CITY OF EVANSTON

Request for Proposal

1.0 INTRODUCTION

1.1 Background Information

The City of Evanston is a general purpose municipal government located in Cook County, Illinois. It is a home rule unit, as defined in the 1970 Illinois Constitution, and operates under the Council/Manager form of government to provide for the health, safety and welfare of Evanston residents. A mayor, elected city-wide, and nine Councilmembers elected by Ward, comprise the City Council. There are ten operating departments that provide a full array of services. The City has approximately 74,000 residents and a land area that covers 7.3 square miles.

The southern boundary of the City of Evanston borders the City of Chicago and is twelve miles north of downtown Chicago. The City is home to Northwestern University and Garrett Theological Seminary. In addition, the City is the home of two major teaching hospitals, St. Francis Hospital and Evanston Hospital, many corporations, service institutions, large national retailers and small entrepreneurial businesses.

The Ladd Arboretum is a 17.4 acre arboretum that borders the north bank of the North Shore Channel between Emerson Street and Green Bay Road. Amenities located within the Ladd Arboretum include the Evanston Ecology Center (Ecology Center), walking/biking paths, and specialty gardens, plant community habitats and an apiary. A now defunct canoe launch was located immediately south of the Ecology Center and was historically used to support summer camps, a 3-season canoeing program, and classes and field trips from Evanston Township High School. Due to significant degradation and lack of the Americans with Disability Act (ADA) compliance, the wooden canoe launch and access stairs became unsafe and were permanently closed several years ago. Without an operable launch, North Shore Channel programming has been substantially reduced, and the remaining programming has been relocated to other area boat launches outside of Evanston.

In 2007, the City Council approved the [Ladd Arboretum Master Plan](#), which identified the canoe launch as an important and needed recreational resource for the City. The master plan recommended performing an engineering study to thoroughly evaluate the design and cost of constructing a new launch and suggested it be relocated to the west side of Bridge Street for improved accessibility and public access.

In 2019, the City received a Coastal Management Grant from the Illinois Department of Natural Resources and private funding from the Evanston Environmental Association (EEA) to perform a feasibility study for the canoe launch project. The Public [Canoe Launch Feasibility Study](#) was completed in 2020 and verified the master plan's suggested site. The study also provided a preliminary design solution including improvements to an adjacent parking lot, cost estimate, and evaluation of permitting requirements for the project.

The EEA has since identified the design and construction of the canoe launch as a priority project. Since the mid-1970s the EEA has supported the Ecology Center and championed ecology based programming and community awareness in Evanston, partnering multiple

times with the City to raise funds for capital improvements to the Ecology Center. Continuing this long standing tradition, the EEA is actively raising funds to support this project and will be involved in the design and implementation process.

Working with the EEA, the City now seeks the professional services needed for the design and construction of this project. The intended schedule for this project is:

2023 – complete design work and preliminary engagements with regulatory agencies
2024 – project construction

The intended project timeline is subject to funding commitments and thus may be altered at the discretion of the City and EEA.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

E. Addenda

Any and all changes to these documents are valid only if they are included via written addendum to all respondents. Each respondent should acknowledge receipt of any addenda by indicating same in their proposal submission. Each respondent acknowledging receipt of any addenda is responsible for the contents of the addenda and any changes to the proposal therein. Failure to acknowledge any addenda may cause the proposal to be rejected. Addenda information is available over the internet at [City of Evanston Notices & Documents](#) or www.demandstar.com, or by contacting the Purchasing Office, 847-866-2935.

F. Term

The contract is until December 31, 2025. The City may terminate a contract for either cause or convenience.

G. Non-Appropriation of Funds

The City of Evanston reserves the right to terminate in whole or in part of the contract in the event that insufficient funds to complete the contract are appropriated by Evanston City Council.

H. Property of the City

All discoveries and documents produced as a result of any service or project undertaken on behalf of the City of Evanston shall become the property of the City.

I. Payment Terms

The consultant shall submit invoices detailing the services provided, project, professional staff, and hours. Payment shall be made in accordance with the Local Government Prompt Payment Act. Please note that failure to provide a detailed invoice could result in delay of payment and include termination of any agreement.

