

City of Evanston FY2023 Action Plan

Updated with 2023 Grant Amounts
March 17, 2023

Approved by City Council
March 27, 2023

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Evanston’s 2023 Action Plan implements the fourth year of the City’s 2020-2024 Consolidated Plan using CDBG, HOME and ESG funds. Three federal statutory goals to improve living conditions for primarily low- and moderate-income residents are addressed:

- Provide decent housing
- Provide a suitable living environment
- Expand economic opportunities

The City developed its draft Action Plan based on estimated entitlement grant amounts and followed its Citizen Participation Plan (CPP) by posting the draft Action Plan for a 30-day public comment period and holding a public meeting for input on that plan prior to January 1, 2023 to fulfill the requirements to be able to charge pre-award costs to our federal grants.

The 2023 Action Plan was updated to include actual grant amounts (\$1,641,492 in CDBG, \$340,606 in HOME and \$149,054 in ESG) released on February 27, 2023. The updated Action Plan using actual CDBG, HOME and ESG awards does not constitute a substantial amendment because no goal was increased or decreased by more than 20%, so a second public comment period was not needed. While the CDBG award amount was lower than expected by \$8,508, the program income was higher than estimated by \$19,322 resulting in a total CDBG funding amount for 2023 of \$1,727,448. The HOME award saw an increase of \$30,606 for a total of \$372,768 including program income, and the ESG grant award reduction of \$946 from the estimated amount was non-substantial.

A substantial amendment to the Action Plan is defined in the CPP as:

- A change in funding among the Goals used in the development of the plan (AP-20) that is greater than 20% of the total allocated towards the Goal, with the exception of Economic Development.
- The deletion of a Goal included in the plan
- The addition of a Goal not currently included in a plan

Any changes to the Action Plan following receipt of the City’s entitlement grant amounts that increase or decrease funding for a goal by less than 20% shall be considered “non-substantial” and may be approved by the Housing & Community Development Committee, Planning & Development Committee or Social

	Annual Action Plan	1

Services Committee, as appropriate, based on the program affected. These changes would not trigger a second public comment period.

There is no change to the process of allocating HOME and ESG funding to specific activities. Changes to the amounts allocated to Goals in the final Action Plan based on actual grant amounts will not constitute a substantial amendment unless they result in a change to funding for any goal by more than 20%, or the addition or deletion of a Goal.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Affordable Housing: Maintaining and increasing the supply of affordable rental units is one of the City’s highest priorities, but is increasingly difficult due to reductions in funding and increases in the cost of real property and construction. COVID-19 has heightened the need for affordable housing, as it has particularly impacted lower-income residents. Code enforcement in the CDBG Target Area remains an important tool to maintain decent, safe housing and address blight. Properties cited for violations are referred to the Housing Rehab program for assistance; the City continues to pursue demolition of vacant and blighted properties.

Homelessness: Developing and improving housing for homeless and housing insecure individuals and families is a critical need in and part of the City’s recovery plan. With American Rescue Plan Act (ARPA) and other federal funding, the City has a unique opportunity to potentially expand non-congregate shelter. To achieve maximum impact, any ARPA funding should be used to leverage other sources including Low Income Housing Tax Credit and any Moving Forward and Build Back Better bills currently being considered by Congress. Using Entitlement funds, the City will continue to use HOME funding for its Tenant-Based Rental Assistance (TBRA) program. In combination with education, job training and other support, TBRA enables parents to develop self-sufficiency skills, lifting two generations out of poverty. ESG funds continue to be used to help households who are homeless or at high risk of homelessness.

Creating livable communities: The City uses funding to improve public infrastructure and facilities to revitalize neighborhoods and improve service delivery. ARPA funding to achieve inclusive and equitable recovery from the coronavirus will be focused on some of the same geographic areas as CDBG funding.

Economic Development: The City uses resources from its Economic Development Fund and Tax Increment Financing to expand economic development opportunities to small businesses. CDBG grants and loans to for-profit businesses using CDBG funding allocated in prior years will continue to be evaluated throughout the year in order to maximize effectiveness of use of all resources to support

	Annual Action Plan	2
--	--------------------	---

economic development in the City. Additional programs may be developed with ARPA funds in 2023 to support businesses as they continue to recover from the pandemic. 2023 CDBG entitlement has not been allocated for Economic Development activities at this time because prior year CDBG funding remains available for these needs. Additionally, a new Conservation Area TIF has been approved by City Council that includes several commercial corridors and Evanston’s historically red-lined neighborhoods to expand resources for these historically underinvested parts of Evanston. This TIF will provide an additional source of funding for construction of new affordable housing and rehab of existing housing, and will expand resources to address livable communities, economic development, and housing goals.

Public Services: The ongoing impacts of the pandemic continue to strain capacity of service providers, particularly those working to provide food and support to unhoused residents; additionally, the childcare industry is struggling to hire staff and rebuild capacity, school-aged children have increasing mental health needs, and our low/moderate income residents experience challenges accessing needed services. The City changed its allocation process to incorporate an equity lens and focus resources on populations experiencing the most challenges to recovery. Funds are used to support and expand case management programs, safety net programs and mental health services. Eligible services include: counseling, food assistance, support for individuals/families who are homeless or at risk of homelessness and grappling with domestic violence, legal services and services for children, families and seniors.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Through the CARES Act, Evanston received CDBG-CV funds totaling \$1,586,730 and ESG-CV funds totaling \$966,314. Funds have been used to prevent, prepare for and respond to the coronavirus. Use of funds include a small business assistance program for Evanston low/moderate income businesses, a job creation assistance program, a child care assistance program to provide childcare for up to 6 months for low/moderate income households not eligible for other subsidies and experiencing job loss due to COVID-19, funding to provide non congregate shelter to residents experiencing homelessness and to rapidly re-house those households, funding for a youth violence reduction program, and funding for rent, mortgage, and food assistance efforts.

Evanston uses funding to address needs and leverage outside resources to achieve goals. In 2022, the 60-unit affordable senior housing development by Evergreen Real Estate Group/Council for Jewish Elderly at 1015 Howard Street project, completed using HOME and local Affordable Housing Funds, began housing seniors. City funding comprised 8.5% of the total development budget of \$23,433,025; the largest number of new housing units for households ≤ 60% AMI since the completion of the 75-unit Jacob Blake Manor in 1997. By leveraging other funding sources, the City’s investment per unit in this new development did not exceed \$33,333. The units will remain affordable for a minimum of 30 years.

	Annual Action Plan	3
--	--------------------	---

The project adds affordable housing units for very low and low income seniors with 12 units restricted for households ≤ 30% AMI, 18 at 50% AMI and 30 at ≤ 60% AMI; additionally 100% of units are adaptable in compliance with Fair Housing requirements.

The Housing Rehabilitation program, which experienced delays due to COVID-19 in 2020 and 2021 continues to use zero interest deferred loans to help homeowners unable to qualify for market rate financing to maintain decent, sanitary housing. Community Partners for Affordable Housing took over construction management in 2021. However, many housing rehab projects continued to be delayed or halted due to COVID-19. Work was begun on a 2-flat in 2021 and should be completed in 2022. Although COVID-19 has impacted this program significantly, 3 projects were approved in 2022 and are moving forward and additional applications are under review. These projects are expected to be completed and reported as accomplishments in 2023. While we are behind our estimated conplan goals, we anticipate an increase in the pace of rehabs completed in 2023 and 2024.

