DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING MARCH 17, 2023

NWMC Board Approves Legislative Positions, EAP and Auction Contracts

Thank you to the twenty-one members represented at Wednesday's NWMC Board meeting. Members received a report on issues pending before the General Assembly and unanimously approved positions on over two hundred bills impacting local governments. The Board also unanimously approved the 2023 legislative priorities of the Metropolitan Mayors Caucus. Finally, members approved contract extensions for the NWMC Employee Assistance Program and Surplus Vehicle and Equipment Auction (see article on p. 2) as well as changes to the organization's records retention guide. *Staff contacts: Mark Fowler, Larry Bury*

Today's the Day to Submit FY 2023-2024 NWMC Officer Nominations!

Thank you to those members who have returned the FY23-24 NWMC officer nomination form. As a reminder, NWMC Mayors, Presidents and Supervisors are encouraged to submit the names of those active members to fulfill the roles of NWMC President, Vice-President, Secretary and Treasurer. Nomination forms are to be returned to NWMC Executive Director Mark Fowler, mfowler@nwmc-cog.org by TODAY, Friday, March 17.

The Nominating Committee will review the nominations and present its recommended slate at the April 12 NWMC Board Meeting. According to the NWMC By-Laws, other nominations may be made at the April meeting or by mail if received prior to that meeting date. Election shall be by a majority of those present and voting at the May 10 Board meeting. Officers will be sworn in at the NWMC Annual Gala on June 14. *Staff contacts: Mark Fowler, Larry Bury*

General Assembly Turns Attention to Next Bill Deadline

Following last week's busy schedule and deadline to advance bills out of committee, public activity in the General Assembly was much lighter this week. The Senate did not meet in session this week, while the House held a slew of subject matter hearings while advancing bills to third reading on the floor. Legislative activity will increase in the next two weeks as House bills will have until March 24 to advance to the Senate, and Senate bills will have an extra week to advance (March 31).

Originally scheduled for subject matter hearings were [House Bill 2087](#) (Rep. Anthony DeLuca) and [House Bill 1052](#) (Rep. Jay Hoffman); however, they were not called for discussion in their respective committees. House Bill 2087 increases the Local Government Distributive Fund (LGDF) to 8% of state personal income tax revenues (9.11% of corporate income taxes). The NWMC supports increasing the LGDF and anticipates that the issue will be determined through the state budget process. House Bill 1052 increases the Tier II pension benefits for firefighters. An amendment was introduced on the bill to also include police officers. The bill would reduce the retirement age and increases the annual cost of living adjustment for Tier II public safety employees. The NWMC opposes the bill, which will add significant costs for taxpayers.

One key bill that did advance to the floor was [Senate Bill 249](#) (Sen. Michael W. Halpin). The legislation extends the Prevailing Wage Act to apply to an employee of a public body engaged in the construction or demolition of public works on behalf of another public body. Stakeholders continue to discuss the legislation. The NWMC opposes the bill in its current form. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

NWMC Hosts Discussion, Builds Partnership with IDOT Central Office Team

On Wednesday, representatives from the Illinois Department of Transportation (IDOT) Local Roads team in Springfield traveled to Oakton College to introduce themselves and acknowledge and address ongoing concerns for local municipalities. Nearly seventy municipal, council of government and regional agency officials attended the meeting, which was led by IDOT Central Office Bureau Chief of Local Roads and Streets George Tapas.

The meeting was in part the result of a 2022 letter sent by past *NWMC President and Highland Park Mayor Nancy Rotering* to IDOT Secretary Omer Osman. The letter expressed longstanding concerns about IDOT’s agreement and permitting processing, insufficient staffing levels, excessive review times for federal agreements and delayed issuance of right-of-way permits. The letter also provided numerous recommendations and offered local government assistance to reduce the burden on IDOT staff and more efficiently move projects to completion.

Mr. Tapas acknowledged the ongoing issues and outlined current and planned actions to address them. He outlined improvements to processing and throughput of documents and invoices and overall efficiencies of the department. One key initiative he discussed was creation of a portal for municipalities to track agreements and projects through the entire process. Finally, he noted that this was the first of many discussions and stressed the desire of his department to improve communications and build partnerships with local implementers and stakeholders. To that end, please contact Mr. Tapas, 217-782-6467 or George.Tapas@illinois.gov. *Staff contact: Eric Czarnota*

NWMC Board Approves Surplus Vehicle & Equipment Contract Extension

As reported on page one, the NWMC Board approved a contract extension with America’s Auto Auction (America’s AA) for the NWMC Surplus Vehicle and Equipment Action program. This marks the tenth year of the partnership with America’s AA and we encourage members to participate in this live and online program where hundreds of individuals come together and actively bid to own used municipal equipment. It’s the best avenue for municipalities to earn the highest dollar on used equipment.

The next NWMC Surplus Vehicle and Equipment Auction is scheduled for noon on Tuesday, April 18, at America’s Auto Auction in Crestwood. America’s AA offers a wide variety of convenient services to prep your vehicles and garner the highest possible price. Please note that vehicles and equipment can be listed for disposal at the NWMC auction right up to the morning of the auction day. Sell them now to get a fresh start and please keep in mind that a portion of the proceeds helps support the operations of the organization. If you can’t make the April auction, live auctions will also be held on July 18 and October 17. In addition, America’s Auto Auction hosts online sales on par with other government surplus Internet auctions. For questions or additional information, please contact staff or Berry Ellis, 312-371-5993 or berry.ellis@americasautoauction.com. *Staff contact: Ellen Dayan*
