CITY OF EVANSTON
Request for Proposal

1.0 INTRODUCTION

The City is seeking proposals from experienced armored car firms, to provide services for the purpose of collecting cash, coin, checks and the monthly purchase of change (dollar bills and coins). It is the expectation of the City that the services will include: the collection of physical funds from various City buildings within specific time frames; the delivery of said funds to an area bank by a specific time on the same day as pick up; and special pick-ups as needed. The City expects deposits to be delivered on the same day as pick up for reasons of capturing interest on the City's bank accounts.

The contract term desired is for a period of three (3) years with two (2) additional one (1) year options to renew.

Contact with City personnel in connection with this RFP shall not be made other than as specified in this RFP. Unauthorized contact of any City personnel may be cause for rejection of a proposal.

Prior to the submittal of a proposal, Proposers are advised to carefully examine the following:

- the contract documents.
- project scope and work tasks to be accomplished.
- specifications
- submittal requirements
- insurance requirements and required documentation.

Proposers are advised to become thoroughly familiar with all conditions, instructions and specifications governing this RFP. Proposals shall be made in accordance with these instructions. Proposals shall be submitted on the forms provided by the City.

The City will not be liable in any way for any costs incurred by respondents in replying to this Request for Proposal.

2.0 SCOPE OF SERVICES

The City currently utilizes armored car services for three purposes: **1)** to pick up cash, coin, and checks, that have been counted and bagged, from various City buildings for deposit at the bank; and **2)** pick up coins that have not been counted and bagged, from one location for counting and electronic transfer to the bank; and **3)** monthly purchase of change (dollar bills and coins). It is the expectation of the City that the services will include: the collection of physical funds from various City buildings within specific time frames; the delivery of said funds to an area bank by a specific time on the same day as pick up; and special pick-ups as needed. The City

expects deposits to be delivered on the same day as pick up for reasons of capturing interest on the City's bank accounts.

A more detailed scope by categories and representative tasks required for these services are outlined below. All proposals must meet or exceed the requirements contained herein. All proposers must be able to provide the following scope of service, excluding the Pay-on-Foot Station requirements, which are listed as an optional service subject to the firm's ability to meet the special requirements needed to support the service.

1) Deposit Pick-ups

Requirements

The successful firm must provide armored car pick up services daily, Monday through Friday. Pick up times must be within the normal operating hours of the City. Saturday pick up is an option and must be scheduled at least 24 hours in advance, during normal operating hours. Generally pick-ups will not be required on weekends or observed City holidays unless otherwise noted.

Note: The City's Beach/Dempster office requires deposit pick-ups on all weekends and holidays from Memorial Day to Labor Day. The Dempster Beach Office has an access drive that allows the driver to drive up to the office. The City's parking garages do not have a loading dock; the pick-up vehicle will have an overhead clearance of 8 feet, a drive lane that is 12 feet wide, and be able to park within 8 feet of the holding room.

Information related to pick-ups, frequency per location, and the anticipated number of pick-ups per month is identified on pages 19 – 21. A list of observed holidays will be provided to the successful firm upon contract execution and by January of each new calendar year during the term of the contract. Similarly, the firm is to notify the City of observed holidays upon contract execution and by January of each calendar year during the term of the contract.

On any business day, if a regular facility fails to have one of its deposits available for pick up at the designated time established, and the bags are carried forward to the next business day, that stop on the next business day will not be considered a multiple stop for pricing purposes. This missed deposit situation will be an exception to normal operations.

Should the firm fail to pick up a scheduled shipment or otherwise cannot complete its route on a given day; the firm is to notify the City's contract representative(s) immediately. The firm shall also be prepared to schedule a special run at no extra cost to the City within the next 24 hours or, where making a special run is not practicable or desired by the City, not charge the City for the missed run – whichever the City prefers.

The City reserves the right to cancel the pick up without being charged for the pick-up upon giving the firm a 24 hour notice.

The City's current depository is Byline Bank Evanston.

Procedure

At the time of a scheduled deposit pick up, the armored car personnel must provide a signed receipt for the deposits. The receipts must be sequentially numbered, under the control of the courier, and if required, the courier must be able to account for all receipt numbers for control purposes. Upon request from the City's Contract Representative, the deposit pick up receipts shall be provided to the City within five (5) business days of the request. The pick-up receipts will be retained by the City for no less than two (2) years. The armored car carrier must retain the original receipt for two (2) years with the ability to provide deposit tracking for the same two (2) year period.

The successful firm will be completely liable for the security and contents of the deposit bags and/or canisters as soon as each City location is given the receipt(s) for the bags and releases the sealed bags to the armored car carrier's personnel.