Evanston continues to focus funding on larger, more impactful projects and programs. Evanston agencies are challenged to meet the increasing demand for services and maintain organizational stability given increased demand for services as a result of the pandemic. The City is working closely and collaboratively with agencies to understand needs and provide targeted support. The City continued to fund Connections for the Homeless and the YWCA Evanston-North Shore with ESG to address the needs of individuals and families who are homeless or at high risk of homelessness. ESG-CV funds were used primarily to rehouse homeless individuals and families in non-congregate shelters to protect them from COVID-19.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

During the COVID-19 pandemic, Evanston City Council meetings were modified based on Governor Pritzker’s order that waived some requirements of the Illinois Open Meetings Act to allow local governments and other public bodies to hold “remote” meetings to help control the spread of COVID-19. In 2022, meetings were held virtually and in person as allowed by the Illinois General Assembly. Residents are able to participate in live public comments during virtual meetings and are able to sign up to provide comments via an online form (written) or by phone or video conference (via Zoom). Virtual meetings can be held during a nationally declared disaster or locally declared disaster as defined by local health officials. The City may continue to hold virtual meetings in 2023 as the Governor extends the Gubernatorial Disaster Proclamation in response to the ongoing COVID-19 pandemic. The Housing and Community Development Committee (HCDC) and the Social Services Committee (SSC) continue to review CDBG, CDBG-CV, ESG and ARPA funded projects. The HCDC is responsible for federal entitlement and local funding for projects and programs that relate to the physical environment and economic development, and SSC is responsible for federal entitlement and local funding for programs and services that provide needed support for underserved populations.

	Annual Action Plan	4
--	--------------------	---

The City of Evanston invites public participation at all stages of the Consolidated Planning process and is committed to making reasonable and timely access to the needs assessment, strategy development and budget recommendation process, particularly for low- and moderate-income persons. The draft Action Plan based on estimated grant amounts and Amended Citizen participation Plan were posted on the City's website on November 11, 2022, for the 30-day public comment period; HCDC got input at a publicly accessible Zoom meeting on November 15 and December 13, 2022, and in written form during the 30-day comment period. Any comments received during the public comment period, including at the virtual meeting after which the public comment period closes, are summarized and attached to the Action Plan prior to its submission to HUD, with an explanation of any comments or views that are not accepted and the reasons for which they are not accepted. City Council meetings, at which action to adopt or approve the plans is decided, also offer opportunity for public comment. The Action Plan with updated grant amounts will be presented to City Council for approval in March 2023, no public comment was received.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Evanston’s Community Development Department consulted with numerous City departments (Public Works, Health & Human Services, Parks and Recreation, Economic Development), as well as the Housing Authority of Cook County, Alliance to End Homelessness in Suburban Cook County Continuum of Care, for input on needs. Staff also participated in a series of roundtables facilitated by The Evanston Community Foundation to get input from the community about Evanston’s recovery and rebuilding from the COVID pandemic using ARPA and other funding sources. Participants included local and regional nonprofit service providers, housing providers, and community residents to develop the 2023 Action Plan. Data are from consulted organizations, the United States Census Bureau and HUD. Through these ongoing outreach and engagement efforts, the following priorities were identified for the 2023 Action Plan: affordable housing, shelter for people experiencing homelessness, mental health services, child care, job training and workforce development. Focus groups also explored barriers to receiving services including long wait lists, lack of capacity to assume additional participants and lack of financial resources, and ways to use federal and local funds to connect those in need to services. These collaborative initiatives and outreach efforts will continue to inform uses for local and federal funds, including American Rescue Plan Act (ARPA) and Housing Investment Partnerships - American Rescue Plan (HOME-ARP).

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Evanston’s Community Development staff regularly coordinates with public and assisted housing providers along with private and governmental health, mental health, and service agencies. Staff has also participated in discussion with Cook County and the Housing Authority of Cook County about their plans for CDBG-CV and ARPA funding for regional needs including a permanent 24/7 non-congregate shelter, affordable housing, legal support for tenants facing eviction due to unpaid rent, and social services.

The Community Development Department regularly attends meetings and other events involving the community and various stakeholders. Staff is aware of any major impacts, such as changes in Cook County and State of Illinois funding that affect vulnerable residents. Engaging with nonprofit service providers on a regular basis fosters an environment where the City works in tandem with the community to achieve better outcomes. Notifications of recent updates and developments are sent to an interested parties email list, including nonprofit service providers, governmental agencies, community residents, and representatives from various City departments.

	Annual Action Plan	7
--	--------------------	---

The City of Evanston’s Health and Human Services Department developed a new community health improvement plan (EPLAN) based on goals identified through the nationally recognized Bay Area Regional Health Inequities Initiative, a coalition of Bay Area Health Departments that created a framework laying the groundwork for defining structural drivers of health. The plan defines the City’s health priorities for the next five years as follows: advancing health and racial equity, improving mental and emotional wellbeing, and strengthening climate resilience.

The City’s application process for 2023 CDBG Public Services and City Human Service Fund focuses funding on priority needs of the community to address the pandemic and encourage collaboration among community partners. Additionally, reporting and monitoring practices are unified to ensure clear programmatic and financial record keeping, compliance, and transparency.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Evanston works with the Alliance to End Homelessness in Suburban Cook County (Alliance), the lead agency for the Suburban Cook County Continuum of Care, to address the needs of homeless persons and persons at risk of homelessness in Evanston. Evanston's Interim Community Development Director serves on the Finance and Governance Committees of the Alliance. Evanston agencies have staff who are Alliance members including Connections for the Homeless and the YWCA Evanston-North Shore; these representatives participate on the board of directors, HMIS, Coordinated Entry, Prevention and other standing committees. The City of Evanston works closely with service providers, including the YWCA Evanston-Northshore, Connections for the Homeless, and Interfaith Action Evanston, in order to address the needs of chronically homeless individuals and families, families with children, veterans, and unaccompanied youth.

Evanston represents approximately 13% of the people identified in the Northern region of the 2022 Point in Time Count for suburban Cook County organized by the Alliance to End Homelessness. Connections and other agencies serving the homeless continue to use the Vulnerability Index (VI-SPDAT) to ensure that chronically homeless individuals and families are part of the Alliance ranking based on vulnerability, so that they have access to permanent supportive housing, rapid re-housing and other interventions. City staff is participating in the Coordinated Entry System process with the Alliance and members of the Continuum. Goals for 2023 include the continued use of the Housing Match and By Name Referrals list managed by the Alliance and developed to prioritize families for housing assistance, and to more successfully provide short term stability case management and shelter diversion services. The Alliance continued matching households eligible for Prevention and Rapid Re-Housing using HMIS and evaluation of the collective impact approach to assisting those in most need.

