DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING SEPTEMBER 2, 2022

Have a Happy & Safe Labor Day Weekend!

Editor's Note: The NWMC offices will be closed on Monday, September 5.

Today's the Day!

The first NWMC Board of Directors meeting for this fiscal year will be held on Wednesday, September 14. In preparation, staff previously emailed information to register member delegates and alternate delegates to the Board. If you have not done so already, please remit the form by TODAY, Friday, September 2 to Marina Durso, mdurso@nwmc-cog.org or fax, 847-296-9207. *Staff contact: Marina Durso*

Time to Answer the Call (for Legislative Initiatives)

This month, the Conference's Legislative Committee will begin the process of developing the 2023 NWMC Legislative Program. To inform that process, we are soliciting initiatives and issues for consideration to include in the program. Your responses are critical to creating the Conference's legislative work plan for the year.

Staff previously emailed the membership with an attached form to solicit legislative issues and describe any actions taken to date to address them. Please note that federal issues should also be submitted at this time. In addition to informing the Legislative Program, member responses will provide the Legislative Committee and staff with the local government context necessary to review legislation and engage lawmakers as highlighted issues emerge during the year.

Completed forms should be submitted to NWMC Policy Analyst Chris Staron, cstaron@nwmc-cog.org, by Wednesday, September 14. *Staff contacts: Chris Staron, Larry Bury, Mark Fowler*

Register Today for the Fall NWMC Surplus Vehicle & Equipment Auction

The last live NWMC Surplus Vehicle & Equipment Auction of 2022 will be held on Tuesday, October 18 at noon at America's Auto Auction in Crestwood. America's AA offers a wide variety of convenient services to prep your vehicles and garner the highest possible price, and as previously noted, prices for used cars are up 40% year-to-year due to chip shortages and high demand.

Please note that vehicles and equipment can be listed for disposal right up to the morning of auction day. Sell them now before winter and the dreaded lot rot sets in. Please keep in mind that a portion of the proceeds help support the operations of the organization. In addition, America's Auto Auction hosts online sales on par with other government surplus Internet auctions. For additional information, please contact staff or Berry Ellis, berry.ellis@americasautoauction.com or 312-371-5993. *Staff contact: Ellen Dayan*

Final ITEP Application Webinar Next Week

The Illinois Department of Transportation (IDOT) is accepting applications for the Illinois Transportation Enhancement Program (ITEP). This year, the ITEP 2022 grant cycle will provide \$125 million in state and federal funding for walking, biking, and trail projects around the state. Applications are due September 30. This week, the Conference submitted letters of support for ITEP projects in *Mount Prospect* and *Park Ridge*. Please contact staff to request project letters of support from the Conference.

Active Transportation Alliance and Illinois Public Health Institute have worked in partnership with IDOT to host the following webinar series this summer to help communities apply for funding—recordings are available for past webinars:

- Wednesday, July 20 – [Recording](#)

Content: ITEP basics, eligibility criteria, what’s new, and best practices

- Wednesday, August 24 – [Recording](#)

Content: Scoring, application walk through, Q&A with IDOT staff

- Wednesday, September 14, 9:30 a.m. to 11:00 a.m. [Register here](#)

Content: Q&A with IDOT staff

For more information, please visit the [Active Transportation Alliance’s Website](#) or contact Maggie Czerwinski, maggie@activetrans.org. *Staff contacts: Kendra Johnson, Eric Czarnota*

IDOT Issues Notice of Funding Opportunity for Special Bridge Program

The Illinois Department of Transportation (IDOT) has opened the application period for the Illinois Special Bridge Program. Projects must be existing bridges eligible for Surface Transportation Program funding that carry a highway and have a minimum total cost of \$1 million. Funding is limited to construction and construction engineering and requires a 20 percent local match. IDOT notes that it is beneficial to have received approval from the Bridge Condition Report (BCR) prior to applying to ensure the scope of work is eligible. Priority consideration will also be given to structurally deficient National Highway System (NHS) structures that will reduce the number that are reported to the Federal Highway Administration.