At the time of delivery and deposit by the armored courier to the financial institution, the armored car personnel must sign and retain a copy of a delivery receipt(s) with the delivery time stamped, as proof of deposit bag delivery. The City may request, and the successful firm must provide, a copy of this delivery receipt at any time within two (2) years of the deposit pick up date.

It will be the responsibility of the contracted firm to ensure that the proper standard and industry specific security controls are in place to prevent any unethical tampering of the bags and their contents from initial pick up at the City location to the final destination of the bags.

The firm should propose recommended procedures to be followed in preparing and executing cash and check deposits for armored car pick-ups. The proposed procedure should be explained in detail, will be evaluated and, at the discretion of the City, may be considered as viable alternative(s).

Courier Identification

All employees of the firm shall wear an employer issued uniform and always carry an identification badge when performing services for the City. Employees who are not in uniform and wearing an identification badge will not be permitted to perform service for the City. Further, the successful firm will be held liable for the failure to perform services as a result. All employees of the firm shall follow all security procedures requested by the various government buildings, which will include but may not be limited to a show of identification. The City is the sole determiner of appropriate identification.

Additionally, the successful firm shall provide twelve (12) copies of a list of all employees who will be picking up deposits. The City of Evanston prefers that the list include photos of all employees, but not required. Lists must be provided prior to commencing services and thereafter at the beginning of each calendar year during the contract. If there are any changes in personnel

servicing the City at any time during the contract, the City is to be notified immediately of such changes. The name and photo of each new employee who will be providing service to the City as well as the name and photo of the employee(s) who will no longer be providing services to the City shall be provided by the firm as a part of this notification.

Deposit Bags and Electronic Tracking Stickers

The successful firm shall provide the disposable deposit bags and electronic tracking stickers for both the cash and check deposits for all armored car locations in the City that do not require special equipment for pick up, such as the Maple Avenue Garage or other designated location, which utilizes coin canisters that are supplied by the City. The City is planning to continue to provide coin canisters for future use at the garage. Firms selected for on-site interviews must provide sample bags for City inspection.

The disposable bags must be industry standard and must be acceptable to the selection team. The City utilizes 8 ½ X 11" bags or smaller for deposits. The firm must identify the name of the manufacturer and provide a detailed description of the bag.

If there are to be any changes in the deposit bag(s) during the term of the contract, the City's contract representative(s) must be notified. The bags must be approved by the City contract representative(s) prior to their official use. Any new bag(s) must be of the same quality or better than what was originally proposed. Any cost incurred in changing bags and/or an increase in the price of the bags as a result of the change, will be the responsibility of the firm.

No less than a one (1) month supply of bags and electronic stickers (*all types*) must be on hand at each facility prior to contract commencement. It will be the responsibility of each City location to request no less than a one (1) month supply of bags per order as the need arises. The successful firm shall deliver the bags and/or stickers within three (3) business days of the request. The storage capabilities at each City location will determine the quantity of bags that can be maintained at each location. The city will need approximately 3,000 bags per year. The successful firm must define the proper receipt procedure for the delivery of the deposit bags to the various City locations.

The cost for the disposable deposit bags and electronic tracking stickers for both the cash and check deposits should be figured into the cost proposal for an all-inclusive cost. In addition, fuel charges must be figured into the cost proposal. The City of Evanston will not accept surcharges for fuel costs.

Reporting

- **Deposits that are counted or bagged prior to pick up**

For the counted and bagged deposits, the City's estimates of the number of bags per pick up by location are provided on pages 19 - 21. However, depending upon the time of year, this number can vary. Therefore, the number provided is an estimate of the average number of pick-ups throughout the year.

The City requires the following:

- 1) the maintenance of an electronic log at each City location that identifies each bag;
- 2) the amount of money in each bag;
- 3) the total amount for all bags prepared by City staff at that location for that day's pick up by the firm;
- 4) a place for firm staff to sign indicating what bags are being picked up by the firm; and
- 5) a copy of the deposit transmittal which identifies each City location and the amount of the deposit for each location where bags were collected on that day.

The purpose of these documents is to facilitate an audit trail that will allow the City to track the pick-up of the bags from each location to the deposit report received from the bank once the money has been deposited. If the firm has an approach that will include using technology to automate making any or all of this information available to the City, it should be included as the proposed approach in the firm's RFP response. Please note that the logs for each location must be updated at the time of pick up. A pick up report that is sent via email or fax later in the day is not acceptable.