	Annual Action Plan	8
--	--------------------	---

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Evanston recognizes that the demand is greater than available resources to provide essential services, emergency shelter, prevention and re-housing that meet all needs. The City and Alliance agree that individuals and households must be prioritized to ensure that the limited resources available are allocated in the most efficient and appropriate manner. The City of Evanston and the Alliance continue to work on policies and procedures to assess, prioritize and reassess individuals' and families' needs for all ESG-funded services, including essential services for those in emergency shelter, rapid re-housing, and homeless prevention activities. InfoNet, the system used by organizations supporting households affected by domestic violence, is integrated with Sage to report 2023 outcomes.

The City of Evanston continues to work with the Alliance and agencies that serve the homeless and people at risk of homelessness, as well as other advocacy organizations. Connections for the Homeless, the primary recipient of City of Evanston ESG funds, participates as a member of the Alliance on many levels. Connections staff serve on the HMIS Committee meeting and the monthly prevention meetings; Rapid Re-Housing recipients are identified through Coordinated Entry. Participation on the Board and committees help to ensure clear communication of goals and priorities and decrease redundancies as they relate to ESG funding.

As discussed previously, the City prioritizes rapid re-housing. Due to high rent costs in Evanston, people housed with rapid re-housing often require a longer subsidy than other parts of the Continuum to become self-sufficient. Connections for the Homeless participated in the HUD survey of Rapid Re-Housing Programs. One of the goals of Coordinated Entry is to explore using rapid re-housing funds as bridge funding for individuals/ households approved for permanent supportive housing or on the waitlist for housing choice vouchers.

Through the Coordinated Entry process, seniors and veterans are target populations until the Continuum has reached functional zero within those populations. City staff that administer the General Assistance program provide support to participants who would otherwise become homeless. The City's Human Services Specialist continues to further coordinate housing, health, mental health, and other social services for low- and moderate-income residents and at-risk residents and works closely with community partners including Connections for the Homeless to address housing needs and link clients to a wide variety of additional supportive services. Services can include, but are not limited to food, child and senior care, substance abuse cessation support, as well as mental and physical health services.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Alliance to End Homelessness in Suburban Cook County	The Continuum of Care provides the framework and services for many of the activities provided locally to bring assistance and housing to homeless individuals and families.
2020 Annual Comprehensive Housing Plan	Illinois Housing Development Authority	The City of Evanston works with IHDA to ensure continued access to affordable housing for Evanston's low and moderate income residents.
Red and Purple Line Modernization	Chicago Transit Authority	Furthering access to employment opportunities is integral to community development and fostering greater economic growth. The modernization of the Red and Purple Line trains will serve to provide greater accessibility for those with disabilities and the elderly.
On to 2050	Chicago Metropolitan Agency for Planning	CMAP's On to 2050 Plan strives for regional growth in the Chicago area. Evanston is an important component of the Chicago metropolitan region; coordinated growth and development within the region will improve the quality of life for Evanston's residents.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
2022 EPLAN: Evanston Process for the Local Assessment of Needs	City of Evanston	The City's EPLAN began with a five-year strategic planning process to improve the effectiveness and efficiency of the public health system in Evanston. Interventions to improve the health of residents were identified in partnership with public health officials, community leaders, residents, and service providers based on the following four assessments: community themes and strengths, forces of change, local public health system and community health status. The EPLAN provides a strategic five-year health improvement plan.
Evanston Climate Action Plan	City of Evanston	The Evanston Climate Action Plan is organized into nine focus areas and outlines more than 200 strategies for reducing Evanston's greenhouse gas emissions. The nine focus areas are: Transportation & Land Use, Energy Efficiency & Buildings, Renewable Energy Resources, Waste Reduction & Recycling, Forestry, Prairie & Carbon Offsets, Food Production & Distribution, Policy & Research, Education & Engagement and Communications & Public Relations.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Plan for Affordable Housing	City of Evanston	Evanston's Plan for Affordable Housing looks at how to effectively and efficiently meet Evanston residents/ need for housing that is affordable. In addition, the plan looks at the best ways to use federal and local funds to increase affordable housing opportunities in Evanston.
HOME-ARP Allocation Plan	City of Evanston	The HOME-ARP Allocation Plan is designed to effectively allocate HOME-ARP funds to provide housing, shelter, and tenant-based rental assistance, and/or supportive services for qualifying populations. This one-time allotment is in addition to the City's HOME entitlement grant.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

All major agencies providing a full range of services in and around the City of Evanston were consulted or contacted to request comments/input. The Community Needs Assessment Survey gathered input about the City’s housing and community development needs and informed the development of the Consolidated Plan; this survey was distributed specifically throughout low/moderate income wards, to residents of four low income senior housing complexes, non-profit organizations and small business owners. Throughout 2021 and 2022 the City worked in partnership with local nonprofit and community organizations to gather feedback about needs. The City and the Evanston Community Foundation held roundtable discussions with targeted populations including nonprofit organizations, seniors, youth, and people participating in public services to gather community input about ways to support fragile populations including people experiencing housing insecurity or homelessness, recent immigrants or households with undocumented family members, and residents who are justice involved. These discussions

focused on meeting basic needs, workforce development, economic and community development and mental health. The Housing and Community Development Committee reviewed and discussed priority needs for CDBG funding to inform the development of the final 2023 Action Plan. The opportunity for additional community input was provided at the November 15, 2022 meeting as well as the December 13, 2022 meeting. City staff also worked in partnership with stakeholders in our Latinx community including Latino Resources, a non-profit organization dedicated to increasing active civic engagement in the Latinx community, Advocates for Action, a volunteer group of Evanston residents dedicated to building stronger communities by taking action on issues that impact the community, and Downtown Evanston, a nonprofit comprised of downtown Evanston commercial/residential property and business owners established to market, maintain, develop, and improve the vitality of Evanston's economy.

AP-12 Participation – 91.105, 91.200(c)

**1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting**

Many local non-profit organizations and City departments were consulted in the 2020-2024 Consolidated planning process and in the development of the 2023 Action Plan.

The City of Evanston invited public comment on the draft 2023 Action Plan in a 30-day period from November 11 - December 13, 2022, following its Citizen Participation Plan. The public comment period was advertised in the Evanston Review, a newspaper of general circulation, a notice on the homepage of the City’s website, articles in the City’s e-newsletter sent to over 50,000 emails, and on Twitter and Facebook. Non-profits and individuals who have requested information on the City’s Consolidated Plan were emailed at the opening of the public comment period. A link to the draft Action Plan on the City’s website, as well as the location where printed copies of the plan may be reviewed is included in all forms of communication. People could provide feedback via email, Twitter and Facebook, in hard copy mailed to staff, or in person at the Housing and Community Development Committee Meeting on December 13, 2022. The draft Action Plan included the following language:

Any changes to the Action Plan following receipt of the City's entitlement grant amounts that increase or decrease funding for a goal by less than 20% shall be considered "non-substantial" and may be approved by the Housing and Community Development Committee or Social Services Committee as appropriate, based on the program affected. These changes would not trigger a second public comment period.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The anticipated resources section of the strategic plan describes the City of Evanston’s financial resources for the duration of the 2020-2024 Consolidated Plan. The financial resources listed are not all encompassing but serve to illustrate the City’s ability to use federal and local funding to address the priority needs and goals put forth in this plan. The funds are anticipated to be utilized by various regional and local government entities as well as the service providers which serve Evanston.

