Central Street Bridge Replacement project.
Begin construction on the 30" Transmission Main project.
Complete design of the Animal Shelter Improvements.
Complete design of a new skate park installation.
Implementation of the Sidewalk Improvement and Sidewalk Gap Infill Programs.
Begin incorporation of CARP goals into City infrastructure projects..
Complete draft Stormwater Master Plan and develop long-term sewer capital program for stormwater mitigation.
Develop affordable water rate structure.
Begin development of the Lead Service Line Replacement Program in compliance with State of Illinois regulatory requirements.
To establish and maintain a section pruning program and prune all trees on a seven year cycle by completing pruning of trees in 1/7th of the City.
Replace approximately 65 light fixtures in street light poles with new LED fixtures in conformance with the Street Light Master Plan.
Install ComEd meters in two street light power centers to get them off of dusk to dawn charges.
Receive proposals and award a contract for the Commercial, Business, Institutional and Multi- Family Residential Buildings Solid Waste Franchise Services.
Replace ADA accessible beach paths at the three remaining beaches (Lighthouse, Lee, South Blvd.)
Repair and resurface one basketball or tennis court in 2022.

Human Services Fund

The Human Services Fund was created for benefits and facilities such as education, food subsidies, health care, and subsidized housing provided by a government to improve the life and living conditions of the children, disabled, the elderly, and those seeking assistance in the Evanston community. The Fund is intended to build community capacity to drive improvements in population health. The Fund protects Evanston's most vulnerable residents by providing individuals and families with access to services that promote self-sufficiency and address mental well-being.

The Human Services Fund includes the following operating areas of the Health & Human Services Department: Human Services, Senior Services, and Youth Engagement. Distributions to community organizations through the Social Services Committee (previously the Mental Health Board) are also part of the Human Services Fund.

Summary

The City of Evanston is projecting **\$3.31M** of revenue in FY2022, which represents a 10.3% decrease over the prior year. Budgeted expenditures are projected to increase by 6.1% or **\$222.61K** to **\$3.87M** in FY2022.

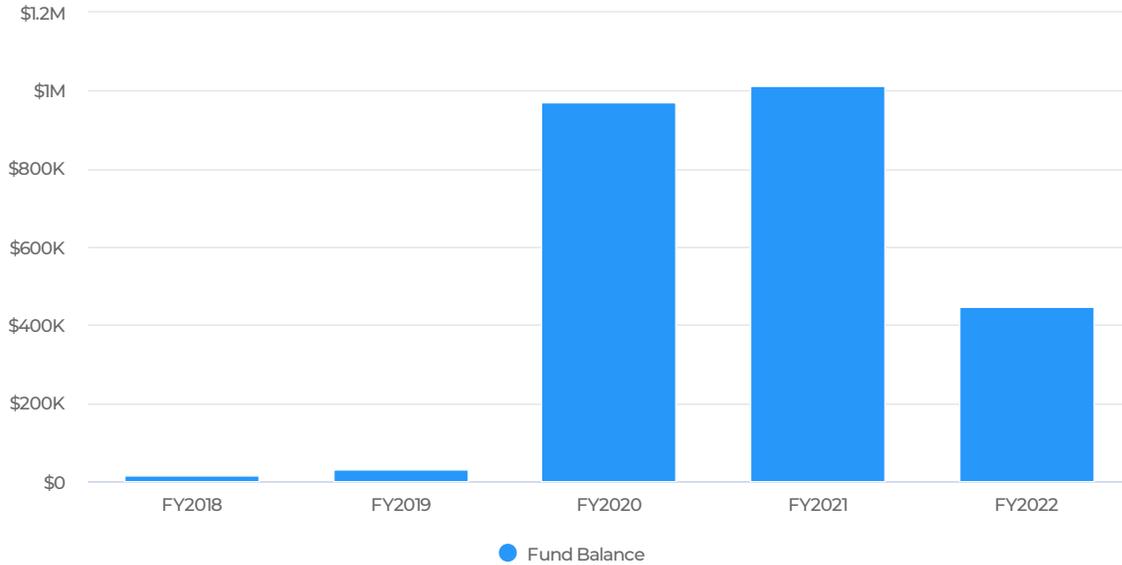

The Human Services Fund ended 2020 with a surplus, and will be able to use fund balance to support its operations in 2022.

Fund Balance

The Human Services Fund ended 2020 with a surplus, due to reduced spending ability during the COVID-19 pandemic. This surplus went into fund balance and carried into 2021. The City is proposing to spend down some of this balance in 2022 to avoid a property tax increase.

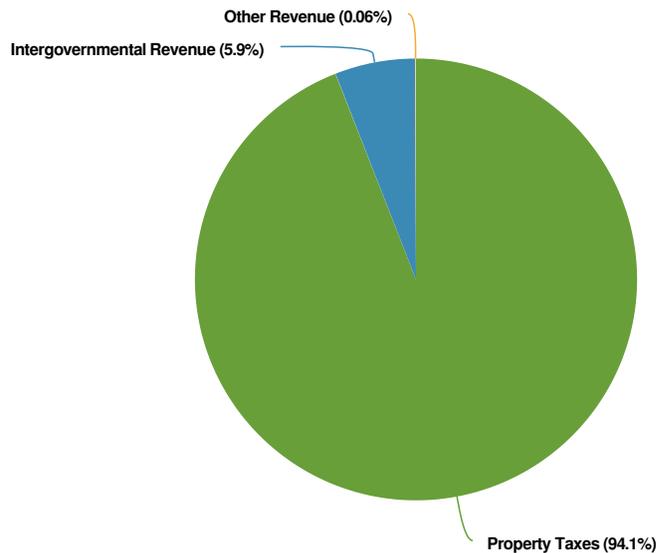

Fund Balance Projections

Revenues by Source

The Human Services Fund is supported through a dedicated property tax levy, established in the 2020 budget. Revenue is also received from grants for specific programs.

General Assistance Fund

The General Assistance Program is mandated by the State of Illinois, is administered by the City of Evanston, and is supported by Evanston tax revenues. The program provides monthly financial assistance to Evanston residents who are not eligible for other forms of state or federal financial assistance and do not have the resources to support their basic needs. The goals of the General Assistance Program are to assist individuals and prepare them to become employment-ready through resources available in the General Assistance program as well as through programs administered by other City departments. Services will be delivered through a comprehensive system of care, which emphasizes identifying the most appropriate, least restrictive setting to promote the highest level of functioning.

The Emergency Assistance Services Program is administered through the General Assistance Program and is available to all City of Evanston residents who meet income and asset guidelines as established by the General Assistance Office. The Emergency Assistance Program is operated and funded by the General Assistance Program and is provided according to adopted and written standards set forth by the General Assistance Program. Emergency Assistance benefits can only be issued once in a 12-month period and must meet the definition of an emergency or life-threatening situation, such as imminent eviction, utility disconnection, and/or food insecurities.

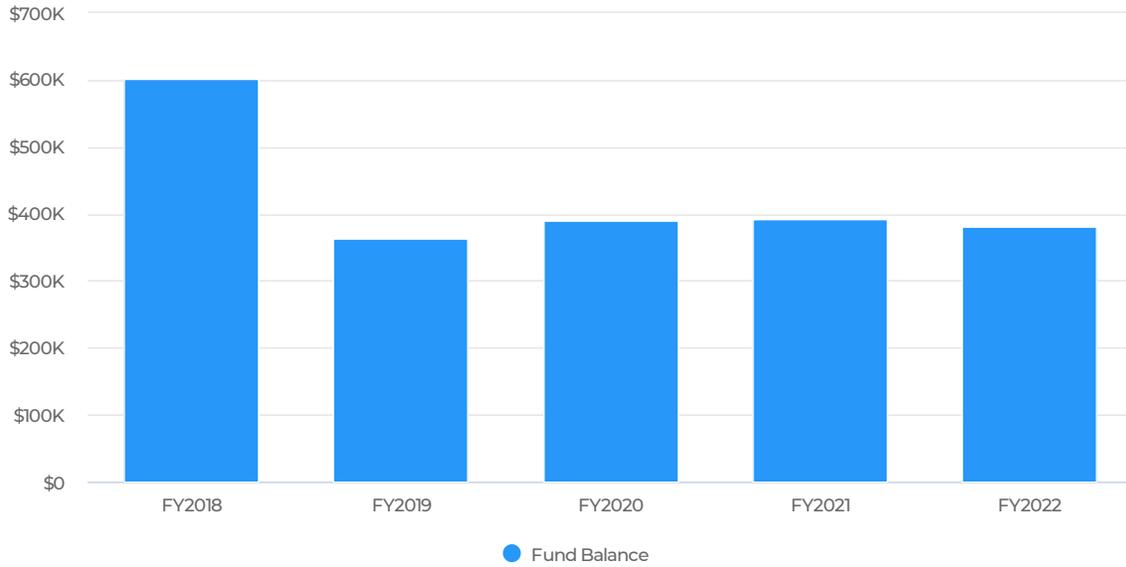

Summary

The City of Evanston is projecting \$1.33M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 1.2% or \$16.31K to \$1.34M in FY2022.

Reparations Fund

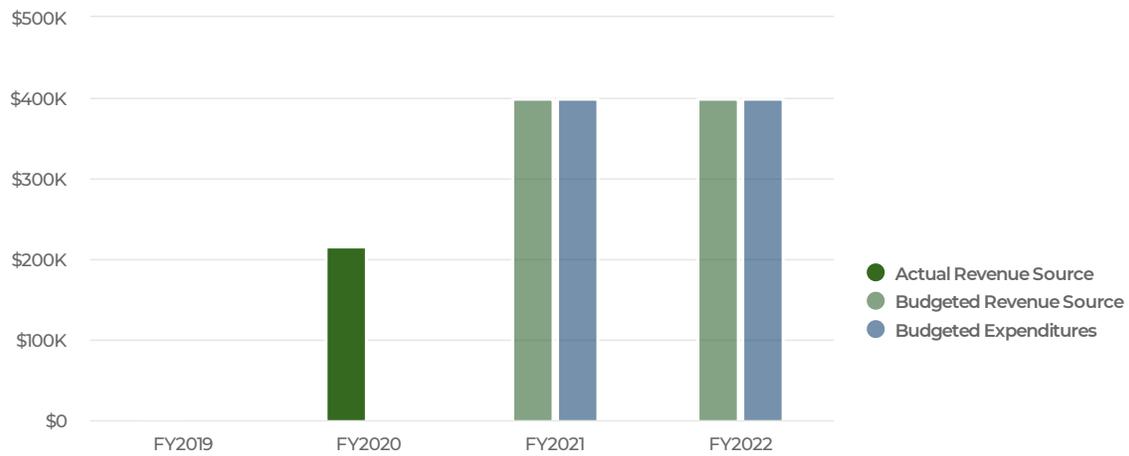

The Reparations Fund was created during the 2020 budget process. The fund is supported by adult-use municipal cannabis tax. The collection of this tax began on July 1, 2020, as established by Resolution 126-R-19. This tax will continue to fund Reparations programs to a total amount of \$10 million, at which point the tax will be directed to the City's General Fund.

Spending from the Reparations Fund will be determined by the Reparations Subcommittee. Programs may include: housing assistance and relief initiatives for African American residents in Evanston; and various Economic Development programs and opportunities for African American residents and entrepreneurs in Evanston.

See more information on the City's Reparations Program [?](#)

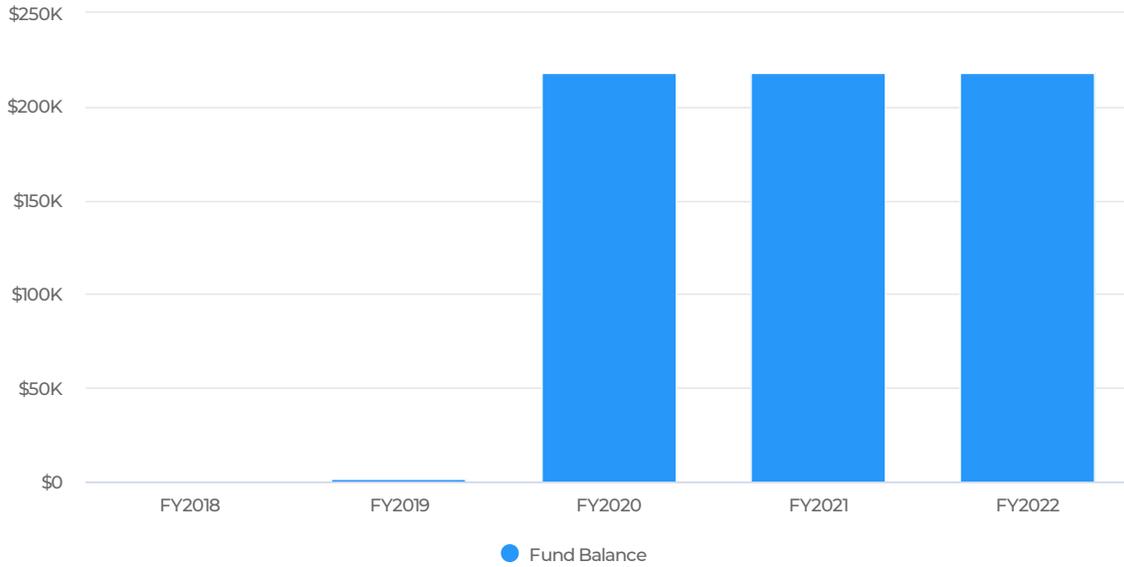

Summary

The City of Evanston is projecting \$400K of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to \$400K in FY2022.

Good Neighbor Fund

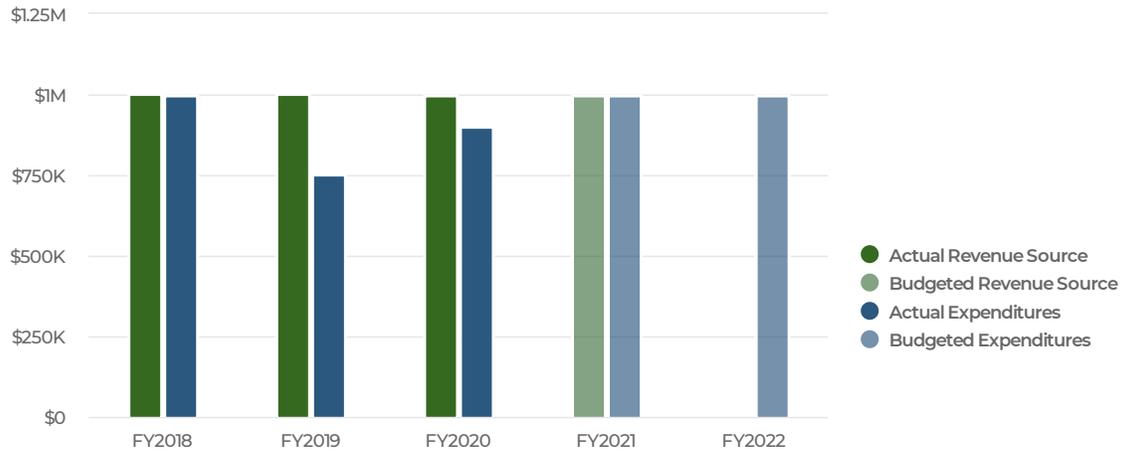

In its sixth year contributing \$1 million to the City of Evanston to support jointly agreed upon projects, Northwestern University has, for the first time, allocated funds focused entirely on dismantling systemic barriers faced by historically marginalized communities. This \$1 million allocation of the Northwestern Good Neighbor Racial Equity Fund will support a variety of bold, progressive programs aimed at strengthening underserved communities and advancing racial equity in Evanston.

The 2021 initiatives funded by Northwestern's \$1 million contribution include support for minority entrepreneurs, arts organizations, undocumented residents and socially isolated older adults, as well as funding to operationalize equity and improve language access within City government. Also, there is seed money for a guaranteed income pilot program providing direct financial assistance to a limited number of low-income households.

Summary

The City of Evanston is projecting N/A of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to \$1M in FY2022.

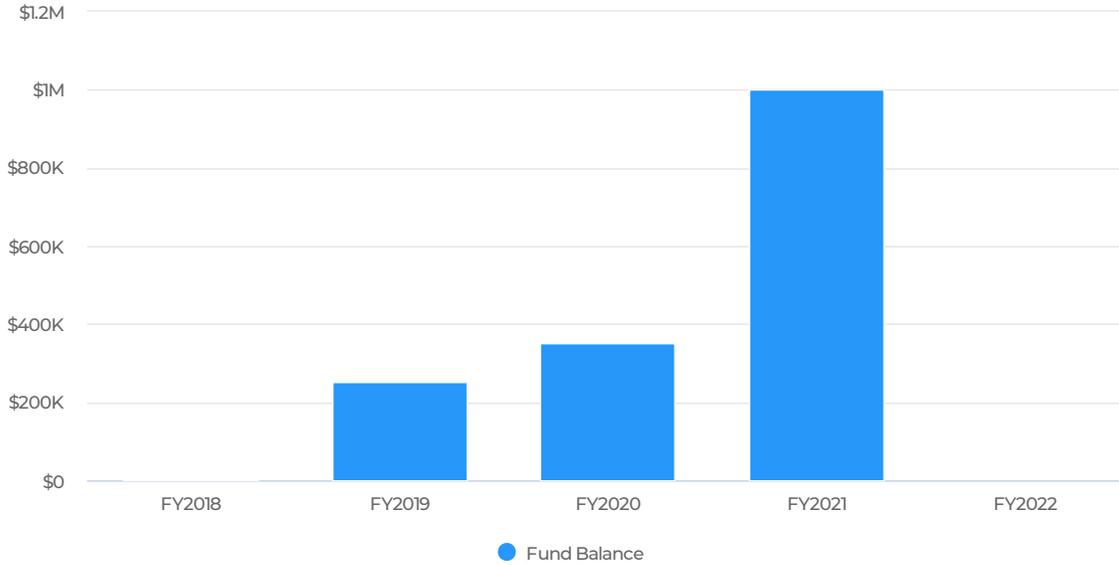

The initiatives in the Racial Equity Fund allocations for 2021 are not expected to be completed within 2021, and will carry over to 2022. To allow maximum flexibility, the Proposed Budget includes the full \$1 million amount budgeted again for spending in 2022. Only the amount of funding remaining after 2021 is complete will actually be spent in 2022.

Fund Balance

Staff expects 2021 Racial Equity Fund projects to carry over into 2022, and therefore projects a high fund balance for 2021 that will be used on expenses in 2022.

American Rescue Plan Act (ARPA) Fund

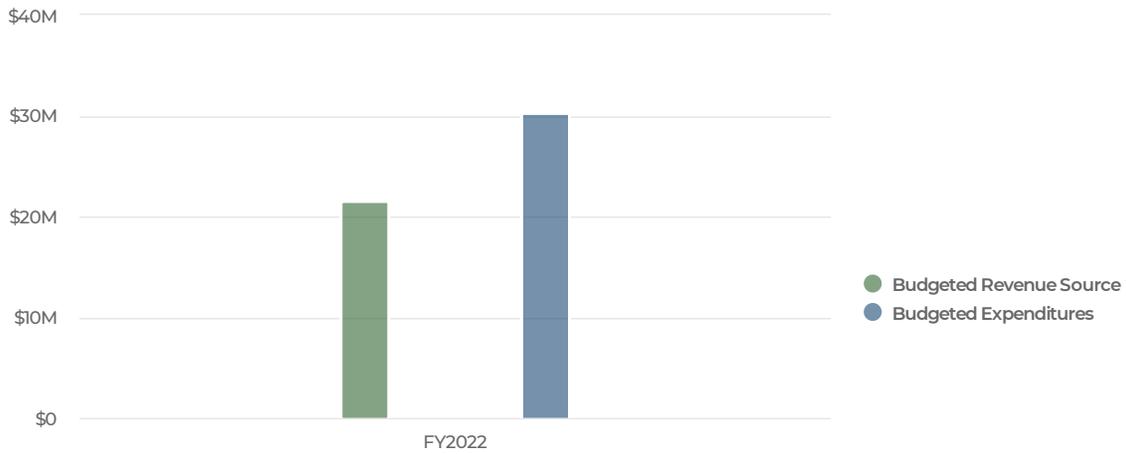

The American Rescue Plan Act (ARPA) aims to support state, local, territorial and Tribal governments by providing resources to:

- Respond to the COVID-19 pandemic
- Address its economic fallout
- Lay the foundation for a strong and equitable recovery

The City of Evanston received approximately \$43 million in Federal American Rescue Plan Act funding. Half of the funding was received in 2021, and the second half of the funding will be received in 2022.

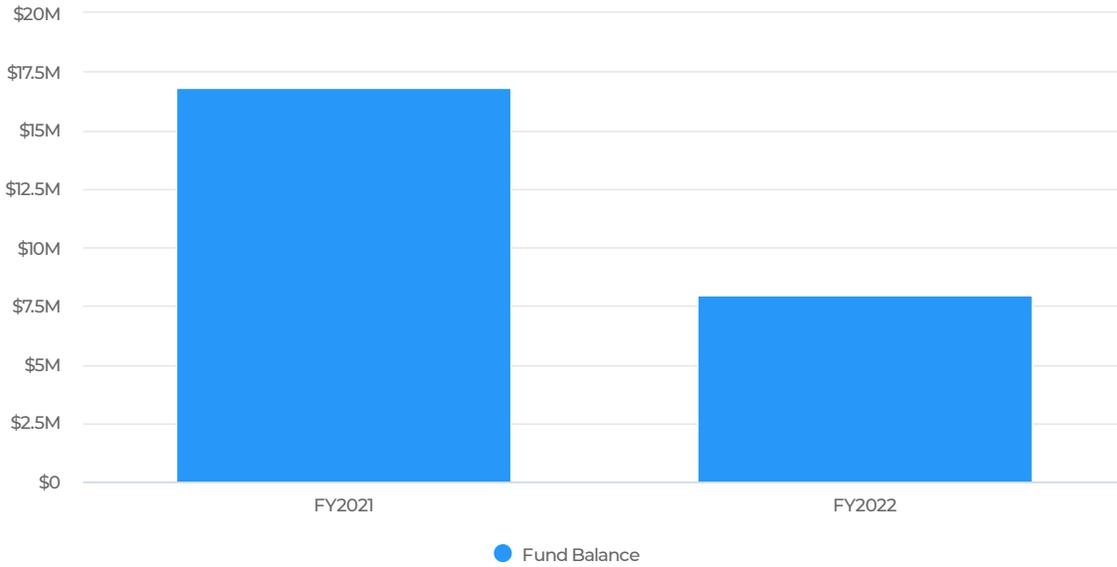

Summary

The City of Evanston is projecting \$21.59M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to \$30.4M in FY2022.

Library Debt Service Fund

The Library Debt Fund was created to repay the outstanding debt obligation associated with the financing of the Evanston Public Library Main Branch. This fund accounts for the debt service costs associated with Library debt issuance to fund capital projects at the Main library and the branch locations. Revenues for this fund come from the Library's tax levy, and expenses are paid to the City as a part of the annual payment of all outstanding bonds.