- **Deposits that are not counted or bagged prior to pick up**

For those deposits that have not been counted or bagged, the City's estimate of the number of containers per pick up is provided in Attachment 1. The City anticipates collecting as many as 25-30 canisters per day during the times of the year where collections are greatest (winter season), with each canister weighing approximately 50-100 pounds.

The City requires the following:

- 1) the maintenance of a log at the City's garage or other mutually agreed upon coin collection room, that identifies all of the sealers prepared by City staff for pick up by the firm and a place for firm staff to sign indicating what sealers are being picked up by the firm;
- 2) a daily counting report within 48 hours that identifies the collection zone and area name for each container, the amount collected by/in the container, and the sealer number for each container; and
- 3) a copy of the deposit transmittal which identifies each City collection zone and the amount of the deposit for each zone.

Please note that the figures regarding the volume of pick-ups are provided for informational purposes only. The City does not guarantee any minimum or maximum amount of pick up volume to the selected firm, although the City anticipates that the current volume of bags or canisters as identified on pages 19 – 21 will remain the same or increase.

2) Change Fund Service

Upon request, the firm shall provide change-fund service at no charge on any day pick up locations are open, purchasing the required coin and currency with funds supplied by the location and delivering the same on that same or next

business day to the requesting location. Change shall be provided in the form of twenty (20), ten (10), five (5), and one (1) dollar bills, as well as quarters, dimes, nickels, and pennies, or as otherwise required by City. Change is ordered two (2) or three (3) times a year in one box increments. Bills and Coin may be ordered on a monthly basis in amounts up to \$2,500. The Civic Center is the only location that orders change.

3) Additional Services Requested by City

The City reserves the right to add or eliminate delivery and pick up locations during the life of the contract. Price adjustments for additional pick-ups or reduced service will be based on the rates quoted by firm for other services requested in this RFP. These rates must be negotiated and agreed to by the City and the successful firm. The successful firm will indicate the minimum advance notice required for additional service requests in days or hours.

In addition, should the firm desire to make a change in service, such as a change in the pick-up time for a location, the City requires that the request be submitted in writing to the project contact(s) at the City. The firm must receive written approval from the project contact(s) before any such change goes into effect.

4) Firm Liability

The firm's responsibility will begin at the time the courier signs a receipt for the deposit of each location, and will continue until the courier obtains a receipt for the deposit from the City's financial institution. The firm will be liable for the loss of any shipment up to the amount of \$3.0 million dollars (\$3,000,000.00). The firm must carry appropriate Asset Protection insurance as approved by the City. Firm will also be liable for the cost to reconstruct the records necessary to determine the maker, bank, and amount of any and all lost checks. Such liability will include any stop payment fees or other fees necessitated by any lost checks. The firm will be liable for the face value of any checks which cannot be reconstructed.

5) Contract Cost

Proposed Costs

The firm should use the included Cost Tables in Attachment 1 to present the service fees. The firm is to quote its rates for armored car services in accordance with specifications set forth in this request for proposals. All prices and rates quoted are to be guaranteed to be firm through December 31, 2027.

Rate Adjustments

The City will review fully documented requests for rate adjustments after services have been provided for a three (3) year period. Any rate adjustment will only be made at the time of contract renewal/extension and it will be a factor in the extension review process. Such an increase must be fully justified in writing, and may not exceed the amount of the Consumer Price Index (CPI) for the Gary IN/Chicago IL/Kenosha WI metropolitan area.

The City will determine whether the requested rate adjustment or an alternate option that the City may propose, is in the best interest of the City. Any rate adjustment will be effective upon the effective date of the contract extension/renewal and shall remain in effect during the period of extension/renewal.

In addition, should the firm desire to make a change in other charges related to the provision of service, the City requires that the firm notify the project contact(s) **in writing**. The firm must receive **written approval** from the project contact(s) **before** any such change goes into effect.

6) Invoice Preparation & Payment

Payments to the extent of the value of the work done shall be made to the firm within a time that is consistent with the time required to make payments through regular City channels. Therefore, the City will not honor any late payment fees levied before an invoice is past due by 90 or more days. However, the City will honor any discounts that are for payments made by a stated due date (i.e. within 45 days of the date of the invoice). Invoices shall be dated and sent at the end of the month following the beginning of the work. The firm shall itemize the invoice following the pick-up location schedule contained in this request for proposals. The following minimum information shall be provided in each invoice:

1. Location identification.
2. Nature of trip, including destination.
3. Monthly fee and number of scheduled trips.
4. Monthly fee and number of non-scheduled, on-call trips.
5. Total Cost.