Anticipated resources were based on estimates and have been updated with the final awards and program income amounts.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Federal funding will leverage private, state and local funds by enabling the City of Evanston to serve those with the greatest need at the highest capacity. Additionally, federal funds will serve as gap financing for City programs or service providers applications that require additional funding in order to have their program, project, or service come to fruition. The grant money provided by HUD will allow organizations and the City to successfully meet the needs of the community’s most vulnerable members.

Evanston's ESG funds will be matched on a one to one basis using local funds from the City's Human Services Fund as allocated by the Social Services Committee and other philanthropic efforts driven by agencies receiving ESG, State funds and other resources including in-kind contributions, depending on the agencies funded, to meet the match requirement. HOME matching funds will be from the Affordable Housing Fund, LIHTC, State of IL Housing Trust Fund, and other sources including developers' contributions.

	Annual Action Plan	30
--	--------------------	----

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Evanston owns some properties and land that may be used to address the needs identified in the plan, particularly those that are located in the CDBG Target Area, which is primarily on the South and West sides of the City. In addition, some underutilized parking lots in southeast Evanston and irregular parcels of vacant land in north and east Evanston residential areas are being evaluated as sites for mixed income housing development to foster economic and racial/ethnic diversity throughout Evanston. As part of this effort, one of the City's underused parking lot in southeast Evanston is in the process of potential redevelopment as affordable housing. The project is still under review at this time.

Discussion

The City of Evanston will continue to pursue additional funding opportunities which will be used in order to complement existing resources.

Table 2 – Goals Summary

Goal Descriptions

1	Goal Name	Affordable Housing
	Goal Description	The City of Evanston aims to increase, maintain, and improve affordable housing. The advanced age of Evanston's housing supply necessitates the need for rehabbing of existing housing. The creation of additional safe, decent, and affordable housing will allow low and moderate income residents the opportunity to remain in the community.
2	Goal Name	Homelessness
	Goal Description	The City of Evanston aims to support services to prevent homelessness and to assist those currently experiencing homelessness. These services include but are not limited to street outreach, rapid rehousing, and tenant based rental assistance. Emphasis will be placed on the housing first model (providing housing as opposed to homeless shelters).
3	Goal Name	Creating Livable Communities

	Goal Description	Creating livable communities through improvements to public facilities and infrastructure. Maintaining and improving the quality of Evanston's existing infrastructure and public facilities is instrumental to ensuring that residents live in a safe, clean, and decent environment.
5	Goal Name	Public Services
	Goal Description	Improving equitable access to public services for Evanston residents, particularly for historically underserved segments of our population, is a key goal of the City. As seen through input from the community and consultation, there is a high need for public services including, but are not limited to after school and summer youth programs, senior services, and health services.
6	Goal Name	Planning and Administration
	Goal Description	Administration of CDBG, ESG, and HOME.

Projects

AP-35 Projects – 91.220(d)

Introduction

The City has identified the following projects to be implemented in 2023 to achieve the goals in the Consolidated Plan. The Emergency Solutions Grant project will address the needs of homeless individuals, families and households fleeing domestic violence. The Tenant Based Rental Assistance (TBRA) project will address the needs of homeless families with children with direct rental and utilities assistance. The Rental Housing project combines both HOME and CDBG activities, and includes rental construction and rental rehabilitation.

Table 3 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Evanston continues to work to address the devastating effects of the pandemic. More residents are housing insecure, and individuals and families experience ongoing challenges finding affordable housing, mental health supports, and childcare. COVID has exacerbated the needs prioritized in the City's 2020-2024 Consolidated Plan the continued prioritization of affordable housing, infrastructure and public facilities projects, and public services. The biggest obstacles to addressing these needs are also due to the pandemic. Many of our nonprofit partners are overwhelmed and understaffed, and there is a shortage of qualified workers for all types of construction and human services jobs. In addition, supply chain problems and rapidly rising materials costs result in delays and cost overruns on construction

	Annual Action Plan	37

projects. As a result, achieving the goals in our Action Plan will continue to be challenging, particularly for capital/construction projects.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

It is estimated that over 90% of all CDBG, HOME and ESG funding will be allocated to benefit persons who are low- and moderate- income. Some projects will be directed across the entire jurisdiction, such as public services and homeowner rehabilitation, whereas others will be directed to the CDBG Target Area (local target area). Some activities, including Code Enforcement, are limited to the CDBG Target Area.

Additionally, it is expected that a significant amount of housing and economic development funds will be focused in the CDBG Target Area.

Geographic Distribution

Target Area	Percentage of Funds
CDBG TARGET AREA	60
Entire Jurisdiction	40

Table 4 - Geographic Distribution

	Annual Action Plan	43
--	--------------------	----

Rationale for the priorities for allocating investments geographically

All activities funded will primarily benefit low- and moderate- income persons or households, either as direct service or financial assistance or by making improvements in areas benefiting primarily low- and moderate- income persons. Some activities, for reasons of qualification and/or desired beneficiaries, will be focused geographically. Some examples of how the City anticipates geographically focused investments are:

Public Infrastructure Improvements – By their nature, they must be in low- and moderate- income Census Tracts/Block Groups, which are primarily located in the CDBG Target Area. Most of the eligible block groups are located in the South and West areas of the City. It is anticipated that funded public infrastructure improvements, including but not limited to alley paving and sidewalk improvements, will be primarily focused in the Target Area.

Code Enforcement – Although Code Enforcement inspectors perform inspections citywide, the CDBG-funded portion of code enforcement will be within the CDBG Target area, which will be paired with other community development activities in the area to address areas of deterioration, maintaining code enforcement and property standards of dwelling units in the area.

Other programs or projects may take place within the CDBG Target Area, but they will not be exclusively so. An example of this is the CDBG Housing Rehab Program, which benefits all low- and moderate- income homeowners, as it will likely have a large investment in the CDBG Target Area, as this area is host to the highest population of low- and moderate- income households.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

There are a number of housing initiatives that will be implemented in 2023 to support homeless, non-homeless and special-needs residents who are in need of safe and affordable housing. The programs that impact the most persons or households in 2023 are the tenant-based rental assistance program (TBRA) and the housing rehab program, which serve two very different, yet vital housing needs for the low- and moderate- income residents of Evanston.

Discussion

Using CDBG-CV funds for rental assistance, 41 households avoided eviction and received additional support services from Connections for the Homeless. HOME funds will be considered as a source of funding towards the creation of new affordable rental housing but the projects will not be completed by the end of 2023.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of Cook County (HACC) serves suburban Cook County, including Evanston. The HACC administers the Housing Choice Voucher program in Evanston and has two buildings for seniors and the disabled, scattered site units for families, as well as seven project-based Section 8 units in Emerson Square.

