1.0 INTRODUCTION

The City is seeking qualifications for an Enterprise Payment Solution that includes Cashiering System and a web-based Electronic bill payment and presentment system. This system should include a fully integrated system including software and hardware components. The City's objective is to provide its residents with convenient options to make day-to-day transactions at City of Evanston facilities (via POS terminal, check, or mobile) or pay their City bills at any time (via internet, mobile, IVR, call center, or in person). Overall, the system should integrate seamlessly with the City's core financial systems and provide City staff with a clean and intuitive backend to view and manage resident payments.

The contract term desired is for a period of two (2)-years with one (1) additional one (1) year option to renew.

Contact with City personnel in connection with this RFQ shall not be made other than as specified in this RFQ. Unauthorized contact of any City personnel may be cause for rejection of a proposal.

Prior to the submittal of a proposal, Proposers are advised to carefully examine

- the contract documents
- project scope and work tasks to be accomplished
- specifications
- submittal requirements
- insurance requirements and required documentation

Proposers are advised to become thoroughly familiar with all conditions, instructions and specifications governing this RFQ. Proposals shall be made in accordance with these instructions. Proposals shall be submitted on the forms provided by the City

The City will not be liable in any way for any costs incurred by respondents in replying to this Request for Proposal.

2.0 BACKGROUND

The City of Evanston currently receives payments in person, online, over the phone via IVR, by mail, as well as via a payment kiosk located at the Civic Center.

This initiative is driven by City leadership's desire to provide Evanston's residents with premier customer service by providing transparency, ease of use, and a single pane of glass to residents as they manage all of their payments to the City. The City of Evanston currently uses Orbipay by Alacriti as its enterprise payments solution and is interested in evaluating its options for providing residents with a more modern and intuitive payment and cashiering platform.

Challenges with the current system that the City hopes to remediate with a new platform include:

- Lack of a centralized dashboard from which to view resident's accounts and outstanding payments across multiple departments
- Lack of an automated cashiering reconciliation process, resulting in a manual reconciliation process with multiple steps
- The cash drawers do not integrate seamlessly with the cashiering software
- The current solution only supports one type of POS device that is End of Life

Currently, the Revenue Office processes approximately \$625k in cash every year. The Police department processes approximately \$60k in cash yearly, and the Clerk's Office processes approximately \$20k in cash transactions.

The most common types of payments processed by the City are listed below:

- Water Bills
- Parking tickets
- Building permits and other permits
- Variety of Food Licenses
- Home Rule Taxes (Liquor, Hotel, Streaming etc)
- Several other ad hoc payments

More information on the types of citywide payments and licenses can be found at this link:

10.0 GENERAL TERMS AND CONDITIONS

A. Confidentiality

In connection with this Agreement, City may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for City. Consultant agrees (i) to treat, and to obligate Consultant's employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or use the same in any manner whatsoever without first obtaining City's written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant's control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemption to the disclosure of such records or part thereof is applicable.

The Purchasing Specialist will endeavor to advise the firm of any request for the disclosure of the material so marked with "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY", and give the firm or other submitting party the opportunity to seek a court order to protect such materials from disclosure. If the requested material was submitted by a party other than the firm, then the firm shall be solely responsible for notifying the submitting party of the request. The City's sole responsibility is to notify the firm of the request for disclosure, and the City shall not be liable for any damages resulting out of such disclosure, whether such disclosure is deemed required by law, by an order of court or administrative agency, or occurs through inadvertence, mistake, negligence on the part of the City or its officers, or employees.

B. Withdrawal of Proposal

Proposals may be withdrawn prior to the submittal deadline. Withdrawal may be attained by written request; however, no offer can be withdrawn within the ninety (90) day period which occurs after the time is set for closing. Proposers who withdraw their proposals prior to the designated date and time may still submit another proposal if done in accordance with the proper time frame.

