Upon reproration, if the amount paid by the Seller to the Buyer at Closing was in excess of the reprorated taxes, the Buyer shall, within fifteen (15) days of notice from the Seller, refund the excess to Seller. If, in the event of reproration, the reprorated amount exceeds the credit given to the Buyer at Closing, the Seller shall, within fifteen (15) days of notice from the Buyer, pay the balance due based upon the reprorated figures to the Buyer.

6. Seller's Representations. The Seller represents and warrants to the Buyer as follows: The Seller has the authority to make and perform this Agreement; to the best of its knowledge, the Property and the use thereof comply with all applicable public and private restrictions, regulations, ordinances and laws; there are no actions, suits, or other legal proceedings presently pending, or to the best knowledge of the Seller, threatened against the Property; the Seller's performance of this Agreement will not constitute a default under any agreement by which the Property might be bound; to its best knowledge the Property is in compliance with all applicable environmental regulations, zoning ordinances and other restrictions governing the use of the Property; to its best knowledge the Seller has disclosed to the Buyer all matters which might have a material adverse effect on the ownership, operation or maintenance of the Property.

7. Buyer's Representations. In further consideration of the Seller's agreement to sell at the Purchase Price set forth in Paragraph 2 above, the Purchaser hereby represents as follows:

a. Purchaser shall, to the extent it shall be within its reasonable control, maintain its operational and administrative headquarters in the City of Evanston for a minimum period of ten (10) years from the date of the closing. In the event Purchaser removes its operations from the City of Evanston during the five (5) year period commencing with the date of closing for any reason other than Purchaser's bankruptcy, insolvency, substantial and material loss of business, or dissolution other than as a result of the sale of all or substantially all of

Purchaser's assets, Purchaser shall reimburse Seller for a prorated portion of the Seller's Original Acquisition Cost for the Property (\$111,000.00) upon the following schedule:

1. If the removal occurs within the first one year period following closing, the Purchaser will pay the Seller the sum of FIFTY FIVE THOUSAND FIVE HUNDRED DOLLARS (\$55,500.00), i.e., 50% of the Original Acquisition Cost.
 2. If the removal occurs after the first year but prior to the end of the second year following closing, the Purchaser will pay the Seller the sum of FORTY FOUR THOUSAND FOUR HUNDRED DOLLARS (\$44,400.00), i.e., 40% of the Original Acquisition Cost.
 3. If the removal occurs after the second year but prior to the end of the third year following closing, the Purchaser will pay the Seller the sum of THIRTY THREE THOUSAND THREE HUNDRED DOLLARS (\$33,300.00), i.e., 30% of the Original Acquisition Cost.
 4. If the removal occurs after the third year but prior to the end of the fourth year following closing, the Purchaser will pay the Seller the sum of TWENTY TWO THOUSAND TWO HUNDRED DOLLARS (\$22,200.00), i.e., 20% of the Original Acquisition Cost.
 5. If the removal occurs after the fourth year but prior to the end of the fifth year following closing, the Purchaser will pay the Seller the sum of ELEVEN THOUSAND ONE HUNDRED DOLLARS (\$11,100.00), i.e., 10% of the Original Acquisition Cost.
- b. In the construction of its new plant on the Property, Purchaser shall award twenty-five percent (25%) of its construction and/or consulting contracts to Evanston based, minority-owned, or women-owned businesses, provided such contractors have furnished bids competitive with bids received from other contractors, and provided that such contractors have been qualified through the City of Evanston Minority Business Enterprise.
- c. Purchaser has and will continue to support the goals of fair employment, and shall cooperate with the City of Evanston in the hiring of new employees for its facility. As and when job openings become available, Purchaser shall contact the City of Evanston Minority Recruitment Coordinator and advise him or her of such openings. In making its hiring decisions, Purchaser shall give first preference to Evanston residents, and particularly, minority residents.

8. Survey; Zoning Issues. A. Prior to the Closing Date, Seller shall furnish a survey by a licensed land surveyor dated or recertified after the date of this Contract showing the location of

the improvements (including fences, if any) thereon and showing all encroachments, if any. If the survey discloses improper location of improvements or encroachments and the Seller is unable to obtain title insurance protection for the benefit of the Buyer against loss resulting from such improper location or encroachment, Buyer may, at his option, declare this Agreement to be null and void, with the Earnest Money Deposit and all interest accrued thereon to be returned to the Buyer.

B. Seller covenants and agrees that it shall, upon review and approval of Purchaser's building/construction plans, allow issuance of all requisite Building Permits prior to completion of the consolidation of the two (2) lots upon which Purchaser proposes to construct its new facility. Purchaser covenants and agrees that it will endeavor to complete said consolidation prior to the issuance of the Final Certificate of Occupancy.

9. Possession. Possession of the Property will be delivered to the Buyer on the Closing Date free from management contracts, service contracts, employment agreements, and leases and/or tenancies of any kind or nature.

10. Default; Remedy. In the event that either party fails to perform such party's respective obligations hereunder (except as excused by the other's default) the party claiming default will make written demand for performance. If the Seller fails to comply with such written demand within ten (10) days after receipt thereof, the Buyer will have the option to waive such default, demand specific performance, or terminate this Agreement and, on such termination, the Earnest Money Deposit together with all interest accrued thereon, will be returned to the Buyer. If the Buyer fails to comply with such written demand within ten (10) days after receipt thereof, the Seller will have the option to waive such default or to terminate this Agreement and, on such termination, the Seller will be paid the Earnest Money Deposit as liquidated damages (and not as a penalty) as Seller's sole remedy. On such return or payment of the Earnest Money Deposit, the parties will be discharged from any further obligations and liabilities hereunder. It is specifically acknowledged that the Seller waives all rights to claim or demand specific performance of this Agreement.

11. Code Compliance. Seller shall warrant to Purchaser in the Affidavit of Title to be delivered at closing that Seller has not received any notice of zoning or building code violations between the date of contract and the date of closing, and that any and all violations previously noted have been corrected.

12. Regulatory and Environmental Issues. A. If required, Seller shall report this transaction to the Illinois Department of Revenue (IDOR) promptly upon Seller's acceptance of this Contract pursuant to the provisions of Section 902 (d) and companion sections of the Illinois Revenue Act. Purchaser shall have the right to withhold from Seller any amount required by IDOR in any Stop Order Letter issued by IDOR, such funds to be held by the title insurer in escrow until such time as the Stop Order is duly released by IDOR, or, if necessary, the escrowee shall apply such funds to obtain such

release. Any part of such funds held by the escrowee after IDOR issues a release shall be paid over to Seller.

B. Seller agrees to comply with the Illinois Responsible Property Transfer Act by preparing and submitting the necessary environmental disclosure documents to Purchaser and the title insurance company, if required, at least ten (10) days prior to closing.

C. Seller warrants and represents that there are no underground storage tanks (UST's) on the property, nor are there any other environmental risks or contaminants present on the property including asbestos, benzene, or other hazardous substances identified as such by the Environmental Protection Agency, other than as identified on the Phase I Environmental Site Assessment dated May 10, 1994 prepared by Mionx Corporation.

13. Contracts, Leases. A. Seller warrants and represents that there are and shall be no service contracts, agreements, licenses, invoices, bills, or understandings of any nature, written or oral, which have not been disclosed herein, which Purchaser will be required to assume, pay, or be bound by.
