DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING NOVEMBER 15, 2024

VETO SESSION UPDATE: Pension Legislation Would Undo Tier Two Taxpayer Savings

Tuesday afternoon, House Personnel and Pensions Committee Chair Stephanie Kifowit introduced [HB 5909](#), which makes major changes to Tier 2 pensions for all state and local employees including very specific changes to Tier 2 pensions for police, firefighters and (to a much lesser degree) IMRF. A similar bill, [SB 3988](#) was introduced by Senate Special Committee on Pensions Chair Robert Martwick.

It is anticipated that the bills will be assigned to committee for a hearing when legislators return for the second week of veto session next Tuesday, which would enable the possibility of approving the bills during the “lame duck” session in early January. At this point, no fiscal or actuarial analysis of the proposed legislation is available to better inform the decision-making process.

On Thursday, the Conference issued an Action Alert requesting that members contact their legislators and ask that they remove police and fire Tier 2 pension changes from HB 5909/SB 3988 for the following reasons:

- Unlike the other state systems, there is no Social Security “Safe Harbor” problem to address for police and fire (or IMRF)
- Tier 2 provides public safety personnel with a generous, stable and constitutionally protected retirement
- HB 5909/SB 3988 will have an immediate and severe impact on our struggling taxpayers
- HB 5909/SB 3988 does not address public safety recruitment and retention issues

As members contact legislators, we ask that you relay their responses to staff. *Staff contacts: Mark Fowler, Larry Bury, Chris Staron*

Time to Answer the CRP, STP-SF, and TAP-L Call for Projects

As a reminder, the Chicago Metropolitan Agency for Planning (CMAP) is now accepting applications for more than \$385 million in funding through the Climate Reduction Program (CRP), Surface Transportation Program-Shared Fund (STP-SF), and Transportation Alternatives Program (TAP-L) through their FFY 2026-2030 Call for Projects.

To assist communities with understanding options and identifying the best fund for their project, CMAP has developed fact sheets for each funding source, [CRP](#), [TAP-L](#), and [STP-SF](#). Applications for all the call for transportation projects are due by Friday, December 20. All application materials, resources, and FAQs can be found on the updated [CMAP Call for Projects website](#). *Staff contacts: Eric Czarnota, Brian Larson*

Attention Mayors: Municipal Candidate for Election to the IFPIF Board of Trustees

From the Illinois Municipal League (IML):

Ballots have been mailed to mayors, village presidents and town presidents who are eligible to vote for members of the Illinois Firefighters’ Pension Investment Fund (IFPIF) Board of Trustees. IML has endorsed IML Vice President, Mayor Mike Troup, City of Quincy, and Mayor David Pileski, Village of Roselle, for election to the Board. To be eligible to vote, a municipality must have a participating firefighters’ pension fund.

More information about the IML endorsed candidates is on our website ([available via this link](#)). It is important that

all eligible mayors, village presidents and town presidents (those with an Article 4 downstate firefighter pension fund) return their completed ballots prior to December 2, 2024, and it is requested that municipal officials support Mayor Troup and Mayor Pileski as the endorsed municipal candidates by IML. If you are an eligible mayor, village president or town president and have not received a ballot in the mail, please contact IML at (217) 525-1220 so we can ask for a replacement ballot to be sent to you. *Staff contact: Mark Fowler*