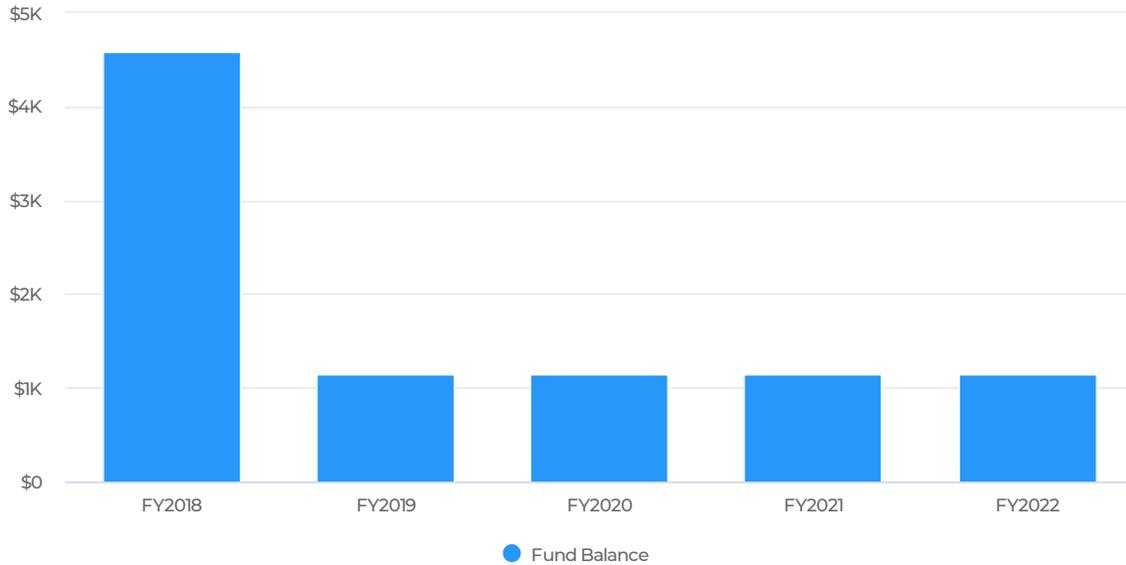

Summary

The City of Evanston is projecting \$506.63K of revenue in FY2022, which represents a 5.1% increase over the prior year. Budgeted expenditures are projected to increase by 5.1% or \$24.38K to \$506.63K in FY2022.

Library Capital Fund

This fund accounts for all of the library's capital outlay expenditures not financed by annual operations or maintenance. Projects funded from Fund 187 are included in the City's Capital Improvement Plan. They are developed as part of a multi-year long-term program to construct, rehabilitate or otherwise improve the library's assets.

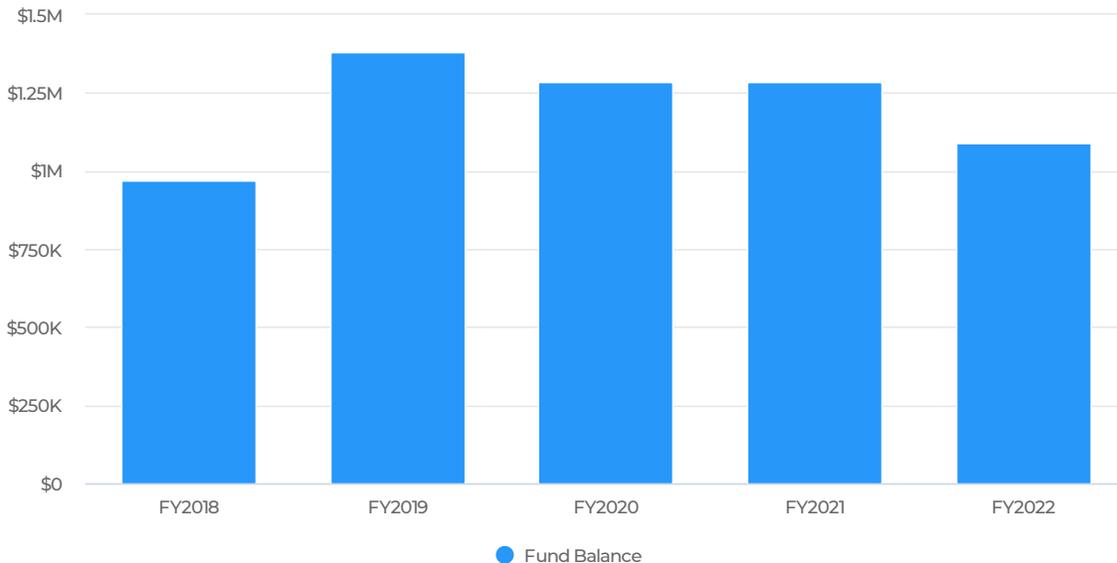

Summary

The City of Evanston is projecting \$485K of revenue in FY2022, which represents a 8% increase over the prior year. Budgeted expenditures are projected to increase by 51.4% or \$231K to \$680K in FY2022.

Motor Fuel Tax (MFT) Fund

The Motor Fuel Tax Funds are authorized by the Illinois Department of Transportation and are appropriated as part of the City's share of the gasoline tax. This funding also includes Transportation Renewal Funds authorized by the State of Illinois 2019 Rebuild Illinois legislation. Funding is used for capital improvements involving street maintenance, street resurfacing, and signal upgrade projects. The Motor Fuel Tax funds are also used for operations and maintenance activities such as street cleaning, street sweeping, and snow removal operations. The City was able to move additional eligible expenses from the General Fund into the Motor Fuel Tax Fund in 2020, due to new revenue from the Rebuild Illinois Funds.

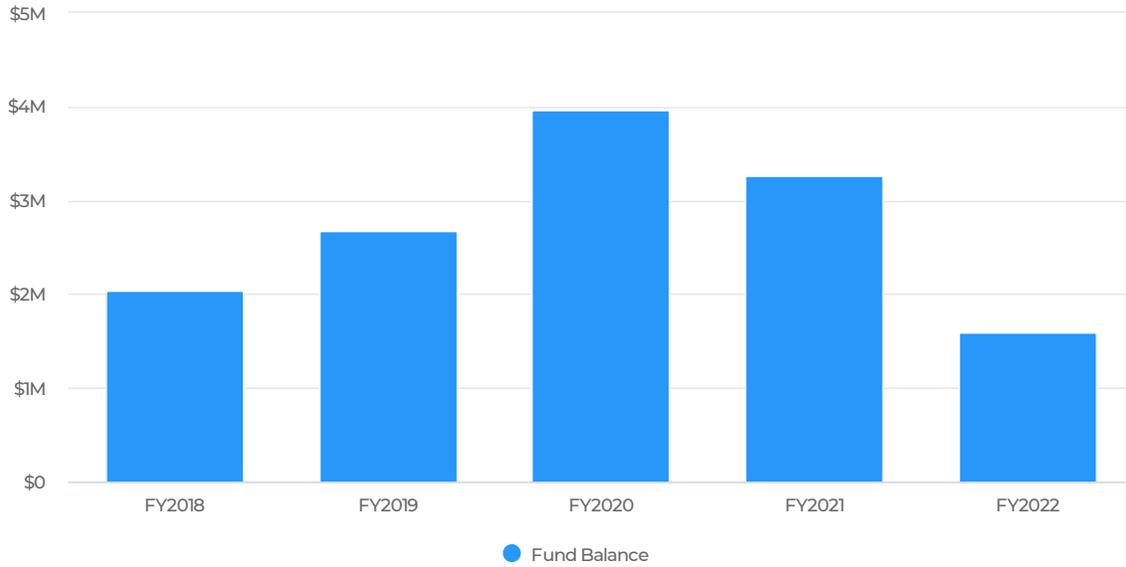

Summary

The City of Evanston is projecting \$3.67M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 22.4% or \$977K to \$5.34M in FY2022.

Emergency Telephone System (E911) Fund

In accordance with Illinois Public Act 85-978, the City of Evanston enacted Ordinance 133-O-90 by referendum in December of 1990. The purpose of the Ordinance was to establish an Enhanced 9-1-1 system. Per the legislature, an Emergency Telephone System Board (ETSB) was established. The function of the ETSB is to design and implement an enhanced 9-1-1 system for the City of Evanston and monitor the system once in place.

In 2020, the Fund received a grant of \$240,821 to upgrade call handling equipment for Next Generation 911 system requirements. This grant is shown as Other Revenue in the financial summary below, and the matching expense is in Capital Outlay. Also in 2020, the Fund began supporting a seven year contract for the purchase of a new radio system for Police Officers and the 9-1-1 center, in the amount of \$239,000 per year.

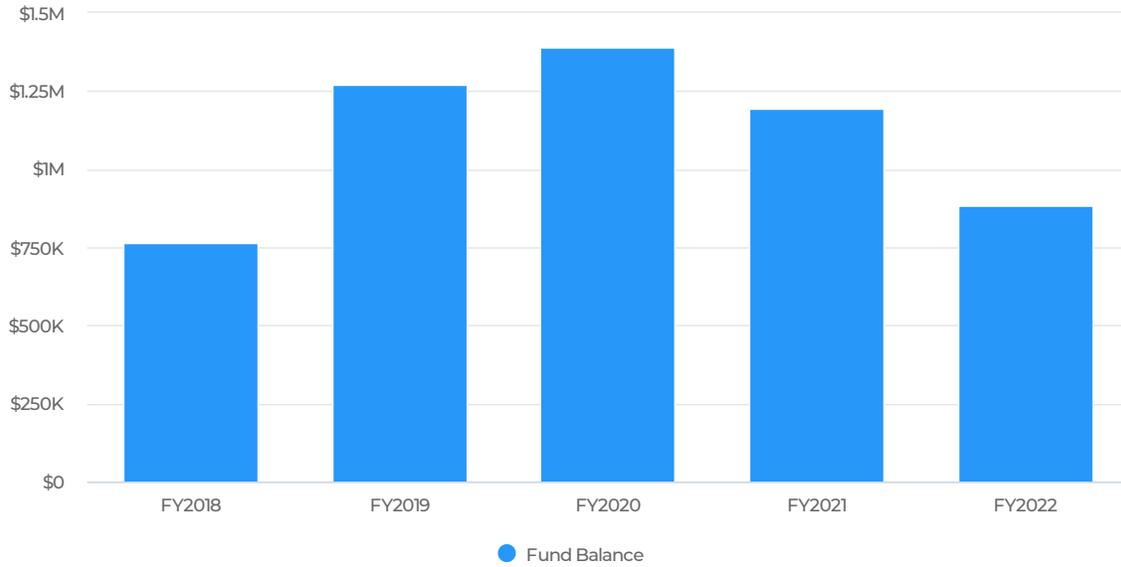

Summary

The City of Evanston is projecting \$1.41M of revenue in FY2022, which represents a 5.9% increase over the prior year. Budgeted expenditures are projected to increase by 12.8% or \$194.84K to \$1.72M in FY2022.

Community Development Block Grant (CDBG) Fund

The City is a federal entitlement community and receives Community Development Block Grant (CDBG) funds annually to address the needs of low- and moderate-income residents. Statutory program goals are to provide decent housing, a suitable living environment, and economic opportunity primarily for residents whose incomes do not exceed 80% of the area median income.

In 2020, the City began receiving funding through the CDBG-CV program, which specifically supports the City's COVID-19 response. Some funding will be received in 2020 and 2021.

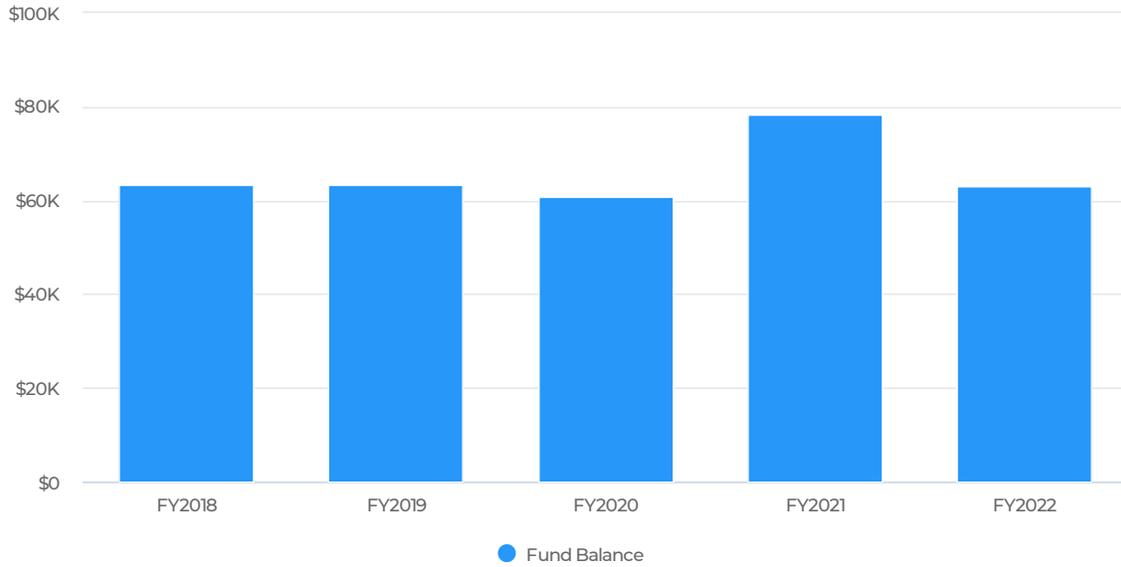

Summary

The City of Evanston is projecting \$3.68M of revenue in FY2022, which represents a 33.6% increase over the prior year. Budgeted expenditures are projected to increase by 33.7% or \$928.62K to \$3.68M in FY2022.

CDBG Loan Fund

The CDBG Loan Fund is a revolving loan fund. Its purpose is to provide 0-3% interest loans that may be deferred or amortized to rehab income eligible one- and two-unit owner-occupied residential properties and multi-family rental properties that are occupied by income-eligible households under HUD regulations. It also provides deferred loans for income-eligible homeowners to demolish unsafe garages and dangerous trees. Funds are prioritized for properties with code violations, as well as for energy efficiency and accessibility. This fund was established with HUD approval using Community Development Block Grant funds. Principal and interest payments from loans are returned to the Revolving Loan Fund and are used to fund new eligible projects. Additionally, repayments on CDBG loans made to businesses are deposited into this fund and may be used for CDBG economic development activities. Revolving loan funds must be used before additional entitlement funds for eligible activities.

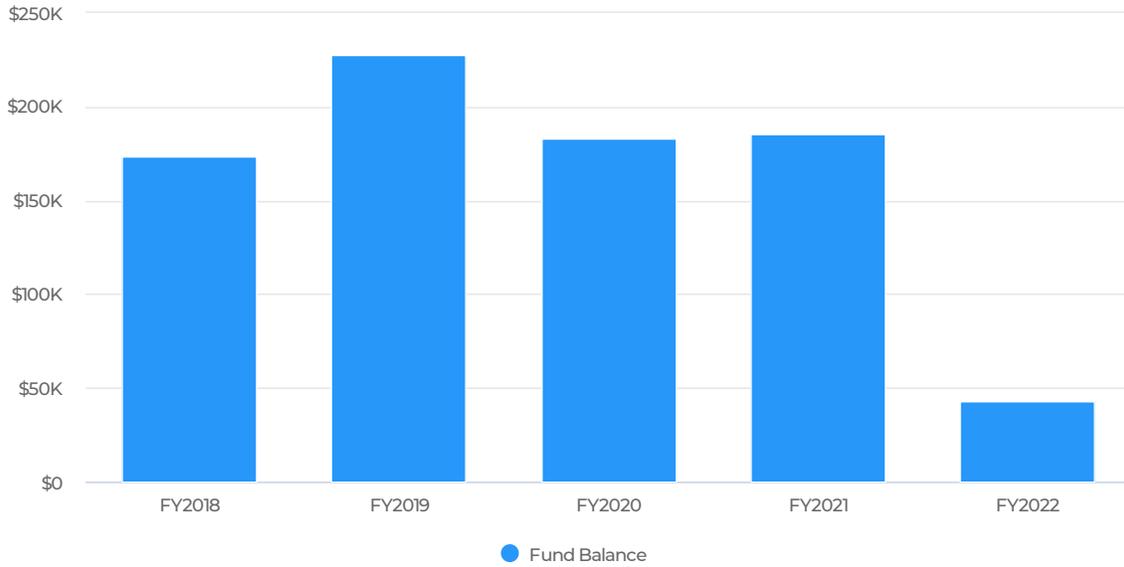

Summary

The City of Evanston is projecting \$100K of revenue in FY2022, which represents a 9.1% decrease over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to \$175K in FY2022.

HOME Fund

The HOME Investment Partnership Program addresses the affordable housing needs of low- and moderate-income individuals and families by preserving existing and producing new affordable housing, and by providing rent and utility assistance to low income households that enable them to afford market rate housing. HOME funds are used to:

- Finance the acquisition and/or rehabilitation of existing residential units;
- Fund new construction of affordable housing;
- Fund Tenant Based Rental Assistance (TBRA).

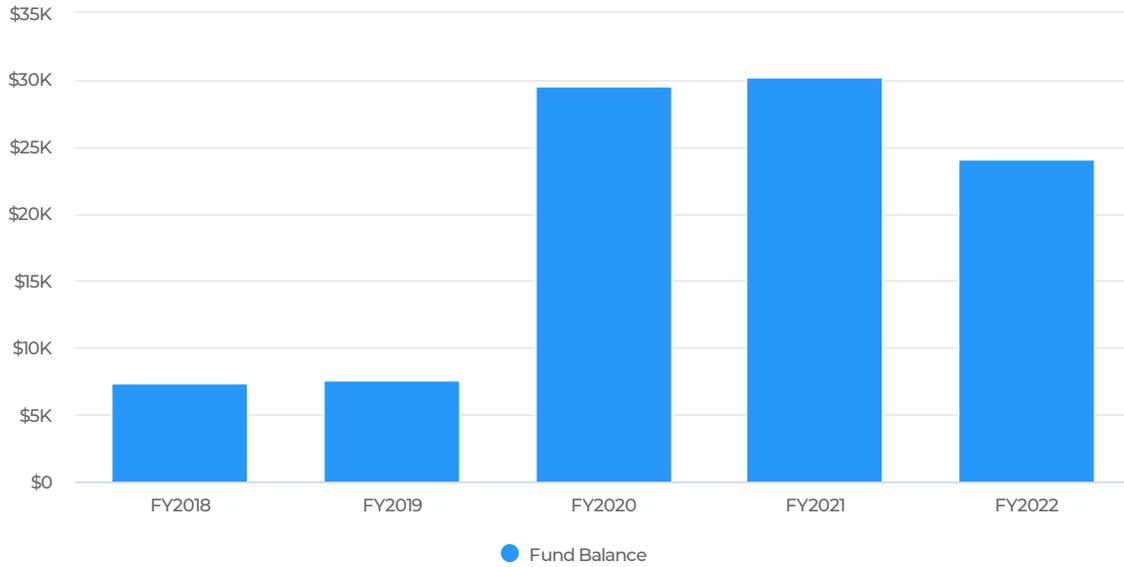

Summary

The City of Evanston is projecting \$565.6K of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 1.2% or \$6.8K to \$571.75K in FY2022.

Affordable Housing Fund

The Affordable Housing Fund must be used to address the housing needs of low-, moderate and middle-income individuals and families by promoting, preserving, and producing affordable housing; providing housing-related services; and providing support for agencies and organizations that actively address these housing needs, including:

- Funding a tenant/landlord program.
- Funding expenses relating to acquisition of vacant and blighted properties through the Cook County No Cash Bid program and to pursue judicial deeds on properties with City liens.
- Providing funds for the acquisition, rehabilitation, and new construction of affordable housing.
- Providing gap funding for affordable housing projects funded primarily with Low Income Housing Tax Credits or other sources, particularly for projects with units restricted to households with incomes that do not exceed 50% of the area median.
- Providing funding support for the Homeless Management Information System (HMIS).
- Providing funding support for transitional housing, housing education, and related services.
- Providing local match funds for Federal housing grants where appropriate.
- Funding housing programs including the Senior Handyman Program, Senior Bridge Housing, and management of the IHO Wait List.
- Administration of the Inclusionary Housing Ordinance, development of a comprehensive Affordable Housing Plan, and implementation of the strategies in that plan.

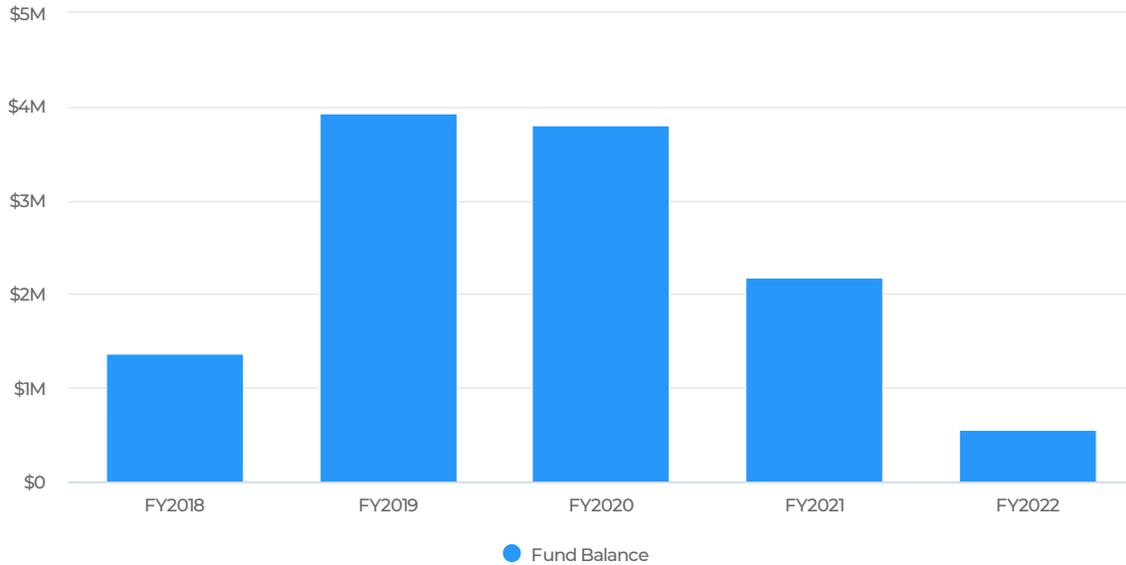

Summary

The City of Evanston is projecting \$879.3K of revenue in FY2022, which represents a 3.8% decrease over the prior year. Budgeted expenditures are projected to decrease by 1% or \$24.15K to \$2.51M in FY2022.

Debt Service Fund

The debt service fund is used to account for payments on general obligations bonds. Debt supported by governmental funds is paid out of the debt service fund and abated through a transfer. Debt supported by enterprise funds are paid directly by those funds.

The budgeted property tax revenue for FY 2021 is on the cash basis and represents the 2020 levy, which will primarily be received in calendar year 2021. The FY 2021 expenditures are budgeted on cash basis and are the actual payments required to be made during the fiscal year according to debt maturity schedules. The financial summary below includes an increase in property tax revenue of \$1,414,342 in 2021.

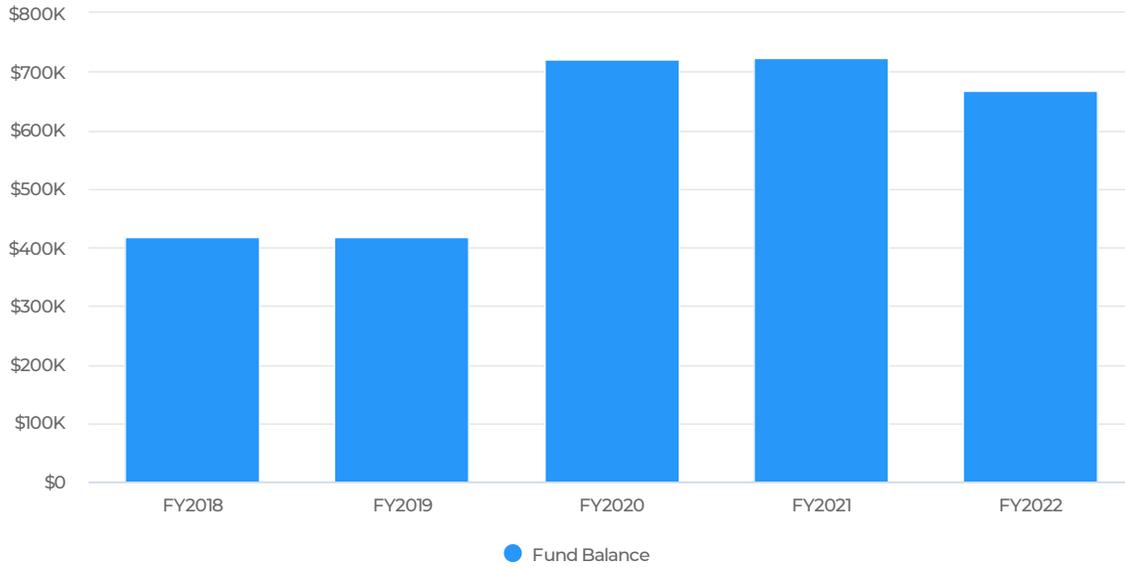

Summary

The City of Evanston is projecting \$15.7M of revenue in FY2022, which represents a 3.8% increase over the prior year. Budgeted expenditures are projected to increase by 3.7% or \$556.41K to \$15.69M in FY2022.

