A Solar Power Purchase Agreement at the Robert Crown Community Center

RFP # 23-38

ADDENDUM No. 3

September 19, 2023

This addendum forms a part of RFP # 23-38 and modifies these documents. This addendum consists of the following:

Announcement:

In your proposal, please indicate your approach for the following options:

1. Connect the solar system to the switchgear as is and provide about 333 Kw of power.
2. Reconfigure the existing switchgear to place the solar connection at the end allowing for about 1 MW of power
3. Connect the solar system to the supply side of the switchgear and locate the equipment outside the building on the site near the electrical room.

Note: Acknowledgment of this Addendum is required in the Submittal.
