

Evanston Shoreline Repairs

RFQ # 21-45

ADDENDUM No. 1

DECEMBER 21, 2021

Any and all changes to the Contract Document are valid only if they are included by written addendum to all potential respondents, which will be mailed, emailed and/or faxed prior to the proposal due date to all who are known to have received a complete RFQ document. Each respondent must acknowledge receipt of any addenda. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the proposal therein. Failure to acknowledge receipt of any addenda may cause the proposal to be rejected. If any language or figures contained in this addendum are in conflict with the original document, this addendum shall prevail.

This addendum consists of the following:

1. Addendum Number One (1) is attached and consists of a total of three (3) pages including this cover sheet. Any changes to the contract noted within Addendum Number One (1) will be reflected in subsequent issues.

Please feel free to call (847-866-2910) or email (lithomas@cityofevanston.org) with any questions or comments.

Sincerely,

Linda Thomas

Bid # 21-45

ADDENDUM No. 1

DECEMBER 21, 2021

This addendum forms a part of RFQ #21-45 and modifies these documents. This addendum consists of the following:

Questions Received:

Question 1

Exhibit G in the proposal lists MBE, WBE and EBE, but not DBE. As this is a Coastal project and requires special expertise, we have a sub-consulting firm for performing the site topographic and bathymetric survey. They are registered as DBE; can you please clarify if the project goals can be satisfied by entirely the DBE participation, especially if there is a chance for Federal funding.

Response 1

The Phase 1 contract currently contemplated for award is locally funded and is therefore subject to the City's MWEBE policy goals. DBE firms are not recognized in the City's MWEBE policy.