C. Exceptions to Specifications

Exceptions to these specifications shall be listed and explained on a separate page titled "Exceptions to Specifications", which shall be prepared by the Proposer. This page shall then be attached to these documents and submitted at the same time as the proposal. Each exception must refer to the page number and paragraph to which it is relevant. The nature and reasoning of each exception shall be explained in its entirety. Any exceptions to these specifications may be cause for rejection of the proposal.

D. Hold Harmless

Consultant shall defend, indemnify and hold harmless the City and its officers, elected and appointed officials, agents, and employees from any and all liability, losses, or damages as a result of claims, demands, suits, actions, or proceedings of any kind or nature, including but not limited to costs, and fees, including attorney's fees, judgments or settlements, resulting from or arising out of any negligent or willful act or omission on the part of the Consultant or Consultant's sub-contractors, employees, agents or sub-contractors during the performance of this Agreement. Such indemnification shall not be limited by reason of the enumeration of any insurance coverage herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the City, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

E. Addenda

Any and all changes to these documents are valid only if they are included via written addendum to all respondents. Each respondent should acknowledge receipt of any addenda by indicating the same in their proposal submission. Each respondent acknowledging receipt of any addenda is responsible for the contents of the addenda and any changes to the proposal therein. Failure to acknowledge any addenda may cause the proposal to be

rejected. Addenda information is available over the internet at [City of Evanston Notices & Documents](#) or www.demandstar.com, or by contacting the Purchasing Office, 847-866-2935.

F. Term

The contract is for two (2)-years with one(1) additional one (1) year option to renew. The City may terminate a contract for either cause or convenience.

G. Non-Appropriation of Funds

The City of Evanston reserves the right to terminate in whole or in part of the contract in the event that insufficient funds to complete the contract are appropriated by Evanston City Council.

All discoveries and documents produced as a result of any service or project undertaken on behalf of the City of Evanston shall become the property of the City.

I. Payment Terms

The consultant shall submit invoices detailing the services provided, project, professional staff, and hours. Payment shall be made in accordance with the Local Government Prompt Payment Act. Please note that failure to provide a detailed invoice could result in delay of payment and include termination of any agreement.

J. Disclosures and Potential Conflicts of Interest

The City of Evanston's Code of Ethics prohibits public officials or employees from performing or participating in an official act or action with regard to a transaction in which he has or knows he will thereafter acquire an interest for profit, without full public disclosure of such interest. This disclosure requirement extends to the spouse, children and grandchildren, and their spouses, parents and the parents of a spouse, and brothers and sisters and their spouses.

To ensure full and fair consideration of all proposals, the City of Evanston requires all Proposers including owners or employees to investigate whether a potential or actual conflict of interest exists between the Proposer and the City of Evanston, its officials, and/or employees. If the Proposer discovers a potential or actual conflict of interest, the Proposer must disclose the conflict of interest in its proposal, identifying the name of the City of Evanston official or employee with whom the conflict may exist, the nature of the conflict of interest, and any other relevant information. The existence of a potential or actual conflict of interest does NOT, on its own, disqualify the disclosing Proposer from consideration. Information provided by Proposers in this regard will allow the City of Evanston to take appropriate measures to ensure the fairness of the proposal process.

The City requires all Proposers to submit a certification, enclosed with this RFQ, that the Proposer has conducted the appropriate investigation and disclosed all potential or actual conflicts of interest.

K. Protests

Any actual or prospective Proposer, who is aggrieved in connection with the solicitation or award of a contract, may protest to the Purchasing Office. The protest shall be submitted in

writing within ten (10) calendar days after such aggrieved person knows or should have known of the facts giving rise thereto.

- A post-award protest must be filed no later than ten (10) days after the award of the Contract.

All claims by a Proposer against the City relating to a contract shall be submitted in writing to the Purchasing Specialist. The City will only consider protests that are properly and timely submitted.

All protests or claims must set forth the name and address of the protester, the contract number, the grounds for the protest or claim, and the course of action that the protesting party desires the Purchasing Specialist to take. Statements shall be sworn and submitted under penalty of perjury.