Howard-Ridge TIF Fund

The City Council adopted the Howard-Ridge Tax Increment Financing (TIF) District on January 26, 2004. This TIF will expire in 2027, with last year of collection in 2028. The TIF District is generally bounded on the north by various parcels that front Howard Street and Chicago Avenue, on the east by the City of Evanston's boundaries and the Chicago Transit Authority (CTA) Red Line, on the south by City boundaries, and on the west by Ridge Avenue. The TIF District contains mixed residential uses, retail/commercial properties, and institutional uses.

This TIF district has supported the residential development at 415 Howard Street and the revitalization of commercial buildings at 629-631, 623, 633, and 727 Howard Street. A new theater located at 721-723 Howard Street was completed by the end of 2018.

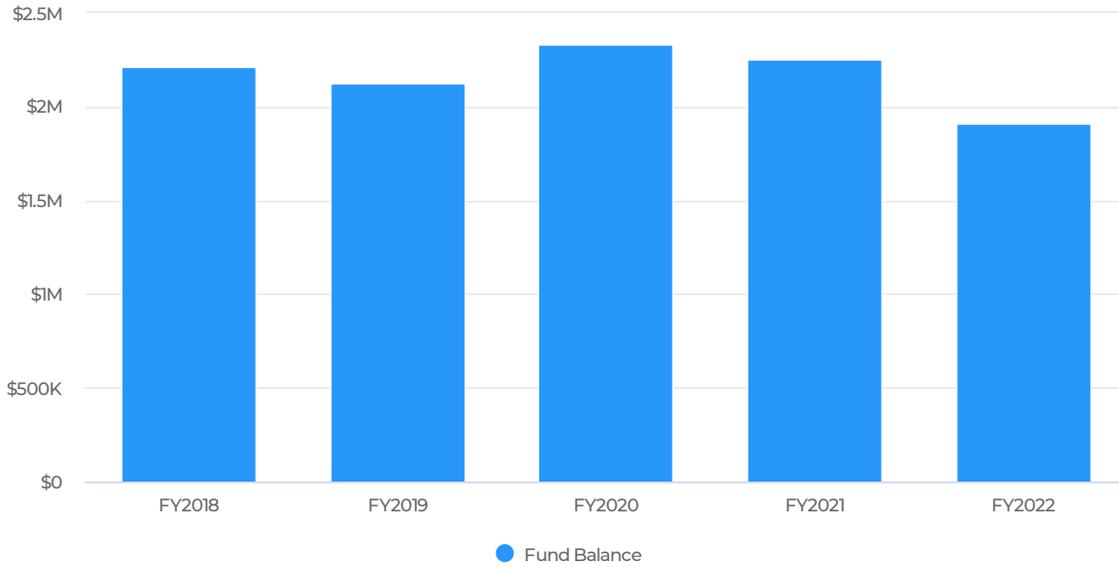

Summary

The City of Evanston is projecting \$1.11M of revenue in FY2022, which represents a 13.6% increase over the prior year. Budgeted expenditures are projected to increase by 37.5% or \$395K to \$1.45M in FY2022.

West Evanston TIF Fund

The City Council adopted the West Evanston Tax Increment Financing (TIF) District in September 2005. The TIF District is generally bounded on the north by Emerson Street and by various parcels that front Church Street, on the east by parcels that front Florence Avenue and Dodge Avenues, on the south by Dempster Street properties that front Dempster Street and Greenleaf Street, and on the west by the City of Evanston's border, properties that front Hartrey Avenue, and the property that fronts the west side of Dodge Avenue. The TIF District contains mixed residential uses, retail, commercial, industrial and institutional uses.

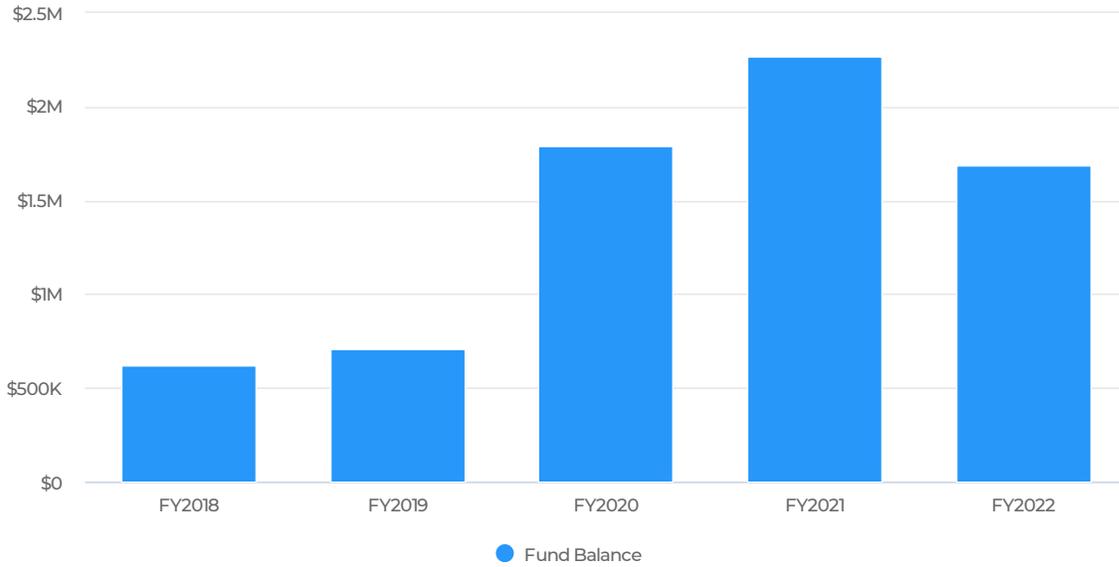

Summary

The City of Evanston is projecting \$1.47M of revenue in FY2022, which represents a 17% increase over the prior year. Budgeted expenditures are projected to increase by 162.2% or \$1.26M to \$2.05M in FY2022.

Dempster-Dodge TIF Fund

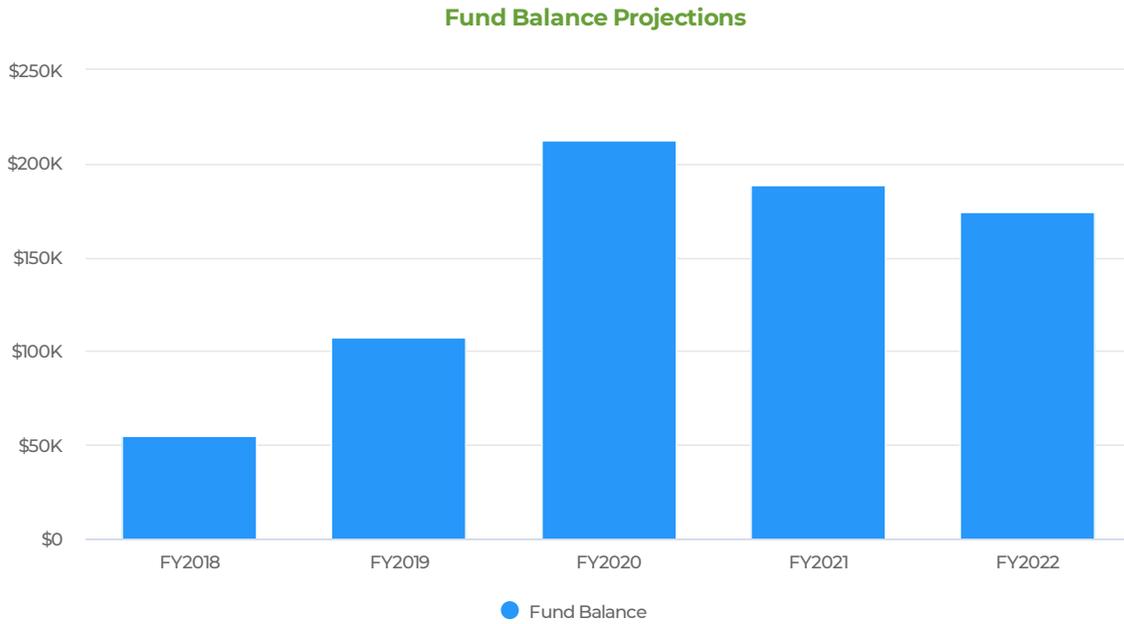

The City Council approved the creation of the Dempster-Dodge Tax Increment Financing (TIF) District on June 25, 2013. The Dempster-Dodge TIF District area is comprised of a single development - The Evanston Plaza Shopping Center - located at the southwest corner of the intersection of Dempster Street and Dodge Avenue.

Summary

The City of Evanston is projecting \$160K of revenue in FY2022, which represents a 8.8% increase over the prior year. Budgeted expenditures are projected to increase by 1.7% or \$2.91K to \$173.83K in FY2022.

Chicago-Main TIF Fund

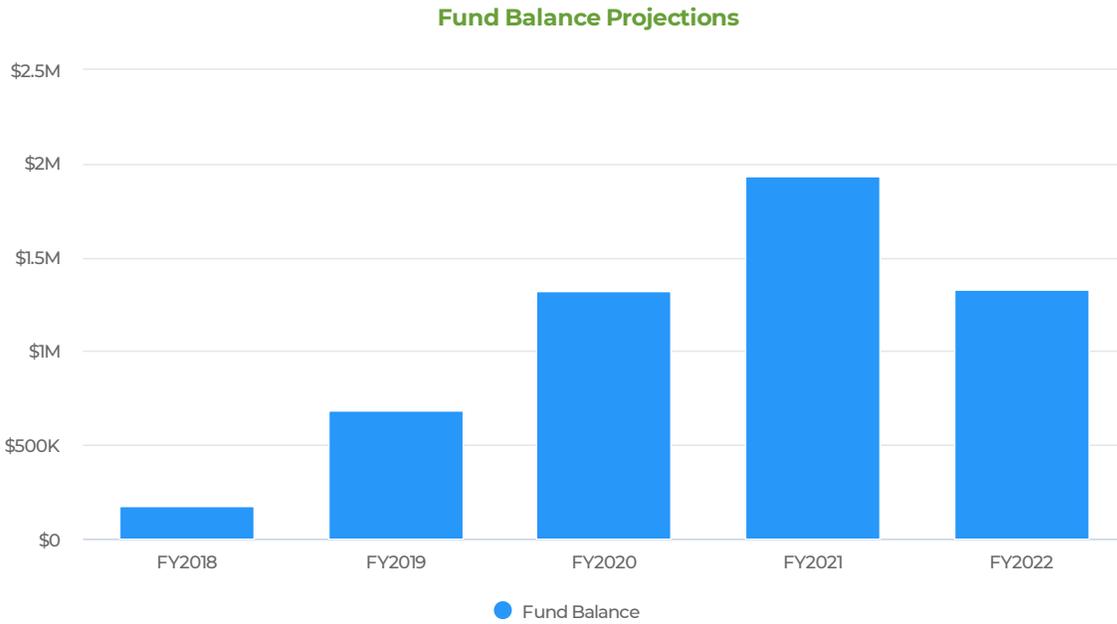

The City Council adopted the Chicago-Main Tax Increment Financing (TIF) district #8 in January 2013. The goal of this TIF district is to support the continued development of the thriving business district located near the intersection of Chicago Avenue and Main Street. In October 2013, the Chicago Main TIF Advisory Committee held its inaugural meeting. This committee reviews all expenditures from the TIF and provides recommendations to the City Council prior to review of any expenditure from the TIF. Bonds were issued in 2018 for the TIF to fund engineering work on a water main and streetscape project. Construction on this project began in 2020, with additional bonds to be issued for the project in 2021.

Summary

The City of Evanston is projecting \$1M of revenue in FY2022, which represents a 50.2% decrease over the prior year. Budgeted expenditures are projected to increase by 15.2% or \$211.92K to \$1.61M in FY2022.

Special Service Area (SSA) Funds

Special Service Areas are local tax districts that fund expanded services and programs through a localized property tax levy within contiguous areas. SSA-funded projects typically include but are not limited to: public way maintenance and beautification; district marketing and advertising; business retention/attraction, special events and promotional activities; auto and bike transit; security; façade improvements; and other commercial and economic development initiatives. The City currently has four active Special Service Areas.

SSA #6 Fund

The City Council adopted Special Service Area #6 (SSA #6) on July 13, 2015. Special Service Area #6 is comprised of the commercial areas of Dempster Street, Chicago Avenue, and Main Street between Hinman and Maple. SSA #6 is intended to provide marketing as well as aesthetic and streetscape improvements such as signage, lighting, landscaping, public art, and holiday decorations to the area. SSA #6 will remain in place for 12 years, for which the tax cap will be set at 0.45% of the equalized assessed value. SSA6 is managed by The Main Dempster Mile organization, an Illinois not-for-profit corporation.

Summary

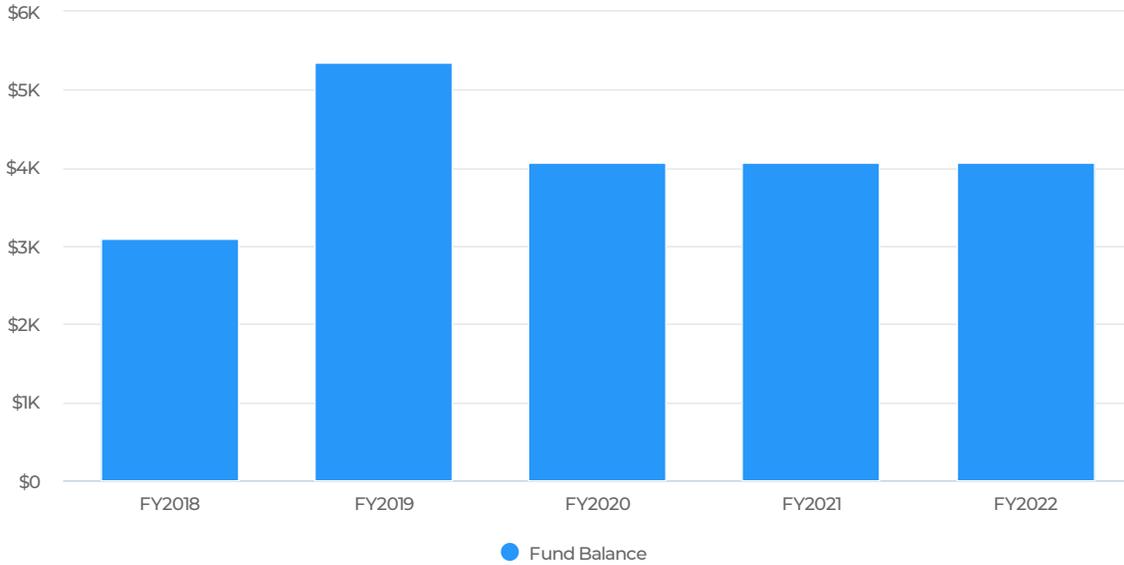

The City of Evanston is projecting \$221K of revenue in FY2022, which represents a 0.2% decrease over the prior year. Budgeted expenditures are projected to decrease by 0.2% or \$500 to \$221K in FY2022.

Fund Balance

Special Service Area funds generally do not carry a fund balance. Property taxes are remitted to the SSA managing organization on a quarterly basis.

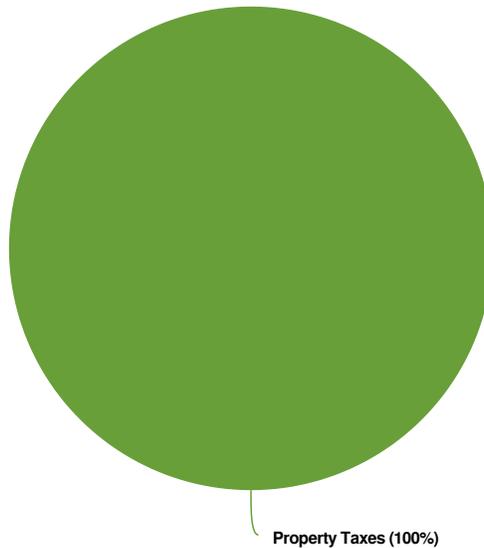

Fund Balance Projections

Revenues by Source

Revenues for SSA funds are solely from an additional property tax levied within the SSA boundaries.

SSA #7 Fund

Special Service Area (SSA) #7 supports commercial properties located in the Central Street merchant district. SSA #7 represents the east portion of Central Street located between Hartrey on the west, Eastwood on the east, Isabella on the north and Lincoln on the south. The purpose of the Central Street SSA districts are to help the merchant association grow and establish a stable funding stream for merchant and business district activities that range from street beautification (planters, street furniture, etc.) to programmatic needs (event management, marketing support, and organizational management).

Summary

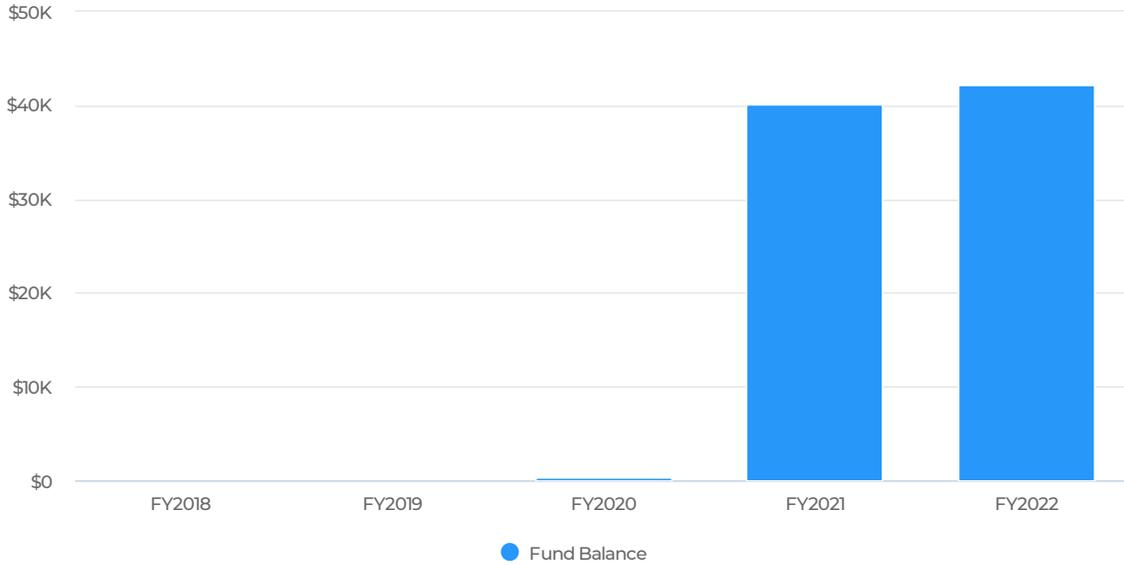

The City of Evanston is projecting \$142K of revenue in FY2022, which represents a 23.5% increase over the prior year. Budgeted expenditures are projected to increase by 21.7% or \$25K to \$140K in FY2022.

Fund Balance

Special Service Area funds generally do not carry a high fund balance. Property taxes are remitted to the SSA managing organization on a quarterly basis.

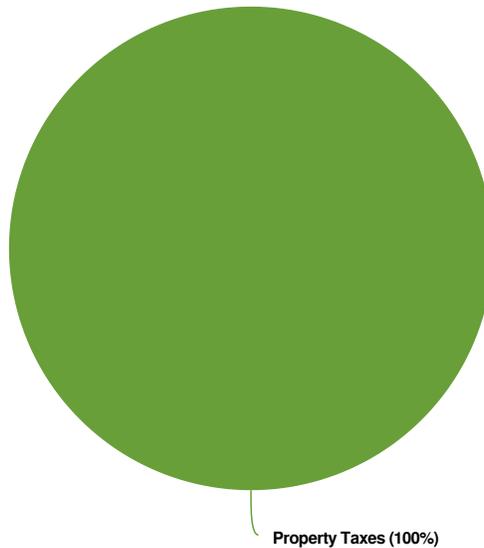

Fund Balance Projections

SSA #9 Fund

Special Service Area (SSA) #9 (successor to SSA #4) was reestablished in 2019 to provide certain public services to supplement services currently or customarily provided by the City to the Area. Services include the promotion and advertisement of the Area in order to attract businesses and consumers, and provide any other public services to the Area which the City may deem appropriate from time to time. Special services, as they apply to SSA#9, include maintenance of public improvements (e.g. landscaping) together with any such other further services necessary to the accomplishment of the improvement. SSA#9 is managed by Downtown Evanston (formerly EvMark), an Illinois not-for-profit corporation.

Summary

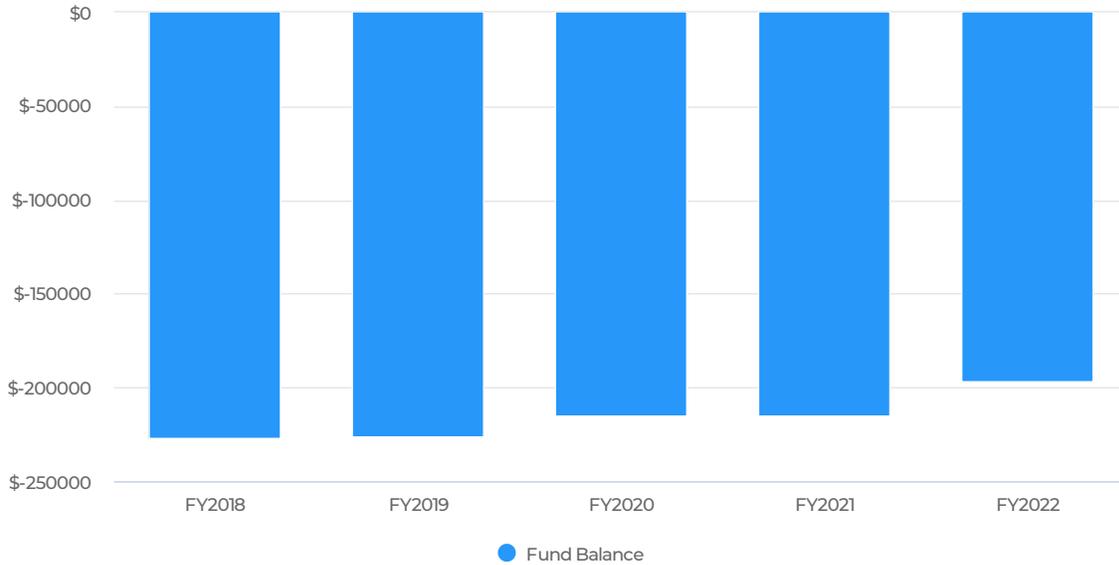

The City of Evanston is projecting \$595K of revenue in FY2022, which represents a 3.5% increase over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to \$575K in FY2022.

Fund Balance

SSA #9 carries a negative fund balance, due to remittances to the SSA higher than actual property taxes received in previous years. This problem was corrected in 2019 so that only property taxes actually received are remitted to the SSA. The negative balance has not yet been remedied.

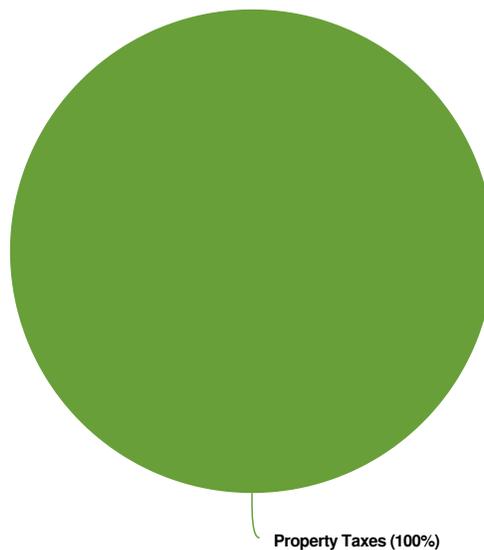

Fund Balance Projections

Revenues by Source

Revenues for SSA funds are solely from an additional property tax levied within the SSA boundaries.