7) Account Representative

The successful firm must appoint a senior level individual and a qualified substitute as the firm's representatives for the contract and to act as a liaison with the City. This individual should have a history of at least two consecutive years of employment with the firm. The representative will be solely responsible for ensuring that the contract requirements are met, implementing City instructions, and resolving issues that may arise on a daily basis during the term of the contract.

3.0 INSURANCE

Consultant shall carry and maintain at its own cost with such companies as are reasonably acceptable to City all necessary liability insurance (which shall include as a minimum the requirements set forth below) during the term of this Agreement, for damages caused or contributed to by Consultant, and insuring Consultant against claims which may arise out of or result from Consultant's performance or failure to perform the Services hereunder.

The consultant must provide an insurance certificate naming the City of Evanston as an additional insured and will provide a variety of insurances including:

In connection with this Agreement, City may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for City. Consultant agrees (i) to treat, and to obligate Consultant’s employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or use the same in any manner whatsoever without first obtaining City’s written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant’s control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemption to the disclosure of such records or part thereof is applicable.

If the requested material was submitted by a party other than the firm, then the firm shall be solely responsible for notifying the submitting party of the request. The City’s sole responsibility is to notify the firm of the request for disclosure, and the City shall not be liable for any damages resulting out of such disclosure, whether such disclosure is deemed required by law, by an order of

court or administrative agency, or occurs through inadvertence, mistake, negligence on the part of the City or its officers, or employees.

Withdrawal may be attained by written request; however, no offer can be withdrawn within the ninety (90) day period which occurs after the time is set for closing. Exceptions to these specifications shall be listed and explained on a separate page titled "Exceptions to Specifications", which shall be prepared by the Proposer. This page shall then be attached to these documents and submitted at the same time as the proposal. Each exception must refer to the page number and paragraph to which it is relevant. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

E. Addenda

Any and all changes to these documents are valid only if they are included via written addendum to all respondents. Each respondent should acknowledge receipt of any addenda by indicating same in their proposal submission. Each respondent acknowledging receipt of any addenda is responsible for the contents of the addenda and any changes to the proposal therein. Failure to acknowledge any addenda may cause the proposal to be rejected. Addenda information is available over the internet at [City of Evanston Notices & Documents](#) or www.demandstar.com, or by contacting the Purchasing Office, 847-866-2935.

F. Term

The contract is for Armored Car and Related Services. The City may terminate a contract for either cause or convenience.

G. Non-Appropriation of Funds

The City of Evanston reserves the right to terminate in whole or in part of the contract in the event that insufficient funds to complete the contract are appropriated by Evanston City Council.

H. Property of the City

All discoveries and documents produced as a result of any service or project undertaken on behalf of the City of Evanston shall become the property of the City.

I. Payment Terms

The consultant shall submit invoices detailing the services provided, project, professional staff, and hours. Payment shall be made in accordance with the Local Government Prompt Payment Act. Please note that failure to provide a

detailed invoice could result in delay of payment and include termination of any agreement.

J. Disclosures and Potential Conflicts of Interest

The City of Evanston's Code of Ethics prohibits public officials or employees from performing or participating in an official act or action with regard to a transaction in which he has or knows he will thereafter acquire an interest for profit, without full public disclosure of such interest. This disclosure requirement extends to the spouse, children and grandchildren, and their spouses, parents and the parents of a spouse, and brothers and sisters and their spouses.

To ensure full and fair consideration of all proposals, the City of Evanston requires all Proposers including owners or employees to investigate whether a potential or actual conflict of interest exists between the Proposer and the City of Evanston, its officials, and/or employees. If the Proposer discovers a potential or actual conflict of interest, the Proposer must disclose the conflict of interest in its proposal, identifying the name of the City of Evanston official or employee with whom the conflict may exist, the nature of the conflict of interest, and any other relevant information. The existence of a potential or actual conflict of interest does NOT, on its own, disqualify the disclosing Proposer from consideration. Information provided by Proposers in this regard will allow the City of Evanston to take appropriate measures to ensure the fairness of the proposal process.

The City requires all Proposers to submit a certification, enclosed with this RFP, that the Proposer has conducted the appropriate investigation and disclosed all potential or actual conflicts of interest.

K. Protests

Any actual or prospective Proposer, who is aggrieved in connection with the solicitation or award of a contract, may protest to the Purchasing Office. The protest shall be submitted in writing within ten (10) calendar days after such aggrieved person knows or should have known of the facts giving rise thereto.

