**C. Litter Collection Plan:**

- 1) The Applicant shall implement and adhere to a Litter Collection Plan requiring the policing of an area located within a two hundred fifty-foot (250') radius of the building in which the use is located. **D. Litter Pick-Up Plan:**

- 1) The Applicant, the owner of the Subject Property, and/or the operator of the Type 2 Restaurant shall provide and maintain on the Subject Property exterior litter receptacles, in sufficient number and type adequate, in the City's judgment, and with collections there from of sufficient frequency, also in the City's judgment, to contain, with lids tightly shut, all litter emanating from operation of the use. Litter shall be collected a minimum of three (3) times per week, including collections on Sundays to the extent necessary, in the City's judgment, to comply with this condition. All litter receptacles shall be maintained in a clean condition with tight-fitting lids, and shall be placed on Code-compliant surfaces. The owner of the Subject Property shall provide adequate space at the rear of and on the Subject Property to accommodate the litter receptacles and collections required.