Capital Improvement Fund

This fund accounts for all capital outlay expenditures not financed by annual operations or maintenance budgets included in other funds as outlined in the detailed Capital Improvement Plan. Projects financed in the Capital Improvements Fund are developed as part of a multi-year long-term program to construct, rehabilitate or otherwise improve physical city assets, including (but not limited to) streets, water main, sewer, bridges, sidewalks, facilities, parks, and the water treatment plant. More information on projects can be found in the detailed Capital Improvements section of the budget document.

Summary

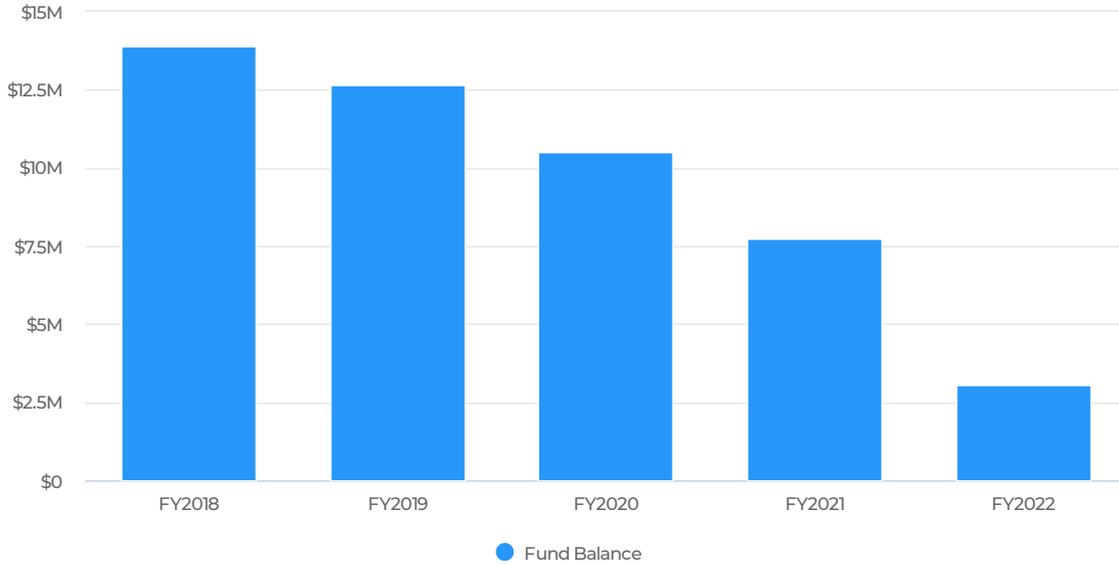

The City of Evanston is projecting \$11.77M of revenue in FY2022, which represents a 53.9% increase over the prior year. Budgeted expenditures are projected to increase by 58.2% or \$6.05M to \$16.45M in FY2022.

Fund Balance

Staff expects to spend down significant balances in the Capital Improvements Fund through the end of 2021 and during the 2022 budget year.

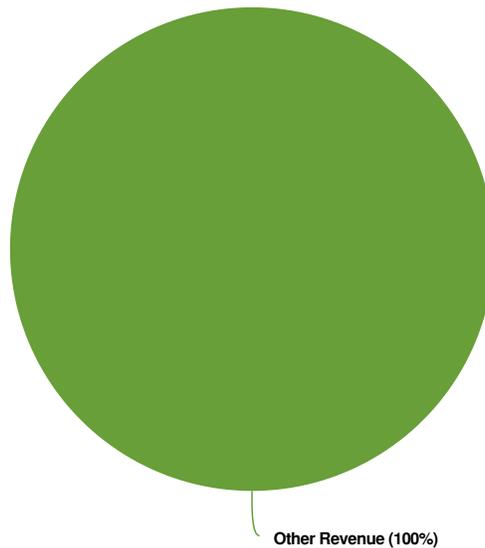

Fund Balance Projections

Revenues by Source

Capital improvements are funded through a variety of sources and across many different funds in the City's budget. The Capital Improvements Fund generally supports bond and grant funded capital projects, both of which fall into the "Other Revenue" category.

Crown Construction Fund

The Crown Construction Fund was created as part of the 2018 budget for the purpose of tracking revenues and expenditures related to the construction of the Robert Crown Community Center. It has been the practice of the City of Evanston to create discrete funds for major construction projects. The project is partially funded through private fundraising led by the Friends of the Robert Crown Center, a 501(c)(3) organization. After construction is completed, donations will be used to abate debt service associated with the project. The project was also financed by general obligation bonds issued in 2018 and 2019.

Summary

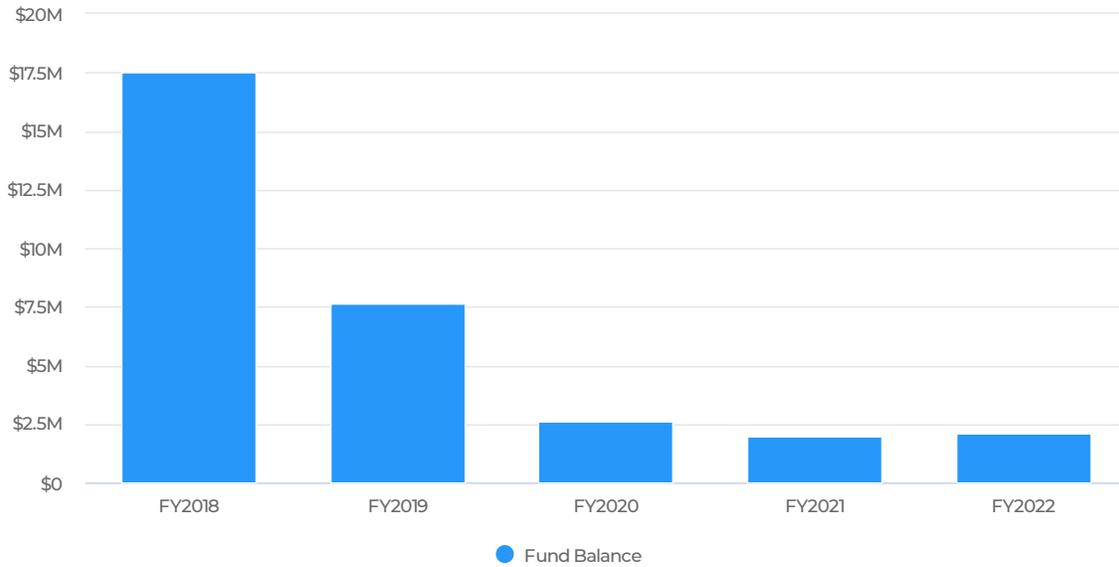

The City of Evanston is projecting \$1M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to decrease by 45% or \$737.5K to \$900K in FY2022.

Fund Balance

Funds held in the fund balance will be transferred annually for debt abatement.

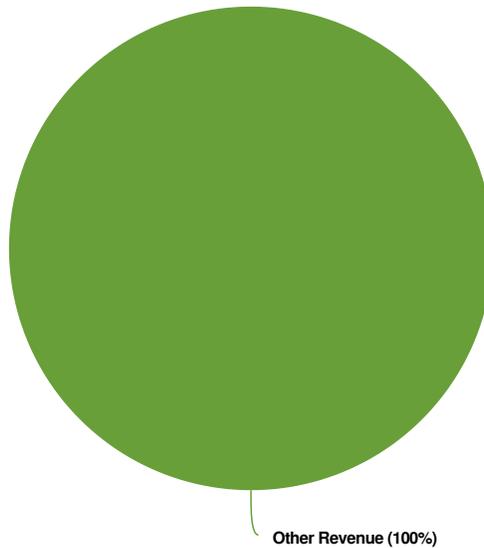

Fund Balance Projections

Revenues by Source

The City expects to receive continued donations from Friends of Robert Crown (FRC) in 2022 as pledges for the project are fulfilled.

The Robert Crown Center Maintenance Fund was created by resolution 65-R-17 specifically for the allocation of operating funds and donations for the long-term maintenance of the Robert Crown Community Center facility and surrounding park.

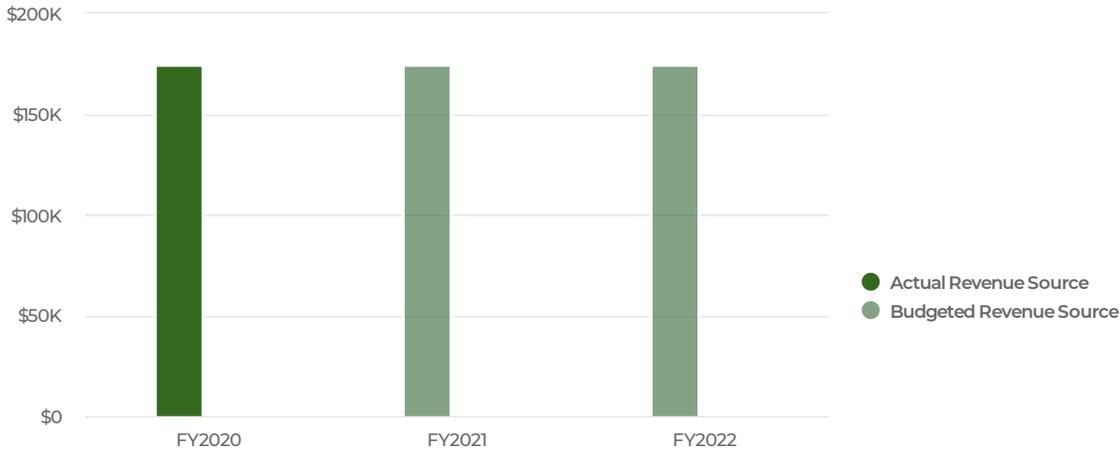

Crown Maintenance Fund

As stated in the Memorandum of Understanding with the Friends of the Robert Crown Center, the City will provide annual deposits of at least \$175,000 to the Robert Crown Community Center Maintenance Fund for 30 years commencing in 2020. The Maintenance Fund shall not be used or borrowed from or posted as collateral for any purpose other than the maintenance of the new Robert Crown Center.

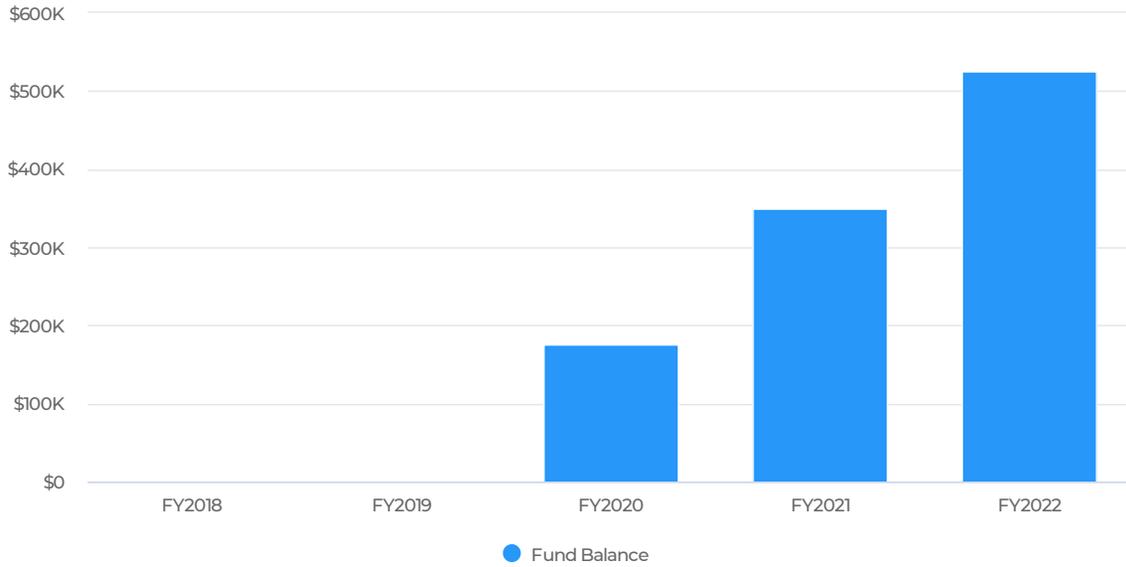

Summary

The City of Evanston is projecting \$175K of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 0% or N/A to N/A in FY2022.

Fund Balance

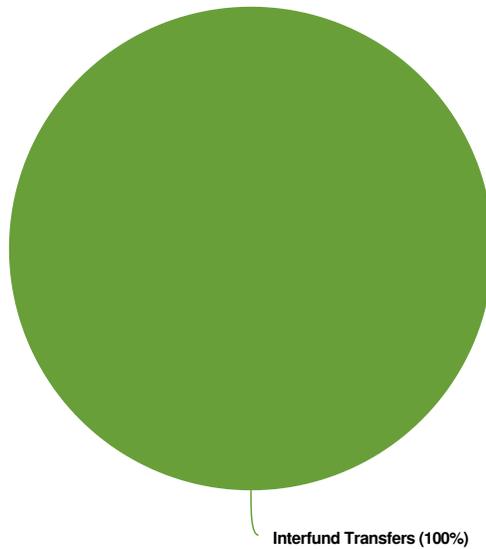

Fund Balance Projections

Revenues by Source

The fund is budgeted to receive \$175,000 in a transfer from the General Fund (Crown Center operating revenue). No expenses are budgeted for 2022, as it is the intent for the fund to build balance for multiple years before being used for center improvements.

Parking Fund

The Parking Fund is a City of Evanston Enterprise Fund that generates revenue from the parking fees paid by the general public, the lease of office space in City garages, fees charged for permits at surface lots, and transient and monthly parking spaces at the City's garages.

Generally Accepted Accounting Principles (GAAP) require state and local governments to use the enterprise fund type to account for "business-type activities" – activities similar to those found in the private sector. Business-type activities include services primarily funded through user charges.

Summary

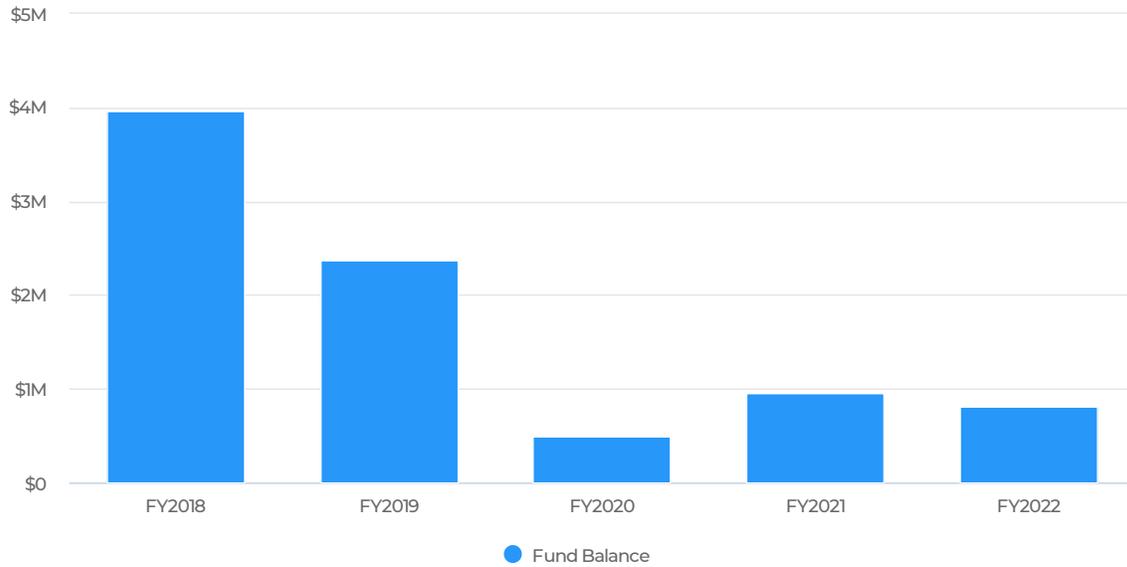

The City of Evanston is projecting \$11.68M of revenue in FY2022, which represents a 1.1% increase over the prior year. Budgeted expenditures are projected to increase by 5% or \$567.41K to \$11.82M in FY2022.

Fund Balance

The Parking Fund balance was significantly depleted in 2020 by revenue losses related to COVID-19.

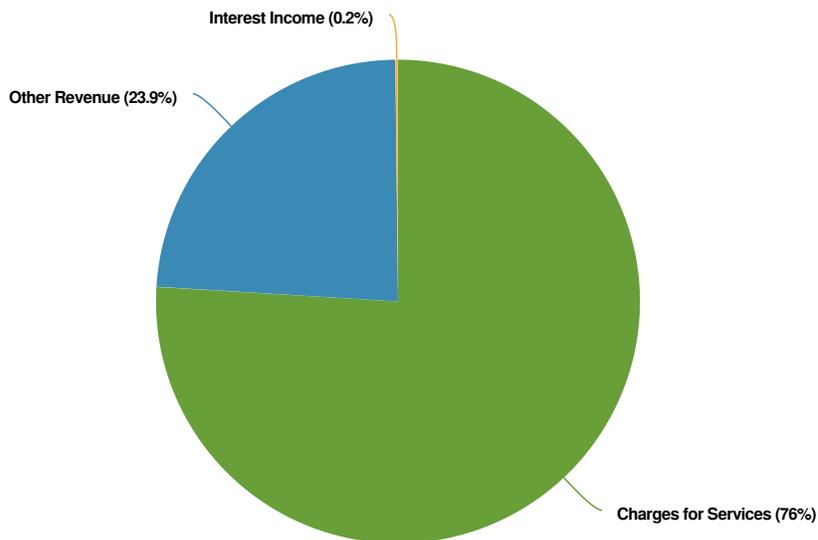

Fund Balance Projections

Revenues by Source

Parking Fund revenue is primarily from charges for services, which includes fees for City-owned lots, garages, and parking meters. For 2022, the fund is budgeted to receive \$2.3 million in funding from the American Rescue Plan (ARPA) fund in order to support capital projects and make up for lost revenue.

Water Fund

The Water Fund includes operations and capital improvements for all divisions at the Water Treatment Plant as well as the Distribution Division. The Evanston Water Treatment Plant supplies water to the City of Evanston, Village of Skokie, Village of Lincolnwood, the Northwest Water Commission (Arlington Heights, Buffalo Grove, Palatine, Wheeling, and Des Plaines) and the Morton Grove / Niles Water Commission.

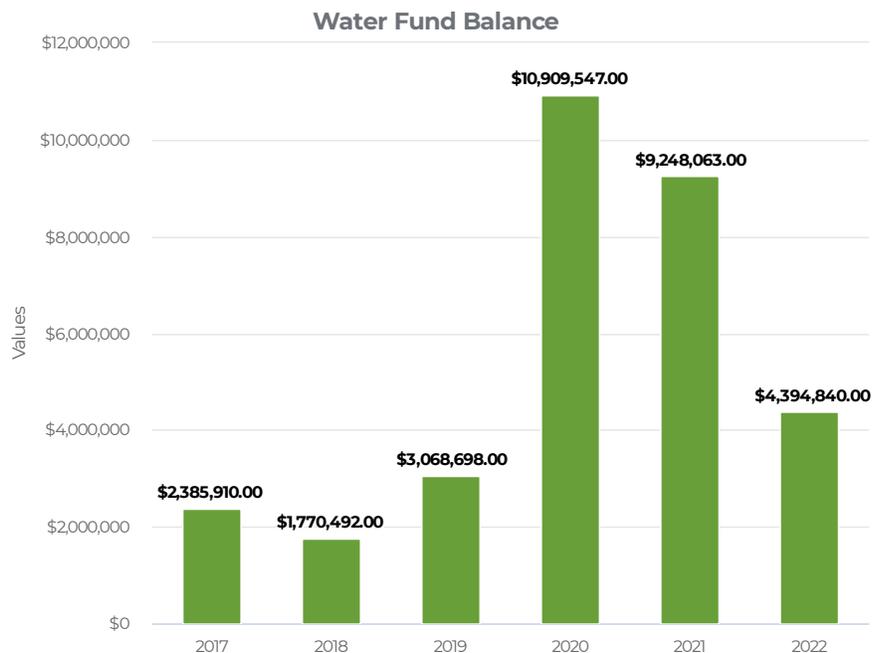

Summary

The City of Evanston is projecting \$52.28M of revenue in FY2022, which represents a 22.3% increase over the prior year. Budgeted expenditures are projected to increase by 28.6% or \$12.72M to \$57.14M in FY2022.

Increases to expenses and revenues represent major capital improvements to the water treatment plant and distribution system. These are primarily funded through low-interest IEPA loans.

Fund Balance

Operations Detail

Administration Division

The Administration Division manages the water utility workforce, coordinates operations between divisions, and oversees the Evanston Water Utility's key business processes, including water billing for our customer communities.

Pumping Division

The Pumping Division oversees the City's three lake water intakes, pumping of raw water to the start of the water treatment process, pumping treated water to retail and wholesale customers, and operation of Evanston's treated water storage facilities and remote water pumping stations. This includes monitoring and operation of water storage facilities in Skokie's water distribution system, as well as controlling the rate of supply to the Northwest Water Commission. The Pumping Division also coordinates with the Distribution Division to maintain adequate pressure in the Evanston and Skokie water distribution systems during water main shutdowns and distribution system maintenance.

Filtration Division

The Filtration Division manages the water treatment process, including chemical addition, sedimentation, filtration, and disinfection. The Filtration Division includes the City's Water Quality Lab, which monitors Evanston's drinking water for compliance with water quality regulations and completes regular reporting to the public and the Illinois Environmental Protection Agency to certify the quality of Evanston's water.

Distribution Division

The Distribution Division manages operation, maintenance, and repair of the City's water mains, valves, fire hydrants, and the City's portion of water service lines. This includes repairing water main breaks and water service leaks; and installing new valves, hydrants, and water mains to improve the operation and efficiency of Evanston's water distribution system. Annual maintenance programs administered also include water main leak detection, valve exercising, and fire hydrant testing. The Distribution Division also coordinates with the Filtration Division to perform monthly water quality sampling in buildings throughout Evanston, and administers the City's cross connection control program. These two programs ensure that water remains safe to drink after leaving the water treatment plant.

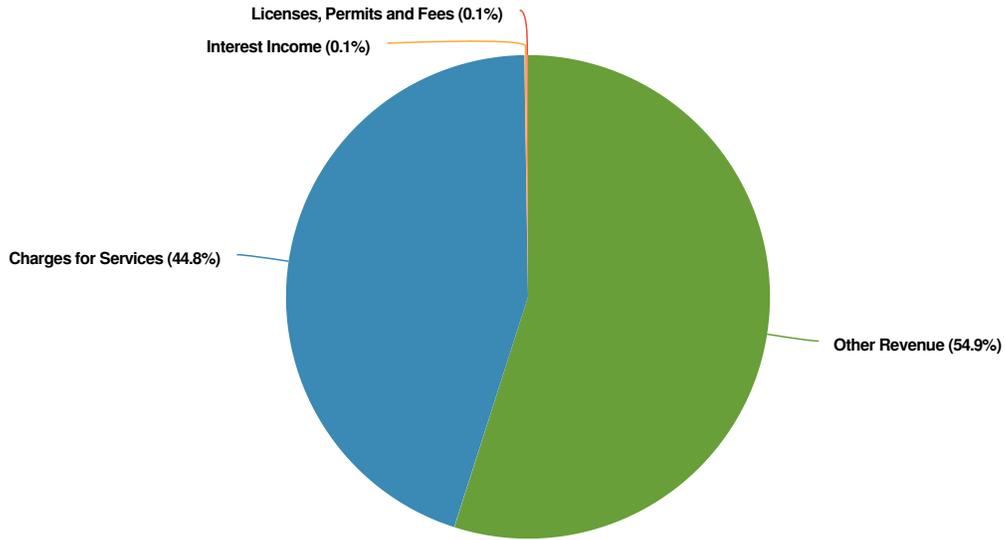

Meter Division

The Meter Division coordinates water meter reading and billing for Evanston's 14,500 retail water and sewer customers, working with the City Collector's Office to process water/sewer bill payments and cross connection control fees. The Meter Division also works with the Distribution Division to manage replacement of damaged and obsolete water meters, accuracy testing for large water meters, water service shutoff/restoration, and billing of cross connection control fees. Meter Division staff also manage the City's Advance Metering Information (AMI) system, which generates automated hourly meter reads and leak alerts for customers to help reduce water loss.