- The Proposer shall submit any protests or claims regarding this solicitation to the Purchasing Office.
- A pre-bid protest must be filed five (5) days before the bid opening or proposal submittal.
- A pre-award protest must be filed no later than ten (10) days after the bid opening date or proposal deadline.
- A post-award protest must be filed no later than ten (10) days after the award of the Contract.

All claims by a Proposer against the City relating to a contract shall be submitted in writing to the Purchasing Specialist. The City will only consider protests that are properly and timely submitted.

All protests or claims must set forth the name and address of the protester, the contract number, the grounds for the protest or claim, and the course of action

that the protesting party desires the Purchasing Specialist to take. Statements shall be sworn and submitted under penalty of perjury.

L. Authority To Resolve Protests And Contract Claims

Protests: The Purchasing Specialist shall have the authority to consider and resolve a protest of an aggrieved Proposer, actual or prospective, concerning the solicitation or award of a contract. The City shall issue a written decision and that decision is final.

Contract Claims: The Purchasing Specialist, after consulting with Corporation Counsel, shall have the authority to resolve contract claims, subject to the approval of the City Manager or City Council, as applicable, regarding any settlement that will result in a change order or contract modification.

Each Proposer, by submitting a response to this RFP, expressly recognizes the limitations on its rights to protest provided in this Section and expressly waives all other rights and remedies and agrees that the decision on the protest is final and conclusive. If a Proposer disregards, disputes or does not follow the exclusive protest remedies provided in this Section, it shall indemnify and hold the City and its officers, employees, agents and consultants harmless from and against all liabilities, fees and costs, including legal and consultant fees and costs, and damages incurred or suffered as a result of such Proposer's actions. Each Proposer, by submitting a response to this RFP, shall be deemed to have irrevocably and unconditionally agreed to this indemnity obligation.

M. Litigation

For purposes of this Section, the following terms are defined as follows:

“issue” means any prior or pending litigation or investigation, either civil or criminal, or any governmental agency action or proceeding (the “issue”), which may affect the performance of the services to be rendered herein. For purposes of this Section, an “issue” shall also include any criminal, civil, or administrative penalty or finding imposed against any covered individual. An issue occurring within seven (7) years of the date preceding the date of the Proposer's response shall be disclosed by the Proposer.

“covered individual” means any principal, president, managing partner, or vice-president, affiliated in anyway with the Firm, and the Firm's employees or sub-contractors.

All proposers shall identify and describe with particularity any issue. The City, and not Proposer, has the sole discretion to determine whether an issue may affect the performance of the services. Failure of any Proposer to comply with this mandatory obligation shall, at the City's sole discretion, result in the Proposer's response being deemed non-responsive and not responsible. Failure of any Proposer to comply with the obligation specified herein may result in the voiding any subsequent contract award to Proposer if the City discovers upon the exercise of its customary due diligence that Proposer failed to comply

with the mandatory obligation in this Section. The City reserves all rights to take any other actions in the case of a Proposer's non-compliance with this Section.

N. Sub-contractors

If any firm submitting a proposal intends on sub-contracting out all or any portion of the engagement, that fact, and the name of the proposed sub-contracting firm(s) must be clearly disclosed in the proposal. Following the award of the contract, no additional sub-contracting will be allowed without the prior written consent of the City of Evanston.

O. Contact with City Personnel

All Proposers are prohibited from making any contact with the City Manager, City Council, or any other official or employee of the City with regard to the Project, other than in the manner and to the person(s) designated herein. The Purchasing Specialist reserves the right to disqualify any Proposer found to have contacted City Personnel in any manner with regard to the Project. Additionally, if it is determined that the contact with City Personnel was in violation of any provision of 720 ILCS 5/33EE, the matter may be referred to the Cook County State's Attorney for review and prosecution.

P. Costs Incurred

The City of Evanston assumes no responsibility or liability for costs incurred by the Proposer prior to the execution of a contract. This includes costs incurred by the Proposer as a result of preparing a response to this RFP.

CITY OF EVANSTON M/W/D/EBE POLICY

A City of Evanston goal is to provide contracting and sub-contracting opportunities to Minority Business Enterprises, Women Business Enterprises, Disadvantaged and Evanston Business Enterprises. The goal of the Minority, Women, Disadvantaged and Evanston Business Enterprise Program (M/W/D/EBE) is to assist such businesses with opportunities to grow. To assist such growth, the City's goal is to have general contractors utilize M/W/D/EBEs to perform no less than 25% of the awarded contract.