L. Authority To Resolve Protests And Contract Claims

Protests: The Purchasing Specialist shall have the authority to consider and resolve a protest of an aggrieved Proposer, actual or prospective, concerning the solicitation or award of a contract. The City shall issue a written decision and that decision is final.

Contract Claims: The Purchasing Specialist, after consulting with Corporation Counsel, shall have the authority to resolve contract claims, subject to the approval of the City Manager or City Council, as applicable, regarding any settlement that will result in a change order or contract modification.

Each Proposer, by submitting a response to this RFQ, expressly recognizes the limitations on its rights to protest provided in this Section and expressly waives all other rights and remedies and agrees that the decision on the protest is final and conclusive. If a Proposer disregards, disputes or does not follow the exclusive protest remedies provided in this Section, it shall indemnify and hold the City and its officers, employees, agents and consultants harmless from and against all liabilities, fees and costs, including legal and consultant fees and costs, and damages incurred or suffered as a result of such Proposer's actions. Each Proposer, by submitting a response to this RFQ, shall be deemed to have irrevocably and unconditionally agreed to this indemnity obligation.

M. Litigation

For purposes of this Section, the following terms are defined as follows:

“issue” means any prior or pending litigation or investigation, either civil or criminal, or any governmental agency action or proceeding (the “issue”), which may affect the performance of the services to be rendered herein. All proposers shall identify and describe with particularity any issue. The City, and not Proposer, has the sole discretion to determine whether an issue may affect the performance of the services. Failure of any Proposer to comply with this mandatory obligation shall, at the City's sole discretion, result in the Proposer's response being deemed non-responsive and not responsible. Failure of any Proposer to comply with the obligation specified herein may result in the voiding any subsequent contract award to Proposer if the City discovers upon the exercise of its customary due diligence that Proposer failed to comply with the mandatory obligation in this Section. The City reserves all rights to take any other actions in the case of a Proposer's non-compliance with this Section.

N. Sub-contractors

If any firm submitting a proposal intends on sub-contracting out all or any portion of the engagement, that fact, and the name of the proposed sub-contracting firm(s) must be clearly disclosed in the proposal. Following the award of the contract, no additional sub-contracting will be allowed without the prior written consent of the City of Evanston.

O. Contact with City Personnel

All Proposers are prohibited from making any contact with the City Manager, City Council, or any other official or employee of the City with regard to the Project, other than in the manner and to the person(s) designated herein. The Purchasing Specialist reserves the right to disqualify any Proposer found to have contacted City Personnel in any manner with regard to the Project. CITY OF EVANSTON M/W/D/EBE POLICY

A City of Evanston goal is to provide contracting and sub-contracting opportunities to Minority Business Enterprises, Women Business Enterprises, Disadvantaged and Evanston Business Enterprises. The goal of the Minority, Women, Disadvantaged and Evanston Business Enterprise Program (M/W/D/EBE) is to assist such businesses with opportunities to grow. To assist such growth, the City's goal is to have general contractors utilize M/W/D/EBEs to perform no less than 25% of the awarded contract.

Firms bidding on projects with the City must work to meet the 25% goal or request a waiver from participation. It is advised that bidders place advertisements requesting sub-contractors and that they email or contact individual firms that would be appropriate to partner in response to the project. For samples of possible advertisements, see the City of Evanston's Business Diversity Section <http://www.cityofevanston.org/business/business-diversity/> ([Sample Advertisement](#)). If you request a paper copy of the additional documents, it will be available free of charge from the Purchasing Office, 2100 Ridge Road Suite 4200, Evanston, IL 60201.