Revenues by Source

Water operations are funded through charges for water service to Evanston residents and customer communities. Capital improvements in the water fund are supported by IEPA loans and general obligation bonds, which are categorized as Other Revenue.

Projected 2022 Revenues by Source

Sewer Fund

The Sewer Fund includes operations, maintenance and capital improvements for the City's Combined, Relief, and Storm Sewer Systems. The Sewer Division manages operation, inspection, maintenance, and repair of the City's sewer mains and drainage structures (sewer manholes, catch basins, and stormwater inlets). This includes proactive programs such as sewer main and drainage structure cleaning, root cutting, and televised internal sewer main inspection; as well as responding to all reports of sewer backups and flooding. This division also inspects work done by contractors including sewer main lining and manhole rehabilitation. Sewer Division staff conduct regular inspection of sewer outfalls and other facilities throughout Evanston for compliance with the City's sewer system operating permits with the Illinois Environmental Protection Agency.

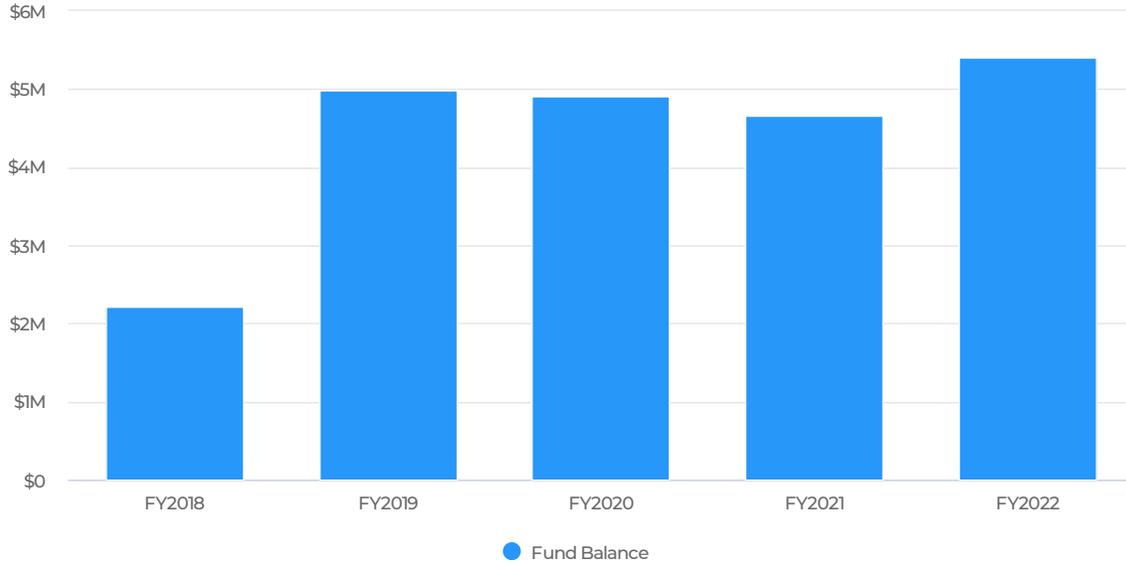

Summary

The City of Evanston is projecting \$12.14M of revenue in FY2022, which represents a 2.1% decrease over the prior year. Budgeted expenditures are projected to decrease by 9.9% or \$1.25M to \$11.39M in FY2022.

Fund Balance

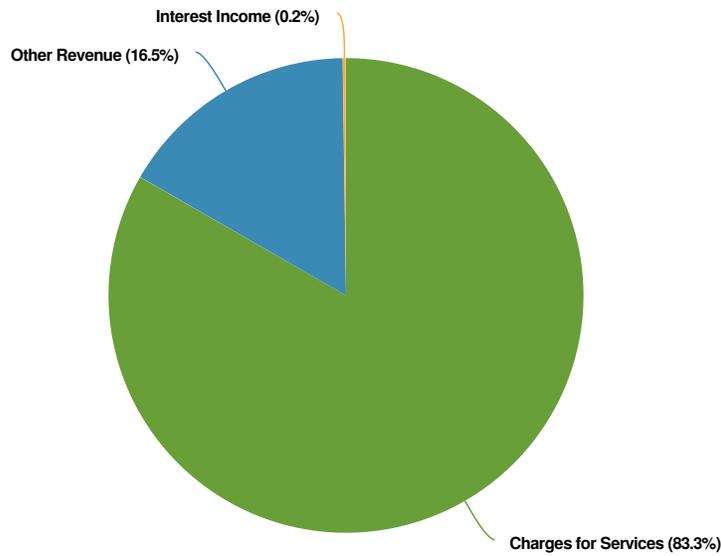

Fund Balance Projections

Revenues by Source

Revenue to the sewer fund is from charges for services, which are paid by Evanston property owners through their water bill.

Solid Waste Fund

Solid waste removal services are provided once per week to all family residences of 1-5 units. Twenty-eight routes are scheduled for a four-day work week (Monday through Thursday). Condominium buildings and cooperative apartment units are serviced twice a week by a private hauler for refuse and once a week by City staff for recycling. Apartment recycling services are provided by City staff to all apartment complexes; excluding exempt properties, businesses, and mixed use commercial properties. Operational costs for these services are funded by sanitation service fees; the Solid Waste Agency of Northern Cook County (SWANCC) provides a recycling incentive rebate based on the total tons of recycled material collected. The incentive is used to offset operational costs.

Yard waste removal service is provided once per week to all qualified residential units under the Solid Waste Fund. Yard waste collection runs from April 1st through December 15th of every year. During the fall, yard waste operations increase dramatically with the addition of leaf collection. This Fund is responsible for costs associated with yard waste removal and a portion of street cleaning leaf collection. All residential streets posted with alternate parking signs are cleaned at least twice during the leaf collection operation. This operation begins in mid-October and continues until December 15th.

Summary

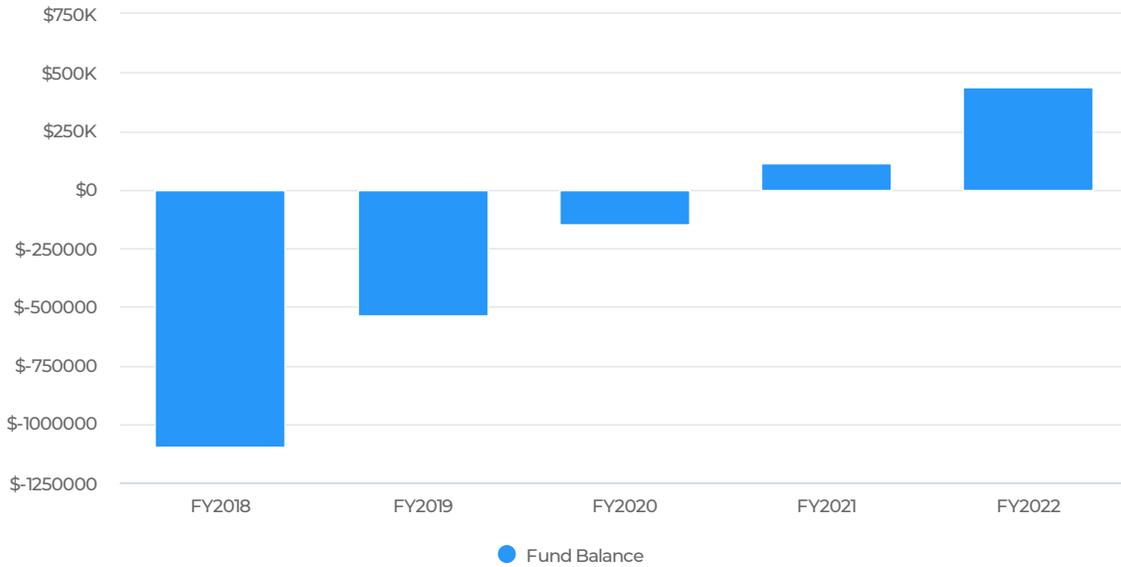

The City of Evanston is projecting \$6.27M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to decrease by 1% or \$58.02K to \$5.94M in FY2022.

Fund Balance

The fund has held a negative balance for many years, and is expected to reach a positive balance in 2021.

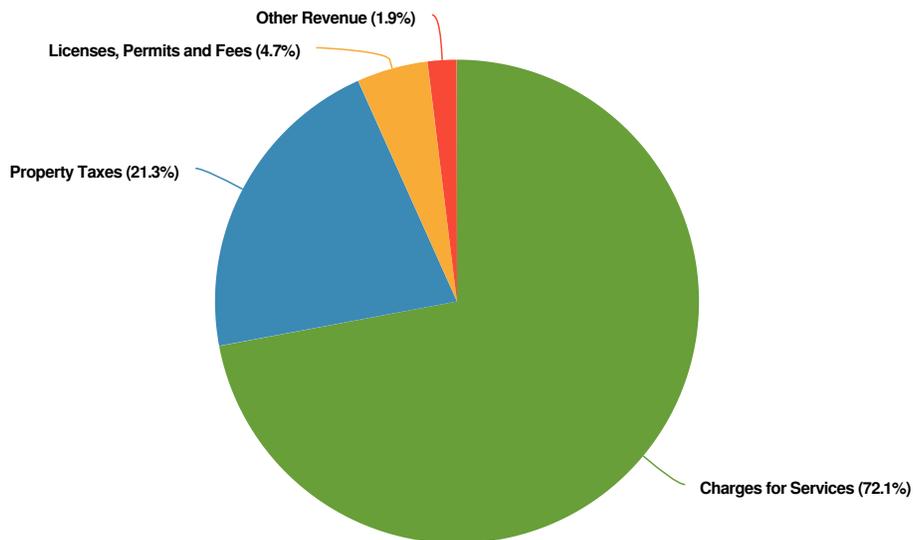

Fund Balance Projections

Revenues by Source

The Solid Waste fund is supported primarily by charges for services for trash and recycling collection. Since 2018, the fund has been receiving property tax revenue, which was increased over the course of three years instead of implementing a rate increase at that time. Solid Waste rates were increased 12% on January 1, 2021.

Fleet Maintenance Fund

Fleet Services maintains operating cost records, provides billing and chargeable data to all user City departments, develops vehicle specifications, and purchases vehicular and other equipment. In addition, Fleet Services prepares, documents, and provides disposal of surplus vehicles and equipment through auction services. Overall supervision of department personnel is provided, as is training, direction, and coordination of all activities to ensure effective and efficient operations.

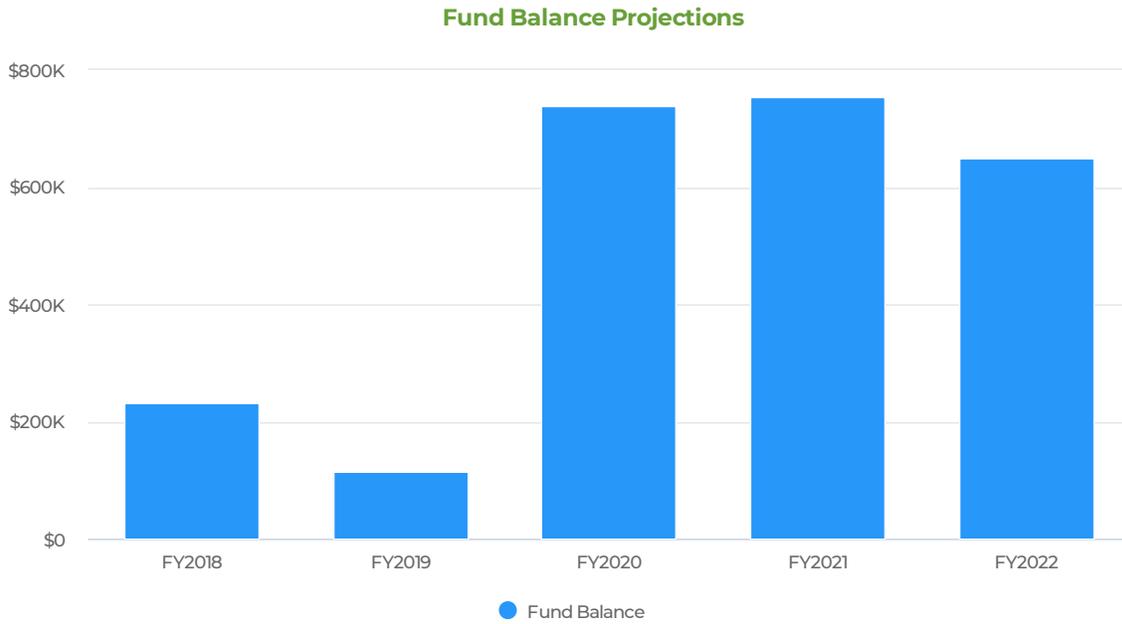

Key emphasis is placed on reducing down time, which is the amount of time a vehicle or piece of equipment is out of service for repair.

Summary

The City of Evanston is projecting \$3.2M of revenue in FY2022, which represents a 0% increase over the prior year. Budgeted expenditures are projected to increase by 3.8% or \$119.44K to \$3.3M in FY2022.

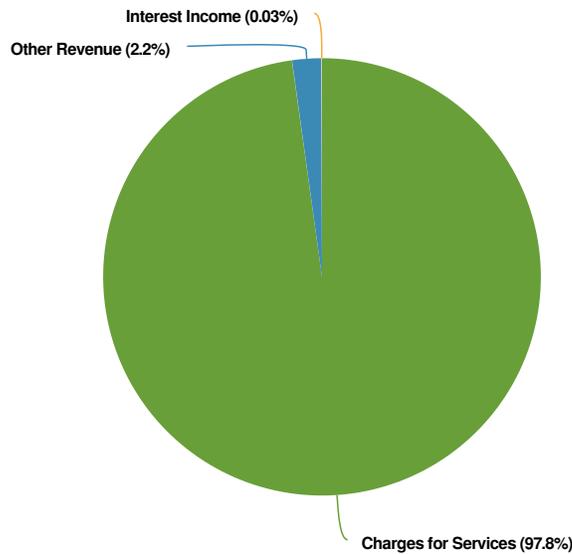

Fund Balance

Revenues by Source

Fleet maintenance is funded solely through transfers from other City funds. These are classified as Charges for Services.

Equipment Replacement

The Equipment Replacement Fund accounts for all vehicle and equipment replacement purchases, new additions to the fleet and some rental and lease activities not included in another fund as outlined in the Equipment Replacement Plan. The Equipment Replacement Fund receives revenue through transfers from the General Fund and other governmental funds. Enterprise Funds (Parking, Water, Sewer, Solid Waste) purchase equipment directly and do not transfer to the Equipment Replacement Fund.

Summary

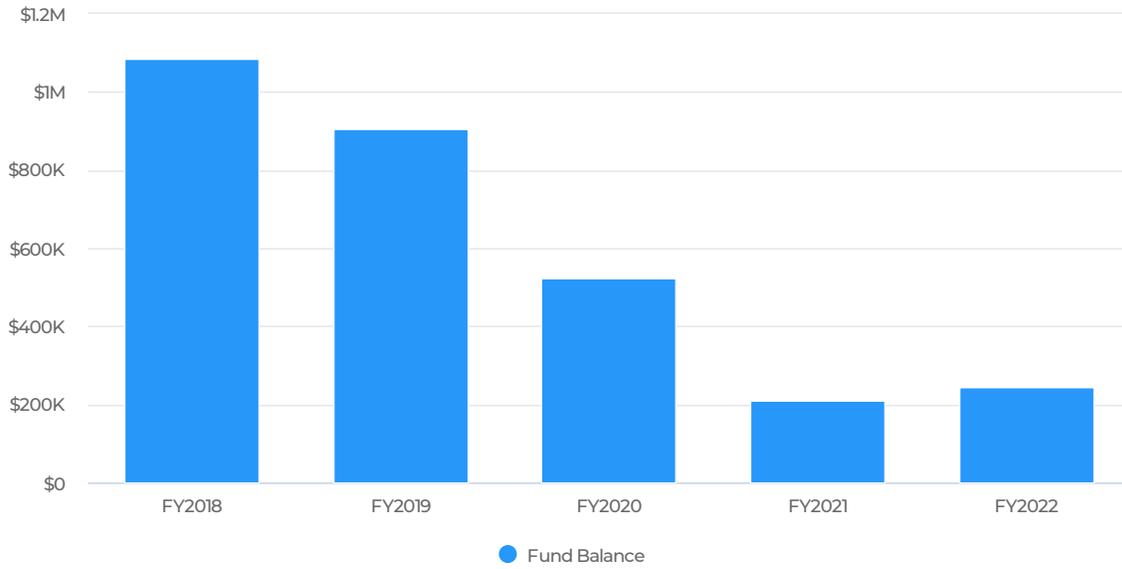

The City of Evanston is projecting \$2.04M of revenue in FY2022, which represents a 58.4% increase over the prior year. Budgeted expenditures are projected to increase by 25% or \$400K to \$2M in FY2022.

Fund Balance

The fund balance in the Equipment Replacement Fund was budgeted to be substantially spent down in 2021.

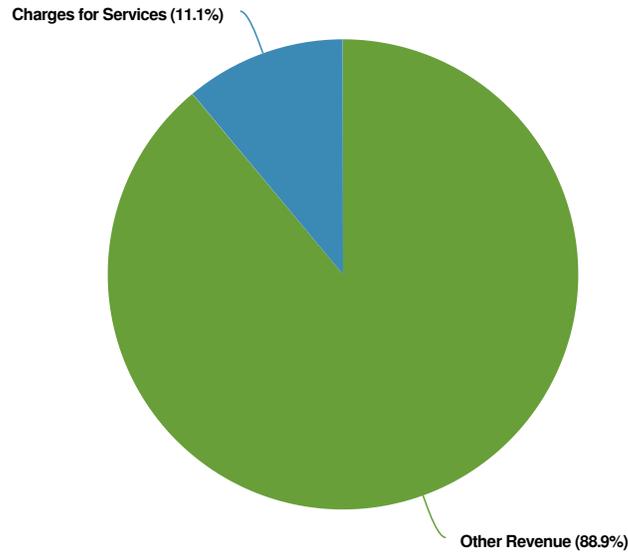

Fund Balance Projections

Revenues by Source

In the past, the Equipment Replacement Fund has been funded by a transfer from the General Fund of up to \$2 million. During the 2021 budget process, this transfer was reduced to \$220,000, with the difference made up by a reduction in expenses, use of fund balance, and bond proceeds. Once ARPA revenue to the City was confirmed, it was determined that 2021 equipment replacements should be funded through ARPA rather than bonds. The 2022 Proposed Budget includes an additional transfer of \$1.6 million for 2022 equipment replacement.

Insurance Fund

The City maintains excess liability coverage for general tort matters. The City's self-insured retention is \$1,250,000. The City also maintains insurance in the areas of property, inland marine, and paramedic. Claims are recorded when a determinable loss has been incurred, including reported losses and an estimated amount for losses incurred, but not yet reported, at year-end. The general liability claims account is administered by the Law Department. The worker's compensation account is administered by the Administrative Services Department.

Expenses in 2019 included costs for major lawsuits that will be funded over the next 3-5 years with transfers from the departments involved in the claims.

Summary

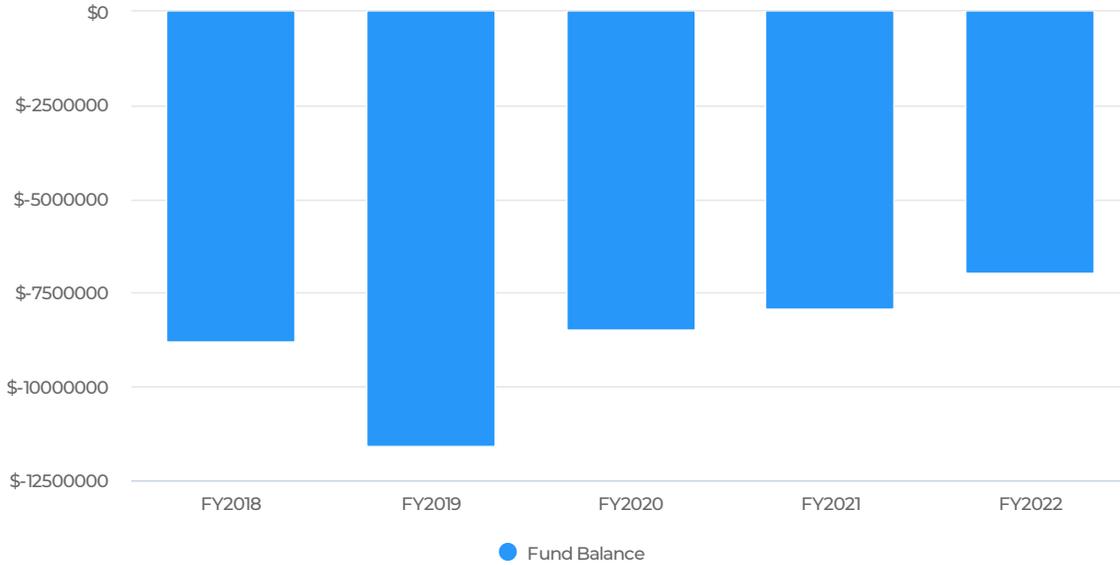

The City of Evanston is projecting \$20.9M of revenue in FY2022, which represents a 0.6% increase over the prior year. Budgeted expenditures are projected to decrease by 1.3% or \$261.74K to \$19.96M in FY2022.

Fund Balance

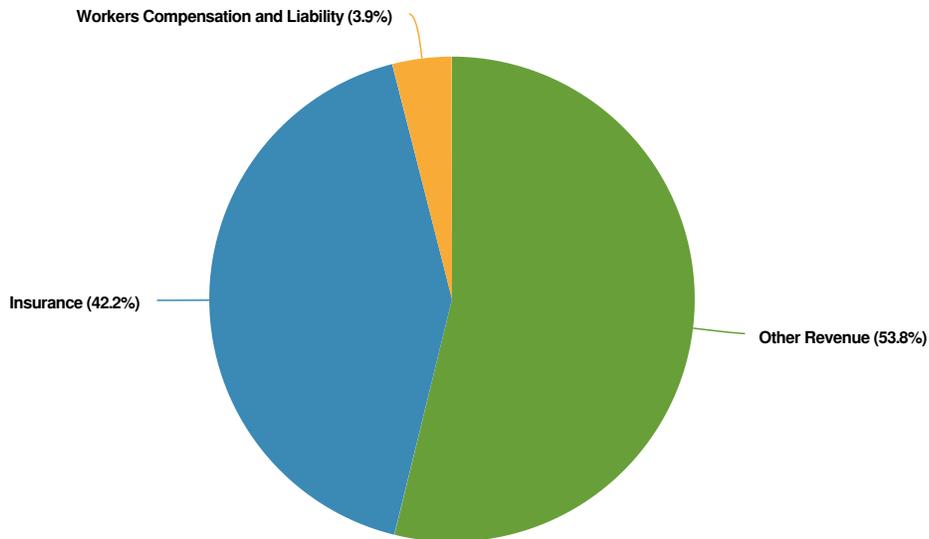

The Insurance Fund carries a negative fund balance, partly due to outstanding liability in pending litigation. Fund balance is updated at the end of each fiscal year.