Firms bidding on projects with the City must work to meet the 25% goal or request a waiver from participation. It is advised that bidders place advertisements requesting sub-contractors and that they email or contact individual firms that would be appropriate to partner in response to the project. For samples of possible advertisements, see the City of Evanston's Business Diversity Section <http://www.cityofevanston.org/business/business-diversity/> ([Sample Advertisement](#)). If you request a paper copy of the additional documents, it will be available free of charge from the Purchasing Office, 2100 Ridge Road Suite 4200, Evanston, IL 60201.

If a bidder is unable to meet the required M/W/D/EBE goal, the Bidder must seek a waiver or modification of the goal on the attached forms. Bidder must include:

1. A narrative describing the Bidder's efforts to secure M/W/D/EBE participation prior to the bid opening.
2. Documentation of each of the assist agencies that were contacted, the date and individual who was contacted, and the result of the conversation (see form)
3. A letter attesting to instances where the bidder has not received inquiries/proposals from qualified M/W/D/EBEs
4. Names of owners, addresses, telephone numbers, date and time and method of contact of qualified M/W/D/EBE who submitted a proposal but was not found acceptable.
5. Names of owners, addresses, telephone numbers, date and time of contact of at least 15 qualified M/W/D/EBEs the bidder solicited for proposals for work directly related to the Bid prior to the bid opening (copies must be attached).

If a bidder is selected with a Sub-contractor listed to meet the M/W/D/EBE goal, a "monthly utilization report" will be due to the City prior to each payment being issued to the Contractor. This report will include documentation of the name of the firm hired, the type of work that firm performed, etc. Should the M/W/D/EBE not be paid according to the schedule proposed in this document, the City reserves the right to cancel the contract. Examples of this monthly form can be found on the City's website: <http://www.cityofevanston.org/business/business-diversity/> ([MWDEBE Monthly Utilization Report](#)).

If requested by City, Consultant shall promptly replace any employee or agent performing the Services if, in the opinion of the City, the performance of the employee or agent is unsatisfactory.

Consultant is responsible for conforming its final work product to generally accepted professional standards for all work performed pursuant to this Agreement. Nothing in this Agreement accords any third-party beneficiary rights whatsoever to any non-party to this Agreement that any non-party may seek to enforce. Except as otherwise provided herein, the nature and scope of Services specified in this Agreement may only be modified by a writing approved by both parties. result of any violation of the General Provisions contained herein.

- D. Remedy.** City does not waive any right to exercise any option to cure any breach or default on the part of contractor, including but not limited to injunctive relief, an action in law or equity or termination of this Agreement as outlined in Paragraph E of this section.
- E. Termination.** City may, at any time, with or without cause, terminate this Agreement upon seven (7) days written notice to Consultant. If the City terminates this agreement, the City will make payment to Consultant for Services performed prior to termination. Payments made by the City pursuant to this Agreement are subject to sufficient appropriations made by the City of Evanston City Council. In the event of termination resulting from non-appropriation or insufficient appropriation by the City Council, the City's obligations hereunder shall cease and there shall be no penalty or further payment required. In the event of an emergency or threat to the life, safety or welfare of the citizens of the City, the City shall have the right terminate this Agreement without prior written notice. Within thirty (30) days of termination of this Agreement, the Consultant shall turn over to the City any documents, drafts, and materials, including but not limited to, outstanding work product, data, studies, test results, source documents, AutoCAD Version 2007, PDF, ARTView, Word, Excel spreadsheets, technical specifications and calculations, and any other such items specifically identified by the City related to the Services herein.
- F. Independent Consultant.** Consultant's status shall be that of an independent Consultant and not that of a servant, agent, or employee of City. Consultant shall not hold Consultant out, nor claim to be acting, as a servant, agent or employee of City. Consultant is not authorized to, and shall not, make or undertake any agreement, understanding, waiver or representation on behalf of City. Consultant shall at its own expense comply with all applicable workers compensation, unemployment insurance, employer's liability, tax withholding, minimum wage and hour, and other federal, state, county and municipal laws, ordinances, rules, regulations and orders. Consultant shall certify that its agents, employees and subcontractors are in compliance with City work rules applicable to City employees while on City property. Failure to certify or violation of work rules is subject to the Default provisions of Paragraph C.
- G. Conflict of Interest.** Consultant represents and warrants that no prior or present services provided by Consultant to third parties conflict with the

interests of City in respect to the Services being provided hereunder except as shall have been expressly disclosed in writing by Consultant to City and consented to in writing to City.

