DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING APRIL 14, 2023

NWMC Board Forwards Leadership Slate, Approves FY2023-2024 Budget

Thank you to the twenty-five members who attended the April 12 Board meeting. The membership unanimously approved the FY2023-2024 NWMC Budget, which does not raise membership dues for the tenth consecutive year. While the Conference remains in a strong financial position, the approved budget included recommendations to update the Conference's Reserve Fund Policy and for the Finance Committee to determine future membership dues scenarios.

The Board forwarded the proposed slate of officers for FY2023-2024 for election at the May 10 meeting. Members also unanimously approved a service resolution honoring the contributions of *Buffalo Grove Village President Beverly Sussman* to the organization and received an update on the final weeks of the General Assembly session (see article below) *Staff contacts: Mark Fowler, Larry Bury*

General Assembly Returns to Springfield Next Week – Be Ready

The General Assembly returns to Springfield next week and faces a tight five-week schedule before adjournment. One of the first items on the agenda is the Local Government Distributive Fund (LGDF). On Tuesday, April 18 at 4:00 p.m., the House Cities & Villages Committee will hold a subject matter hearing on LGDF. Mayors representing the suburbs and downstate will present testimony describing the need for LGDF. A notice to file witness slips will be sent prior to the hearing.

Additionally, a number of significant bills affecting local governments will begin to work their way through the committee process in the opposite chamber. The deadline to advance bills out of committee is April 28 in both chambers. A trio of Prevailing Wage Act expansion bills have advanced to the Senate: [House Bill 2845](#) (Rep. Dave Vella, Sen. Meg Loughran Cappel), [House Bill 3370](#) (Rep. Dave Vella, Sen. Cristina Castro) and [House Bill 3792](#) (Rep. Larry Walsh, Jr., Sen. Steve Stadelman). The NWMC is opposed to these bills because they expand the definition of "public works" under the Prevailing Wage Act and threaten a community's ability to control costs.

In the House, [Senate Bill 1476](#) (Sen. Ann Gillespie, Rep. Abdelnasser Rashid), which makes changes to affordable housing provisions, is scheduled for a House Housing Committee hearing at 10:00 a.m. on April 19. Also, [Senate Bill 2368](#) (Sen. David Koehler, Rep. Gregg Johnson) establishes "baseline" building code standards for commercial and residential construction, is awaiting committee assignment.

Please be ready to respond to NWMC Legislative Action Alerts in these final five weeks of session. The General Assembly is scheduled to adjourn on May 19. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

Last Chance to Register Vehicles for the April 18 NWMC Auction

Thank you to *Evanston, Lincolnwood, Richton Park, Tinley Park and Willowbrook* for registering vehicles to be sold at the April 18 NWMC Surplus Vehicle and Equipment Auction. The event will begin at noon at America's Auto Auction in Crestwood. Please note that vehicles and equipment can be listed for disposal at the NWMC auction right up to the morning of the auction day. Sell them now to get a fresh start and please keep in mind that a portion of the proceeds help support the operations of the organization. For questions or additional information, please contact staff or Berry Ellis, 312-371-5993 or berry.ellis@americasautoauction.com. *Staff contact: Ellen Dayan*

Time Running Out to Enroll in the NWMC Employee Assistance Program

As previously reported, the Northwest Municipal Conference is again pleased to offer the opportunity to enroll in the NWMC Employee Assistance Program (EAP) to municipalities, townships, park districts and libraries. TELUS Health (formerly LifeWorks) is the current EAP provider and offers confidential, cost free referrals and assessment services twenty-four hours a day for employees and their families. Areas of assistance include dealing with issues such as substance abuse, mental health, family and marital problems, financial and legal matters.

As part of the contract renewal, TELUS Health requested an 8% inflationary increase. This represents the first requested increase since 2018, during which time TELUS Health/LifeWorks has made significant operational and service improvements. On March 15, the NWMC Board of Directors approved the contract renewal with the increase

to be divided evenly between participating entities and the NWMC. Therefore, the fee will increase by 4% to \$24.44 per employee per year. The effective date of the agreement is May 1, 2023 to April 30, 2024.

If your community is not currently a member of the EAP program and would like to join or obtain additional information, please contact Marina Durso, 847-296-9200, ext. 122 or mdurso@nwmc-cog.org.