Actions planned during the next year to address the needs to public housing

The Housing Authority of Cook County (HACC) is planning substantial renovation of its scattered site family units in 2023. In addition, HACC’s proposed second housing development with 152 units on the parking lot of the Jane R Perlman Senior Apartments was approved. This development will be mixed income, with 34 units at 50% AMI with PBV support, 17 units between 80% and 120% AMI for middle-income residents, and 101 at market rate. In addition, a joint project on South Boulevard just east of Chicago Avenue on a City-owned parking lot that is adjacent to a four unit HACC building that has family units (2- and 3-bedrooms) is going through a Request For Proposal process. The development would better utilize land in a Transit-Oriented location through the development of a mixed income rental project comprising < 50% AMI using PBV, low-moderate income, and middle to market rate units, with a focus on larger (3-bedroom) units for families/intergenerational HHs. The Housing Authority of Cook County (HACC) has also started initial conversations on a new 6-story development including family housing on the parking lot adjacent to the existing Victor Walchirk Apartments.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The HACC has a Resident Advisory Board (RAB) established at one of its sites in Evanston, the Walchirk building. The RAB’s functions include, but are not limited to: assisting residents with access to computers, offering in-house services such as change for laundry, copies, and postage. RAB activities are somewhat limited during the rehab of Walchirk and Perlman buildings and are also affected by reduced occupancy.

HACC’s Resident Service Coordinators work closely with other agencies, including the City’s Levy Center, to help its residents access services and participate in activities throughout the community. The City is also using local funds to provide case management services to residents. The HACC works in partnership with Thresholds to connect residents to community resources and services; this partnership was funded using local funds in 2021 and has been approved to receive City funding through 2024, depending on outcomes and services provided to population.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

	Annual Action Plan	47

provided or other assistance

The HACC is not designed as troubled.

Discussion

The City will continue to actively engage and communicate with HACC to ensure that the needs of residents assisted by that agency are met and services are coordinated with other agencies for efficient and effective use of all community resources.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The following section discusses the homeless and special needs activities to be undertaken in Evanston during the fiscal year of the 2020-2024 Consolidated Plan.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Connections for the Homeless' homeless outreach program is the largest provider of services to households experiencing homelessness or housing insecurity, including the unsheltered homeless, and addresses a wide range of needs. Case managers develop individualized case plans for each client, assist participants in obtaining housing and accessing services that may include employment counseling/placement, health services, substance abuse counseling and education. Connections for the Homeless works in partnership with the Alliance to End Homelessness in Suburban Cook County and local providers including, but not limited to, Interfaith Action, Family Promise, the Men's Residence at the McGaw YWCA, the YWCA of Evanston/North Shore; all agencies provide housing and case management services to people experiencing homelessness or at risk of homelessness. Connections participates in Coordinated Entry and follows progressive engagement strategies as required.

Connections will continue operations of two drop-in locations (1458 Chicago Avenue and 2121 Dewey Avenue) for people experiencing homelessness in FY2023. Both are open Monday through Friday for morning and afternoon sessions. Interfaith Action offers drop-in services on Saturday mornings. Drop-in services continue to serve substantially more guests in 2022. Providing non-congregate shelter enables Connections case managers to identify and engage people experiencing homelessness and to rehouse these vulnerable households using ESG and ESG-CV funding. Connections' expanded shelter served 184 participants including 30 children; 1,305 participants of drop-in services received showers, laundry services, access to food and clothing and health services. Connections staff anticipate people will need similar levels of service in 2023.

Addressing the emergency shelter and transitional housing needs of homeless persons

In recognition of the disproportionate housing, health, and economic impacts of the pandemic on low-income communities and communities of color, and the importance of mitigating these effects, federal funds can be applied to a broad range of services and programs. Developing and improving housing for homeless and housing insecure individuals and families is critical to alleviate the economic impacts of the pandemic and address health and economic outcomes of the pandemic in low-income

	Annual Action Plan	49
--	--------------------	----

areas. Eligible uses include: supportive housing, rehabilitation and repairs to existing affordable housing, and, perhaps most critically, non-congregate homeless shelter. The City is exploring the feasibility of using ARPA, HOME-ARP, and other funds to build permanent non-congregate shelter for people experiencing homelessness. Since ARPA is one-time funding, if funds were allocated to a shelter, other sources of ongoing support will need to be identified to sustain new or expanded services.

In FY 2020 and 2021, Connections for the Homeless contracted with the Margarita Inn for 42 rooms used as non-congregate emergency shelter for homeless Evanston residents which has replaced the 18 congregate beds at Hilda’s Place, Connections for the Homeless’ transitional shelter. This partnership will continue in FY2023. The YWCA Evanston-North Shore’s 34-bed domestic violence shelter reopened after a brief close due to COVID-19. In FY 2023 Emergency shelter will continue to be provided for 90 days; the agency also offers 10 transitional housing units (12-18 months) and 16 units of longer-term housing (2-3 years); the agency anticipates services to 700 survivors annually. Both agencies are supported by the City with ESG, CDBG, CDBG-CV, and local funds.

Finally, Interfaith Action of Evanston continues to operate the emergency overnight shelter during winter months and the hospitality center in the mornings. Interfaith works closely with Connections to ensure guests have access to case management and additional resources and services that Connections provides. Interfaith Action is supported through CDBG and will receive CDBG-CV funds to cover additional cleaning and food costs due to compliance with COVID-19 food and safety protocols.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City will use 2022 and 2023 ESG funds for re-housing as its primary strategy to reduce the amount of time that individuals and families (chronically homeless, families with children, veterans and their families, and unaccompanied youth) experience homelessness.

The City will use HOME funds for Tenant Based Rental Assistance to address both the shortage of available affordable units, particularly for larger households, and the inability of some households to pay rents generally considered affordable due to the lack of ability to earn a living wage. Households with children under the age of 18 enrolled in Evanston schools that are doubled-up/unstably housed (category 2 in the definition of homeless) are a priority population for the program. Funding for TBRA may be reduced from prior years due to the anticipated ongoing needs of families previously enrolled, but negatively impacted by COVID-19. HOME funds will also be used for rehabilitation and new construction of HOME eligible rental housing projects.

	Annual Action Plan	50
--	--------------------	----

Heads of households in the TBRA program will receive education/job training in addition to rent assistance to develop the ability to earn living wages to maintain market rate housing independent of a subsidy. The City will work with Connections for the Homeless to enroll an estimated 8 to 12 new households in 2022 and provide ongoing, needed support for vulnerable families enrolled in the prior year.

ESG funds for homeless prevention address preventing individuals and families who were recently homeless from becoming homeless again. ESG-supported programs are required to provide case management and supportive services, and to connect clients with mainstream resources to increase their likelihood of achieving long-term housing stability. ESG-funded clients can receive follow-up case management services after termination of assistance as required and provide additional support as needed to prevent households from becoming homeless again, as well as determine program outcomes.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

ESG Prevention funds will be used as described above to help households with incomes below 30% of area median income avoid becoming homeless, and re-housing funds will be used to help low-income households achieve housing stability in 2023. All agencies receiving ESG funds are required to connect households to mainstream benefits as available and appropriate for their needs. In addition, the City's Social Services Committee evaluates the effectiveness of case management services and safety net services of agencies applying for funds as a criterion of funding. Public Service applications are reviewed by the Social Services Committee prior to City Council approval. Funds are used to support or increase capacity for agencies providing holistic case management services to connect participants to public benefits and community supports that help them achieve self-sufficiency as part of the City's equity model to provide support for low/moderate income households and households that have been historically underrepresented.