- H. Ownership of Documents and Other Materials.** All originals, duplicates and negatives of all plans, drawings, reports, photographs, charts, programs, models, specimens, specifications, AutoCAD Version 2007, Excel spreadsheets, PDF, and other documents or materials required to be furnished by Consultant hereunder, including drafts and reproduction copies thereof, shall be and remain the exclusive property of City, and City shall have the unlimited right to publish and use all or any part of the same without payment of any additional royalty, charge, or other compensation to Consultant. Upon the termination of this Agreement, or upon request of City, during any stage of the Services, Consultant shall promptly deliver all such materials to City. Consultant shall not publish, transfer, license or, except in connection with carrying out obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working pages, without the prior written approval of City, provided, however, that Consultant may retain copies of the same for Consultant's own general reference.
- I. Payment.** Invoices for payment shall be submitted by Consultant to City at the address set forth above, together with reasonable supporting documentation, City may require such additional supporting documentation as City reasonably deems necessary or desirable. Payment shall be made in accordance with the Illinois Local Government Prompt Payment Act, after City's receipt of an invoice and all such supporting documentation.
- J. Right to Audit.** Consultant shall for a period of three years following performance of the Services, keep and make available for the inspection, examination and audit by City or City's authorized employees, agents or representatives, at all reasonable time, all records respecting the services and expenses incurred by Consultant, including without limitation, all book, accounts, memoranda, receipts, ledgers, canceled checks, and any other documents indicating, documenting, verifying or substantiating the cost and appropriateness of any and all expenses. If any invoice submitted by Consultant is found to have been overstated, Consultant shall provide City an immediate refund of the overpayment together with interest at the highest rate permitted by applicable law, and shall reimburse all of City's expenses for and in connection with the audit respecting such invoice.
- K. Indemnity.** Consultant shall defend, indemnify and hold harmless the City and its officers, elected and appointed officials, agents, and employees from any and all liability, losses, or damages as a result of claims, demands, suits, actions, or proceedings of any kind or nature, including but not limited to costs, and fees, including attorney's fees, judgments or settlements, resulting from or arising out of any negligent or willful act or omission on the part of the Consultant or Consultant's sub-contractors, employees, agents or sub-contractors during the performance of this Agreement. Such indemnification shall not be limited by reason of the enumeration of any insurance coverage

herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the City, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-consultants' work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

- L. Insurance.** Consultant shall carry and maintain at its own cost with such companies as are reasonably acceptable to City all necessary liability insurance (which shall include as a minimum the requirements set forth below) during the term of this Agreement, for damages caused or contributed to by Consultant, and insuring Consultant against claims which may arise out of or result from Consultant's performance or failure to perform the Services hereunder: (1) worker's compensation in statutory limits and employer's liability insurance in the amount of at least \$500,000, (2) comprehensive general liability coverage, and designating City as additional insured for not

less than \$3,000,000 combined single limit for bodily injury, death and property damage, per occurrence, (3) comprehensive automobile liability insurance covering owned, non-owned and leased vehicles for not less than \$1,000,000 combined single limit for bodily injury, death or property damage, per occurrence, and (4) errors and omissions or professional liability insurance respecting any insurable professional services hereunder in the amount of at least \$1,000,000. Consultant shall give to the City certificates of insurance for all Services done pursuant to this Agreement before Consultant performs any Services, and, if requested by City, certified copies of the policies of insurance evidencing the coverage and amounts set forth in this Section. The City may also require Consultant to provide copies of the Additional Insured Endorsement to said policy (ies) which name the City as an Additional Insured for all of Consultant's Services and work under this Agreement. Any limitations or modification on the certificate of insurance issued to the City in compliance with this Section that conflict with the provisions of this Section shall have no force and effect. Consultant's certificate of insurance shall contain a provision that the coverage afforded under the policy(s) will not be canceled or reduced without thirty (30) days prior written notice (hand delivered or registered mail) to City. Consultant understands that the acceptance of certificates, policies and any other documents by the City in no way releases the Consultant and its sub-contractors from the requirements set forth herein. Consultant expressly agrees to waive its rights, benefits and entitlements under the "Other Insurance" clause of its commercial general liability insurance policy as respects the City. In the event Consultant fails to purchase or procure insurance as required above, the parties expressly agree that Consultant shall be in default under this Agreement, and that the City may recover all losses, attorney's fees and costs expended in pursuing a remedy or reimbursement, at law or in equity, against Consultant.

Consultant acknowledges and agrees that if it fails to comply with all requirements of this Section, that the City may void this Agreement.