Facilities Requests

Itemized Requests for 2022

Animal Shelter Renovations- Consulting Services **\$700,000**

The existing animal shelter does not comply with modern building codes or best management practices for animal welfare. It is at the end of its useful life. This project will either renovate and expand or build a new animal shelter. The City has...

Citywide Roof Repairs (locations to be determined) **\$300,000**

The City will complete a roof inspection of all city facilities in Fall 2021. This funding will go to making roofing repairs at various city facilities as recommended by the roof inspection report.

Ecology Center Improvements **\$450,000**

This project includes the following renovations at the Evanston Ecology Center: restroom renovations, RPZ relocation, improvements to mitigate ongoing issues with the main water service freezing, office reorganization and improvements.

Facilities Contingency **\$600,000**

This funding is used to address unbudgeted emergency repairs at City facilities.

Fire 1 and 3- Locker Room and Restroom Improvements **\$300,000**

Fire Stations 1 and 3 need various improvements. At Fire Station 1, these include replacement lockers and upgrade of plumbing fixtures. Work at Fire Station 3 washrooms includes addressing a safety issue where water from the showers backs up...

Noyes- HVAC Study- Consulting Services **\$200,000**

Noyes is served by a radiant heating system that is at the end of its useful life. This study is to determine the best way to replace the existing system.

Park Fieldhouses Interior/Restroom Improvements (Ackerman, Baker, Bent, Lagoon, Leahy, Lovelace) **\$300,000**

This project is to address ADA issues and needed renovations to the restrooms at park fieldhouses at miscellaneous parks including Ackerman Park, Bent Park, Baker Park, The Lagoon, Leahy, and Lovelace.

Service Center- Fuel System Replacement **\$1,500,000**

The service center fuel system is at the end of its useful life, experiencing substantial downtime and requiring frequent repairs. This project is to replace the fuel system.

Service Center- Master Plan Study **\$14,000**

The municipal service center consists of 4 main buildings built in 1980, with other miscellaneous storage buildings onsite. Since then, there have been no substantial renovations. The buildings need substantial investment to replace failing HVAC,...

Levy Center- HVAC Fan Box Replacement **\$200,000**

This is for the replacement of 4 failed fan boxes in the HVAC air distribution system at the Levy Center.

Civic Center- Consulting Services **\$113,000**

This funding is either to hire consulting services to relocate the civic center functions or to complete planning and design of needed HVAC & electrical improvements

Public Works Storage Building **\$1,100,000**

This funding is to construct a storage building at James Park in the public works storage yard. This building will provide storage for those items currently stored at the Recycling Center. The project is funded with the proceeds from City...

Total: \$5,777,000

Parking System Mgt Requests

Itemized Requests for 2022

Parking Garage- Structural Repairs (various locations)	\$400,000
---	------------------

A structural inspection of city-owned parking garages and the municipal service center outlined approximately \$1.2M in needed repairs. This project will begin implementation of the recommended repairs.

Parking Meter Upgrades	\$175,000
-------------------------------	------------------

Over time, the City of Evanston has been replacing old-style parking meters with pay boxes. The pay boxes are substantially cheaper per block and much more reliable than parking meters which are susceptible to battery failure, particularly at...

Parking Lot No. 54 (Poplar/Central)	\$350,000
--	------------------

The scope of this project is the rehabilitation of the City of Evanston-owned commuter parking lot located adjacent to the Central Street Metra Station on Poplar Street. This work will be done in conjunction with the resurfacing of Poplar to allow...

Parking Lot Seal Coating (various)	\$100,000
---	------------------

This funding is proposed to be used to seal coat City of Evanston parking lots to extend the useful life of the pavement.

Total: \$1,025,000

Transportation Requests

Itemized Requests for 2022

CTA Bus Stop at Oakton/Hartrey

\$5,000

A financial contribution from the developer of the carwash at 2425 Oakton is proposed to be used to provide a concrete bus pad for the CTA bus stop on the south side of Oakton at Hartrey. This pad will provide better accessibility for mass-transit...

Fiber Optic System Updates

\$750,000

In the early 2000's the City of Evanston and Northwestern University collaborated to install a fiber network throughout the City. As the number of City facilities connected to the fiber network have increased, it has taxed the network, which...

Lake Street Viaduct Lighting

\$75,000

The developer at 1500 Sherman has made a contribution for improvements at the Lake Street Viaducts. This funding is being utilized to replace the existing deteriorated lighting with improved lighting in compliance with the Streetlight Master Plan...

Church/Dodge Lighting Modernization

\$215,000

This project will modernize the lighting in the Church/Dodge business district and provide plug-in fixtures for business-district specific decor.

General Phase I Engineering

\$70,000

This funding is used to contract for survey and geotechnical investigations for projects that will not be funded until 2023. It is necessary to collect this information in advance during 2022 in order that staff has this information to complete...

Alley Improvement - CDBG - N. of Emerson, E. of Hartrey

\$390,000

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement - Special Assessment - N. of Grant, E. of Hastings

\$300,000

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement -TIF - N. of Washington, E. of Sherman

\$310,000

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement - WTS - N. of Lyons, E. of Darrow

\$390,000

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Pavement Marking

\$210,000

The scope of this project is to refresh pavement markings on streets and in Evanston-owned parking lots. Markings are refreshed on a five year cycle, so approximately 1/5 of the City is updated each year.

Streetlight Pole and Fixture Replacement

\$125,000

This funding is provided to replace failed poles and fixtures. New poles/fixtures are installed in compliance with the Streetlight Master Plan. \$50k could be placed in General Fund Operating for induction lighting unit repairs

Streetlight LED Conversion

\$50,000

This funding is provided to modernize streetlight fixtures to LED in compliance with the Streetlight Master Plan.

Street Patching Program

\$700,000

The scope of this project is to repair deteriorating streets with large patches constructed of hot mix asphalt. This provides the street with a smooth drivable surface while preventing further damage to the road base. On streets not experiencing...

Street Rejuvenation	\$30,000
This scope of this project is to apply an asphalt-based coating called "Reclamite" to street pavement. Reclamite penetrates the surface and rejuvenates the lost asphalt binder that occurs through oxidation. It also helps reduce surface...	
Sidewalk Workforce Development Program	\$250,000
This funding is provided to create a workforce development program related to sidewalk construction.	
Traffic Calming, Bicycle and Pedestrian Improvements	\$200,000
This funding is provided to install localized traffic calming and other safety improvements for bicycles and pedestrians. Typical improvements include speed humps and bumps, crosswalks, speed radar signs, lighting upgrades, signage and small...	
Bus Stop ADA Improvements	\$30,000
The City of Evanston is anticipating to receive an Access to Transit grant from the Regional Transit Authority and the Chicago Metropolitan Agency for Planning. The grant is \$240,000 from CMAP, and includes matching funds of \$30,000 from RTA and...	
Bridge Inspection	\$40,000
The City of Evanston is required by IDOT to provide bridge inspection of all CTA bridges and City-owned bridges spanning the North Shore Channel. Bridges are inspected on a multi-year cycle so that only some of the bridges are inspected each year.	
Alley Improvement - Special Assessment - Location TBD	\$350,000
The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...	
Sidewalk Gap Infill/Streetlight Improvements	\$350,000
This funding is to install sidewalk where there are gaps of missing sidewalk within the city's sidewalk network. Staff will also evaluate if there are any streetlight improvements needed in these locations prior to the design and construction...	
Sidewalk Improvement Program	\$850,000
This project replaces the previous 50/50 sidewalk program. Instead, the city will replace deteriorated sidewalk squares with no cost share from adjacent property owners, addressing the highest priority locations first. TIF funds are from the West...	
Central Street Bridge	\$500,000
This funding is for the rebuilding and widening of the Central Street Bridge over the North Shore Canal. This project, which began construction in 2021, is funded by a federal grant from the Surface Transportation Program for Bridges, which...	
Ridge Avenue Intersection Improvements	\$316,000
The Ridge Avenue Corridor is a major north-south arterial that carries not only local traffic but also traffic commuting through Evanston from other North Shore communities to the City of Chicago. There are concerns at the signalized intersections...	
Total: \$6,506,000	

Parks And Recreation Requests

Itemized Requests for 2022

Tennis Court Resurfacing- James, Robert Crown, Bent, Burnham Shores **\$500,000**

This funding is to resurface and color coat tennis courts at James Park, Crown Park, Bent Park and Burnham Shores.

Chandler Tot Lot- Playground **\$300,000**

The playground equipment and safety surfacing at the Chandler Tot Lot playground is near the end of its useful life. The City had a previous agreement with NorthShore University Health Systems to build the original playground in exchange for the...

Dog Park Installation **\$110,000**

This funding is for the establishment of a new dog park on existing City property. The location of this park is to be determined. \$85,000 funding is from Good Neighbor Funds.

Larimer Park Improvements- Consulting Services **\$100,000**

Larimer Park has a picnic shelter, basketball court and playground equipment that is at the end of its useful life and out of compliance with modern standards. In 2022, the scope of this project is to complete public engagement and design for...

Fountain Square- Panel Update **\$25,000**

This funding is to update one of the glass panels on the Veteran's Memorial at Fountain Square in order to add names to those being memorialized.

Parks Contingency **\$100,000**

This funding is used to address unbudgeted emergency repairs at City parks.

Park Sign Replacement **\$75,000**

This funding will be used to update park signs at various locations to the current City standard park sign.

Picnic Shelter Electrification at Twiggs Park and Butler Park- Consulting Services **\$20,000**

The scope of this project is to provide electricity to support City programming such as summer camps at picnic shelters in Twiggs Park and Bent Park. This requires us to run a completely new circuit to the shelters. This will allow park...

Picnic Shelter Electrification at Twiggs Park and Butler Park **\$100,000**

The scope of this project is to provide electricity to support City programming such as summer camps at picnic shelters in Twiggs Park and Bent Park. This requires us to run a completely new circuit to the shelters. This will allow park...

Raymond Park Improvements **\$50,000**

This funding is public benefits contribution from a planned unit development. The funding will be used to replace the preschool playground structure which is at the end of its useful life. Other amenities, such as park benches, will also be updated.

Skate Park **\$1,360,000**

The purpose of this funding is to build a new skate park at Twiggs Park off of Ashland Avenue.

Shoreline Stabilization at Elliot Park and Greenwood Beach- Consulting Services **\$300,000**

Increased severe storm events combined with high Lake Michigan lake levels have caused shoreline erosion and deterioration of the rock revetment wall along the Lake Michigan shoreline. The scope of work for this project includes hiring a coastal...

Tallmadge Park- Athletic Field Renovations- Consulting Services **\$100,000**

Tallmadge Park is used as a soccer field, but the field has been hard to maintain and the quality of the playing surfacing has been inconsistent. The purpose of this funding is complete planning and design services for irrigation and drainage to...

James Park- Fencing **\$100,000**

This funding is to complete the fencing around the Public Works Storage Yard in the southwest corner of James Park.

Beck Park Expansion/Shore School **\$150,000**

In 2018, the City of Evanston leased the old Shore School site from MWRD with the purpose of extending Beck Park down to Dempster. The scope of this project is to add amenities to the new area, and make limited improvements to the existing Beck..

James Park- Field Lighting **\$600,000**

The purpose of this project is to add athletic field lighting to the northernmost baseball/soccer field at James Park. Construction is anticipated in Spring 2022.

Fence Replacement- Various Parks **\$100,000**

The City has many parks that are fenced, including Lovelace, the canal parks and others. In many locations, fences need to be replaced.

Mason Park/Davis St Extension **\$130,000**

The purpose of the 2022 study is to complete concept planning for an east-west pedestrian-bicycle pathway through the old Mayfair Railroad right-of-way at Davis Street. The study will investigate removing the railroad embankment adjacent to Mason...

Parks Strategic Master Plan- Consulting Services **\$130,000**

-

Total: \$4,350,000

Water Production Requests

Itemized Requests for 2022

Distribution System- Retail Water Meter Phase II and MIU **\$2,100,000**

This funding is to replace residential retail water meters that are at the end of their useful life. This is the 2nd of 3 phases. Dist Sys - Retail Water Meter MIU Replacement Program This funding is to replace the meter information unit...

WTP - 36"/42 Intake Replacement - Eng Svcs Const **\$500,000**

This project will replace the existing 36"/42" intake with a new 60" intake. The existing intake is over 100 years old, and the capacity has substantially decreased over time. Completion of this project is necessary so that the...

WTP - 36"/42 Intake Replacement - Construction **\$7,210,000**

This project will replace the existing 36"/42" intake with a new 60" intake. The existing intake is over 100 years old, and the capacity has substantially decreased over time. Completion of this project is necessary so that the...

WTP - Electrical Reliability Improvements **\$400,000**

Replacement of the outdated medium voltage switchgear and generator needed to provide emergency backup power at the Evanston Water Utility.

WTP - Corrosion Control Study **\$600,000**

This study will investigate the optimum chemical addition and dosages for corrosion control through laboratory and on-site testing. Completion of this study is mandated by the Illinois Environmental Protection Agency and is necessary for...

WTP - Standpipe Pumping Reliability - Eng Svcs **\$120,000**

The scope of this project is to make pumping and mixing improvements at the North and South Standpipes to improve water quality in the distribution system to better meet regulatory requirements.

WTP - Standpipe Pumping Reliability - Construction **\$200,000**

The scope of this project is to make pumping and mixing improvements at the North and South Standpipes to improve water quality in the distribution system to better meet regulatory requirements.

WTP - East Filter Safety Rails - Engineering **\$30,000**

This improvement is to install handrails around the open filter beds to improve safety for the operation and maintenance workers.

WTP - Security - First Floor Windows - Engineering **\$30,000**

This project will increase the security for the water treatment plant by replacing the ground level windows with security glass. This was a recommendation of the Risk Assessment completed in 2019.

WTP - Security - Entrance Way Study **\$30,000**

This project will improve site security and public access to the administration offices at the Evanston Water Utility.

WTP - SCADA System Server Upgrades **\$200,000**

This is to upgrade and replace the hardware and software of the outdated Supervisory Control and Data Acquisition (SCADA) system installed in 2010.

WTP - Administration Building Roof Top HVAC Unit - Engineering **\$10,000**

This funding is to replace the failing HVAC unit that serves the Water Utility administration offices. The new unit will save energy by being a very high efficiency unit. This funding is for the construction engineering services.

WTP - Administration Building Roof Top HVAC Unit - Construction **\$575,000**

This funding is to replace the failing HVAC unit that serves the Water Utility administration offices. The new unit will save energy by being a very high efficiency unit. This funding is for construction.

WTP - Shoreline Restoration	\$135,000
Due to high Lake Michigan water levels and an increase in severe storms, the Evanston Water Utility is seeing increased damage from shoreline erosion. This could threaten water storage and pumping facilities if it is not abated and impact the...	
WTP - Security - Electronic Access Control	\$40,000
This is to implement a new electronic access control for exterior and interior access at the Evanston Water Utility.	
WTP - Filtration Headhouse Improvements - Construction	\$850,000
The scope of this project includes structural, tuckpointing and roofing repairs at the Filtration Headhouse, which is a historic landmark building.	
Water Main- Dewey, Oakton to Kirk	\$426,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Eastwood, Isabella to Livingston	\$539,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Ewing, Grant to Payne	\$518,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Forestview, Payne to Colfax	\$1,008,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Lincoln, Ashland to Green Bay	\$551,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Dempster, Hartrey to Dodge	\$320,000
This project includes water main replacement, lead service line replacement and street resurfacing. Located in the West Evanston TIF.	
WTP - Security Improvements	\$100,000
This is for miscellaneous water plant security improvements to address issues identified by the Risk Assessment completed in 2019.	
Water Main - Isabella, Bryant to N. Shore Channel	\$225,000
This project includes water main replacement, lead service line replacement and street resurfacing. Resources from Water Fund through bonds.	
Small Dia Water Main Lining (Private Easements)	\$1,300,000
This project will complete lining of smaller diameter water main owned by the City but located on private easements. Located in the Chicago-Main TIF.	
Water Main- Emerson, Leland to Hartrey	\$609,000
This project includes water main replacement, lead service line replacement and street resurfacing. The Water Fund contribution is through bonds.	

30" Transmission Main**\$12,100,000**

The downtown transmission feeder main is an 8,000-foot long 30-inch diameter pipeline that is a critical part of the City-wide water transmission network and also serves as the primary water supply for downtown Evanston. The cast iron pipeline was...

Dist Sys - Lead Service Replacement Pilot**\$5,340,000**

This scope of work for this project is the replacement of lead services located on private property where the portion of lead services on public right-of-way has already been replaced on a previous construction project. This has not been...

Lead Service Line Replacement on Water Main Replacement**\$1,456,000**

This budget line item provides funding for lead service line replacement on private property for the 2022 water main replacement program, which is mandated by State of Illinois law. Grant Funding is assumed for outyears.

Total: \$37,522,000

Sewer Improvements Requests

Itemized Requests for 2022

Sewer - CIPP Rehabilitation **\$725,000**

This funding is provide to rehabilitate small diameter sewers with a structural fiberglass lining through a Cured-In-Place Pipe (CIPP) lining process. Sewers located on streets planned for water main construction and/street resurfacing are...

Sewer- Emergency Sewer Repairs **\$75,000**

This funding is provided to complete emergency sewer repairs in the City of Evanston.

Sewer- Repairs on Street Improvements **\$200,000**

This funding is provided to repair and/or adjust sewer infrastructure on streets planned for water main construction or street resurfacing.

Sewer- Sewer Extension for Alley Improvements **\$150,000**

This funding is to extend the relief and/or stormwater sewer on alleys planned for improvement to reduce the amount of stormwater entering the combined sewer system.

Sewer- Sewer Extension for Fleetwood Jourdain **\$300,000**

This project is being completed to provide a separate storm sewer for rainwater collected at the Fleetwood-Jourdain Community Center. The Center has a long-term issue with stormwater overwhelming the sewer service and backing up into the center,...

Sewer- Drainage Structure Lining **\$175,000**

The scope of work for this project is insert a liner into drainage structures that have been identified as deteriorated and/or in danger of collapsing. The inserted liner stabilizes the structure and significantly extends the life of the structure.

Sewer- Davis St Alley Repair **\$150,000**

The scope of this project is to replace a section of collapsing sewer that is located in the alley south of Davis Street at Benson (east of the CTA tracks). The sewer is located partially under the embankment for the CTA tracks and the narrow...

Sewer- Grit Separator **\$200,000**

This funding is for the purchase of a grit separator which will be installed into the storm sewer system at the Evanston Water Utility by in-house staff. Grit separators are used to remove trash and oil from stormwater runoff to keep it from...

Sewer- Porous Pavement Repair **\$60,000**

This funding is to replace permeable pavement which has failed in various locations around the City. Under this project, permeable concrete will be replaced with paver blocks in order preserve the pavement's intended use of the infiltration of...

Sewer - Large Dia Rehab - Greenleaf **\$2,000,000**

The work to be performed under this proposed project will rehabilitate approximately 3,380 feet of large diameter sewer main using the Cured-In-Place Pipe lining method. The sewer main is located along Greenleaf Street between Dewey Avenue and...

Sewer - Small Dia Rehab - Chicago Main TIF **\$225,000**

This funding is to use the CIPP lining process to rehabilitate small diameter sewers within the geographic area of the Chicago Main TIF.

Sewer- Stormwater Master Plan Improvements **\$525,000**

This funding is to fund projects that are recommended as part of the Stormwater Master Plan.

Total: \$4,785,000

Street Maintenance Requests

Itemized Requests for 2022

Street Resurfacing- Elm, Lincoln to Central	\$158,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Florence, Cleveland to Monroe	\$69,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Grant, Ridge to Asbury	\$214,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Greenleaf, Chicago to Sheridan	\$444,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Harrison, Elm to McDaniel	\$77,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Harrison, Green Bay to Prairie	\$118,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- McDaniel, Lee to South Dead End	\$62,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Madison, Wesley to Florence	\$134,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Mulford, Asbury to Barton	\$88,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Poplar, South End (south of Colfax) to Livingston	\$550,000
This project includes street resurfacing and curb repairs. Includes \$50,000 for lighting improvements.	
Church St Corridor Improvement	\$300,000
The project includes pedestrian and bicycle safety improvements to the Church Street corridor, which provides critical access to the Evanston Township High School. The project also includes the creation of a north-south bike route on the west edge..	
Green Bay Road, McCormick to Isabella	\$690,000
This project includes streetscape and roadway improvements on Green Bay Road from McCormick to Isabella. It will provide significant safety enhancements to pedestrians and mass-transit users. FY23 Water Main FY24 Streetscape	
Main Street, Hartrey to Asbury	\$200,000
This project includes pedestrian safety improvements on Main Street, Hartrey to Asbury, street resurfacing and intersection improvements at Main/Dodge and at Main/Asbury	
Main Street, Maple to Hinman	\$187,000
Placeholder	
Total: \$3,291,000	

Library Requests

Itemized Requests for 2022

HVAC Upgrades **\$510,000**

Replace house heating boilers. Replace combustion air unit (make-up air unit) for boiler room. Upgrade main building circulation fans and controls. Funding consists of \$485,000 from 2022 Bonds and \$25,000 from the Library Fund.

Fire Protection System Upgrades **\$170,000**

- Funded with \$170,000 from the Library Fund.

Total: \$680,000

Capital Planning & Engineering Requests

Itemized Requests for 2022

Greenspace Management Plan- Consulting Services **\$75,000**

This study will provide documentation of the different City-owned greenspaces and will provide a management plan by location in order to better preserve the overall quality of the spaces.

Capital Fund Financial Model- Consulting Services **\$50,000**

This funding is to develop a cost model to project out long-term expenditures for better management of general obligation debt.

Public Art **\$30,000**

This funding is provided to invest in artwork in City facilities and parks. It is managed by the Evanston Arts Council.

Public Art- Fountain Square **\$50,000**

This scope of this project is to select and install artwork at Fountain Square in downtown Evanston. This project is funded with \$50,000 from the 1500 Sherman PUD (103-O-18).

Public Works Truck Radio System **\$50,000**

This funding will support the installation of a radio system in public works vehicles. This is critical to improve operations and provide reliability of communications during emergency operations.

Lighting Modernization at City Facilities and Parks **\$50,000**

This funding is provide to replace existing light fixtures at City facilities and parks with new LED fixtures compliant with the Streetlight Master Plan and CARP.

CARP Implementation **\$80,000**

This funding is provided to complete studies and other contracts necessary to support the work of CARP implementation. Funding for the project was converted from 2021 funding for Zero Emission Study and Renewable Energy Project Support.

Total: \$385,000

Facilities Requests

Itemized Requests for 2022-2027

Animal Shelter Renovations- Consulting Services **\$700,000**

The existing animal shelter does not comply with modern building codes or best management practices for animal welfare. It is at the end of its useful life. This project will either renovate and expand or build a new animal shelter. The City has...

Citywide Roof Repairs (locations to be determined) **\$1,500,000**

The City will complete a roof inspection of all city facilities in Fall 2021. This funding will go to making roofing repairs at various city facilities as recommended by the roof inspection report.

Ecology Center Improvements **\$450,000**

This project includes the following renovations at the Evanston Ecology Center: restroom renovations, RPZ relocation, improvements to mitigate ongoing issues with the main water service freezing, office reorganization and improvements.

Facilities Contingency **\$3,100,000**

This funding is used to address unbudgeted emergency repairs at City facilities.

Fire 1 and 3- Locker Room and Restroom Improvements **\$300,000**

Fire Stations 1 and 3 need various improvements. At Fire Station 1, these include replacement lockers and upgrade of plumbing fixtures. Work at Fire Station 3 washrooms includes addressing a safety issue where water from the showers backs up...

Noyes- HVAC Study- Consulting Services **\$200,000**

Noyes is served by a radiant heating system that is at the end of its useful life. This study is to determine the best way to replace the existing system.