Discussion

The City of Evanston continues to collaborate with the Alliance to End Homelessness in Suburban Cook County to address the needs of homeless individuals and families in Evanston.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Evanston has been experiencing rapidly-rising prices in both the rental and ownership real estate markets and the surge in inflation rates in 2021 and 2022 have additional, negative impacts on affordable housing. Low inventory levels have particularly affected the home ownership market. Property prices and high construction costs are creating challenges for building affordable units throughout the city. The City continues to use federal funds to help people maintain housing and transition from shelter to affordable units as resources are available.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Evanston amended its Inclusionary Housing Ordinance (IHO) in 2018, with an effective date of January 1, 2019, revising the fees in-lieu to incentivize on-site units. Since then, the new policy has shown to be productive with developments choosing on-site units more frequently. 32 affordable units were created in 2020, 13 in 2021, 8 in 2022, with a potential 35 more units approved for construction. A review of the IHO to assess the effectiveness of the IHO and its impact on the current real estate market has been started in 2022 and will continue into 2023 through the Housing & Community Development Committee. This review will provide an opportunity to modify the IHO's requirements to improve its impact and better incentivize the targeted results. Additionally, updates to the 3-unrelated, nuisance premises, rental registration, and landlord-tenant ordinances are in discussion and are likely to continue in 2023 to implement more equitable policies for renters as well as remove barriers to rentals for non-traditional households.

Discussion:

The primary barrier to affordable housing is the continuing mismatch between incomes and housing costs in Evanston. Evanston lost 70.7% of its units renting for less than \$700 between 2000 and 2011, while the number of units renting for more than \$1,000 increased by two-thirds. Minimum-wage, single income households and those depending on Social Security Income (SSI) payments cannot afford an apartment renting at the fair market rate in Cook County. Additionally, property taxes continue to represent an affordability concern for residents, particularly those with fixed incomes.

High property costs, particularly in predominantly single family neighborhoods with larger lot sizes and transit oriented corridors, have resulted in the concentration of affordable housing in west and south Evanston neighborhoods rather than being dispersed evenly. The stigma associated with affordable housing can be a barrier to building affordable housing in areas of the City where currently none exist.

	Annual Action Plan	52
--	--------------------	----

Another barrier to affordable housing within Evanston is the shortage of decent, affordable, and accessible housing for persons with disabilities. The supply of affordable housing accessible to persons with physical disabilities is due in large part to the age of housing stock, most of which was built before the Americans with Disabilities Act was passed. Much of the City's older homes are difficult to retrofit for accessibility because they are multi-story units with stairs. This is true of smaller two-to-four flats as well as larger three- or four-story walk-ups built in the 1930s and 1940s. Some facilities designed to accommodate people with mobility disabilities exist in Evanston, including the two buildings HACC updated per its Section 504 Transition Plan. However, stakeholders and HACC waiting list data suggest that the unmet need for affordable accessible housing will continue to be significant.

The City's occupancy standards for rental housing that limits the number of unrelated persons residing in a single housing unit can be an additional barrier to affordable housing, particularly for non-traditional households.

The City of Evanston wants to ensure that it is the most livable city for all of its residents. In order to most effectively address the housing needs of its low-, moderate-, and middle-income residents, and maintain its economic and racial diversity, priority for income restricted rental and ownership units will be given to eligible households that live in Evanston or have a household member that works in Evanston wherever possible and in compliance with fair housing. The City has developed a centralized wait list for income restricted units developed through the Inclusionary Housing Ordinance to facilitate access to affordable housing for its residents. Properties with income restricted units not developed through the IHO may choose to get referrals from this centralized wait list to expand its effectiveness. Rental assistance programs funded with HOME, ESG and local funds will be used in Evanston to the greatest extent feasible to minimize displacement of lower income residents.

AP-85 Other Actions – 91.220(k)

Introduction:

The following are actions to be undertaken by the City of Evanston to address obstacles to meeting underserved needs, foster and maintain affordable housing, reduce lead based paint hazards, reduce the number of property-level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The following continue to be priority needs in 2022/2023:

- Housing for Evanston residents currently experiencing homelessness and/or living in non-congregate shelter
- People experiencing food insecurity due to loss of income and who lack other sources of support
- Care for preschool, elementary, and middle school children, particularly for parents/families with essential/front-line jobs that do not have an adult at home to care for children, including school age children learning remotely, and older family members
- Mental health needs including individual and group counseling services, psychiatric services and medication management, and services targeted to youth and BIPOC populations

The City will continue to use ESG rapid re-housing and prevention funds to support households experiencing homelessness or who are housing insecure and provide support for street outreach and shelter operations; CDBG and local funds are also used to support shelter operations, emergency shelter during winter months and outreach efforts. Additional CDBG-CV is being used for homeless shelter operations, for food assistance, and rent assistance; City staff are exploring ways to use federal funds to provide mental health services. All ESG-CV funds have been allocated and expended. City staff will continue working with local providers and the Alliance to End Homelessness in Suburban Cook County, the City's CoC.

The City restructured its allocation process for public service funds to incorporate a resident-focused delivery of needed services; funds are allocated by the Social Services Committee for services including holistic case management, mental health services, and safety net services that meet basic needs including food, child care, youth programs and legal services. The restructure aligns with the City goal of eliminating systemic inequities in service delivery, particularly for POC and to facilitate recovery from the pandemic taking into account the disparate impact on BIPOC populations. Funding for public services comes from CDBG and local funds allocated to the 2023 calendar year. Evanston's City Council approved allocation of an additional \$300,410 to support public services; Evanston dedicates over a million dollars in local funds to support public services.

	Annual Action Plan	54
--	--------------------	----

Additionally, the City is exploring uses for ARPA funding including support for a mental health living room that would provide community-based mental health services that could be accessed by people experiencing a mental health crisis as an alternative to 911 or hospitalization. Living Rooms provide a safe space for people in crisis and are a cost-effective alternative source for peer counselors, counselors to teach de-escalation skills and provide referrals for housing, healthcare and other necessities. Potential community partners include Amita Health and Erie Family Health Center for space and Josselyn Center and Turning Point as service providers.

The City continues to assess the impacts of the pandemic; staff works closely with service providers to assess the needs of the populations they serve. Vital public service needs include individual/group counseling, workforce development/job training, and child care for households impacted by COVID-19. Evanston’s goal is to provide support for the most at-risk populations as outlined above to provide needed services directly to identified populations rather than funding traditionally funded programs that meet a wider variety of needs.

Actions planned to foster and maintain affordable housing

Evanston continues partnerships with Metropolitan Tenants Organization (MTO) and Lawyers’ Committee for Better Housing (LCBH) to strengthen landlord/tenant relations, particularly for low-income households with subsidies, and increase awareness of landlord-tenant rights and responsibilities. These efforts are particularly critical given the widespread inability of some low/moderate income residents to pay rent. This contract was renewed for another 12 months in 2022 and will be up for renewal in December 2023. Additionally, the partnership with LCBH will provide low-income residents with legal assistance and representation in cases of evictions, retaliation, illegal lockouts, etc. LCBH also participates in the Cook County Legal Aid program, providing legal assistance to residents with eviction and bankruptcy issues.