J. Disclosures and Potential Conflicts of Interest

The City of Evanston's Code of Ethics prohibits public officials or employees from performing or participating in an official act or action with regard to a transaction in which he has or knows he will thereafter acquire an interest for profit, without full public disclosure of such interest. This disclosure requirement extends to the spouse, children and grandchildren, and their spouses, parents and the parents of a spouse, and brothers and sisters and their spouses.

To ensure full and fair consideration of all proposals, the City of Evanston requires all Proposers including owners or employees to investigate whether a potential or actual conflict of interest exists between the Proposer and the City of Evanston, its officials, and/or employees. If the Proposer discovers a potential or actual conflict of interest, the Proposer must disclose the conflict of interest in its proposal, identifying the name of the City of Evanston official or employee with whom the conflict may exist, the nature of the conflict of interest, and any other relevant information. The existence of a potential or actual conflict of interest does NOT, on its own, disqualify the disclosing Proposer from consideration. Information provided by Proposers in this regard will allow the City of Evanston to take appropriate measures to ensure the fairness of the proposal process.

The City requires all Proposers to submit a certification, enclosed with this RFP, that the Proposer has conducted the appropriate investigation and disclosed all potential or actual conflicts of interest.

K. Protests

Any actual or prospective Proposer, who is aggrieved in connection with the solicitation or award of a contract, may protest to the Purchasing Office. The protest shall be submitted in writing within ten (10) calendar days after such aggrieved person knows or should have known of the facts giving rise thereto.

- The Proposer shall submit any protests or claims regarding this solicitation to the Purchasing Office.
- A pre-bid protest must be filed five (5) days before the bid opening or proposal submittal.

- A pre-award protest must be filed no later than ten (10) days after the bid opening date or proposal deadline.
- A post-award protest must be filed no later than ten (10) days after the award of the Contract.

All claims by a Proposer against the City relating to a contract shall be submitted in writing to the Purchasing Specialist. The City will only consider protests that are properly and timely submitted.

All protests or claims must set forth the name and address of the protester, the contract number, the grounds for the protest or claim, and the course of action that the protesting party desires the Purchasing Specialist to take. Statements shall be sworn and submitted under penalty of perjury.

L. Authority To Resolve Protests And Contract Claims

Protests: The Purchasing Specialist shall have the authority to consider and resolve a protest of an aggrieved Proposer, actual or prospective, concerning the solicitation or award of a contract. The City shall issue a written decision and that decision is final.

Contract Claims: The Purchasing Specialist, after consulting with Corporation Counsel, shall have the authority to resolve contract claims, subject to the approval of the City Manager or City Council, as applicable, regarding any settlement that will result in a change order or contract modification.

Each Proposer, by submitting a response to this RFP, expressly recognizes the limitations on its rights to protest provided in this Section and expressly waives all other rights and remedies and agrees that the decision on the protest is final and conclusive. If a Proposer disregards, disputes or does not follow the exclusive protest remedies provided in this Section, it shall indemnify and hold the City and its officers, employees, agents and consultants harmless from and against all liabilities, fees and costs, including legal and consultant fees and costs, and damages incurred or suffered as a result of such Proposer's actions. Each Proposer, by submitting a response to this RFP, shall be deemed to have irrevocably and unconditionally agreed to this indemnity obligation.

M. Litigation

For purposes of this Section, the following terms are defined as follows:

“issue” means any prior or pending litigation or investigation, either civil or criminal, or any governmental agency action or proceeding (the “issue”), which may affect the performance of the services to be rendered herein. For purposes of this Section, an “issue” shall also include any criminal, civil, or administrative penalty or finding imposed against any covered individual. An issue occurring within seven (7) years of the date preceding the date of the Proposer's response shall be disclosed by the Proposer.

“covered individual” means any principal, president, managing partner, or vice-president, affiliated in anyway with the Firm, and the Firm's employees or sub-contractors.

All proposers shall identify and describe with particularity any issue. The City, and not Proposer, has the sole discretion to determine whether an issue may affect the performance of the services. Failure of any Proposer to comply with this mandatory obligation shall, at the City's sole discretion, result in the Proposer's response being deemed non-responsive and not responsible. Failure of any Proposer to comply with the obligation specified herein may result in the voiding any subsequent contract award to Proposer if the City discovers upon the exercise of its customary due diligence that Proposer failed to comply with the mandatory obligation in this Section. The City reserves all rights to take any other actions in the case of a Proposer's non-compliance with this Section.