If a bidder is unable to meet the required M/W/D/EBE goal, the Bidder must seek a waiver or modification of the goal on the attached forms. Bidder must include:

1. A narrative describing the Bidder's efforts to secure M/W/D/EBE participation prior to the bid opening.
2. Documentation of each of the assist agencies that were contacted, the date and individual who was contacted, and the result of the conversation (see form)
3. A letter attesting to instances where the bidder has not received inquiries/proposals from qualified M/W/D/EBEs
4. Names of owners, addresses, telephone numbers, date and time and method of contact of qualified M/W/D/EBE who submitted a proposal but was not found acceptable.
5. Names of owners, addresses, telephone numbers, date and time of contact of at least 15 qualified M/W/D/EBEs the bidder solicited for proposals for work directly related to the Bid prior to the bid opening (copies must be attached).

If a bidder is selected with a Sub-contractor listed to meet the M/W/D/EBE goal, a "monthly utilization report" will be due to the City prior to each payment being issued to the Contractor. This report will include documentation of the name of the firm hired, the type of work that firm performed, etc. Should the M/W/D/EBE not be paid according to the schedule proposed in this document, the City reserves the right to cancel the contract. Examples of this monthly form can be found on the City's website: <http://www.cityofevanston.org/business/business-diversity/> ([MWDEBE Monthly Utilization Report](#)).

H. Ownership of Documents and Other Materials. All originals, duplicates and negatives of all plans, drawings, reports, photographs, charts, programs, models, specimens, specifications, AutoCAD Version 2007, Excel spreadsheets, PDF, and other documents or materials required to be furnished by Consultant hereunder, including drafts and reproduction copies thereof, shall be and remain the exclusive property of City, and City shall have the unlimited right to publish and use all or any part of the same without payment of any additional royalty, charge, or other compensation to Consultant. Upon the termination of this Agreement, or upon request of City, during any stage of the Services, Consultant shall promptly deliver all such materials to City. Consultant shall not publish, transfer, license or, except in connection with carrying out obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working pages, without the prior written approval of City, provided, however, that Consultant may retain copies of the same for Consultant's own general reference.

I. Payment. Invoices for payment shall be submitted by Consultant to City at the address set forth above, together with reasonable supporting documentation, City may require such

additional supporting documentation as City reasonably deems necessary or desirable. Payment shall be made in accordance with the Illinois Local Government Prompt Payment Act, after City's receipt of an invoice and all such supporting documentation.

If any invoice submitted by Consultant is found to have been overstated, Consultant shall provide City an immediate refund of the overpayment together with interest at the highest rate permitted by applicable law, and shall reimburse all of City's expenses for and in connection with the audit respecting such invoice.

K. Indemnity. Consultant shall defend, indemnify and hold harmless the City and its officers, elected and appointed officials, agents, and employees from any and all liability, losses, or damages as a result of claims, demands, suits, actions, or proceedings of any kind or nature, including but not limited to costs, and fees, including attorney's fees, judgments or settlements, resulting from or arising out of any negligent or willful act or omission on the part of the Consultant or Consultant's sub-contractors, employees, agents or sub-contractors during the performance of this Agreement. Such indemnification shall not be limited by reason of the enumeration of any insurance coverage herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the City, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed

under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

L. Insurance. Consultant shall carry and maintain at its own cost with such companies as are reasonably acceptable to City all necessary liability insurance (which shall include as a minimum the requirements set forth below) during the term of this Agreement, for damages caused or contributed to by Consultant, and insuring Consultant against claims which may arise out of or result from Consultant's performance or failure to perform the Services hereunder: (1) worker's compensation in statutory limits and employer's liability insurance in the amount of at least \$500,000, (2) comprehensive general liability coverage, and designating City as additional insured for not less than \$3,000,000 combined single limit for bodily injury, death and property damage, per occurrence, (3) comprehensive automobile liability insurance covering owned, non-owned and leased vehicles for not less than \$1,000,000 combined single limit for bodily injury, death or property damage, per occurrence, and (4) errors and omissions or professional liability insurance respecting any insurable professional services hereunder in the amount of at least \$1,000,000. Consultant shall give to the City certificates of insurance for all Services done pursuant to this Agreement before Consultant performs any Services, and, if requested by City, certified copies of the policies of insurance evidencing the coverage and amounts set forth in this Section. The City may also require Consultant to provide copies of the Additional Insured Endorsement to said policy (ies) which name the City as an Additional Insured for all of Consultant's Services and work under this Agreement. Any limitations or modification on the certificate of insurance issued to the City in compliance with this Section that conflict with the provisions of this Section shall have no force and effect. Consultant's certificate of insurance shall contain a provision that the coverage afforded under the policy(s) will not be canceled or reduced without thirty (30) days prior written notice (hand delivered or registered mail) to City. Consultant understands that the acceptance of certificates, policies and any other documents by the City in no way releases the Consultant and its sub-contractors from the requirements set forth herein. Consultant expressly agrees to waive its rights, benefits and entitlements under the "Other Insurance" clause of its commercial general liability insurance policy as respects the City. In the event Consultant fails to purchase or procure insurance as required above, the parties expressly agree that Consultant shall be in default under this Agreement, and that the City may recover all losses, attorney's fees and costs expended in pursuing a remedy or reimbursement, at law or in equity, against Consultant.