The City of Evanston has a locally funded Affordable Housing Fund, which is used for the development and rehab of affordable housing for persons up to 120% of the area median income. This provides funding in addition to CDBG and HOME funds to develop and maintain much-needed affordable housing throughout Evanston. For 2020, 2021 and 2022, the City Council named expanding affordable housing options as one of its annual goals. Several strategies have been researched and discussed by City Council, such as the creation and rental of accessory dwelling units, zoning changes to allow for smaller lots, and the use of City-owned land for affordable housing development. The City Council approved the creation of new detached or internal accessory dwelling units, and amendments to the City’s Inclusionary Housing Ordinance. A Request for Proposal was reviewed in 2022 for the development of housing on a underutilized city parking lot; this work will continue in 2023 with the goal to bring additional affordable units to the community in an area that is highly accessible to public transportation

Additionally, a rental and mortgage assistance program was implemented in 2021 to assist low to

	Annual Action Plan	55
--	--------------------	----

moderate income tenants and homeowners who were financially impacted by COVID-19 and will continue in 2023. There is a need to assist smaller landlords who have also been impacted by the stringents restrictions during COVID-19 and may not have been eligible for assistance. Small to midsize landlords often provide naturally occurring affordable housing in Evanston and without some assistance, the community may be at risk of losing existing units. A small landlord assistance program is being discussed with the Housing and Community Development Committee and if approved, would be implemented in 2023.

The Housing rehabilitation program will continue in 2023, targeting low income home-owners who are unable to make necessary repairs to their homes. With a focus on sustainability, climate resilience, and energy efficiency, the approved pilot project “One Stop Shop Retrofit” should provide an opportunity to expand housing rehabilitations and the potential to combine various sources of funding for more impact.

Actions planned to reduce lead-based paint hazards

The City’s Health & Human Services Department receives the TORRENS grant from Cook County Department of Public Health which offers a yearly maximum of \$39,600 of financial assistance for low income property owners. They also receive a yearly grant of \$24,900 from the Illinois Department of Public Health to aid in paying for testing and inspection supplies.

The Evanston Health & Human Services Department is partnering with the Cook County Department of Public Health to provide lead hazard removal at NO COST to the resident or owner. This opportunity is made possible by a four year grant from HUD.

In addition to responding to cases of childhood lead poisoning the Evanston HHS also provides preventative lead risk assessments for Evanston residents as long as there is either a child age 6 or less or a pregnant woman is living at the property. This is a proactive service offered to the residents of Evanston to help them become aware of the possible lead hazards in their home along with preventing their child from becoming lead poisoned.

Actions planned to reduce the number of poverty-level families

There are a variety of actions the City undertakes throughout the year in an effort to reduce the number of poverty-level families and increase self-sufficiency. The programs funded through CDBG, CDBG-CV and / or HOME that work towards this goal are the tenant-based rental assistance (TBRA) program, Community Violence Intervention program and a variety of other job training and education programs aimed at youth and young adults. Additionally, the City’s investment in the Cradle to Career program demonstrates its commitment to ensuring that Evanston residents are prepared for the workforce.

The City is in the process of piloting a guaranteed income program funded with ARPA and a contribution from Northwestern University that will provide direct financial assistance of \$500 each month to a

limited number of low-income households. Payments are being made to an equal number of residents from each of the following three categories: disengaged youths (ages 18-24), senior citizens (over 62) and undocumented residents. The goal of this program is to provide crucial stability and consistency to the most vulnerable individuals and families in our community who have been most deeply impacted by the pandemic.

The City's Economic Development Department also works diligently to grow the City's economy, specifically through the creation of the Five-Fifths TIF which can be used to: expand affordable housing, provide assistance for repairs to existing residential property in low-moderate income census tracts historically impacted by redlining practices, create job training/workforce development programs, assist small businesses in the Fifth Ward business districts, renovate public community centers and education facilities, and upgrade city infrastructure including parks, alleys, streets/sidewalks, water/sewer systems. The primary intent of the TIF is to maintain cultural, socioeconomic and racial diversity in one of the region's strongest Black communities. The TIF will also provide a sustainable source of funds to help long-time property owners maintain and upgrade housing and can be used for targeted upgrades to infrastructure, amenities, and business districts.

Actions planned to develop institutional structure

City staff works throughout the year to increase institutional structure, both within the City and throughout our partner agencies. This is accomplished through providing technical assistance on federal grant management requirements, such as providing information about Davis-Bacon requirements, financial management and other grant management procedures. Staff maintains contact with partner agencies throughout the year, offering referrals for funding and training opportunities where appropriate.

All policies and procedures related to internal grant management procedures are being reviewed, and will be updated when areas of opportunity for efficiency and collaboration are identified. Additionally, investment is made in technology that assists departments within the City to more effectively and efficiently manage grant programs; an example is CDM, which is the City's management software program for all housing-related projects that require project or loan management and ongoing compliance. Staff also attends relevant training and conferences, where available, on all aspects of grant and project management.

Actions planned to enhance coordination between public and private housing and social service agencies

The City is heavily invested in collaborations throughout the community, as evidenced by the multiple roundtable discussions held with City staff and service providers to assess community needs and recovery efforts that provide equitable support to vulnerable populations. The City has successfully

paired with multiple health-service providers, such as Erie Family Health Center, which provides bi-lingual medical, dental and mental health services to the community, regardless of the person's ability to pay and AMITA Health Saint Francis Hospital Evanston. These critical partnerships have increased the community's access to quality, affordable healthcare. Family Focus, James B. Moran Center for Youth Advocacy and Youth & Opportunity United provide case management services to vulnerable populations including justice impacted and/or homeless youth, and DCFS involved families. The City also supports North Shore Senior Center providing case management and benefits enrollment services to seniors, and the Housing Authority of Cook County to expand needed case management and mental health services to low-income elderly and residents with disabilities.

Discussion:

The City's Community Development Department working in collaboration with the Economic Development Department is committed to making Evanston the most livable city in America, and has evidenced this commitment through community partnerships, investment in economic and neighborhood development. The actions identified above will further this initiative and will increase opportunities for low- and moderate- income residents to receive necessary services and have access to affordable housing options.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

Housing and Grants staff is responsible for ensuring compliance with all program specific requirements, as well as for program monitoring and reporting. In addition, staff ensures that federal cross-cutting requirements, including the Omni Circular, Davis-Bacon and Related Acts, Uniform Relocation Act, and Section 3, are met.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0

**HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Additional forms of investment in the construction of new affordable rental housing includes Low Income Housing Tax Credits and City of Evanston Affordable Housing Funds that will be invested in HOME eligible housing projects during 2023.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City does not plan to use HOME funds for homebuyer activities in 2023; HOME resources will be focused on rental housing needs, primarily of households whose incomes do not exceed 60% of the area median income.