N. Sub-contractors

If any firm submitting a proposal intends on sub-contracting out all or any portion of the engagement, that fact, and the name of the proposed sub-contracting firm(s) must be clearly disclosed in the proposal. Following the award of the contract, no additional sub-contracting will be allowed without the prior written consent of the City of Evanston.

O. Contact with City Personnel

All Proposers are prohibited from making any contact with the City Manager, City Council, or any other official or employee of the City with regard to the Project, other than in the manner and to the person(s) designated herein. The Purchasing Specialist reserves the right to disqualify any Proposer found to have contacted City Personnel in any manner with regard to the Project. Additionally, if it is determined that the contact with City Personnel was in violation of any provision of 720 ILCS 5/33EE, the matter may be referred to the Cook County State's Attorney for review and prosecution.

P. Costs Incurred

The City of Evanston assumes no responsibility or liability for costs incurred by the Proposer prior to the execution of a contract. This includes costs incurred by the Proposer as a result of preparing a response to this RFP.

CITY OF EVANSTON M/W/EBE POLICY

A City of Evanston goal is to provide contracting and sub-contracting opportunities to Minority Business Enterprises, Women Business Enterprises, and Evanston Business Enterprises. The goal of the Minority, Women and Evanston Business Enterprise Program (M/W/EBE) is to assist such businesses with opportunities to grow. To assist such growth, the City's goal is to have general contractors utilize M/W/EBEs to perform no less than 25% of the awarded contract.

Firms bidding on projects with the City must work to meet the 25% goal or request a waiver from participation. It is advised that bidders place advertisements requesting sub-contractors and that they email or contact individual firms that would be appropriate to partner in response to the project. For samples of possible advertisements, see the City of Evanston's Business Diversity Section <http://www.cityofevanston.org/business/business-diversity/> ([Sample Advertisement](#)). If you request a paper copy of the additional documents, it will be available free of charge from the Purchasing Office, 2100 Ridge Road Suite 4200, Evanston, IL 60201.

If a bidder is unable to meet the required M/W/EBE goal, the Bidder must seek a waiver or modification of the goal on the attached forms. Bidder must include:

1. A narrative describing the Bidder's efforts to secure M/W/EBE participation prior to the bid opening.
2. Documentation of each of the assist agencies that were contacted, the date and individual who was contacted, and the result of the conversation (see form)
3. A letter attesting to instances where the bidder has not received inquiries/proposals from qualified M/W/EBEs
4. Names of owners, addresses, telephone numbers, date and time and method of contact of qualified M/W/EBE who submitted a proposal but was not found acceptable.
5. Names of owners, addresses, telephone numbers, date and time of contact of at least 15 qualified M/W/EBEs the bidder solicited for proposals for work directly related to the Bid prior to the bid opening (copies must be attached).

If a bidder is selected with a Sub-contractor listed to meet the M/W/EBE goal, a "monthly utilization report" will be due to the City prior to each payment being issued to the Contractor. This report will include documentation of the name of the firm hired, the type of work that firm performed, etc. Should the M/W/EBE not be paid according to the schedule proposed in this document, the City reserves the right to cancel the contract. Examples of this monthly form can be found on the City's website: <http://www.cityofevanston.org/business/business-diversity/> ([MWEBE Monthly Utilization Report](#)).

- E. Termination.** City may, at any time, with or without cause, terminate this Agreement upon seven (7) days written notice to Consultant. If the City terminates this agreement, the City will make payment to Consultant for Services performed prior to termination. Payments made by the City pursuant to this Agreement are subject to sufficient appropriations made by the City of Evanston City Council. In the event of termination resulting from non-appropriation or insufficient appropriation by the City Council, the City's obligations hereunder shall cease and there shall be no penalty or further payment required. In the event of an emergency or threat to the life, safety or welfare of the citizens of the City, the City shall have the right terminate this Agreement without prior written notice. Within thirty (30) days of termination of this Agreement, the Consultant shall turn over to the City any documents, drafts, and materials, including but not limited to, outstanding work product, data, studies, test results, source documents, AutoCAD Version 2022, PDF, ArcView, Word, Excel spreadsheets, technical specifications and calculations, and any other such items specifically identified by the City related to the Services herein.

