DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING JUNE 23, 2023

Time to Sign Up for Your Favorite NWMC Committee(s)

The strength of the Northwest Municipal Conference lies in the active participation of the individual members on the Conference's committees. The collaborative discussion and direction from the Conference's committees is critical for guiding the organization's work and representing the interests of our members. Now is the time to volunteer your time and expertise (or that of appropriate staff members) to represent your community on the Conference's core and/or non-core committees that best fit your interests.

On Monday, the annual call for volunteers to serve on one or more of the various NWMC core committees (Bicycle and Pedestrian, Finance, Legislative and Transportation) or non-core committees (Attorneys, Fire Core Cost Containment and Public Works Cost Containment) was emailed to the membership. Individuals interested in serving should return completed registration forms to Larry Bury, lbury@nwmc-cog.org, by Monday, July 3. *Staff contacts: Mark Fowler, Larry Bury*

Bike/Ped Committee Takes to the Trails

On Tuesday, members and friends of the NWMC Bicycle and Pedestrian Committee enjoyed the great June weather by navigating the Paul Douglas Forest Preserve mountain bike and paved trails in *Hoffman Estates*. Years of volunteer work by the [Chicago Area Mountain Bikers \(CAMBr\)](#) has added twenty-two miles of off-road trails in the forest preserve designed for all abilities of bike riders. The trail will also be part of the [Chicagoland Race Series](#) on Sunday, August 20.

Members of the committee enjoyed both trails before retiring to Bell Works for lunch and a discussion with Daily Herald Columnist Ralph Banasiak and Crank Revolution staff on the history of the off-road trails. *Hoffman Estates Director of Planning and Transportation Jennifer Horn* and *Transportation and Long-Range Planner Phil Green* also discussed the creation and future of both the trails and the Bell Works property. Thank you to Hoffman Estates, Crank Revolution and Bell Works for their hospitality and for everyone who participated in a fun field trip! *Staff contacts: Eric Czarnota, Brian Larson*

CMAP Developing Plan of Action for Regional Transit

As directed by Public Act 102-1028, CMAP is developing the [Plan of Action for Regional Transit \(PART\) report](#), which will be a set of legislative recommendations to strengthen the regional transit system. This report must be approved by CMAP's Board and MPO Policy Committee before it is submitted to the General Assembly and Governor by January 1, 2024. The recommendations will discuss topics including: improving transit through enhanced bus service; enabling fare integration and other measures; identifying sustainable revenues for the system through changes to the sales tax and other mechanisms; and, exploring governance reforms needed to enact the desired changes.

The PART report will also leverage findings and input from the RTA and its [Transit is the Answer](#) strategic plan, as well as CMAP's [Mobility Recovery](#) project. CMAP is also required to assemble a steering committee comprised of business, civic, labor, and environmental stakeholders who will help guide development of the recommendations. The PART steering committee has held three meetings, with the next convening on Wednesday, July 19 at 8:30 a.m. To receive a briefing on the PART report, please contact CMAP Principal for Communications and Outreach Jane Grover, jgrover@cmapp.illinois.gov or 312-386-8802. *Staff contacts: Eric Czarnota, Brian Larson*