Park Fieldhouses Interior/Restroom Improvements (Ackerman, Baker, Bent, Lagoon, Leahy, Lovelace) **\$300,000**

This project is to address ADA issues and needed renovations to the restrooms at park fieldhouses at miscellaneous parks including Ackerman Park, Bent Park, Baker Park, The Lagoon, Leahy, and Lovelace.

Service Center- Fuel System Replacement **\$1,500,000**

The service center fuel system is at the end of its useful life, experiencing substantial downtime and requiring frequent repairs. This project is to replace the fuel system.

Service Center- Master Plan Study **\$14,000**

The municipal service center consists of 4 main buildings built in 1980, with other miscellaneous storage buildings onsite. Since then, there have been no substantial renovations. The buildings need substantial investment to replace failing HVAC,...

ADA Transition Plan **\$300,000**

This project includes the completion of a self-evaluation of City programs, services and facilities for compliance with the ADA laws and requirements. In addition, a plan to bring the City into compliance will be developed. Completion of this plan...

Levy Center- HVAC Fan Box Replacement **\$200,000**

This is for the replacement of 4 failed fan boxes in the HVAC air distribution system at the Levy Center.

Service Center - Vehicle Charging Stations **\$200,000**

Parking System Mgt Requests

Itemized Requests for 2022-2027

Parking Garage- Structural Repairs (various locations) **\$1,300,000**

A structural inspection of city-owned parking garages and the municipal service center outlined approximately \$1.2M in needed repairs. This project will begin implementation of the recommended repairs.

Parking Meter Upgrades **\$175,000**

Over time, the City of Evanston has been replacing old-style parking meters with pay boxes. The pay boxes are substantially cheaper per block and much more reliable than parking meters which are susceptible to battery failure, particularly at...

Parking Lot No. 54 (Poplar/Central) **\$350,000**

The scope of this project is the rehabilitation of the City of Evanston-owned commuter parking lot located adjacent to the Central Street Metra Station on Poplar Street. This work will be done in conjunction with the resurfacing of Poplar to allow...

Parking Lot Seal Coating (various) **\$100,000**

This funding is proposed to be used to seal coat City of Evanston parking lots to extend the useful life of the pavement.

Transportation Requests

Itemized Requests for 2022-2027

CTA Bus Stop at Oakton/Hartrey **\$5,000**

A financial contribution from the developer of the carwash at 2425 Oakton is proposed to be used to provide a concrete bus pad for the CTA bus stop on the south side of Oakton at Hartrey. This pad will provide better accessibility for mass-transit...

Fiber Optic System Updates **\$2,750,000**

In the early 2000's the City of Evanston and Northwestern University collaborated to install a fiber network throughout the City. As the number of City facilities connected to the fiber network have increased, it has taxed the network, which...

Lake Street Viaduct Lighting **\$75,000**

The developer at 1500 Sherman has made a contribution for improvements at the Lake Street Viaducts. This funding is being utilized to replace the existing deteriorated lighting with improved lighting in compliance with the Streetlight Master Plan...

Church/Dodge Lighting Modernization **\$215,000**

This project will modernize the lighting in the Church/Dodge business district and provide plug-in fixtures for business-district specific decor.

General Phase I Engineering **\$390,000**

This funding is used to contract for survey and geotechnical investigations for projects that will not be funded until 2023. It is necessary to collect this information in advance during 2022 in order that staff has this information to complete...

Alley Improvement - CDBG - N. of Emerson, E. of Hartrey **\$390,000**

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement - Special Assessment - N. of Grant, E. of Hastings **\$300,000**

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement -TIF - N. of Washington, E. of Sherman **\$310,000**

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Alley Improvement - WTS - N. of Lyons, E. of Darrow **\$390,000**

The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...

Pavement Marking **\$860,000**

The scope of this project is to refresh pavement markings on streets and in Evanston-owned parking lots. Markings are refreshed on a five year cycle, so approximately 1/5 of the City is updated each year.

Streetlight Pole and Fixture Replacement **\$635,000**

This funding is provided to replace failed poles and fixtures. New poles/fixtures are installed in compliance with the Streetlight Master Plan. \$50k could be placed in General Fund Operating for induction lighting unit repairs

Streetlight LED Conversion **\$250,000**

This funding is provided to modernize streetlight fixtures to LED in compliance with the Streetlight Master Plan.

Street Patching Program **\$3,500,000**

The scope of this project is to repair deteriorating streets with large patches constructed of hot mix asphalt. This provides the street with a smooth drivable surface while preventing further damage to the road base. On streets not experiencing...

Street Rejuvenation	\$230,000
This scope of this project is to apply an asphalt-based coating called "Reclamite" to street pavement. Reclamite penetrates the surface and rejuvenates the lost asphalt binder that occurs through oxidation. It also helps reduce surface...	
Sidewalk Workforce Development Program	\$250,000
This funding is provided to create a workforce development program related to sidewalk construction.	
Traffic Calming, Bicycle and Pedestrian Improvements	\$1,630,000
This funding is provided to install localized traffic calming and other safety improvements for bicycles and pedestrians. Typical improvements include speed humps and bumps, crosswalks, speed radar signs, lighting upgrades, signage and small...	
Bus Stop ADA Improvements	\$300,000
The City of Evanston is anticipating to receive an Access to Transit grant from the Regional Transit Authority and the Chicago Metropolitan Agency for Planning. The grant is \$240,000 from CMAP, and includes matching funds of \$30,000 from RTA and...	
Bridge Inspection	\$200,000
The City of Evanston is required by IDOT to provide bridge inspection of all CTA bridges and City-owned bridges spanning the North Shore Channel. Bridges are inspected on a multi-year cycle so that only some of the bridges are inspected each year.	
Traffic Signal - Future	\$4,000,000
Placeholder	
Ridge Avenue Signal Retiming	\$70,000

Alley Improvement - CDBG - Location TBD	\$2,000,000
The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...	
Alley Improvement - Special Assessment - Location TBD	\$2,750,000
The scope of this project is to replace a dirt/gravel alley with a concrete alley with a drainage system. In areas where the soils are appropriate, green infrastructure for stormwater management is incorporated into the alley as part of the design...	
Sidewalk Gap Infill/Streetlight Improvements	\$6,200,000
This funding is to install sidewalk where there are gaps of missing sidewalk within the city's sidewalk network. Staff will also evaluate if there are any streetlight improvements needed in these locations prior to the design and construction...	
Sidewalk Improvement Program	\$4,400,000
This project replaces the previous 50/50 sidewalk program. Instead, the city will replace deteriorated sidewalk squares with no cost share from adjacent property owners, addressing the highest priority locations first. TIF funds are from the West...	
Central Street Bridge	\$500,000
This funding is for the rebuilding and widening of the Central Street Bridge over the North Shore Canal. This project, which began construction in 2021, is funded by a federal grant from the Surface Transportation Program for Bridges, which...	
Lincoln Street Bridge	\$6,480,000
Placeholder Funding is from the federal Surface Transportation Program Bridge Program (STP-BR).	
Ridge Avenue Intersection Improvements	\$316,000
The Ridge Avenue Corridor is a major north-south arterial that carries not only local traffic but also traffic commuting through Evanston from other North Shore communities to the City of Chicago. There are concerns at the signalized intersections...	
Total: \$39,396,000	

Parks And Recreation Requests

Itemized Requests for 2022-2027

Tennis Court Resurfacing- James, Robert Crown, Bent, Burnham Shores **\$500,000**

This funding is to resurface and color coat tennis courts at James Park, Crown Park, Bent Park and Burnham Shores.

Chandler Tot Lot- Playground **\$300,000**

The playground equipment and safety surfacing at the Chandler Tot Lot playground is near the end of its useful life. The City had a previous agreement with NorthShore University Health Systems to build the original playground in exchange for the...

Dog Park Installation **\$110,000**

This funding is for the establishment of a new dog park on existing City property. The location of this park is to be determined. \$85,000 funding is from Good Neighbor Funds.

Larimer Park Improvements- Consulting Services **\$100,000**

Larimer Park has a picnic shelter, basketball court and playground equipment that is at the end of it's useful life and out of compliance with modern standards. In 2022, the scope of this project is to complete public engagement and design for...

Fountain Square- Panel Update **\$25,000**

This funding is to update one of the glass panels on the Veteran's Memorial at Fountain Square in order to add names to those being memorialized.

Parks Contingency **\$400,000**

This funding is used to address unbudgeted emergency repairs at City parks.

Park Sign Replacement **\$75,000**

This funding will be used to update park signs at various locations to the current City standard park sign.

Picnic Shelter Electrification at Twiggs Park and Butler Park- Consulting Services **\$20,000**

The scope of this project is to provide electricity to support City programming such as summer camps at picnic shelters in Twiggs Park and Bent Park. This requires us to run a completely new circuit to the shelters. This will allow park...

Picnic Shelter Electrification at Twiggs Park and Butler Park **\$100,000**

The scope of this project is to provide electricity to support City programming such as summer camps at picnic shelters in Twiggs Park and Bent Park. This requires us to run a completely new circuit to the shelters. This will allow park...

Raymond Park Improvements **\$50,000**

This funding is public benefits contribution from a planned unit development. The funding will be used to replace the preschool playground structure which is at the end of its useful life. Other amenities, such as park benches, will also be updated.

Skate Park **\$1,360,000**

The purpose of this funding is to build a new skate park at Twiggs Park off of Ashland Avenue.

Shoreline Stabilization at Elliot Park and Greenwood Beach- Consulting Services **\$300,000**

Increased severe storm events combined with high Lake Michigan lake levels have caused shoreline erosion and deterioration of the rock revetment wall along the Lake Michigan shoreline. The scope of work for this project includes hiring a coastal...

Tallmadge Park- Athletic Field Renovations- Consulting Services **\$100,000**

Tallmadge Park is used as a soccer field, but the field has been hard to maintain and the quality of the playing surfacing has been inconsistent. The purpose of this funding is complete planning and design services for irrigation and drainage to...

James Park- Fencing	\$100,000

WTP - Electrical Reliability Improvements **\$400,000**

Replacement of the outdated medium voltage switchgear and generator needed to provide emergency backup power at the Evanston Water Utility.

WTP - Corrosion Control Study **\$875,000**

This study will investigate the optimum chemical addition and dosages for corrosion control through laboratory and on-site testing. Completion of this study is mandated by the Illinois Environmental Protection Agency and is necessary for...

WTP - Standpipe Pumping Reliability - Eng Svcs **\$150,000**

The scope of this project is to make pumping and mixing improvements at the North and South Standpipes to improve water quality in the distribution system to better meet regulatory requirements.

WTP - Standpipe Pumping Reliability - Construction **\$400,000**

The scope of this project is to make pumping and mixing improvements at the North and South Standpipes to improve water quality in the distribution system to better meet regulatory requirements.

WTP - East Filter Safety Rails - Engineering **\$30,000**

This improvement is to install handrails around the open filter beds to improve safety for the operation and maintenance workers.

WTP - Security - First Floor Windows - Engineering **\$30,000**

This project will increase the security for the water treatment plant by replacing the ground level windows with security glass. This was a recommendation of the Risk Assessment completed in 2019.

WTP - Security - Entrance Way Study **\$30,000**

This project will improve site security and public access to the administration offices at the Evanston Water Utility.

WTP - SCADA System Server Upgrades **\$200,000**

This is to upgrade and replace the hardware and software of the outdated Supervisory Control and Data Acquisition (SCADA) system installed in 2010.

WTP - Administration Building Roof Top HVAC Unit - Engineering **\$10,000**

This funding is to replace the failing HVAC unit that serves the Water Utility administration offices. The new unit will save energy by being a very high efficiency unit. This funding is for the construction engineering services.

WTP - Administration Building Roof Top HVAC Unit - Construction **\$575,000**

This funding is to replace the failing HVAC unit that serves the Water Utility administration offices. The new unit will save energy by being a very high efficiency unit. This funding is for construction.

WTP - Shoreline Restoration	\$135,000
Due to high Lake Michigan water levels and an increase in severe storms, the Evanston Water Utility is seeing increased damage from shoreline erosion. This could threaten water storage and pumping facilities if it is not abated and impact the...	
WTP - Security - Electronic Access Control	\$40,000
This is to implement a new electronic access control for exterior and interior access at the Evanston Water Utility.	
WTP - Filtration Headhouse Improvements - Construction	\$850,000
The scope of this project includes structural, tuckpointing and roofing repairs at the Filtration Headhouse, which is a historic landmark building.	
Water Main- Dewey, Oakton to Kirk	\$426,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Eastwood, Isabella to Livingston	\$539,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Ewing, Grant to Payne	\$518,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Forestview, Payne to Colfax	\$1,008,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Lincoln, Ashland to Green Bay	\$551,000
This project includes water main replacement, lead service line replacement and street resurfacing. Funding from Water Fund is through bonds.	
Water Main- Dempster, Hartrey to Dodge	\$320,000
This project includes water main replacement, lead service line replacement and street resurfacing. Located in the West Evanston TIF.

Dist Sys - Retail Water Meter Phase II and MIU Phase I Replacement Program	\$2,450,000
-	
Water Main - Isabella, Bryant to N. Shore Channel	\$225,000
This project includes water main replacement, lead service line replacement and street resurfacing. Resources from Water Fund through bonds.	
Small Dia Water Main Lining (Private Easements)	\$1,300,000
This project will complete lining of smaller diameter water main owned by the City but located on private easements. Located in the Chicago-Main TIF.	
Water Main- Emerson, Leland to Hartrey	\$609,000
This project includes water main replacement, lead service line replacement and street resurfacing. The Water Fund contribution is through bonds.	
30" Transmission Main	\$12,100,000
The downtown transmission feeder main is an 8,000-foot long 30-inch diameter pipeline that is a critical part of the City-wide water transmission network and also serves as the primary water supply for downtown Evanston. The cast iron pipeline was...	

Dist Sys - Lead Service Replacement Pilot**\$5,340,000**

This scope of work for this project is the replacement of lead services located on private property where the portion of lead services on public right-of-way has already been replaced on a previous construction project. This has not been...

Lead Service Line Replacement on Water Main Replacement**\$8,838,412**

This budget line item provides funding for lead service line replacement on private property for the 2022 water main replacement program, which is mandated by State of Illinois law. Grant Funding is assumed for outyears.

Total: \$127,590,412

Sewer Improvements Requests

Itemized Requests for 2022-2027

Sewer - CIPP Rehabilitation **\$3,875,000**

This funding is provide to rehabilitate small diameter sewers with a structural fiberglass lining through a Cured-In-Place Pipe (CIPP) lining process. Sewers located on streets planned for water main construction and/street resurfacing are...

Sewer- Emergency Sewer Repairs **\$375,000**

This funding is provided to complete emergency sewer repairs in the City of Evanston.

Sewer- Repairs on Street Improvements **\$1,070,000**

This funding is provided to repair and/or adjust sewer infrastructure on streets planned for water main construction or street resurfacing.

Sewer- Sewer Extension for Alley Improvements **\$800,000**

This funding is to extend the relief and/or stormwater sewer on alleys planned for improvement to reduce the amount of stormater entering the combined sewer system.

Sewer- Sewer Extension for Fleetwood Jourdain **\$300,000**

This project is being completed to provide a separate storm sewer for rainwater collected at the Fleetwood-Jourdain Community Center. The Center has a long-term issue with stormwater overwhelming the sewer service and backing up into the center,...

Sewer- Drainage Structure Lining **\$975,000**

The scope of work for this project is insert a liner into drainage structures that have been identified as deteriorated and/or in danger of collapsing. The inserted liner stabilizes the structure and significantly extends the life of the structure.

Sewer- Davis St Alley Repair **\$150,000**

The scope of this project is to replace a section of collapsing sewer that is located in the alley south of Davis Street at Benson (east of the CTA tracks). The sewer is located partially under the embankment for the CTA tracks and the narrow...

Sewer- Grit Separator **\$200,000**

This funding is for the purchase of a grit separator which will be installed into the storm sewer system at the Evanston Water Utility by in-house staff. Grit separators are used to remove trash and oil from stormwater runoff to keep it from...

Sewer- Porous Pavement Repair **\$300,000**

This funding is to replace permeable pavement which has failed in various locations around the City. Under this project, permeable concrete will be replaced with paver blocks in order preserve the pavement's intended use of the infiltration of...

Sewer - Large Dia Rehab - Greenleaf **\$2,000,000**

The work to be performed under this proposed project will rehabilitate approximately 3,380 feet of large diameter sewer main using the Cured-In-Place Pipe lining method. The sewer main is located along Greenleaf Street between Dewey Avenue and...

Sewer - Small Dia Rehab - Chicago Main TIF **\$225,000**

This funding is to use the CIPP lining process to rehabilitate small diameter sewers within the geographic area of the Chicago Main TIF.

Sewer - Large Dia Rehab - Future **\$8,000,000**

Placeholder

Sewer- Stormwater Master Plan Improvements **\$5,025,000**

This funding is to fund projects that are recommended as part of the Stormwater Master Plan.

Total: \$23,295,000

Street Maintenance Requests

Itemized Requests for 2022-2027

Street Resurfacing- Elm, Lincoln to Central	\$158,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Florence, Cleveland to Monroe	\$69,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Grant, Ridge to Asbury	\$214,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Greenleaf, Chicago to Sheridan	\$444,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Harrison, Elm to McDaniel	\$77,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Harrison, Green Bay to Prairie	\$118,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- McDaniel, Lee to South Dead End	\$62,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Madison, Wesley to Florence	\$134,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Mulford, Asbury to Barton	\$88,000
This project includes street resurfacing and curb repairs.	
Street Resurfacing- Poplar, South End (south of Colfax) to Livingston	\$550,000
This project includes street resurfacing and curb repairs. Includes \$50,000 for lighting improvements.	
Sheridan Road - S. Limits to South Blvd., Ph I Engr	\$500,000

Total: \$40,945,000

Library Requests

Itemized Requests for 2022-2027

HVAC Upgrades **\$510,000**

Replace house heating boilers. Replace combustion air unit (make-up air unit) for boiler room. Upgrade main building circulation fans and controls. Funding consists of \$485,000 from 2022 Bonds and \$25,000 from the Library Fund.

Fire Protection System Upgrades **\$170,000**

- Funded with \$170,000 from the Library Fund.

Total: \$680,000

Capital Planning & Engineering Requests

Itemized Requests for 2022-2027

Greenspace Management Plan- Consulting Services**\$75,000**

This study will provide documentation of the different City-owned greenspaces and will provide a management plan by location in order to better preserve the overall quality of the spaces.

Capital Fund Financial Model- Consulting Services**\$50,000**

This funding is to develop a cost model to project out long-term expenditures for better management of general obligation debt.

Public Art**\$150,000**

This funding is provided to invest in artwork in City facilities and parks. It is managed by the Evanston Arts Council.

Public Art- Fountain Square**\$50,000**

This scope of this project is to select and install artwork at Fountain Square in downtown Evanston. This project is funded with \$50,000 from the 1500 Sherman PUD (103-O-18).

Public Works Truck Radio System**\$50,000**

This funding will support the installation of a radio system in public works vehicles. This is critical to improve operations and provide reliability of communications during emergency operations.

Lighting Modernization at City Facilities and Parks**\$250,000**

This funding is provide to replace existing light fixtures at City facilities and parks with new LED fixtures compliant with the Streetlight Master Plan and CARP.

CARP Implementation**\$480,000**

This funding is provided to complete studies and other contracts necessary to support the work of CARP implementation. Funding for the project was converted from 2021 funding for Zero Emission Study and Renewable Energy Project Support.

Total: \$1,105,000

Overview

The Capital Improvement Plan (CIP) is a process by which the City designs a multi-year plan for major capital expenditures. It represents the City's plan for physical development and is reviewed and updated each year to reflect changing priorities. It provides an ongoing framework for identifying capital requirements, scheduling projects over a period of years, coordinating related projects, and identifying future fiscal impacts. Generally, the CIP includes improvements that are relatively expensive, have a multi-year useful life, and, similar to capital outlay items, result in fixed assets. These include the construction of new buildings, additions to or renovations of existing buildings and parks, construction of streets, sewer improvements, land purchases, and major software or equipment purchases. Due to the nature and total costs of the identified projects, bond proceeds are one of the major sources of revenue. The CIP is a dynamic process, with anticipated projects being changed, added, and deleted from the plan as the five-year timeline evolves.

During the past several years, staff has undertaken a variety of comprehensive assessments of many of the City's capital assets to provide a more complete understanding of the City's future needs. A sample of these include: the Comprehensive Pavement Study; Parks, Forestry, and Recreation Strategic Plan; the analysis of the Civic Center; citywide roofing assessment; Streetlight Master Plan; Howard Street Corridor Improvements; the assessments of emergency generators; and the current development of the IT Strategic Plan. These studies serve as the foundation for the staff recommendations set forth in the attached Capital Improvement Plan. As the City moves forward, it must continually assess the ongoing infrastructure needs of the community.

Formal City Council adoption of the Capital Improvement Program indicates the City's commitment to the plan, but does not in itself authorize expenditures. The necessary funding mechanisms must be adopted each year to pay for the improvements – year one is the approved Capital Budget for which Council approval authorizes expenditures, with years two through five reflecting the City's plan for improvements.

It is important to distinguish between the City's Capital Improvement Plan (CIP) and Capital Improvement Fund (CIF). The CIP report in this section includes all citywide capital projects, regardless of the fund and/or funding source. This contrasts with the City's CIF, which includes only those capital projects that are not paid through one of the City's internal service, special revenue, or enterprise funds. Typically, capital purchases used to benefit the City as a whole are budgeted and paid from the CIF, while capital purchases specific to one area, function, or fund are typically paid from that specific source or fund.

An example of the above would be an addition or capital improvement to the City's water filtration plant. While this project would be included in the City's CIP report, the expense would be budgeted in the City's Water Utility Fund. There are a couple of exceptions to this rule. Capital projects funded via the City's Motor Fuel Tax (MFT) Fund may benefit the City as a whole, but for legal purposes such capital projects must be budgeted and paid out of the City's MFT Fund. Another example would be capital purchases related to the City's fleet. Since the City maintains a separate internal service Fleet Fund for tracking purposes, CIP projects pertaining to fleet vehicles and equipment purchases are budgeted and paid from the Fleet Fund rather than the CIF.

Capital Improvements Policy

Section I: Objectives and Priorities

The overall goal for Evanston's capital improvement effort is:

A comprehensive capital improvement program that is used by decision-makers to guide capital investments, make the best use of limited resources and provide community facilities that function well and contribute to the attractiveness, public health, and safety of the City.

To accomplish this goal, a broad set of objectives and policies have been developed to guide preparation and monitoring of the capital improvement program. These broad objectives, priorities, and policies adopted by the City Council guide staff each year as a capital program is developed and presented to the City Council for review and consideration.

Objectives

- Undertake a comprehensive assessment of all capital needs and develop a strategic plan to meet the City's capital needs, so that projects and funding are rationally sequenced, coordinated, and kept on the public agenda.
- Undertake capital improvements that are needed to maintain existing public facilities, increase operating efficiency, and reduce operating costs.
- Undertake capital investments that encourage and support economic development or directly produce income.
- Undertake capital improvements that are of the highest quality that the City can afford which enhance Evanston's physical appearance, public image, quality of life, and promote public health and safety.
- Limit the extent to which local property taxes are required to finance capital improvements.
- Plan all capital projects to meet ADA requirements.

Priorities

- Project major capital improvement replacement needs to cover at least a 5- year period so that a long-range capital maintenance plan can be developed
- Set priorities for capital improvements and match projects with appropriate funding sources.
- Monitor implementation of the Capital Improvement Plan through periodic capital improvement staff meetings and reports to the Administration and Public Works Committee.
- Undertake an annual review of capital improvement funding sources and an assessment of capital improvement projects proposed for the following years.
- Commit funds annually for improvements so that incremental progress can be made toward long-range goals.
- Coordinate planned capital improvement projects where opportunities exist to do so.
- Leverage local capital improvement funds to the extent possible.
- Give priority to projects that further the objectives of the Comprehensive General Plan.