- F. Independent Consultant.** Consultant's status shall be that of an independent Consultant and not that of a servant, agent, or employee of City. Consultant shall not hold Consultant out, nor claim to be acting, as a servant, agent or employee of City. Consultant is not authorized to, and shall not, make or undertake any agreement, understanding, waiver or representation on behalf of City. Consultant shall at its own expense comply with all applicable workers compensation, unemployment insurance, employer's liability, tax withholding, minimum wage and hour, and other federal, state, county and municipal laws, ordinances, rules, regulations and orders. Consultant shall require its employees to observe the working hours, rules, security regulations and holiday schedules of City, including but not limited to all policies and work rules applicable to City employees while on City property such as the Workplace Harassment Policy; COVID-19 Vaccination Policy; and Drug and Alcohol Policy. Consultant agrees to abide by the Occupational Safety & Health Act of 1970 (OSHA), and as the same may be amended from time to time, applicable state and municipal safety and health laws and all regulations pursuant thereto. Consultant shall certify that its agents, employees and subcontractors are in compliance with City work rules applicable to City employees while on City property. Failure to certify or violation of work rules is subject to the Default provisions of Paragraph C.

- G. Conflict of Interest.** Consultant represents and warrants that no prior or present services provided by Consultant to third parties conflict with the interests of City in respect to the Services being provided hereunder except as shall have been expressly disclosed in writing by Consultant to City and consented to in writing to City.
- H. Ownership of Documents and Other Materials.** All originals, duplicates and negatives of all plans, drawings, reports, photographs, charts, programs, models, specimens, specifications, AutoCAD Version 2022, Excel spreadsheets, PDF, and other documents or materials required to be furnished by Consultant hereunder, including drafts and reproduction copies thereof, shall be and remain the exclusive property of City, and City shall have the unlimited right to publish and use all or any part of the same without payment of any additional royalty, charge, or other compensation to Consultant. Upon the termination of this Agreement, or upon request of City, during any stage of the Services, Consultant shall promptly deliver all such materials to City. Consultant shall not publish, transfer, license or, except in connection with carrying out obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working pages, without the prior written approval of City, provided, however, that Consultant may retain copies of the same for Consultant's own general reference.
- I. Payment.** Invoices for payment shall be submitted by Consultant to City at the address set forth above, together with reasonable supporting documentation, City may require such additional supporting documentation as City reasonably deems necessary or desirable. Payment shall be made in accordance with the Illinois Local Government Prompt Payment Act, after City's receipt of an invoice and all such supporting documentation.
- J. Right to Audit.** Consultant shall for a period of three years following performance of the Services, keep and make available for the inspection, examination and audit by City or City's authorized employees, agents or representatives, at all reasonable time, all records respecting the services and expenses incurred by Consultant, including without limitation, all book, accounts, memoranda, receipts, ledgers, canceled checks, and any other documents indicating, documenting, verifying or substantiating the cost and appropriateness of any and all expenses. If any invoice submitted by Consultant is found to have been overstated, Consultant shall provide City an immediate refund of the overpayment together with interest at the highest rate permitted by applicable law, and shall reimburse all of City's expenses for and in connection with the audit respecting such invoice.
- K. Indemnity.** Consultant shall defend, indemnify and hold harmless the City and its officers, elected and appointed officials, agents, and employees from any and all liability, losses, or damages as a result of claims, demands, suits, actions, or proceedings of any kind or nature, including but not limited to costs, and fees, including attorney's fees, judgments or settlements, resulting from or arising out of any negligent or willful act or omission on the part of the Consultant or Consultant's sub-contractors, employees, agents or sub-

contractors during the performance of this Agreement. Such indemnification shall not be limited by reason of the enumeration of any insurance coverage herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the City, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