If homebuyer activities were to be undertaken, the City would use recapture provisions to maintain long-term affordability for ownership projects with direct homebuyer subsidies in the form of down payment or closing cost assistance, or purchase price reductions (soft second mortgages) used to maintain compliance. The length of the affordability period would be based on the amount of HOME subsidy and forgiven on a pro-rata basis as long as the property remains the owner’s primary residence. The balance is due only if the property is sold or ceases to be the buyer’s primary residence before the end of the affordability period, subject to net proceeds.

The City’s recapture terms are based on the minimum HOME requirements. Subsidies of \$14,999 per unit or less are subject to recapture for five years, subsidies between \$15,000 and \$39,999 are subject to recapture for ten years and subsidies over \$40,000 are subject to recapture for 15 years.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

If homebuyer activities were undertaken, the City would record a Junior Mortgage and Land Use

	<p>Annual Action Plan</p>	<p>60</p>
--	---------------------------	-----------

Regulatory Agreement (LURA) deed restriction that acts as the Affordable Housing Restriction to ensure that the HOME funds are subject to recapture if the unit does remain the principal residence of the purchaser for the length of the affordability period. Buyers would also sign an Agreement with the City describing the HOME subsidy. The City considers requests to subordinate its junior mortgage in a refinance of the first mortgage as long as the borrower does not receive any cash back as part of the refinancing and the new loan amount does not exceed the original first mortgage with allowances for generally accepted financing costs. The City will not subordinate to a negative amortization loan or any loan it deems to be predatory.

Loan principal would be forgiven:

- At the rate of 1/60th per month for a 5 year term
- At the rate of 1/120th per month for a 10 year term
- At the rate of 1/180th per month for a 15 year term

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

HOME funds may be used to refinance existing debt secured on multi-family rehab projects, excluding projects whose debt is made or insured by any federal program. The City may consider using HOME funds to refinance existing debt in specific situations using the following guidelines:

- To ensure that rehabilitation is the primary eligible activity, HOME funds may be used only to refinance the rehabilitation portion of a loan and up to 40% of acquisition financing.
- The property must be inspected to ensure disinvestment has not occurred.
- The Project pro forma will be reviewed to ensure that the long-term needs of the project can be met and that serving the targeted population is feasible.
- It must be stated whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.
- Whether the length of the affordability will extend beyond the minimum 15 years will be determined and specified before HOME funds are invested.
- The project must be located in Evanston.
- HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.

**Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

ESG Policies and Procedures are attached.

2. If the Continuum of Care has established a centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The City of Evanston is part of the Suburban Cook County Continuum of Care. The Alliance to End Homelessness in Suburban Cook County, lead agency for the Cook County CoC, has a common intake form and data entry standards for HMIS. The Alliance includes members of the Continuum of Care in a process to refine and improve its coordinated intake system. The process coordinates intake from multiple access points, including phone/internet, walk-ins at agencies, shelters and street outreach and uses a pre-screen to assign individual cases to:

- Diversion/Prevention with case management only
- Prevention funding and case management
- Referral to parallel systems such as Veterans and DV programs
- Progressive engagement strategies to ensure participants receive needed subsidies and services
- Short-term intervention combining case management and shelter for homeless
- Medium-term intervention combining case management with bridge housing (rapid re-housing), Safe Haven or transitional housing
- Long-term intervention combining case management with permanent supportive housing or rapid re-housing or transitional housing, as available.

All cases qualified as needing short-, medium, or long-term interventions would use the VI-SPDAT and be ranked for housing based on vulnerability.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

City Staff develops recommendations for ESG allocations that are reviewed by the Social Services Committee (SSC). Staff then takes recommendations to City Council for final review and approval. All recommendations are discussed at public meetings, agendas for all meetings are published in advance, as required by the Open Meetings Act.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions

	Annual Action Plan	62

regarding facilities and services funded under ESG.

The City of Evanston is part of the Alliance to End Homelessness in Suburban Cook County and the Suburban Cook County Continuum of Care. The Alliance has homeless or formerly homeless persons on its Board of Directors and in its working groups. Connections for the Homeless, an ESG subrecipient and member of the Alliance, also has people with lived experience on its board of directors and as part of its advocacy program, Joining Forces.

5. Describe performance standards for evaluating ESG.

Performance standards are as follows:

- Engagement rate: the percent of persons exiting shelter where the destination is known
- Percent of persons exiting shelter who use 30 shelter-nights or fewer
- Percent of persons exited to permanent housing

The Housing & Community Development Committee will hold a public meeting on Tuesday, December 13, 2022 at 7PM. All interested persons are encouraged to participate.

Below this, there is a section for the "HOME-ARP Allocation Plan" with the following text:

The American Rescue Plan Act (ARP) is a federal economic stimulus bill passed by the U.S. Congress and signed into law effective March 11, 2021. The legislation provides \$5 billion from the U.S. Department of Housing and Urban Development (HUD) to the Home Investment Partnerships Program (HOME). This funding is to provide homelessness assistance and supportive services through the following activities:

- Development and support of affordable housing, as currently permitted under the HOME program;
- Tenant-based rental assistance;
- Supportive services, including activities such as transitional housing, housing counseling, and homeless prevention services; and/or
- Acquisition and development of non-congregate shelter units, which may be converted to permanent affordable housing, used as emergency shelter, or remain as non-congregate shelter units.

At the bottom of the page, a paragraph states: "On April 8, 2021 HUD announced the HOME-ARP allocations for participating jurisdictions and that guidance for use of the funds would be released in Fall 2021. The City of Evanston provided and encouraged citizen participation in the development of the HOME-ARP allocation plan. Before submission of the plan, the City must provide residents with reasonable notice and an opportunity to comment on the proposed HOME-ARP allocation plan of no less than 15 calendar days. The DRAFT HOME-ARP Allocation Plan public comment period closed on September 20, 2022. The HOME-ARP Allocation Plan was approved by City Council at the October 10, 2022 City Council meeting. The HOME-ARP will be submitted to the Department of Housing and Urban Development."

The browser's taskbar at the bottom shows the system tray with a temperature of 44°F, weather "Mostly sunny", and the date and time "3:15 PM 11/11/2022".

Evanston's Snow and Ice Operations Take Center Stage

Photo: Jeb Kreager, Ken Leung, and Quincy Tyler Bernstine. Photograph by Monique Carboni.

Evanston's snow command center is located just off Ridge Avenue, but now it's off-Broadway, too!

"[Evanston Salt Costs Climbing](#)," by Pulitzer Prize finalist Will Arbery, is now on stage at New York's Pershing Square Signature Center. The play follows City of Evanston salt truck drivers as they confront winter's – and humanity's – challenges. See the writeup in the [Chicago Tribune](#) and [The New York Times](#). (Note: There may be a paywall to access these articles.)

The true story: See how the City's Snow and Ice Operations team [really prevents salt costs from climbing!](#)

That's it for today's e-news. Thanks for reading!

Sincerely,

The City of Evanston Communications Team

Instructions for the HUD-424-B Assurances and Certifications

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications, which replace any requirement to submit an SF-424-B or SF-424-D. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant:

*Authorized Representative Name:

Prefix: *First Name:
Middle Name:
*Last Name:
Suffix:

*Title:

*Applicant Organization:

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.
2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).
3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.
4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which

- is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.
5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.
 6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.
 7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.
 8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct.

WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802).

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2023 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