Interested candidates should contact their district office by Tuesday, October 11 and applications are due by Friday, October 14. For more information on application procedures and requirements, please refer to [Circular Letter 2022-22](#) or contact Melinda Kos, Melinda.Kos@illinois.gov. *Staff contacts: Kendra Johnson, Eric Czarnota*

Fire Truck and Ambulance Revolving Loan Program Now Accepting Applications

The Office of the Illinois State Fire Marshal and Illinois Finance Authority are accepting applications for the Fire Truck Revolving Loan Program (FTRL) and Ambulance Revolving Loan Program (ARLP). Under the FTRL program, approximately \$10.5 million is available to fire departments and fire protection districts, which may apply for up to \$350,000 in low interest or no interest loans for purchase of a fire truck. FTRL funds must be repaid within 20 years.

Under the ARLP program, approximately \$2.7 million is available to units of local government and not-for-profit ambulance service providers, which may apply for up to \$200,000 for no or low interest loans for purchase of ambulances. ARLP funds must be paid back within 10 years. Applications must be submitted by Monday, October 31. Please visit www2.illinois.gov/sites/sfm/Iam/FireDepartment/Grants-and-Loans to access the application form and for further information. *Staff contact: Larry Bury*

FEMA Seeking Public Comments on Hazard Mitigation Assistance Program and Policy Guide

The Federal Emergency Management Agency’s (FEMA) Hazard Mitigation Assistance grant programs provide funding for actions that address risks and reduce disaster suffering from events like wildfires, drought, extreme heat, hurricanes, earthquakes and flooding, including the Building Resilient Infrastructure and Communities (BRIC) and Flood Mitigation Assistance Programs.

FEMA posted updates to the program guide to the [Federal Register](#) under docket number [FEMA-2022-0023](#). The public comment period will run through Friday, September 23. Comments can be submitted at [regulations.gov](https://www.regulations.gov) and will become publicly available. Please follow the instructions on the page for submitting comments and contact the Regulations.gov [help desk](#) with any issues. For more information, please visit [FEMA’s website](#). *Staff contact: Kendra Johnson*

Notices of Funding Opportunity Issued for Two FEMA Programs

The Federal Emergency Management Agency (FEMA) has released [notices of funding opportunity](#) for the Building Resilient Infrastructure and Communities (BRIC) and Flood Mitigation Assistance Programs for this fiscal year. BRIC funds capital projects that reduce the risk of future disasters, including flooding. The Flood Mitigation

Assistance Program makes federal funds available to states, U.S. territories, Indian tribal governments and local communities to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP).

The application period for both programs opens on September 30 and will close on January 27. To address questions on the notices of funding or subapplication development, FEMA Region 5 will be conducting a series of Office Hours for potential subapplicants every Monday and Wednesday through the end of January. Please email Caroline McCahey at caroline.mccahey@fema.dhs.gov to receive calendar invites to the office hours. *Staff contact: Kendra Johnson*

Deadline Extended for MWRD Green Infrastructure Program

The Metropolitan Water Reclamation District of Greater Chicago (MWRD) is accepting applications for their Green Infrastructure (GI) Partnership Opportunity program, which supports local implementation of GI projects. Eligible projects should be designed to manage stormwater using GI and to maximize collection of off-site stormwater runoff and infiltration within the installation.

Applicants must be a municipality, township, county agency, park district, school district or other local government organization within [MWRD's corporate boundaries](#) able to enter into an intergovernmental agreement with MWRD. Applicants must also agree to maintain and operate the completed project for the service life of the installation. Applications should be submitted online by Friday, September 9. To learn more and apply, please visit [MWRD's website](#) or contact Holly Sauter, SauterH@mwr.org. *Staff contact: Kendra Johnson*