- L. Insurance.** Consultant shall carry and maintain at its own cost with such companies as are reasonably acceptable to City all necessary liability insurance (which shall include as a minimum the requirements set forth below) during the term of this Agreement, for damages caused or contributed to by Consultant, and insuring Consultant against claims which may arise out of or result from Consultant's performance or failure to perform the Services hereunder: (1) worker's compensation in statutory limits and employer's

liability insurance in the amount of at least \$500,000, (2) comprehensive general liability coverage, and designating City as additional insured for not less than \$3,000,000 combined single limit for bodily injury, death and property damage, per occurrence, (3) comprehensive automobile liability insurance covering owned, non-owned and leased vehicles for not less than \$1,000,000 combined single limit for bodily injury, death or property damage, per occurrence, and (4) errors and omissions or professional liability insurance respecting any insurable professional services hereunder in the amount of at least \$1,000,000. Consultant shall give to the City certificates of insurance for all Services done pursuant to this Agreement before Consultant performs any Services, and, if requested by City, certified copies of the policies of insurance evidencing the coverage and amounts set forth in this Section. The City may also require Consultant to provide copies of the Additional Insured Endorsement to said policy (ies) which name the City as an Additional Insured for all of Consultant's Services and work under this Agreement. Any limitations or modification on the certificate of insurance issued to the City in compliance with this Section that conflict with the provisions of this Section shall have no force and effect. Consultant's certificate of insurance shall contain a provision that the coverage afforded under the policy(s) will not be canceled or reduced without thirty (30) days prior written notice (hand delivered or registered mail) to City. Consultant understands that the acceptance of certificates, policies and any other documents by the City in no way releases the Consultant and its sub-contractors from the requirements set forth herein. Consultant expressly agrees to waive its rights, benefits and entitlements under the "Other Insurance" clause of its commercial general liability insurance policy as respects the City. In the event Consultant fails to purchase or procure insurance as required above, the parties expressly agree that Consultant shall be in default under this Agreement, and that the City may recover all losses, attorney's fees and costs expended in pursuing a remedy or reimbursement, at law or in equity, against Consultant.

Consultant acknowledges and agrees that if it fails to comply with all requirements of this Section, that the City may void this Agreement.

- M. Confidentiality.** In connection with this Agreement, City may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for City. Consultant agrees (i) to treat, and to obligate Consultant's employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or use the same in any manner whatsoever without first obtaining City's written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a

governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant's control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemption to the disclosure of such records or part thereof is applicable. Vendor shall indemnify and defend the City from and against all claims arising from the City's exceptions to disclosing certain records which Vendor may designate as proprietary or confidential. Compliance by the City with an opinion or a directive from the Illinois Public Access Counselor or the Attorney General under FOIA, or with a decision or order of Court with jurisdiction over the City, shall not be a violation of this Section.

- N. Use of City's Name or Picture of Property.** Consultant shall not in the course of performance of this Agreement or thereafter use or permit the use of City's name nor the name of any affiliate of City, nor any picture of or reference to its Services in any advertising, promotional or other materials prepared by or on behalf of Consultant, nor disclose or transmit the same to any other party.
- O. No Assignments or Sub-contracts.** Consultant shall not assign or sub-contract all or any part or its rights or obligations hereunder without City's express prior written approval. Any attempt to do so without the City's prior consent shall, at City's option, be null and void and of no force or effect whatsoever. Consultant shall not employ, contract with, or use the services of any other architect, interior designer, engineer, consultant, special contractor, or other third party in connection with the performance of the Services without the prior written consent of City.
- P. Compliance with Applicable Statutes, Ordinances and Regulations.** In performing the Services, Consultant shall comply with all applicable federal, state, county, and municipal statutes, ordinances and regulations, at Consultant's sole cost and expense, except to the extent expressly provided to the contrary herein. Whenever the City deems it reasonably necessary for security reasons, the City may conduct at its own expense, criminal and driver history background checks of Consultant's officers, employees, sub-contractors, or agents. Consultant shall immediately reassign any such individual who in the opinion of the City does not pass the background check.
- Q. Liens and Encumbrances.** Consultant, for itself, and on behalf of all sub-contractors, suppliers, materialmen and others claiming by, through or under Consultant, hereby waives and releases any and all statutory or common law mechanics' materialmen's' or other such lien claims, or rights to place a lien upon City property or any improvements thereon in connection with any Services performed under or in connection with this Agreement. Consultant further agrees, as and to the extent of payment made hereunder, to execute a