Consultant acknowledges and agrees that if it fails to comply with all requirements of this Section, that the City may void this Agreement.

M. Confidentiality. In connection with this Agreement, City may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for City. Consultant agrees (i) to treat, and to obligate Consultant's employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or use the same in any manner whatsoever without first

obtaining City's written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant's control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemption to the disclosure of such records or part thereof is applicable. Vendor shall indemnify and defend the City from and against all claims arising from the City's exceptions to disclosing certain records which Vendor may designate as proprietary or confidential. Compliance by the City with an opinion or a directive from the Illinois Public Access Counselor or the Attorney General under FOIA, or with a decision or order of Court with jurisdiction over the City, shall not be a violation of this Section.

N. Use of City's Name or Picture of Property. Consultant shall not in the course of performance of this Agreement or thereafter use or permit the use of City's name nor the name of any affiliate of City, nor any picture of or reference to its Services in any advertising, promotional or other materials prepared by or on behalf of Consultant, nor disclose or transmit the same to any other party.

O. No Assignments or Sub-contracts. Consultant shall not assign or sub-contract all or any part or its rights or obligations hereunder without City's express prior written approval. Any attempt to do so without the City's prior consent shall, at City's option, be null and void and of no force or effect whatsoever. Consultant shall not employ, contract with, or use the services of any other architect, interior designer, engineer, consultant, special contractor, or other third party in connection with the performance of the Services without the prior written consent of City.

P. Compliance with Applicable Statutes, Ordinances and Regulations. In performing the Services, Consultant shall comply with all applicable federal, state, county, and municipal statutes, ordinances and regulations, at Consultant's sole cost and expense, except to the extent expressly provided to the contrary herein. Whenever the City deems it reasonably necessary for security reasons, the City may conduct at its own expense, criminal and driver history background checks of Consultant's officers, employees, sub-contractors, or agents. Consultant shall immediately reassign any such individual who in the opinion of the City does not pass the background check.

Q. Liens and Encumbrances. Consultant, for itself, and on behalf of all sub-contractors, suppliers, materialmen and others claiming by, through or under Consultant, hereby waives and releases any and all statutory or common law mechanics' materialmen's' or other such lien claims, or rights to place a lien upon City property or any improvements thereon in connection with any Services performed under or in connection with this Agreement. Consultant further agrees, as and to the extent of payment made hereunder, to execute a sworn affidavit respecting the payment and lien releases of all sub-contractors, suppliers and

materialmen, and a release of lien respecting the Services at such time or times and in such form as may be reasonably requested by City. Consultant shall protect City from all liens for labor performed, material supplied or used by Consultant and/or any other person in connection with the Services undertaken by consultant hereunder, and shall not at any time suffer or permit any lien or attachment or encumbrance to be imposed by any sub-consultant, supplier or materialmen, or other person, firm or corporation, upon City property or any improvements thereon, by reason or any claim or demand against Consultant or otherwise in connection with the Services.

R. Notices.
