# DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

**WEEK ENDING OCTOBER 13, 2023**

## ***NWMC Board Reactivates Pension Fairness Coalition, Approves Audit***

Thank you to the twenty-three NWMC members represented at Wednesday night's Board meeting. Staff provided an update on several significant legislative issues beginning with the upcoming veto session, scheduled for October 24-26 and November 7-9. The Board unanimously approved a letter urging legislators to support Governor Pritzker's amendatory veto to a property tax omnibus bill that reduces the property tax assessment for for-profit private nursing home operators in Cook County. Members also discussed a proposal during the veto session to amend the Paid Leave for All Workers Act to exempt municipalities, townships and counties from the requirements of the act.

Turning attention to anticipated activity during the spring session of the General Assembly, staff provided an update on recent hearings of the House Personnel and Pensions Committee and proposed legislation to make significant changes to the Tier 2 pension systems for public safety personnel. To address this and other pension related legislation, the Board voted unanimously to reactivate the Pension Fairness for Illinois Communities Coalition, which was created by the Conference in 2010 and led to the successful implementation of the Tier 2 pension system.

In other Board action, members unanimously approved the FY22-23 NWMC Audit and the FY24 Unified Work Program agreement and budget, which primarily funds the organization's transportation planning services. Finally, members discussed the Plan of Action for Regional Transit report, which was approved on Wednesday at a joint meeting of the Chicago Metropolitan Agency for Planning Board and the Metropolitan Planning Organization Policy Committee (please see article below). *Staff contacts: Mark Fowler, Larry Bury*

We encourage members to participate in this live and online auction as it's the most effective way for members to save time and earn the highest amount of money on used equipment.

Please note that vehicles and equipment can be listed in the NWMC auction right up to the morning of the auction day. ## ***CMAP Board/MPO Policy Committee Advance PART Report***

As mentioned above, the Chicago Metropolitan Agency for Planning (CMAP) Board of Directors and the Metropolitan Planning Organization Policy Committee held a joint meeting Wednesday and voted to advance CMAP's Plan of Action for Regional Transit (PART) report to the General Assembly. The report presents two funding options: the \$1.5 billion Transformational Investment package and the \$1 billion Meaningful Change package. Both options allocate \$730 million to address the fiscal cliff transit agencies are facing and varying amounts depending on the package for increased service (including regional rail), fare integration and affordability, and additional funding for any other associated costs.

The report also outlines two governance options: Option 1 proposes a single regional integrated transit agency that would merge the Regional Transportation Authority (RTA), Chicago Transit Authority, Metra, and Pace. Option 2 suggests empowering a regional coordinating agency, which would provide the RTA or another entity determined by the legislature with increased oversight over the three operating agencies. The report is scheduled to be delivered to the Illinois General Assembly on January 1, 2024. *Staff contacts: Eric Czarnota, Brian Larson*

## ***Metra to Host Bi-Annual “Breaking the Silence” Symposium***

According to the program flyer, “a lot has changed since going through the COVID Pandemic. Attempted suicides, suicides and mental illness among all demographics have risen over 30%. This also affects the rail and transit industry. Metra is committed to bringing industry stakeholders, peer regulatory agencies and the mental health community together to focus on suicide prevention, promoting mental health resources, mitigation initiatives and strategies.” Speakers will include: Metra; The Federal Railroad Administration, Office of Safety, and The Office of Development; National Operation Lifesaver; The Volpe Center; and, the DuPage County Coroner.