sworn affidavit respecting the payment and lien releases of all sub-contractors, suppliers and materialmen, and a release of lien respecting the Services at such time or times and in such form as may be reasonably requested by City. Consultant shall protect City from all liens for labor performed, material supplied or used by Consultant and/or any other person in connection with the Services undertaken by consultant hereunder, and shall not at any time suffer or permit any lien or attachment or encumbrance to be imposed by any sub-consultant, supplier or materialmen, or other person, firm or corporation, upon City property or any improvements thereon, by reason or any claim or demand against Consultant or otherwise in connection with the Services.

- R. Notices.** Every notice or other communication to be given by either party to the other with respect to this Agreement, shall be in writing and shall not be effective for any purpose unless the same shall be served personally or by United States certified or registered mail, postage prepaid, addressed if to City as follows: City of Evanston, 2100 Ridge Avenue, Evanston, Illinois 60201, Attention: Purchasing Division and to Consultant at the address first above set forth, or at such other address or addresses as City or Consultant may from time to time designate by notice given as above provided.
- S. Attorney's Fees.** In the event that the City commences any action, suit, or other proceeding to remedy, prevent, or obtain relief from a breach of this Agreement by Consultant, or arising out of a breach of this Agreement by Consultant, the City shall recover from the Consultant as part of the judgment against Consultant, its attorneys' fees and costs incurred in each and every such action, suit, or other proceeding.
- T. Waiver.** Any failure or delay by City to enforce the provisions of this Agreement shall in no way constitute a waiver by City of any contractual right hereunder, unless such waiver is in writing and signed by City.
- U. Severability.** In the event that any provision of this Agreement should be held void, or unenforceable, the remaining portions hereof shall remain in full force and effect.
- V. Choice of Law.** The rights and duties arising under this Agreement shall be governed by the laws of the State of Illinois. Venue for any action arising out or due to this Agreement shall be in Cook County, Illinois. The City shall not enter into binding arbitration to resolve any dispute under this Agreement. The City does not waive tort immunity by entering into this Agreement.
- W. Time.** Consultant agrees all time limits provided in this Agreement and any Addenda or Exhibits hereto are of essence to this Agreement. Consultant shall continue to perform its obligations while any dispute concerning the Agreement is being resolved, unless otherwise directed by the City.
- X. Survival.** Except as expressly provided to the contrary herein, all provisions of this Agreement shall survive all performances hereunder including the termination of the Consultant.

VI. EQUAL EMPLOYMENT OPPORTUNITY

In the event of the Consultant's noncompliance with any provision of Section 1-12-5 of the Evanston City Code, the Illinois Human Rights Act or any other applicable law, the Consultant may be declared non-responsible and therefore ineligible for future contracts or sub-contracts with the City, and the contract may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

During the performance of the contract, the Consultant agrees as follows:

A. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, national origin or ancestry, or age or physical or mental disabilities that do not impair ability to work, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization. Consultant shall comply with all requirements of City of Evanston Code Section 1-12-5.

B. That, in all solicitations or advertisements for employees placed by it on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, national origin, ancestry, or disability.

E. In accordance with the Steel Products Procurement Act, Consultant certifies steel products used or supplied in the performance of a contract for public works shall be manufactured or produced in the U.S. unless the City grants an exemption.

F. Consultant certifies that it is properly formed and existing legal entity, and as applicable, has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State.

G. If more favorable terms are granted by Consultant to any similar governmental entity in any state in a contemporaneous agreement let under the same or similar financial terms and circumstances for comparable supplies or services, the more favorable terms shall be applicable under this Agreement.

H. Consultant certifies that it is not delinquent in the payment of any fees, fines, damages, or debts to the City of Evanston.

IX. INTEGRATION

This Agreement, together with Exhibits A, B, C, and D sets forth all the covenants, conditions and promises between the parties with regard to the subject matter set forth herein. This Agreement has been negotiated and entered into by each party with the opportunity to consult with its counsel regarding the terms therein. No portion of the Agreement shall be construed against a party due to the fact that one party drafted that particular portion as the rule of *contra proferentem* shall not apply.