More specific policies have also been written to guide the scheduling and prioritization of projects within each of the major project classifications.

Economic Development

- Make capital investments needed to realize the full potential of Tax Increment Finance areas.
- Implement the goals of the Evanston Local Employment Program and work to increase the participation of Evanston businesses in capital improvement projects.
- Coordinate improvements made in retail and commercial areas.
- Develop and implement programs to upgrade and maintain streetscapes in each neighborhood business district within the City.
- Develop and implement plans for capital needs of neighborhood economic development.

Environment

- Maintain water system improvements needed to ensure a safe and adequate water supply.
- Address stormwater issues to minimize public and private property damage.
- Develop and implement programs to eliminate environmental hazards where they exist in City facilities and on public grounds.

- Participate in development of area-wide solutions to the problem of solid waste disposal and promote local recycling and waste reduction efforts to minimize solid waste disposal requirements and conserve resources.
- Forward the objectives of the Climate Action Resiliency Plan

Parks and Recreation

- Rehabilitate parks through periodic replacement of pavement, athletic fields and courts, equipment, site furnishings, infrastructure, and landscaping.
- Undertake improvements to enhance and protect the lakefront park system.
- Maintain Evanston's community recreational facilities to the high standard expected.
- Bring play equipment into compliance with CPSC / ASTM safety guidelines and ADA requirements.

Public Buildings

- Consider life cycle costs (long-term costs of maintenance, operation, utilities and financing) in making decisions concerning construction, purchasing, disposal, or rehabilitation of public facilities.
- Continue to undertake preventive maintenance, energy conservation, and rehabilitation programs for public buildings.
- Undertake projects needed to improve the security of public buildings and facilities.
- Complete the rehabilitation/replacement of the Robert Crown Community Center and the surrounding athletic fields.
- Undertake projects and improvement to municipal facilities to meet the standards of the Federal Americans with Disabilities Act (ADA).
- Incorporate age-friendly features into all City facilities.
- Develop and implement a plan for the municipal offices.
- Implement policy advocating art within city building projects, in compliance with Title 7, Chapter 16 of the City Code

Transportation

- Improve the condition, efficiency, and safety of Evanston's circulation system.
- Undertake improvements needed to keep municipal parking facilities well maintained, safe and attractive.
- Incorporate the City's complete and green streets policy into transportation project.
- Continue the City's programs for maintaining curbs, gutters, and sidewalks.
- Evaluate all sidewalks and develop an improvement schedule.
- Enhance livability of neighborhoods by implementing various traffic controls.
- Improve Evanston's remaining unpaved streets and alleys.
- Implement a Citywide bike plan and encourage inter-modal transportation.
- Ensure adequate street lighting to balance crime prevention, safety, and residential atmosphere.
- Develop plans and programs to improve the appearance and maintenance of rail embankments, viaducts, and rail stations.

Section II: Fiscal Management

Capital Expenditure Policies

- Drawn from the long-range capital needs list, a five-year capital improvement program will be developed and updated annually, including anticipated funding sources.
- The City will maintain all of its physical assets at a level adequate to protect the City's capital investment and to minimize future maintenance and replacement costs.
- The City will coordinate development of the capital improvement budget with the development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
- If a new project (non-emergency) is identified during the fiscal year, staff shall prepare a report to the City Council describing the project, and if necessary, recommend a decrease in another approved project so as not to alter the overall funding for the capital budget.

Capital Financing Policies

- Long-term borrowing will not be used to finance current operations or normal maintenance.
- Capital projects financed through the issuance of bonds will be financed for a period not to exceed the expected useful life of the project.
- The City will establish an appropriate mix of bonded debt and pay-as-you-go financing in the funding of capital projects. The City will strive to find more streams of revenue to support pay-as-you-go financing of its future

capital improvements.

- Dedicated revenue stream options include, but are not limited to, excess funds, additional taxes (i.e. motor fuel tax for street improvements) and use of tax increment financing revenues as they become available.
- Outstanding tax-supported debt shall not exceed \$160 million per resolution 44-R-19.

Capital Project Planning and Cost Containment

- City staff will meet quarterly to review the progress on all outstanding projects. Semi-annual reports will be presented to the Administration & Public Works Committee.
- Identification of funding opportunities should be included within the project development phase.
- Recognize that most projects will take at least two years to plan and implement.
- Where appropriate, separate project planning and execution costs, acknowledging that approving a study does not guarantee the implementation of the project.
- For any enterprise fund or storm water management fund that is supporting debt, an annual rate study will be performed to ensure that the fees or rates are sufficient to meet the debt service requirements.
- A five-year projection of revenues and expenditures for the general, special revenue, and enterprise funds should be prepared to provide strategic perspective to each annual budget process.

Emergency Fund Reserves

- An emergency account within the capital improvement fund shall be established to fund emergency capital needs.
- The emergency account shall be initially funded through a one-time revenue source and replenished with a percentage of project surpluses at the end of the fiscal year.

Grants

- City staff should seek grants for projects which are in the current fiscal year, the five-year plan, or fund a recognized City need.
- For projects not currently funded or in the five year plan, the Council must approve the reduction or elimination of a previously planned project.
- If a grant is received, the original funds can be used in any of the following ways:
 - Reallocated to a new project within the five-year plan within the same area
 - Reallocated to a priority list of projects approved by the City Council during consideration of the capital plan
 - Used to expand the scope of the existing project for which the grant is received
 - Placed in the contingency fund for future matches or cost overruns
 - Placed in an emergency fund for unanticipated projects

Community Development Block Grant (CDBG) Funds

- A comprehensive program for all capital projects in the CDBG target area will be presented to the CDBG Committee.

POSITION INFORMATION

2022 Position Control

The 2022 Position Control document details the number and title of positions included in the 2022 Proposed Budget. The full list is shown below, and the complete document with notes regarding position changes is available in the attachments.

DEBT

City Debt Summary

Debt Limit

As a home rule government under Illinois law, there is no legal debt limit for the City. The City Council has adopted as part of its budget policies a self-imposed limit on tax-supported general obligation debt. Tax supported general obligation (G.O.) debt shall not exceed \$155,000,000 in aggregate principal amount, which limit is expressly subject to increase by action of the City Council as the needs of the City may grow.

Credit Rating

The City of Evanston received ratings of AA+ from Fitch and AA from S&P Ratings for the 2021 series bonds.

Types of Debt

The City issues general obligation bonds for capital improvement projects. Bonds issued for general city projects are repaid by property taxes. Some bonds for certain projects may be supported by other revenue sources, including water and sewer fees, special assessment, tax increment financing (TIF) funds, or outside donations.

In addition to general obligation bonds, the City issues low-interest loans through the Illinois Environmental Protection Agency (IEPA) specifically for water and sewer projects. These are repaid through water and sewer fees and are not supported by property taxes.

Current Principal Debt – As of December 31, 2021

General City	\$137,196,463
Library Fund	\$6,026,587
Total Tax Supported G.O. Debt	\$143,223,050

Water Fund	\$29,352,553
Sewer Fund	\$3,690,394
Sewer Surcharge	\$637,758
Parking Fund	\$1,415,000
Special Assessment Fund	\$1,701,244
Tax-Increment Financing (TIF) Districts	\$8,105,000
Friends of Robert Crown Donations	\$900,000
Total Self-Supporting G.O. Debt	\$45,801,950

Total Principal Outstanding - G.O. Debt	\$189,025,000
--	----------------------

Sewer Fund – IEPA Loans (estimated)	\$15,256,215
Water Fund – IEPA Loans (estimated)	\$21,388,517
Total Principal Outstanding – IEPA Loans	\$36,644,732

Annual Debt Service

Includes principal and interest payments for general obligation bonds and IEPA loans.

	2021 Adopted Budget	2022 Proposed Budget
Library Debt Service Fund	\$482,243	\$506,625
Debt Service Fund	\$15,133,666	\$15,690,075
Water Fund	\$2,318,294	\$3,596,365
Sewer Fund	\$5,195,191	\$3,772,691
Parking Fund	\$47,164	\$72,900
Total Annual Debt Service	\$23,176,558	\$23,638,656

All governmental-type debt is paid through the Debt Service Fund. Some other funds have transfers to the Debt Service Fund to reduce the amount of debt paid directly through property taxes.

	2021 Adopted Budget	2022 Proposed Budget
Howard-Ridge TIF Fund	\$143,113	\$323,113
Dempster-Dodge TIF Fund	\$158,923	\$161,833
Chicago-Main TIF Fund	\$232,843	\$237,763
Crown Construction Fund	\$0	\$900,000
Special Assessment Fund	\$397,314	\$372,938
Sewer Fund (sewer surcharge)	\$265,208	\$274,394
Total Transfers to Debt Service	\$1,197,401	\$2,270,041

New Debt

The 2022 Proposed Budget includes the issuance of debt for capital improvement projects. More information on specific projects can be found in the Capital Improvements Section. Debt issued for the Capital Improvement, Library Capital, and Equipment Replacement Funds are supported by property taxes and subject to the self-imposed debt limit.

	2022 Proposed Budget
Capital Improvements Fund	\$10,803,000
Library Capital Improvement Fund	\$480,000
Water Fund	\$6,410,000
Total Bond Proceeds Revenue	\$17,693,000
Water Fund – IEPA Loans	\$23,220,000
Sewer Fund – IEPA Loans	\$2,000,000
Total IEPA Loan Proceeds Revenue	\$25,220,000

APPENDIX

Glossary

Abatement: A reduction or elimination of a real or personal property tax, motor vehicle excise, a fee, charge, or special assessment imposed by a governmental unit. Granted only on application of the person seeking the abatement and only by the committing governmental unit.

Accounting System: The total structure of records and procedures that identify record, classify, and report information on the financial position and operations of a governmental unit or any of its funds, account groups, and organizational components.

Accrued Interest: The amount of interest that has accumulated on the debt since the date of the last interest payment, and on the sale of a bond, the amount accrued up to but not including the date of delivery (settlement date). (See Interest)

Amortization: The gradual repayment of an obligation over time and in accordance with a predetermined payment schedule.

Appropriation: A legal authorization from the community's legislative body to expend money and incur obligations for specific public purposes. An appropriation is usually limited in amount and as to the time period within which it may be expended.

Arbitrage: As applied to municipal debt, the investment of tax-exempt bonds or note proceeds in higher yielding, taxable securities. Section 103 of the Internal Revenue Service (IRS) Code restricts this practice and requires (beyond certain limits) that earnings be rebated (paid) to the IRS.

Assessed Valuation: A value assigned to real estate or other property by a government as the basis for levying taxes.

Audit: An examination of a community's financial systems, procedures, and data by a certified public accountant (independent auditor), and a report on the fairness of financial statements and on local compliance with statutes and regulations. The audit serves as a valuable management tool in evaluating the fiscal performance of a community.

Audit Report: Prepared by an independent auditor, an audit report includes: (a) a statement of the scope of the audit; (b) explanatory comments as to application of auditing procedures; (c) findings and opinions. It is almost always accompanied by a management letter which contains supplementary comments and recommendations.

Available Funds: Balances in the various fund types that represent non-recurring revenue sources. As a matter of sound practice, they are frequently appropriated to meet unforeseen expenses, for capital expenditures or other one-time costs.

Balance Sheet: A statement that discloses the assets, liabilities, reserves and equities of a fund or governmental unit at a specified date.

Betterments (Special Assessments): Whenever a specific area of a community receives benefit from a public improvement (e.g., water, sewer, sidewalk, etc.), special property taxes may be assessed to reimburse the governmental entity for all or part of the costs it incurred. Each parcel receiving benefit from the improvement is assessed for its proportionate share of the cost of such improvements. The proportionate share may be paid in full or the property owner may request that the assessors apportion the betterment over 20 years. Over the life of the betterment, one year's apportionment along with one year's committed interest computed from October 1 to October 1 is added to the tax bill until the betterment has been paid.

Bond: A means to raise money through the issuance of debt. A bond issuer/borrower promises in writing to repay a specified sum of money, alternately referred to as face value, par value or bond principal, to the buyer of the bond on a specified future date (maturity date), together with periodic interest at a specified rate. The term of a bond is always greater than one year. (See Note)

Bond and Interest Record: (Bond Register) – The permanent and complete record maintained by a treasurer for each bond issue. It shows the amount of interest and principal coming due each date and all other pertinent information concerning the bond issue.

Bonds Authorized and Unissued: Balance of a bond authorization not yet sold. Upon completion or abandonment of a project, any remaining balance of authorized and unissued bonds may not be used for other purposes, but must be rescinded by the community's legislative body to be removed from community's books.

Bond Issue: Generally, the sale of a certain number of bonds at one time by a governmental unit.

Bond Rating (Municipal): A credit rating assigned to a municipality to help investors assess the future ability, legal obligation, and willingness of the municipality (bond issuer) to make timely debt service payments. Stated otherwise, a rating helps prospective investors determine the level of risk associated with a given fixed-income investment. Rating agencies, such as Moody's and Standard

and Poors, use rating systems, which designate a letter or a combination of letters and numerals where AAA is the highest rating and C1 is a very low rating.

Budget: A plan for allocating resources to support particular services, purposes and functions over a specified period of time. (See Performance Budget, Program Budget)

Capital Assets: All real and tangible property used in the operation of government, which is not easily converted into cash, and has an initial useful life extending beyond a single financial reporting period. Capital assets include land and land improvements; infrastructure such as roads, bridges, water and sewer lines; easements; buildings and building improvements; vehicles, machinery and equipment. Communities typically define capital assets in terms of a minimum useful life and a minimum initial cost. (See Fixed Assets)

Capital Budget: An appropriation or spending plan that uses borrowing or direct outlay for capital or fixed asset improvements. Among other information, a capital budget should identify the method of financing each recommended expenditure, i.e., tax levy or rates, and identify those items that were not recommended. (See Capital Assets, Fixed Assets)

Cash: Currency, coin, checks, postal and express money orders and bankers' drafts on hand or on deposit with an official or agent designated as custodian of cash and bank deposits.

Cash Management: The process of monitoring the ebb and flow of money in an out of municipal accounts to ensure cash availability to pay bills and to facilitate decisions on the need for short- term borrowing and investment of idle cash.

Certificate of Deposit (CD): A bank deposit evidenced by a negotiable or non-negotiable instrument, which provides on its face that the amount of such deposit plus a specified interest payable to a bearer or to any specified person on a certain specified date, at the expiration of a certain specified time, or upon notice in writing.

Classification of Real Property: Assessors are required to classify all real property according to use into one of four classes: residential, open space, commercial, and industrial. Having classified its real properties, local officials are permitted to determine locally, within limitations established by statute and the Commissioner of Revenue, what percentage of the tax burden is to be borne by each class of real property and by personal property owners.

Collective Bargaining: The process of negotiating workers' wages, hours, benefits, working conditions, etc., between an employer and some or all of its employees, who are represented by a recognized labor union. regarding wages, hours and working conditions.

Consumer Price Index: The statistical measure of changes, if any, in the overall price level of consumer goods and services. The index is often called the "cost-of-living index."

Cost-Benefit Analysis: A decision-making tool that allows a comparison of options based on the level of benefit derived and the cost to achieve the benefit from different alternatives.

Debt Burden: The amount of debt carried by an issuer usually expressed as a measure of value (i.e., debt as a percentage of assessed value, debt per capita, etc.). Sometimes debt burden refers to debt service costs as a percentage of the total annual budget.

Debt Service: The repayment cost, usually stated in annual terms and based on an amortization schedule, of the principal and interest on any particular bond issue.

Encumbrance: A reservation of funds to cover obligations arising from purchase orders, contracts, or salary commitments that are chargeable to, but not yet paid from, a specific appropriation account.

Enterprise Funds: An enterprise fund is a separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods or services. It allows a community to demonstrate to the public the portion of total costs of a service that is recovered through user charges and the portion that is subsidized by the tax levy, if any. With an enterprise fund, all costs of service delivery--direct, indirect, and capital costs—are identified. This allows the community to recover total service costs through user fees if it chooses. Enterprise accounting also enables communities to reserve the "surplus" or net assets unrestricted generated by the operation of the enterprise rather than closing it out to the general fund at year-end. Services that may be treated as enterprises include, but are not limited to, water, sewer, hospital, and airport services.

Equalized Valuations (EQVs): The determination of the full and fair cash value of all property in the community that is subject to local taxation.

Estimated Receipts: A term that typically refers to anticipated local revenues often based on the previous year's receipts and represent funding sources necessary to support a community's annual budget. (See Local Receipts)

Exemptions: A discharge, established by statute, from the obligation to pay all or a portion of a property tax. The exemption is available to particular categories of property or persons upon the timely submission and approval of an application to the assessors. Properties exempt from taxation include hospitals, schools, houses of worship, and cultural institutions. Persons who may qualify for exemptions include disabled veterans, blind individuals, surviving spouses, and seniors.

Expenditure: An outlay of money made by municipalities to provide the programs and services within their approved budget.

Fiduciary Funds: Repository of money held by a municipality in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and other funds. These include pension (and other employee benefit) trust funds, investment trust funds, private-purpose trust funds, and agency funds.

Fixed Assets: Long-lived, assets such as buildings, equipment and land obtained or controlled as a result of past transactions or circumstances.

Fixed Costs: Costs that are legally or contractually mandated such as retirement, FICA/Social Security, insurance, debt service costs or interest on loans.

Float: The difference between the bank balance for a local government's account and its book balance at the end of the day. The primary factor creating float is clearing time on checks and deposits. Delays in receiving deposit and withdrawal information also influence float.

Full Faith and Credit: A pledge of the general taxing powers for the payment of governmental obligations. Bonds carrying such pledges are usually referred to as general obligation or full faith and credit bonds.

Fund: An accounting entity with a self-balancing set of accounts that are segregated for the purpose of carrying on identified activities or attaining certain objectives in accordance with specific regulations, restrictions, or limitations.

Fund Accounting: Organizing financial records into multiple, segregated locations for money. A fund is a distinct entity within the municipal government in which financial resources and activity (assets, liabilities, fund balances, revenues, and expenditures) are accounted for independently in accordance with specific regulations, restrictions or limitations. Examples of funds include the general fund and enterprise funds. Communities whose accounting records are organized according to the Uniform Municipal Accounting System (UMAS) use multiple funds.

GASB 34: A major pronouncement of the Governmental Accounting Standards Board that establishes new criteria on the form and content of governmental financial statements. GASB 34 requires a report on overall financial health, not just on individual funds. It requires more complete information on the cost of delivering value estimates on public infrastructure assets, such as bridges, road, sewers, etc. It also requires the presentation of a narrative statement the government's financial performance, trends and prospects for the future.

GASB 45: This is another Governmental Accounting Standards Board major pronouncement that each public entity account for and report other postemployment benefits in its accounting statements. Through actuarial analysis, municipalities must identify the true costs of the OPEB earned by employees over their estimated years of actual service.

General Fund: The fund used to account for most financial resources and activities governed by the normal appropriation process.

General Obligation Bonds: Bonds issued by a municipality for purposes allowed by statute that are backed by the full faith and credit of its taxing authority.

Governing Body: A board, committee, commission, or other executive or policymaking body of a municipality or school district.

Indirect Cost: Costs of a service not reflected in the operating budget of the entity providing the service. An example of an indirect cost of providing water service would be the value of time spent by non-water department employees processing water bills. A determination of these costs is necessary to analyze the total cost of service delivery. The matter of indirect costs arises most often in the context of enterprise funds.

Interest: Compensation paid or to be paid for the use of money, including amounts payable at periodic intervals or discounted at the time a loan is made. In the case of municipal bonds, interest payments accrue on a day-to-day basis, but are paid every six months.

Interest Rate: The interest payable, expressed as a percentage of the principal available for use during a specified period of time. It is always expressed in annual terms.

Investments: Securities and real estate held for the production of income in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in governmental operations.

Line Item Budget: A budget that separates spending into categories, or greater detail, such as supplies, equipment, maintenance, or salaries, as opposed to a program budget.

Local Aid: Revenue allocated by the state or counties to municipalities and school districts.

Maturity Date: The date that the principal of a bond becomes due and payable in full.

Municipal(s): (As used in the bond trade) "Municipal" refers to any state or subordinate governmental unit. "Municipals" (i.e., municipal bonds) include not only the bonds of all political subdivisions, such as cities, towns, school districts, special districts, counties but also bonds of the state and agencies of the state.

Note: A short-term loan, typically with a maturity date of a year or less.

Objects of Expenditures: A classification of expenditures that is used for coding any department disbursement, such as "personal services," "expenses," or "capital outlay."

Official Statement: A document prepared for potential investors that contains information about a prospective bond or note issue and the issuer. The official statement is typically published with the notice of sale. It is sometimes called an offering circular or prospectus.

Operating Budget: A plan of proposed expenditures for personnel, supplies, and other expenses for the coming fiscal year.

Overlapping Debt: A community's proportionate share of the debt incurred by an overlapping government entity, such as a regional school district, regional transit authority, etc.

Performance Budget: A budget that stresses output both in terms of economy and efficiency.

Principal: The face amount of a bond, exclusive of accrued interest.

Program: A combination of activities to accomplish an end.

Program Budget: A budget that relates expenditures to the programs they fund. The emphasis of a program budget is on output.

Purchased Services: The cost of services that are provided by a vendor.

Refunding of Debt: Transaction where one bond issue is redeemed and replaced by a new bond issue under conditions generally more favorable to the issuer.

Reserve Fund: An amount set aside annually within the budget of a town to provide a funding source for extraordinary or unforeseen expenditures.

Revaluation: The assessors of each community are responsible for developing a reasonable and realistic program to achieve the fair cash valuation of property in accordance with constitutional and statutory requirements. The nature and extent of that program will depend on the assessors' analysis and consideration of many factors, including, but not limited to, the status of the existing valuation system, the results of an in-depth sales ratio study, and the accuracy of existing property record information.

Revenue Anticipation Note (RAN): A short-term loan issued to be paid off by revenues, such as tax collections and state aid. RANs are full faith and credit obligations.

Revenue Bond: A bond payable from and secured solely by specific revenues and thereby not a full faith and credit obligation.

Revolving Fund: Allows a community to raise revenues from a specific service and use those revenues without appropriation to support the service.

Sale of Real Estate Fund: A fund established to account for the proceeds of the sale of municipal real estate other than proceeds acquired through tax title foreclosure.

Stabilization Fund: A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose.

Surplus Revenue: The amount by which cash, accounts receivable, and other assets exceed liabilities and reserves.

Tax Rate: The amount of property tax stated in terms of a unit of the municipal tax base; for example, \$14.80 per \$1,000 of assessed valuation of taxable real and personal property.

Tax Title Foreclosure: The procedure initiated by a municipality to obtain legal title to real property already in tax title and on which property taxes are overdue.

Trust Fund: In general, a fund for money donated or transferred to a municipality with specific instructions on its use. As custodian of trust funds, the treasurer invests and expends such funds as stipulated by trust agreements, as directed by the commissioners of trust funds or by the community's legislative body. Both principal and interest may be used if the trust is established as an expendable trust. For nonexpendable trust funds, only interest (not principal) may be expended as directed.

Uncollected Funds: Recently deposited checks included in an account's balance but drawn on other banks and not yet credited by the Federal Reserve Bank or local clearinghouse to the bank cashing the checks. (These funds may not be loaned or used as part of the bank's reserves and they are not available for disbursement.)

Undesignated Fund Balance: Monies in the various government funds as of the end of the fiscal year that are neither encumbered nor reserved, and are therefore available for expenditure once certified as part of free cash.

Unreserved Fund Balance (Surplus Revenue Account): The amount by which cash, accounts receivable, and other assets exceed liabilities and restricted reserves. It is akin to a "stockholders' equity" account on a corporate balance sheet. It is not, however, available for appropriation in full because a portion of the assets listed as "accounts receivable" may be taxes receivable and uncollected. (See Free Cash)

Valuation (100 Percent): The legal requirement that a community's assessed value on property must reflect its market, or full and fair cash value.
