Granite POTS Replacement Webinar a Success!

On Friday, January 21, Suburban Purchasing Cooperative (SPC) Telecommunications Vendor Granite Government Solutions (Contract #205) held a webinar on Plain Old Telephone Service (POTS) replacement solutions. Given significant cost increases recently imposed to continue servicing POTS lines and as more and more carriers move to abandon these legacy copper phone lines, it makes sense to examine how to save money on replacement solutions. Led by Granite Senior Sales Executive Frank Ventrella, the webinar was attended by 18 municipalities and agencies.

Each month, Granite will host free webinars for SPC participants to discuss topics pertinent to the telecommunications industry and the SPC program. The topic for February's webinar will be SIP – Advanced Data Solutions. Invitations to the webinars are sent to NWMC Assistant Managers, Finance Directors, IT Directors and Purchasing Agents. If someone else in your agency would like to attend, please have them contact NWMC Purchasing Director Ellen Dayan, edayan@nwmc-cog.org to be added to the list. For more information on upcoming webinars or to review the complete lineup of services offered by Granite, please contact Frank Ventrella, 630-649-0823 or fventrella@granitenet.com. *Staff contact: Ellen Dayan*