- M. Confidentiality.** In connection with this Agreement, City may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for City. Consultant agrees (i) to treat, and to obligate Consultant's employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or use the same in any manner whatsoever without first obtaining City's written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5)

working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant's control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemption to the disclosure of such records or part thereof is applicable. Vendor shall indemnify and defend the City from and against all claims arising from the City's exceptions to disclosing certain records which Vendor may designate as proprietary or confidential. Compliance by the City with an opinion or a directive from the Illinois Public Access Counselor or the Attorney General under FOIA, or with a decision or order of Court with jurisdiction over the City, shall not be a violation of this Section.

- N. Use of City's Name or Picture of Property.** Consultant shall not in the course of performance of this Agreement or thereafter use or permit the use of City's name nor the name of any affiliate of City, nor any picture of or reference to its Services in any advertising, promotional or other materials prepared by or on behalf of Consultant, nor disclose or transmit the same to any other party.
- O. No Assignments or Sub-contracts.** Consultant shall not assign or sub-contract all or any part or its rights or obligations hereunder without City's express prior written approval. Any attempt to do so without the City's prior consent shall, at City's option, be null and void and of no force or effect whatsoever. Consultant shall not employ, contract with, or use the services of any other architect, interior designer, engineer, consultant, special contractor, or other third party in connection with the performance of the Services without the prior written consent of City.
- P. Compliance with Applicable Statutes, Ordinances and Regulations.** In performing the Services, Consultant shall comply with all applicable federal, state, county, and municipal statutes, ordinances and regulations, at Consultant's sole cost and expense, except to the extent expressly provided to the contrary herein. Whenever the City deems it reasonably necessary for security reasons, the City may conduct at its own expense, criminal and driver history background checks of Consultant's officers, employees, sub-contractors, or agents. Consultant shall immediately reassign any such individual who in the opinion of the City does not pass the background check.
- Q. Liens and Encumbrances.** Consultant, for itself, and on behalf of all sub-contractors, suppliers, materialmen and others claiming by, through or under Consultant, hereby waives and releases any and all statutory or common law mechanics' materialmen's' or other such lien claims, or rights to place a lien upon City property or any improvements thereon in connection with any Services performed under or in connection with this Agreement. Consultant further agrees, as and to the extent of payment made hereunder, to execute a sworn affidavit respecting the payment and lien releases of all sub-contractors, suppliers and materialmen, and a release of lien respecting the Services at

such time or times and in such form as may be reasonably requested by City. Consultant shall protect City from all liens for labor performed, material supplied or used by Consultant and/or any other person in connection with the Services undertaken by consultant hereunder, and shall not at any time suffer or permit any lien or attachment or encumbrance to be imposed by any sub-consultant, supplier or materialmen, or other person, firm or corporation, upon City property or any improvements thereon, by reason or any claim or demand against Consultant or otherwise in connection with the Services.

- R. Notices.** Every notice or other communication to be given by either party to the other with respect to this Agreement, shall be in writing and shall not be effective for any purpose unless the same shall be served personally or by United States certified or registered mail, postage prepaid, addressed if to City as follows: City of Evanston, 2100 Ridge Avenue, Evanston, Illinois 60201, Attention: Purchasing Division and to Consultant at the address first above set forth, or at such other address or addresses as City or Consultant may from time to time designate by notice given as above provided.
- S. Attorney's Fees.** In the event that the City commences any action, suit, or other proceeding to remedy, prevent, or obtain relief from a breach of this Agreement by Consultant, or arising out of a breach of this Agreement by Consultant, the City shall recover from the Consultant as part of the judgment against Consultant, its attorneys' fees and costs incurred in each and every such action, suit, or other proceeding.
- T. Waiver.** Any failure or delay by City to enforce the provisions of this Agreement shall in no way constitute a waiver by City of any contractual right hereunder, unless such waiver is in writing and signed by City.
- U. Severability.** In the event that any provision of this Agreement should be held void, or unenforceable, the remaining portions hereof shall remain in full force and effect.
- V. Choice of Law.** The rights and duties arising under this Agreement shall be governed by the laws of the State of Illinois. Venue for any action arising out or due to this Agreement shall be in Cook County, Illinois. The City shall not enter into binding arbitration to resolve any dispute under this Agreement. The City does not waive tort immunity by entering into this Agreement.
- W. Time.** Consultant agrees all time limits provided in this Agreement and any Addenda or Exhibits hereto are of essence to this Agreement. Consultant shall continue to perform its obligations while any dispute concerning the Agreement is being resolved, unless otherwise directed by the City.

Consultant shall comply with all requirements of City of Evanston Code Section 1-12-5.

B. That, in all solicitations or advertisements for employees placed by it on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, national origin, ancestry, or disability.
