**Bid No. 22-12**  
**2022 City-Wide Tree Planting**  
**ADDENDUM No. 1**  
**January 28, 2022**

This addendum forms a part of the Bid Documents for Bid #22-12 and modifies these documents. This addendum consists of the following clarifications:

**Questions:**

1. **Question:** Section 39 references drawings “examine the drawings”. How do I get drawings? I do not see them in the Bid package or on the city website.  
**Answer:** Please disregard Section 39. There are no drawings associated with this bid request.
  
2. **Question:** Is one of the drawings a location map for the trees? Need to understand where the trees are to determine access and equipment.  
**Answer:** Almost all of the trees will be planted on parkways and a small percentage may be planted in City parks. Below is a tentative list of locations. These locations are subject to change, but this list represents an accurate representation of this planting project. Park plantings are unlikely to change.

3. **Question:** Location of the storage facilities?

**Answer:** Trees will be stored in a facility owned by the City of Evanston and within City limits. At present time, that location is planned to be behind 2310 Oakton St., Evanston, IL 60202. The entrance is separate from the animal shelter facilities. At the City's discretion, additional storage may be at another City-owned facility.

**Note: Acknowledgment of this Addendum is required in the Bid.**
