Ford Provides SPC Vehicle Updates

The Suburban Purchasing Cooperative (SPC) has been informed by Ford Motor Company that hybrid units of the Police Interceptor Utility (contract #204) and the Escape (contract #206) have sold out for the remainder of the model year. Non-hybrid versions of both vehicles are still available but please be aware that production times on most vehicles are running in excess of 30 weeks.

Specifications for 2023 Ford Super Duty vehicles should be available in late March, which will enable the SPC to solicit bids on these popular vehicles. For additional information, please contact staff or Tom Sullivan, tsullivan@curriemotors.com or 815-464-9200. *Staff contact: Ellen Dayan*

NWMC Extends Surplus Vehicle and Equipment Auction Agreement

As reported above, the NWMC Board has approved the second of four possible, one-year contract extensions on the Agreement for Auctioneer Services with America's Auto Auction. The extension runs from February 15, 2022 through February 14, 2023 and under the same terms.

Mark your calendars! The 2022 Municipal Auction dates are scheduled for noon on Tuesday, April 19, Tuesday, July 19, and Tuesday, October 18 at America's Auto Auction in Crestwood. Prices for used cars are up 40% year-to-year due to chip shortages and high demand according to ABC News, [Used Car Prices @ Record High](#). Don't let the weather dampen the value of your assets by allowing the dreaded lot rot to set in, cash in on the 40% premium and laissez le bon temps rouler!

The submission deadline is Friday, March 18 at 5:00 p.m. Eligible projects must be sponsored by communities belonging to one of the two Councils of Mayors staffed by NWMC and must be located on a federally eligible route. Selected projects will be incorporated into a five year program covering federal fiscal years 2023–2027.

NWMC transportation staff hosted a [virtual workshop](#) on January 6 to communicate important information on the calls for projects. The workshop provided a brief overview of STP-L funding and requirements, a timeline of events and deadlines, specific application requirements for each council and tips for successful project management.

Please note that the survey is due by Monday, February 14. When complete, the Mayors Caucus will send an electronic copy of the report to the region's 275 municipalities. *Staff contact: Mark Fowler*

RAISE is the first discretionary funding program included in the infrastructure package to begin accepting applications. A variety of road, transit, rail and trail projects are eligible for funding.

This year, the U.S. DOT will factor in new criteria as it evaluates projects that prioritize increased mobility and expanded connectivity for all users of a project, particularly non-motorized travelers such as pedestrians, cyclists and transit riders. The U.S. DOT is also urging applicants to consider how their projects can address challenges around climate change, racial inequity and workforce development. Applications for RAISE grants are due by April 14 and grantees will be notified by August 12. For more information, please see the [RAISE Program NOFO](#). *Staff contacts: Kendra Johnson, Eric Czarnota*
